Dear Sir:

Please refer to File 0156801

I have to acknowledge your letter of
the 1st inst. in the matter of an easement through
Crown lands for logging purposes in connection with
timber limits in the vicinity of Franklin River and
Corrigan Creek.

Upon receipt of the plan of the route
of the right of way desired, which you state will be
forwarded from your Engineering Department at Port
Alberni your application will be given due considera-
tion.

Yours truly,

The Hon. Minister,
Department of Lands and Forests,
OTTAWA, CAN.

Dear Mr. Minister:

In connection with my request that we be
issued an Easement through Crown lands, a plan of which
will be forwarded to the Engineering Department
at Port Alberni, we desire still to reserve in our Easement
a portion of the right of way to a point East of Junction
of Franklin Creek and Corrigan Creek, where in a South
Western direction a road leads out into Timber limits
near Port Alberni, B.C.

We have desired to develop this line into a
permanent road in connection with the restoration of logged off
lands and the planting of new trees, and unless an Easement
can be obtained this will be hard to keep levelled and
usable for the purpose.

In accordance with this Easement follows
an old road line, which except for a short section is a water shed,
and we wish to reserve in our forest policy.

Very truly yours, Sir,

Sincerely yours,

Dear Sir:

Following up Mr. S. G. Smith's letter of July 25th (File No. 0156801) requesting an easement for a truck road through Lot 18, 18A and 18B, Barclay District, I am enclosing a sketch of the route of the truck road. The location of the truck road follows the location of the old Main Line and Branch 13.

Yours truly,

Dear Sir:

Will you please advise me of the status of "Star of the West" Mineral Claim, -- Lot 40, Carleton Place. As you are advised in application for a Locating Right-of-way which will cross the said Lot 40, Carleton District -- "Star of the West" Mineral Claim.

If the Mineral Claim is in, how, do you know of any rules which will in the right-of-way should not be granted to discover?

Dear Sir,

Re: Application of the North Mineral Claim,
Lot 40, Barclay District.

In reply to your letter of the 24th ult.,
I advise that the above-mentioned North Mineral
Claim reverted to the Crown through the Sale, in 1930.

I know of no reason why a logging right-of-way
should not be granted thereover.

Yours faithfully,

Dear Sir:

We acknowledge receipt of your letter of
the 5th instant in connection with application for
an easement for a truck road through Lots 18, 18-A
and 18-B, Barclay District, and in reply wish to
advise that this application is being proceeded with
and you will be advised in the course of a few days.
In regard to same, with the exception of lot 18
which is covered by a timber lease registered in the
name of Great Central Timber Co., c/o Lee M. Clide,
57 Post Street, San Francisco, and a right-of-way
through this area is a matter of private negotiation.

Dear Sir:

With reference to your letter of August 1, 1943, you are hereby granted an easement under part 6 of the "Forest Act" for a logging road right-of-way crossing Blocks "11" and "12" of Lot 15, Barclay District, as shown outlined in red on the attached plan.

This easement is granted to you while it is required for active logging purposes and no longer, subject to the condition that all merchantable timber cut in the course of road construction and disposed of through commercial channels shall be subject to current stumpage rates in addition to royalty.

This easement is not transferable to other interests without first securing the consent of this Department.

Yours truly,

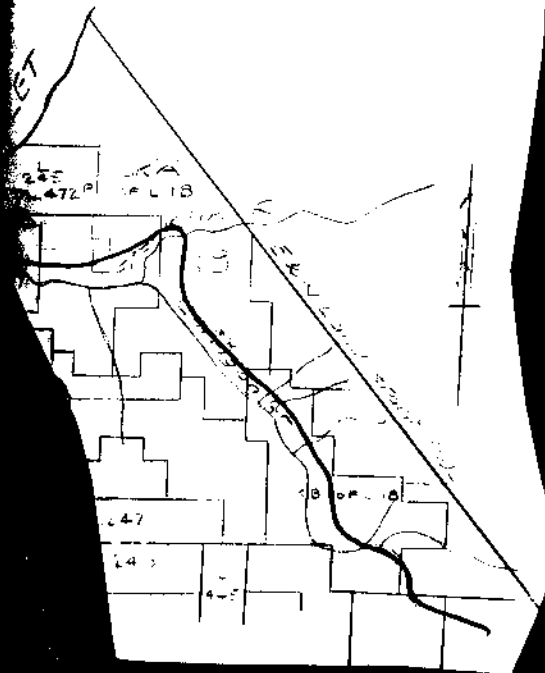

[Signature]
Deputy Minister of Forests.

Dear Sirs:

Ref. 1823206

This is to acknowledge your letter of September 11th in which you are granting us an easement through Blocks "A" and "B" of Lot 18, Barclay District, but are not covering that portion from Lot 17 to Block "A". This is to advise that although Lease 10 is held in the name of the Great Central Timber Company, we are the owners and if you think it necessary I will ask Mr. Oles to write you a letter granting us easement to that area.

I note that the easement is granted to us while it is required for active logging purposes and no longer. Evidently, Mr. Dunham did not make himself entirely clear as we are anxious to condition the road and keep it in shape for forest protection work and to carry out our reforestation program. There will be little logging over this area inasmuch as most of the timber has been removed except on Timber Unit 4572, lying to the East of Lease 10. Therefore, we would like to have the easement granted us for the purposes above noted.

Yours very truly,

Attention Mr. C. G. Torman,
Vice-President.

Dear Sirs:

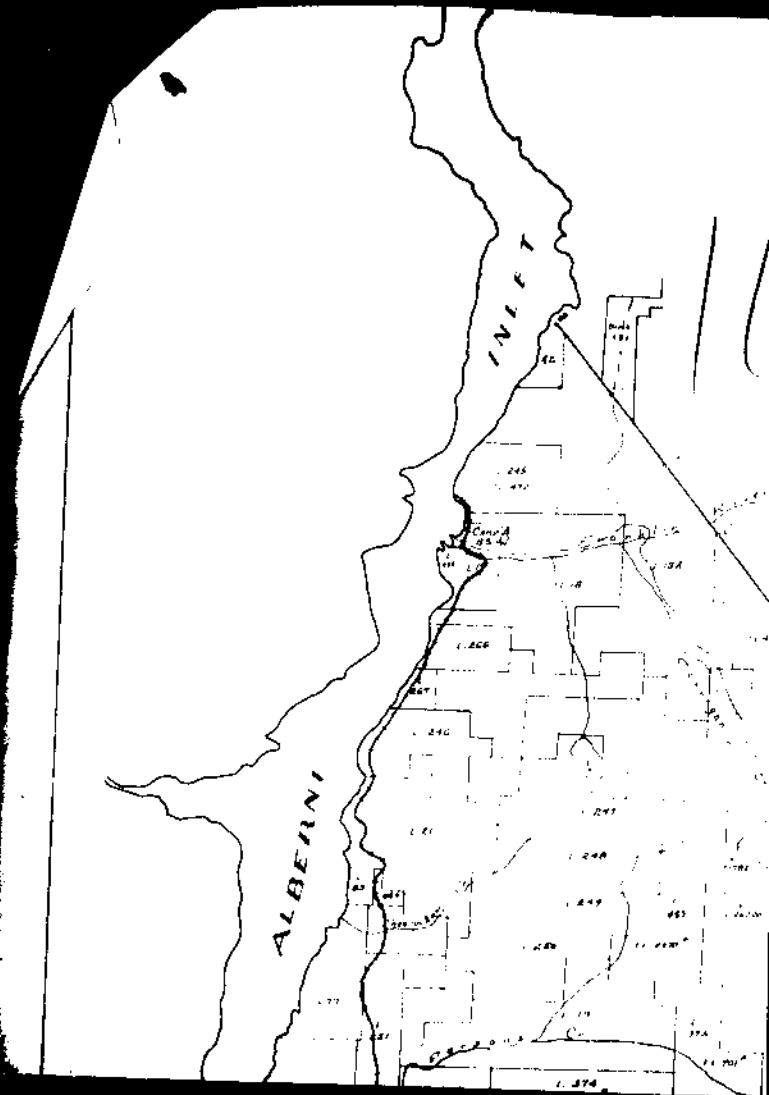

Under Section 50, Part 6 of the "Forest Act", we are only empowered to issue an easement for the carriage and transport of timber and products of the forest. Of course, when the "Act" was written, a problem such as you now present was not considered, and it may be that in the next amendments of the "Forest Act", inclusion of right-of-way for forest protection work will be inserted.

At any rate, I feel that you need not be too concerned about the situation at the present time for, if there is no provision made in the "Forest Act" to take care of an easement for the purpose for which you will require it, then there should be no difficulty in securing an easement through the "Lands Branch" under authority of the "Land Act". It would seem to me that you need have no fear in accepting this easement as it now exists.

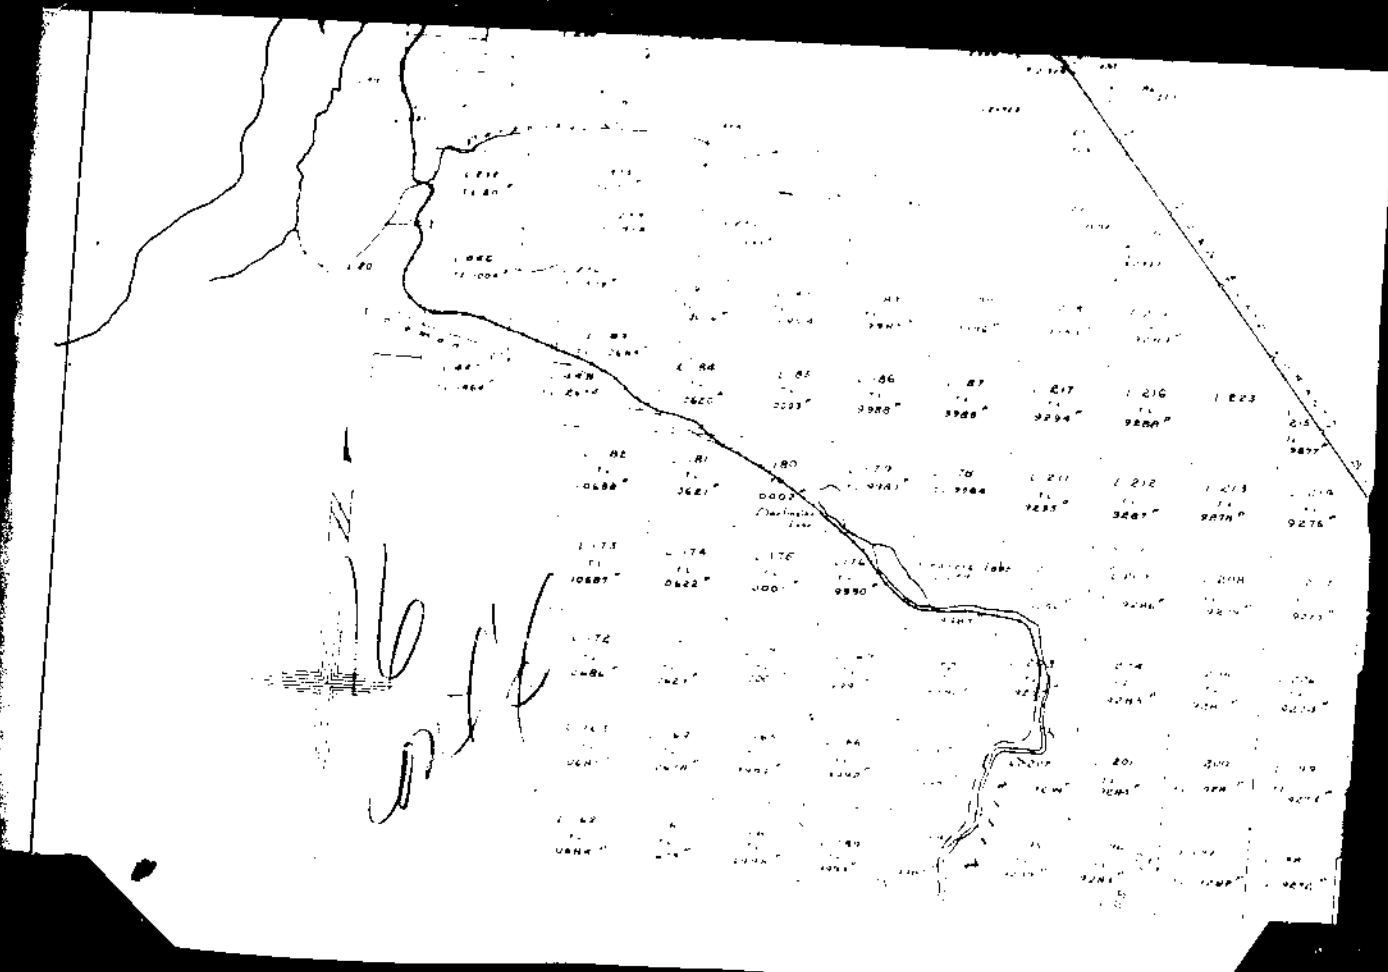

It is impossible for the Government to issue you an easement over privately-held property, which is the case of Lease #18, as you, by ownership, automatically retain the right to private use of that portion of the road constructed through this area.

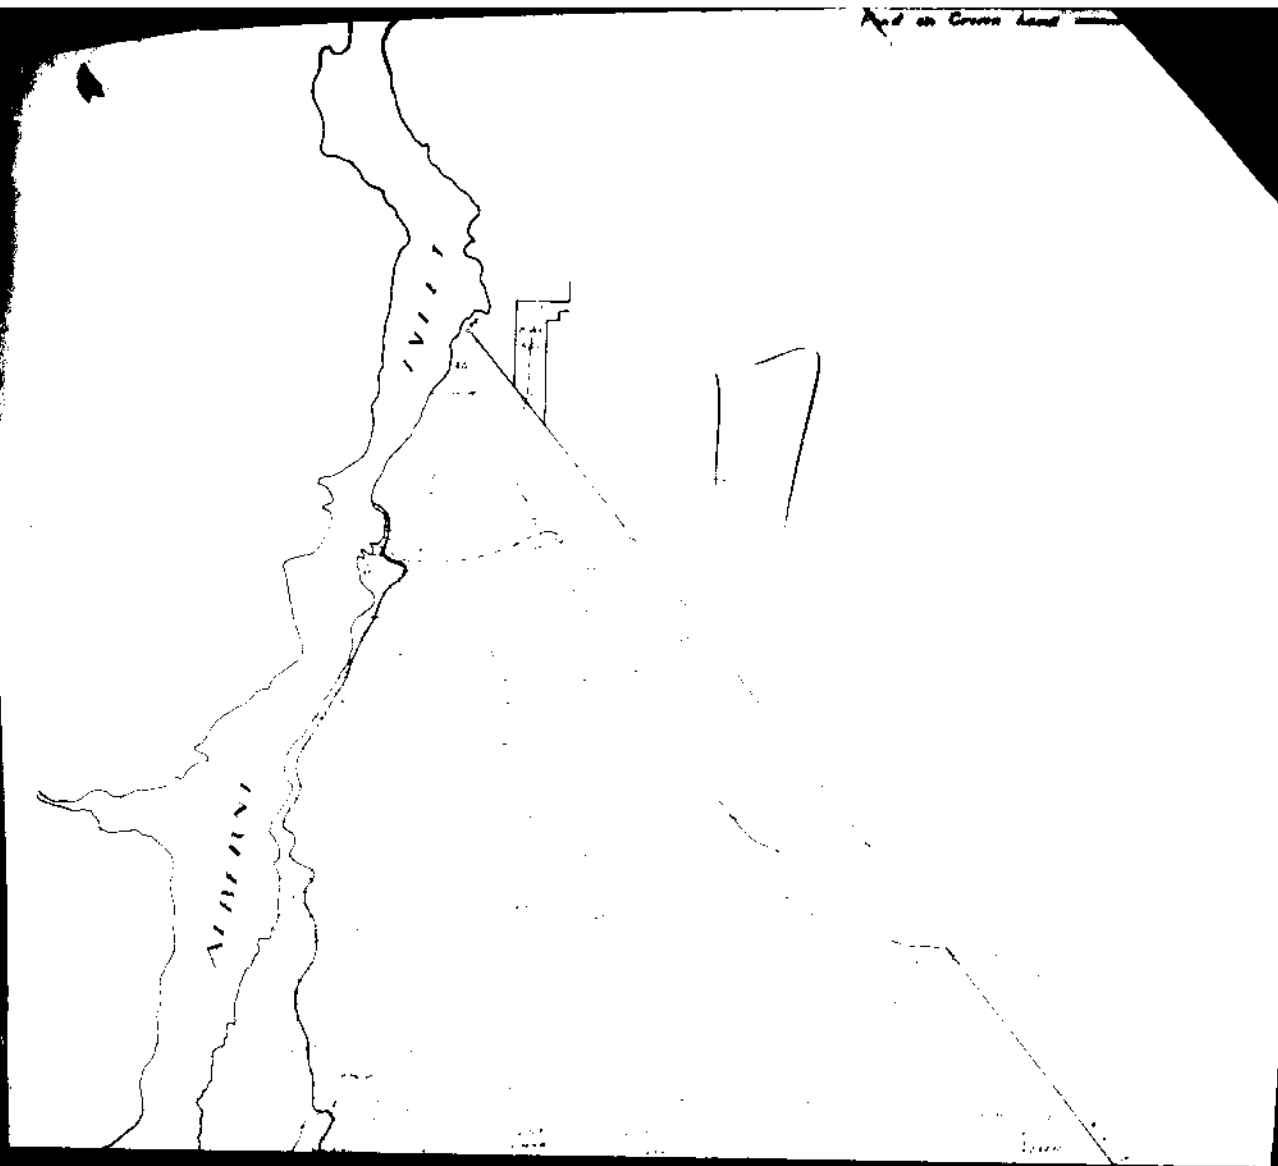

Yours truly,

C. G. Torman,
Asst. Chief Forester.

The location of the train road is shown in the enclosed sketch and follows the location of the main line, branch 3 and 4 on which the rails have been lifted.

The road will be used for the purpose of conducting logging operations on T.L. 4573, 2800, 1600 and 4000 414, 413, and which are held by this company.

21 present most of the work is placed on the fact that several of the old railway bridges are in a state of repair or unsafe. Although it may be several years before any active repair operation is completed in this area we are now engaged in getting the trucks by building sections of new bridges in place of the old bridges. We are planning to place the spans with the first last require painting and provide a good surface. We will give adequate protection against fires that may originate on trains and also guard from the logging operations on certain trunks.

In place of the usual statement that is "Denied for as long as active logging operations are conducted" it is suggested that a easement be granted for a loop as active forestry operations are conducted. This would include planting, snag felling, construction and maintenance of protection roads, and active logging. This would give the company control of the road while no active logging is being conducted; otherwise the public will be able to use the road and the fire hazard will be increased.

I trust this will receive your favourable consideration.

ALCORN, JAMES M. JR. 1912-1913.

Attention Mr. C. O. Terman

Dear Sirs:

No amendment to Section 54 of the "Forest Act" covering easements for right-of-way other than for active logging operations will be considered at this session of the Legislature, as it would be impossible to have your present easement changed.

However, we think there will be an amendment to the "Act" whereby private Forest Service access roads will be designated, and in the event you feel at a later date that this Department should take action to have this changed as a Forest Service access road, we will be glad to do so in order to protect your active forestry operations in Franklin River.

At any rate, we will not disturb your present easement.

Yours truly,

C. O. Terman,
Asst. Chief Forester.

Dear Sirs:

We are in receipt of your letter of the 2nd inst. regarding the proposed amendment to the "Forest Act" which would provide for the designation of private Forest Service access roads. We are sorry that we cannot advise you that this amendment will be considered at this session of the Legislature, as it would be impossible to have your present easement changed.

Yours very truly,

With reference to your letter of the 17th ult., to the Deputy Minister, in regard to the desire to obtain license of occupation covering your Company's logging truck road right-of-way covering certain areas in Bureau District, I have to advise that I am instructed to inform you that it has been decided to recommend to the Lieutenant-Governor in Council the granting of license of occupation for the purpose required, and particulars as to the terms and conditions of same will be furnished you shortly.

It is noted that your letter referred particularly to Lots 731, 732 and 733, Barclay District, being the surveys of three of the right-of-way filled in by the City of Seattle to the right-of-way crossing certain land in Barclay District described as Section 10, Township 4, Lots 453, 407, etc. (Department File 0177421), but it is understood that a license of occupation is also desired covering this particular right-of-way. Would you kindly advise.

Yours truly,

Superintendent of Land

Dear Sirs:

Attention: C.B. Dunham, Esq.,
Chief Forest Engineer.

Please quote: (File 0168813,
0156401, 0177-01 & 0177-10.

Further to your letter of the 12th ultimo to the Deputy Minister of Lands, and my reply of the 6th instant regarding an application for licences of occupation over your company's logging truck road rights-of-way over certain areas in Barclay District, I have to inform you that the Minute of Council to be prepared in this connection will recommend the use of the lands in question, for the above mentioned purpose, for a period not exceeding 21 years. Annual rental will be at the rate of \$7.50 per acre in addition to which taxes are payable. A Statutory fee of \$5.00 is charged for each Licence of Occupation issued.

Special provisions to be contained in the licences to be issued are as follows:

"This licence may be terminated by the Minister of Lands and Forests without notice when in his opinion the above described lands are no longer used by the licensee for the purpose specified.

That in the event of this area being required by the Government for purposes in the public interest, the Minister of Lands and Forests may, after three months' notice given to the licensee by registered mail, cancel this licence and resume the said lands without compensation."

Attention: Superintendent

Referring to your letter of February 26, 1951, and your
subsequent visit in the Department, in connection with
the proposed license of occupation to be granted to
"loaders, levellers" etc. for a loading truck
road right-of-way crossing certain tracks in the
district, I have to inform you that the draft Minute of
Council left by you has been carefully reviewed. In
this connection I am enclosing herewith a draft Order-in-
Council, as revised, which it has been decided to prepare
for submission to the Minister of Lands and Forests to
cover the right-of-way application.

The draft has been prepared in conjunction with our legal
department.

Kindly advise us whether your clients are prepared to
proceed in the matter in accordance with the provisions
set out.

Yours truly,

Superintendent of Lands.

Report

That an application has been received from MacMillan & Bloedel (Alberni) Limited, Port Alberni, B.C. for a license to occupy certain lands situated in Barclay District, namely:

These certain parcels or tracts of land and premises situate, lying and being in the Alberni Assessment District, Province of British Columbia, and more particularly known and described as lots 731, 732 and 733, Barclay District, as shown on survey plans filed with the Department of Lands and Forests in the City of Victoria and with the Government Agent in the City of Alberni:

AND THAT MacMillan & Bloedel (Alberni) Limited has applied for a license to occupy said lands for the purpose of a logging truck road right-of-way to facilitate logging operations of MacMillan & Bloedel (Alberni) Limited on its lands, timber licenses and timber leases in Barclay and adjacent Districts;

AND TO RECORD THAT under authority of Section 71 of the "Land Act", being Chapter 175, Revised Statutes of British Columbia, 1948, there is granted the said MacMillan & Bloedel (Alberni) Limited, its successors and assigns, hereinafter referred to as the licensee, a license to occupy the above-described lands for the purpose of a logging truck road right-of-way and for the purpose of a right-of-way to facilitate logging operations of the licensee on its lands, timber licenses and timber leases in Barclay and adjacent Districts, for a period of twenty-one years from date of approval of this license and subject to the following terms and conditions:

- (a) That the licensee shall pay to the Crown a rental of \$112.63 per annum, for the use and occupation of the said lands and premises, payment of rental to commence on date of approval of this license and subsequent payments to be made on the anniversary of said date, subject to adjustment of the amount of annual rental at the discretion of the Minister of Lands and Forests.
- (b) That the licensee shall pay all taxes, rates, duties and assessments that whether municipal, parliamentary or otherwise now charged or hereafter charged upon the said licensed premises, or any part thereof, or upon the thereof, or any part thereof, or upon the said licensee, its successors in respect thereof.
- (c) That the licensee shall not use the said lands and premises for other than as provided except with the written consent of the Minister of Lands and Forests.
- (d) That the licensee shall not assign or transfer the license, or any part thereof, except with the written consent of the Minister of Lands and Forests.
- (e) That the licensee shall not sublet or otherwise dispose of the license, or any part thereof, except with the written consent of the Minister of Lands and Forests.

63
pew. certified, provided that notice of the intention to terminate, shall be given to the licensee not less than three months prior to the date of termination.

- (f) That no trees shall be cut, removed or destroyed from the said lands except with the approval of the Minister of Lands and Forests being first obtained.
- (g) That it shall be lawful for the Minister of Lands and Forests or any servant or employee of the Crown authorized by him at all reasonable times during the continuance of these presents to enter upon the said lands in the performance of their duties.
- (h) That upon breach of any of the terms and conditions of the license, the Minister of Lands and Forests may cancel the license by notice in writing addressed to the Company at its registered office, or chief place of business in the Province, under registered cover, or by a like notice posted upon in a conspicuous place on the area covered by the license.
- (i) In the event that the said lands are required by the Government of the Province of British Columbia for any purpose in the public interest or for the purpose of joining and connecting them with other lands to complete and open up public road rights-of-way, then the Minister of Lands and Forests may on written notice given to the licensee by registered mail cancel this license or so much of it as pertains to the lands required for other purposes or the said public road and may reassume the lands so required and any compensation to the licensee for improvements made or placed by the licensee on the said lands so required shall be determined in accordance with the provisions of the Public Works Act, Chapter 279, Revised Statutes of British Columbia, 1908, relating to arbitration proceedings thereunder in the event that no agreement can be reached as to the amount of compensation. No compensation shall be allowed or paid for roads and trails constructed with the consent of the Minister which may intersect or cross the above described lands.
- (j) Provided that the terms and conditions of the license of occupation have been fully complied with, the licensee shall have the right of renewal of the license of occupation upon such terms and conditions as the Minister of Lands and Forests may deem advisable.

Superintendent of Lands

Further to your letter of March 26th last, enclosed herewith is Order-in-Council No. 1952, approved May 15th, 1952, granting in favour of the McMillan and Macdonald (Alberta) Company a license to occupy for the purpose of a logging truck and right of way to facilitate logging operations of the said company on its lands, timber licenses and timber leases in Hurley and adjacent districts, covering the following described lands:

These certain parcels or tracts of land and premises situate, being and being in the Alberta Assessment District, Province of British Columbia, and more particularly known and described as Lots 724, 725 and 726, Hurley District, as shown on survey plans filed with the Department of Lands and Forests in the City of Edmonton, and with the Government Agent in the City of Edmonton.

The license to occupy is issued for a period of 21 years at the rental of \$12.45 per acre subject to adjustment at the discretion of the Minister of Lands and Forests, and providing the terms and conditions of the license have been fully complied with, the licensee shall have the right of renewal of the license upon such terms and conditions as the Minister may deem advisable.

Enclosed herewith is General receipt No. 757894 in the sum of \$12.45, representing rental to May 15th, 1952, and Statutory License Fee.

Yours truly

Re: Lots 731, 732, 733,
Savita District

Dear Sir:

We have for reply your letter of the 15th inst. with reference to the house rental in the amount of \$112.63 covering the above-described lots. These three areas are covered by one agreement at the aforementioned annual rental which was received in this office by 15th inst. and our Receipt No. 16421-1 was forwarded to your Vancouver office on the 16th.

This is the only payment we have recorded, and we are unable to locate a payment in the amount of \$69.62 as mentioned in your letter. If this letter cancelled cheque is in your possession, we would be pleased if you would inform this office of the endorsement on the back and also the control number stamped thereon. Any further particulars you may be able to supply us would be appreciated.

Yours truly,

S. G. Wilson,
Chief Accountant.

Re: Lots 731, 732, 733,
Savita District

Dear Sirs:

The department is in receipt of a remittance of \$66.62 from your Franklin River Division to be applied as annual rental on Lot 733, Savita District. However, as the License of Occupation covering this account includes Lots 731, 732, and 733, and carries an annual rental of \$112.63, we would be pleased to receive the balance in the amount of \$46.01 at your early convenience to place this account in good standing for the ensuing year.

Yours truly,

S. G. Wilson,
Chief Accountant.

Attention: "Licensee"

Dear Sir:

Please refer to right-of-way surveyed as lots 731, 732 and 733, Barclay district and covered by license of occupation granted by order-in-council dated May 12, 1955 and also right-of-way surveyed as lots 734 and 735, Barclay district, covered by license of occupation granted by order-in-council no. 576, approved March 12, 1955.

As you know, Forest Management License No. 21 is appurtenant to the operations of New Lillan and Klondike Limited and that the above right-of-way are located in the Forest Management License area.

I am given to understand by the Forest Service that the rights which your Company holds by license of occupation are in reality part of the Forest Management Plan and that you are entitled to make such use or improvements in the appurtenant license.

Under the circumstances it is not considered necessary that the rights held by license of occupation be continued, as things of this nature can be included in the working plan of the Management License, which on approval of the Forest Service, constitutes any necessary amendments.

- 2 -

Mr. Frank Rush

May 18, 1956

In accordance with the above it is suggested that your Company request cancellation of the above mentioned licenses of occupation, thereby eliminating the necessity of payment of annual rental fees for the rights-of-way which rights of occupation and use, as mentioned previously, are part of the terms and conditions of Forest Management License No. 21.

Yours truly,

H. E. SOANE,
Superintendent of Lands.

Remarks

Previous rental is based on 100.6 acres, whereas
the sum of the acreage is 170.6 acres. This will
justify an increase in rental.

It is noted that this area is now within T.F.C. 21,
Block 2, and perhaps the L/O is no longer required.

However, if the L/O is still required, it is recom-
mended that the annual rental be increased to \$212.50,
based on the following calculations:

170.6 acres at \$25.00/ac. = \$4265.50

5% of \$4265.50 = \$193.28

We wish to advise that we no longer wish to retain the Licences of Occupation covering the above described lots. These parcels are within our Tree Farm Licence and as such there is no advantage to having them under a Licence of Occupation.

Would you therefore advise us upon cancellation of these licences so that we may inform our divisions regarding a stop payment of the rentals which I believe are due in May.

Yours very truly,

MacMillan, Bloedel and Powell River Limited

MAY 15 1963

MAIL ROOM
VICTORIA, B. C.

Dear Sir:

We have received two letters dated May 1, 1963, over signature of the Deputy Minister of Lands, cancelling the above Licences of Occupation on the records of the Department of Lands.

Our Franklin River Division has advised payment of Rental Fee of Licences of Occupation described as: (a) Lots 731, 732 and 733 etcetera to May 14, 1963
(b) Lots 734 and 735 etcetera to March 12, 1964.

In view of the cancellation of the Licences of Occupation, we respectfully request a refund of the rental for the period paid after cancellation per May 1st, 1963.

Lots 731 - 3	$\frac{13}{365}$	X	\$213.25 =	\$ 7.60
Lots 734 - 5	$\frac{316}{365}$	X	\$ 42.00 =	<u>\$36.36</u>
Total				\$43.96

MacMillan, Blundell and Powell River Limited,
1198 Melville Street,
Vancouver 3, B.C.

Dear Sir:

Reference is made to your letter of April 11, 1967, advising that your Company has no further interest in the license to survey, approved May 14, 1963, issued in the name of MacMillan & Blundell (Alberni) Limited, for logging track and right-of-way covering the following described Crown land:

"Three certain parcels or tracts of land and premises situate, lying and being in the Alberni Regional District, Province of British Columbia, and more particularly known and described as Lots 731, 732 and 733, Barclay District, as shown on survey plans filed with the Department of Lands and Forests in the City of Victoria and with the Government Agent in the City of Alberni."

In the circumstances, the said license to survey has been duly returned or cancelled on the records of this Department.

Yours truly,

Re: Licences of Occupation - Lots 731,
732, 733, 734, 735, Barclay District

We wish to advise that we no longer wish to retain the
Licences of Occupation covering the above described lots. These parcels
are within our Tree Farm Licence and as such there is no advantage to
having them under a Licence of Occupation.

Would you therefore advise us upon cancellation of these
licences so that we may inform our divisions regarding a stop payment
of the rentals which I believe are due in May.

Yours very truly,

Remarks

Previous rental is based on 100.6 acres, whereas the sum of the acreage is 170.6 acres. This will justify an increase in rental.

It is noted that this area is now within T.F.L. 21, Block 2, and perhaps the L/O is no longer required.

However, if the L/O is still required, it is recommended that the annual rental be increased to ~~\$212.50~~ ²³²³ \$4251.50, based on the following calculations:

170.6 acres at \$25.00/ac. = ~~\$4265.50~~ ^{4265.50}

5% of \$4251.50 = ~~\$212.58~~ ^{212.58} \$892.73

As you know, Forest Management Licence No.

I am given to understand by the Forest Ser-
vice that the rights which your Company holds by Licence
of Occupation are in reality part of the Forest Management
Plan and feel that you are entitled to make such use or
improvements in the appurtenant licence.

Under the circumstances it is not considered
necessary that the rights held by Licence of Occupation be
continued, as things of this nature can be included in the
working plan of the Management Licence, which on approval
of the Forest Service, constitutes any necessary consents.

Dear Sir:

We have for reply your letter of the 15th inst. with reference to the lease rental in the amount of \$112.63 covering the above-described lots. These three areas are covered by one agreement at the aforementioned annual rental which was received in this office May 13th last and our Receipt No. 36921-M was forwarded to your Vancouver office on the 16th.

This is the only payment we have recorded, and we are unable to locate a payment in the amount of \$66.62 as mentioned in your letter. If this latter cancelled cheque is in your possession, we would be pleased if you would inform this office of the endorsement on the back and also the control number stamped thereon. Any further particulars you may be able to supply us would be appreciated.

attention "L.A. 1000."

Further to your letter of March 28th last, enclosed herewith is Order-in-Council No. 1000, approved May 14th, 1952, granting in favour of the MacMillan and Bloedel (Alberni) Limited a licence to occupy for the purpose of a logging track road right of way to facilitate logging operations of the said company on its lands, timber licences and timber leases in Barclay and adjacent districts, covering the following described lands:

"Those certain parcels or tracts of land and premises situate, lying and being in the Alberni Assessment District, Province of British Columbia, and more particularly known and described as Lots 731, 732 and 733, Barclay District, as shown on survey plans filed with the Department of Lands and Forests in the City of Victoria, and with the Government Agent in the City of Alberni."

The licence to occupy is issued for a period of 21 years at the rental of \$117.63 per annum subject to adjustment at the discretion of the Minister of Lands and Forests, and providing the terms and conditions of the licence have been fully complied with, the licensee shall have the right of renewal of the licence upon the same terms and conditions as the Minister may deem advisable.

Enclosed herewith is General Receipt No. 757294 in the sum \$117.63, representing rental to May 1st, 1952, and statutory fee fee.

report:

THAT an application has been received from MacMillan & Bloedel (Alberni) Limited, Port Alberni, B.C. for a license to occupy certain lands situated in Barclay District, namely:

Those certain parcels or tracts of land and premises situate, lying and being in the Alberni Assessment District, Province of British Columbia, and more particularly known and described as lots 731, 732 and 733, Barclay District, as shown on survey plans filed with the Department of Lands and Forests in the City of Victoria and with the Government Agent in the City of Alberni:

AND THAT MacMillan & Bloedel (Alberni) Limited has applied for a licence to occupy said lands for the purpose of a logging truck road right-of-way to facilitate operations of MacMillan & Bloedel (Alberni) Limited on its lands, timber land and timber license in Barclay and adjacent District;

AND TO RECOMMEND THAT under authority of Section 71 of the "Land Act" being Chapter 175, Revised Statutes of British Columbia, 1948, there be granted said MacMillan & Bloedel (Alberni) Limited, its successors and assigns, hereinafter referred to as the licensee, a license to occupy the above-described lands for purpose of a logging truck road right-of-way and for the purpose of a right-of-way to facilitate logging operations of the licensee on its lands, timber licenses and timber license in Barclay and adjacent Districts, for a period of twenty-one years from date of approval of this Minute and subject to the following terms and conditions:

- (a) That the licensee shall pay to the Crown a rental of \$112.43 per annum, for the use and occupation of the said lands and premises, payment of rental to commence on date of approval of this Minute and subsequent payments to be made on the anniversary of said date, subject to adjustment of the amount of annual rental at the discretion of the Minister of Lands and Forests.
- (b) That the licensee shall pay all taxes, rates, duties and assessments whatsoever municipal, parliamentary or otherwise now charged or hereafter to be charged upon the said licensed premises, or any part thereof, or upon the fee of the said license, its successors or assigns.

That the licensee shall not assign or transfer the license, or any part thereof, or the benefit of the license, or any part thereof, to any other person without the written consent of the Minister of Lands and Forests.

That the licensee shall not assign or transfer the license, or any part thereof, or the benefit of the license, or any part thereof, to any other person without the written consent of the Minister of Lands and Forests.

That the licensee shall not assign or transfer the license, or any part thereof, or the benefit of the license, or any part thereof, to any other person without the written consent of the Minister of Lands and Forests.

pose specified, provided that notice of the intention to terminate, shall be given the licensee not less than three months prior to the date of termination.

- (f) That no trees shall be cut, removed or destroyed from the said lands except on approval of the Minister of Lands and Forests being first obtained.
- (g) That it shall be lawful for the Minister of Lands and Forests or any servant or employee of the Crown authorized by him at all reasonable times during the continuance of these presents to enter upon the said lands in the performance of their duties.
- (h) That upon breach of any of the terms and conditions of the license, the Minister of Lands and Forests may cancel the license by notice in writing addressed to the Company at its registered office, or chief place of business in the Province, under registered cover, or by a like notice posted upon in a conspicuous place on the area covered by the license.
- (i) In the event that the said lands are required by the Government of the Province of British Columbia for any purpose in the public interest or for the purpose of joining and connecting them with other lands to complete and open up public road rights-of-way, then the Minister of Lands and Forests may on written notice given to the licensee by registered mail cancel this license or so much of it as pertains to the lands required for other purposes or the said public road and may reassume the lands so required and any compensation to the licensee for improvements made or placed by the licensee on the said lands so required shall be determined in accordance with the provisions of the Public Works Act, Chapter 279, Revised Statutes of British Columbia, 1948, relating to arbitration proceedings thereunder in the event that no agreement can be reached as to the amount of compensation. No compensation shall be allowed or paid for roads and trails constructed with the consent of the Minister which may intersect or cross the above described lands.
- (j) Provided that the terms and conditions of the licence of occupation have been fully complied with, the Licensee shall have the right of renewal of the licence of occupation upon such terms and conditions as the Minister of Lands and Forests may deem advisable.

Attention "Leases"

Dear Mr. Burns:

We wish to thank you for your letter of March 14th, stating that you are prepared to submit to the Lieutenant Governor-in-Council the required Minute recommending the granting of the Licence on Lots 731, 732 and 733 Barclay District.

We enclose herewith our cheque for \$117.63 as first year's rental and statutory lease fee, and will be pleased to receive the Licence when issued.

With respect to the right-of-way crossing Crown Land described as Sec. 10, Tp. 4, Lots 453, 407, etc. (Departmental File 0177421) we plan to have the transit survey completed by early summer so as to have the survey plans submitted to the Department and the Government Agent by the fall of 1952.

The location has all been established by compass survey on the ground, but you will understand the delay required to complete a transit survey and preparation of acceptable survey plans.

On this particular portion of the right-of-way applied for we wish to get a Licence of Occupation on the same basis as that now being issued, and will do all in our power to expedite the submission of the survey plans.

Attention: Licensee

Reference is made to the above license relative
to the proposed license of occupation to be granted under
the provisions of Section 71 of the Land Act, to the extent of
your company, operating, under license described as Land 71,
710 and 711, "Landfill License," as shown on survey plans
filed with the Department of Lands and Forestry in the City
of Chicago, and the Department of Land in the City of Chicago,
for the purpose of a landfill which is a necessary
facility in, and vicinity of, the vicinity, contents of
which have been duly noted.

In this connection, I would advise that we are pro-
posed to submit to the Department of Lands and Forestry the
required license requesting the granting of the license
referred to, which right-of-way license for 15.00 miles and
it will be necessary to remit the total sum of \$117.00, re-
presenting payment of first year's rental at the rate of
\$7.80 per mile and statutory license fee.

WJL
I might point out that the proposed license referred
to above does not include the right-of-way enclosing Crown
land described as Sec. 10, T. 4, S. 1, lots 153, 157, etc. (Report-
serial file 0177001), according to our legal survey division,
and I would be accordingly pleased to have advice as to
whether the survey of the said right-of-way has been completed
and whether it is the intention to include the same in the
license referred to.

According to the last information in this connection
under date of July 17th, 1950, Fred H. Heston, Assistant
and Chief Clerk, the survey of this particular portion of the
right-of-way had not been completed.

Dear Mr. Burns:

This is to acknowledge your letter of February 4th, 1952, to Mr. C.B. Dunham of this company, in which you set out an additional proviso discussed with you and Mr. McKinnon at your office January 31st, 1952.

This additional proviso, which we understand will be added to your revised draft Order-in-Council dated May 3rd, 1951, meets with our approval.

As you are aware, the name of the applicant Company, Bloedel Stewart & Welch Ltd., has been changed to MacMillan & Bloedel (Alberni) Limited, now a wholly-owned subsidiary of MacMillan & Bloedel Limited.

We ask therefore that the Licence of Occupation be issued in the name of MacMillan & Bloedel (Alberni) Limited, 837 West Hastings Street, Vancouver 1, B.C., and that any further correspondence or documents be sent to this office.

We wish to thank you for the very considerable care and attention you have given this matter.

DRAFT ORDER-IN-COUNCIL (REVISED)

Macmillan & Bloddel (Alberni)

THAT an application has been received from ~~Bloddel, Stewart & Welch Limited~~, Port Alberni, B.C., for a license to occupy certain lands situate in Barclay District, namely:

those certain parcels or tracts of land and premises situate, lying and being in the Alberni Assessment District, Province of British Columbia, and more particularly known and described as Lots 731, 732 and 733, BARCLAY DISTRICT, as shown on survey plans filed with the Department of Lands and Forests in the City of Victoria and with the Government Agent in the City of Alberni:

Macmillan & Bloddel (Alberni)

AND THAT ~~Bloddel, Stewart & Welch Limited~~ has applied for a license to occupy said lands for the purpose of a logging truck road right-of-way to facilitate logging operations of ~~Bloddel, Stewart & Welch Limited~~ on its lands, timber licenses and timber leases in Barclay and adjacent District;

AND TO RECOMMEND THAT under authority of Section 71 of the "Land Act", being Chapter 175, Revised Statutes of British Columbia, 1948, there be granted the said ~~Bloddel, Stewart & Welch Limited~~, its successors and assigns, hereinafter referred to as the licensee, a license to occupy the above-described lands for the purpose of a logging truck road right-of-way and for the purpose of a right-of-way to facilitate logging operations of the licensee on its lands, timber licenses and timber leases in Barclay and adjacent Districts, for a period of twenty-one years from date of approval of this minute and subject to the following terms and conditions:

- (a) That the licensee shall pay to the Crown a rental of \$112.63 per annum, for the use and occupation of the said lands and premises, payment of rental to commence on date of approval of this Minute and subsequent payments to be made on the anniversary of said date, subject to adjustment of the amount of annual rental at the discretion of the Minister of Lands and Forests.
- (b) That the licensee shall pay all taxes, rates, duties and assessments whatsoever, whether municipal, parliamentary or otherwise now charged or hereafter to be charged upon the said demised premises, or any part thereof, or upon the rent thereof, or any part thereof, or upon the said licensee, its successors or assigns in respect thereof.
- (c) That the licensee shall not use the said lands and premises for any other purpose than aforesaid except with the written consent of the Minister of Lands and Forests.
- (d) That the licensee shall not assign or transfer the license, or any part thereof, except with the written consent of the Minister of Lands and Forests.
- (e) This license may be terminated by the Minister of Lands and Forests when in his opinion the above-described lands are no longer used by the licensee for any purpose specified, provided that notice of the intention to terminate, shall be given to the licensee not less than three months prior to the date of termination.
- (f) That no trees shall be cut, removed or destroyed from the said lands except on approval of the Minister of Lands and Forests being first obtained.
- (g) That it shall be lawful for the Minister of Lands and Forests or any servant or employee of the Crown authorized by him at all reasonable times during the continuance of these presents to enter upon the said lands in the performance of their duties.

- (h) Upon breach of any of the terms and conditions of license, the Minister of Lands and Forests may cancel the license by notice in writing addressed to the Company at its registered office, or chief place of business in the Province, under registered cover, or by a like notice posted upon in a conspicuous place on the area covered by the license.
- (i) In the event that the said lands are required by the Government of the Province of British Columbia for any purpose in the public interest or for the purpose of joining and connecting them with other lands to complete and open up public road rights-of-way, then the Minister of Lands and Forests may on written notice given to the licensee by registered mail cancel this license or so much of it as pertains to the lands required for other purposes or the said public road and may reassume the lands so required and any compensation to the licensee for improvements made or placed by the licensee on the said lands so required shall be determined in accordance with the provisions of the Public Works Act, Chapter 279, Revised Statutes of British Columbia, 1948, relating to arbitration proceedings thereunder in the event that no agreement can be reached as to the amount of compensation. No compensation shall be allowed or paid for roads and trails constructed with the consent of the Minister which may intersect or cross the above described lands.

Re: Your Files 0156801, 0177419, 01774421
and 0168813 - Attention: Leases.

Dear Sir:

We understand that at a meeting held in your office on October the 17th, 1951, at which Mr. Cooper, Mr. Colvin, yourself and Mr. Housser (representing the Company) were present, the Company was requested to submit a written memorandum to you concerning the proposed Order-in-Council for the above referred licences of occupation.

The Company's chief concern is with the term of the licences of occupation as set forth in the revised draft submitted by your Department in May, 1951.

You will recall that on October 11th, 1950, Mr. S. G. Smith, the writer and Mr. Housser met with you and the Deputy Minister of Lands, Mr. Melrose, and at that time following a discussion concerning the term of the licences of occupation, Mr. Melrose concurred in our representation that the term of twenty-one years did not offer adequate security in view of the long range and costly development planned by the Company in the areas served by the road rights-of-way.

Mr. Melrose asked us to revise the Department's original draft and to submit such revised draft to you showing what tenure the Company would like to have for the licences of occupation. This was done but apparently your Department still has not offered any tenure for the licences of occupation other than the twenty-one year period.

The Company's position is the same as that outlined to you and Mr. Melrose in October, 1950, and we still feel that the term of twenty-one years is not adequate in the circumstances.

Primarily we would like to have the licences of occupation for so long as required to carry out the purposes as set forth in the Order-in-Council, and not limited to any set period.

We would like to discuss that aspect of the licences of occupation with you and Mr. Melrose again at your convenience.

Yours truly,

Attention "Superintendent"

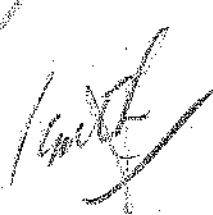

Referring to your letter of February 26, last, and your subsequent visit in the Department, in connection with the proposed licence of occupation to be granted Messrs. Bloedel, Stewart & Welch Limited for a logging truck road right-of-way crossing certain Crown lands in Barclay District, I have to inform you that the draft Minute of Council left by you has been carefully reviewed. In this connection I am enclosing herewith a draft Order-in-Council, as revised, which it has been decided to prepare for submission to the Lieutenant Governor-in-Council to cover the right-of-way applied for.

This draft has been prepared in conjunction with our Legal Department.

Kindly advise as to whether your clients are prepared to proceed in the matter in accordance with the provisions set out.

Yours truly,

R. A. Burns,
Superintendent of Lands.

DRAFT ORDER-IN-COUNCIL (REVISED)

THAT application has been received from Bloedel, Stewart & Welch Limited, Port Alberni, B. C., for a license to occupy certain lands situated in Barclay District, namely:

those certain parcels or tracts of land and premises situate, lying and being in the Alberni Assessment District, Province of British Columbia, and more particularly known and described as Lots 731, 732 and 733, BARCLAY DISTRICT, as shown on survey plans filed with the Department of Lands and Forests in the City of Victoria and with the Government Agent in the City of Alberni;

AND THAT Bloedel, Stewart & Welch Limited has applied for a license to occupy said lands for the purpose of a logging truck road right-of-way and for the purpose of a right-of-way to facilitate logging, sawmill and forestry operations of Bloedel, Stewart & Welch Limited on its lands, timber licenses and timber leases in Barclay and adjacent Districts;

AND TO RECOMMEND THAT under authority of Section 71 of the "Land Act", being Chapter 175, Revised Statutes of British Columbia, 1948, there be granted the said Bloedel, Stewart & Welch Limited, its successors and assigns, hereinafter referred to as the licensee, a license to occupy the above-described lands for the purpose of a logging truck road right-of-way and for the purpose of a right-of-way to facilitate logging, sawmill and forestry operations of the licensee on its lands, timber licenses and timber leases in Barclay and adjacent Districts, until such license be terminated in the manner hereinafter set forth and subject to the following terms and conditions:

- (a) That the licensee shall pay to the Crown a rental of \$ per annum, for the use and occupation of the said lands and premises, payment of rental to commence on date of approval of this Minute and subsequent payments to be made on the anniversary of said date, subject to adjustment of the amount of annual rental at the discretion of the Minister of Lands and Forests.
- (b) That the licensee shall pay all taxes, rates, duties and assessments whatsoever, whether municipal, parliamentary or otherwise now charged or hereafter to be charged upon the said demised premises, or any part thereof, or upon the rent thereof, or any part thereof, or upon the said licensee, its successors or assigns in respect thereof.
- (c) That the licensee shall not use the said lands and premises for any other purposes than aforesaid except with the written consent of the Minister of Lands and Forests.
- (d) That the licensee shall not assign or transfer the license, or any part thereof, except with the written consent of the Minister of Lands and Forests, such consent not to be unreasonably withheld.
- (e) This license may be terminated by the Minister of Lands and Forests if the above-described lands are no longer used by the licensee for the purpose specified, provided that notice of the intention to terminate, setting forth the reasons therefor, shall be given to the licensee not less than three months prior to the date of termination.
- (f) That no trees shall be cut, removed or destroyed from the said lands except on approval of the Minister.

(g) That it shall be lawful for the Minister of Lands and Forests or any servant or employee of the Crown authorized by him at all reasonable times during the continuance of these presents to enter upon the said lands in the performance of their duties.

(h) That upon breach of any of the terms and conditions of license, the Minister of Lands and Forests shall cancel the license by notice in writing ~~specifying the breach~~, addressed to the Company at its registered office, or chief place of business in the Province, under registered cover, or by a like notice posted up in a conspicuous place on the area covered by the license.

(i) In the event that the said lands are required by the Government of the Province of British Columbia for the purpose of joining and connecting them with other lands to complete and open up public road rights-of-way and in the event that title to the other lands comprising the said public roads has been acquired by the said Government and gazetted for the purpose of such public roads, then the Minister may on written notice given to the licensee by registered mail cancel this license or so much of it as pertains to the lands required for the said public road and may reassume the lands so required, but in the event of such cancellation the Minister shall pay compensation to the licensee for all improvements made or placed by the licensee on the lands so required; if the compensation payable by the Minister to the licensee is not agreed upon, the amount shall be appraised and awarded by arbitration as though the dispute over the compensation were a dispute touching compensation under the "Public Works Act" and in accordance with the provisions of Sections 12 to 31 inclusive of the said "Public Works Act".

①

Handwritten notes:
 The compensation to be paid for the lands
 for improvements made on the lands and the
 the business on the lands so required
 shall also determined as provided in
 the Public Works Act, and the
 the same shall be determined as provided in
 the Public Works Act.

We have not been able to furnish you with any comments with regard to the proposed Minute-of-Council because we have been waiting the final instructions of our client Messrs. Bloedel, Stewart & Welch Limited. We have very recently had instructions from them and hope to be able to meet with you, at your convenience, in Victoria some time within the next week or so. We would ask you for a definite date to suit your convenience today but the writer has been ill with flu and is not fully recovered. We will write you again in the very near future.

Dear Sir: Please refer to File 0177421, 0168613, 0156101,
and 0177119 Attention "LEASE."

Further to your letter of the 27th ultimo with reference to certain provisos to be inserted in the licences of occupation proposed to be granted Messrs. Floodel, Stewart and Welch Limited for logging truck road rights of way, it is noted that the Company takes exception to the provisos relating to cancellation of the licence after three months notice given by the Lessor.

This proviso is not a particular one to be especially inserted in the licence of occupation to be granted the Company as it has been inserted in licences of occupation for some considerable time. It was thought, however, that before preparation of the necessary Orders-in-Council that the Company should be aware of the two provisos particularly mentioned.

It is pointed out in this regard that this proviso will not be brought into operation without good and sufficient cause, but we are not in a position to delete the same as requested.

Mr. C. Dunham, Chief Forest Engineer for the Bloedel, Stewart & Welch Ltd. has called at this office to discuss the applications for Licences of Occupation covering the Company's logging truck road rights-of-way over certain areas in Barclay District. He presented certain correspondence between your office and the Company in respect to these Licences but my files did not indicate that copies have been received at this office.

The applicant Company has raised objection to the second paragraph of the special proviso as outlined in your letter to them of July 19th. They consider that the first paragraph is fair but the rest of the proviso is certainly not to the best interests of the Company when they are making heavy expenditures in building roads to transport their logs to tide water. This paragraph states that after three months notice the Licence can be cancelled and the Government may reassume the said lands without compensation. This Company feels that they are not being given the consideration that an operation of their size warrants and they should at least be given some measure of security when building what they consider to be practically a permanent part of their operation.

It is evident that they wish to have some security and I believe that it would be advisable if further consideration could be given to delete the second paragraph of this proviso.

Further to your letter of the 15th ultimo to the Deputy Minister of Lands, and my reply of the 6th instant regarding applications for licences of occupation covering your Company's logging truck road rights-of-way over certain areas in Nanaimo District, I have to inform you that the Committee of Council to be prepared in this connection will recommend the use of the land in question, for the above mentioned purpose, for a period not exceeding 21 years. Annual rental will be at the rate of \$7.00 per mile in addition to which taxes are payable. A statutory fee of \$5.00 is charged for each licence of occupation issued.

Special provisos to be contained in the licences to be issued are as follows:

"This licence may be terminated by the Minister of Lands and Forests without notice when in his opinion the above described lands are no longer used by the licensee for the purpose specified.

"That in the event of this area being required by the Government for purposes in the public interest, the Minister of Lands and Forests may, after three months' notice given to the licensee by registered mail, cancel this licence and resume the said lands without compensation."

Attention: "Superintendent"

Here are files Nos. 0150801, 0168813, 0177419 and 0177421
being applications for licences of occupation by Messrs Alcedo,
Stewart and Welch Limited, covering rights-of-way crossing
lands within the Laseley District, for which plans have been filed
in ~~the~~ department.

Subsequent to the applications being submitted, the
Company was advised that such applications could not be entertained
under the Land Act, but that such applications for right-of-way
should be renewed to the Chief Forester, Victoria for consideration.

The Company has submitted representations in this regard
under date of June 17th, file No. 0168813, in which connection
attention is drawn by the Company to the Forest Reserve Regulations,
and particularly to Regulation No. 3 thereof.

This Branch of the Department is of the opinion that, in
the circumstances, an application for licences of occupation under
the Land Act should receive consideration, but I would be pleased
to hear from you in this regard at the earliest convenience.

Yours truly,

Superintendent of Lands.

Dear Sir:

Re: Road right-of-way applications
Barclay Land District

In reference to our discussion of these right-of-way applications on June 2nd, I am listing the history of each of these applications for logging road right-of-ways:

1. Sarita River Road - File 0168813 - surveyed as Lot 732.

August 9, 1947 - Bloedel, Stewart & Welch applied to purchase right-of-way.

February 12, 1948 - B. S. & W. wrote asking status of application as road was under construction to reach insect-killed timber.

March 13 and May 26 - application disallowed by Department of Lands.

August 9, 1948 - meeting with Mr. Melrose and Mr. Hopper who suggested B. S. & W. apply for Licence of Occupation under Section 72 of the "Land Act."

December 29, 1948 - B. S. & W. requested Department of Lands re-consider application to purchase.

January 20, 1949 - B. S. & W. applied for Licence of Occupation under Section 72 of "Land Act."

March 9, 1949 - Department of Lands requested us to submit a survey of the road by B. C. Land Surveyor.

January 12, 1950 - Survey advertised in B. C. Gazette as Lot 732.

2. Klanawa River Road - File 0177419 - surveyed as Lot 731.

February 4, 1949 - B. S. & W. applied for Licence of Occupation for right-of-way.

March 9, 1949 - Department of Lands requested survey by B. C. Land Surveyor.

January 12, 1950 - Survey advertised in B. C. Gazette as Lot 731.

May 10, 1948 - Application to purchase 79 acres advertised in B. C. Gazette.

June 9, 1949 - Juan de Fuca Forest Reserve advertised in B. C. Gazette.

March 9, 1950 - Notice in B. C. Gazette that survey of Lot 887 was completed subject to objections. The survey covers 66.5 acres and includes a campsite and road right-of-way.

Title to Lot 887 was issued by the Land Registry office after this date.

It appears to us that our applications are covered by Regulation 3 and are similar to the application for Lot 887 and we request that the Department of Lands deal with our applications for a Licence of Occupation.

Yours truly,

BLOEDEL, STEWART & WELCH, LTD.

*Juan de Fuca Forest
established May 12, 1949*

Road from Block 551 to Camp "A" and "B" - File 0156801 - surveyed as Lot 733.

September 11, 1945 - Easement granted on portion of this road under Part 6 of Forest Act.

February 14, 1949 - B. G. & W. applied to Department of Lands for Licence of Occupation.

March 9, 1949 - Department of Lands requested us to submit plan by B. C. Land Surveyor.

February 2, 1950 - Survey plan mailed to Department of Lands and advertised in B. C. Gazette as Lot 733.

On January 26, 1950 a letter was received from the Department of Lands stating:

".....that the lands through which such rights-of-way pass now lie within the boundaries of the San Juan de Fuca Forest Reserve, and under the circumstances this Branch of the Department is precluded from dealing with the applications submitted under the provisions of the Land Act.

Under the circumstances, it will be necessary that you renew the applications for the rights-of-way in question to the Chief Forester, Victoria, for consideration."

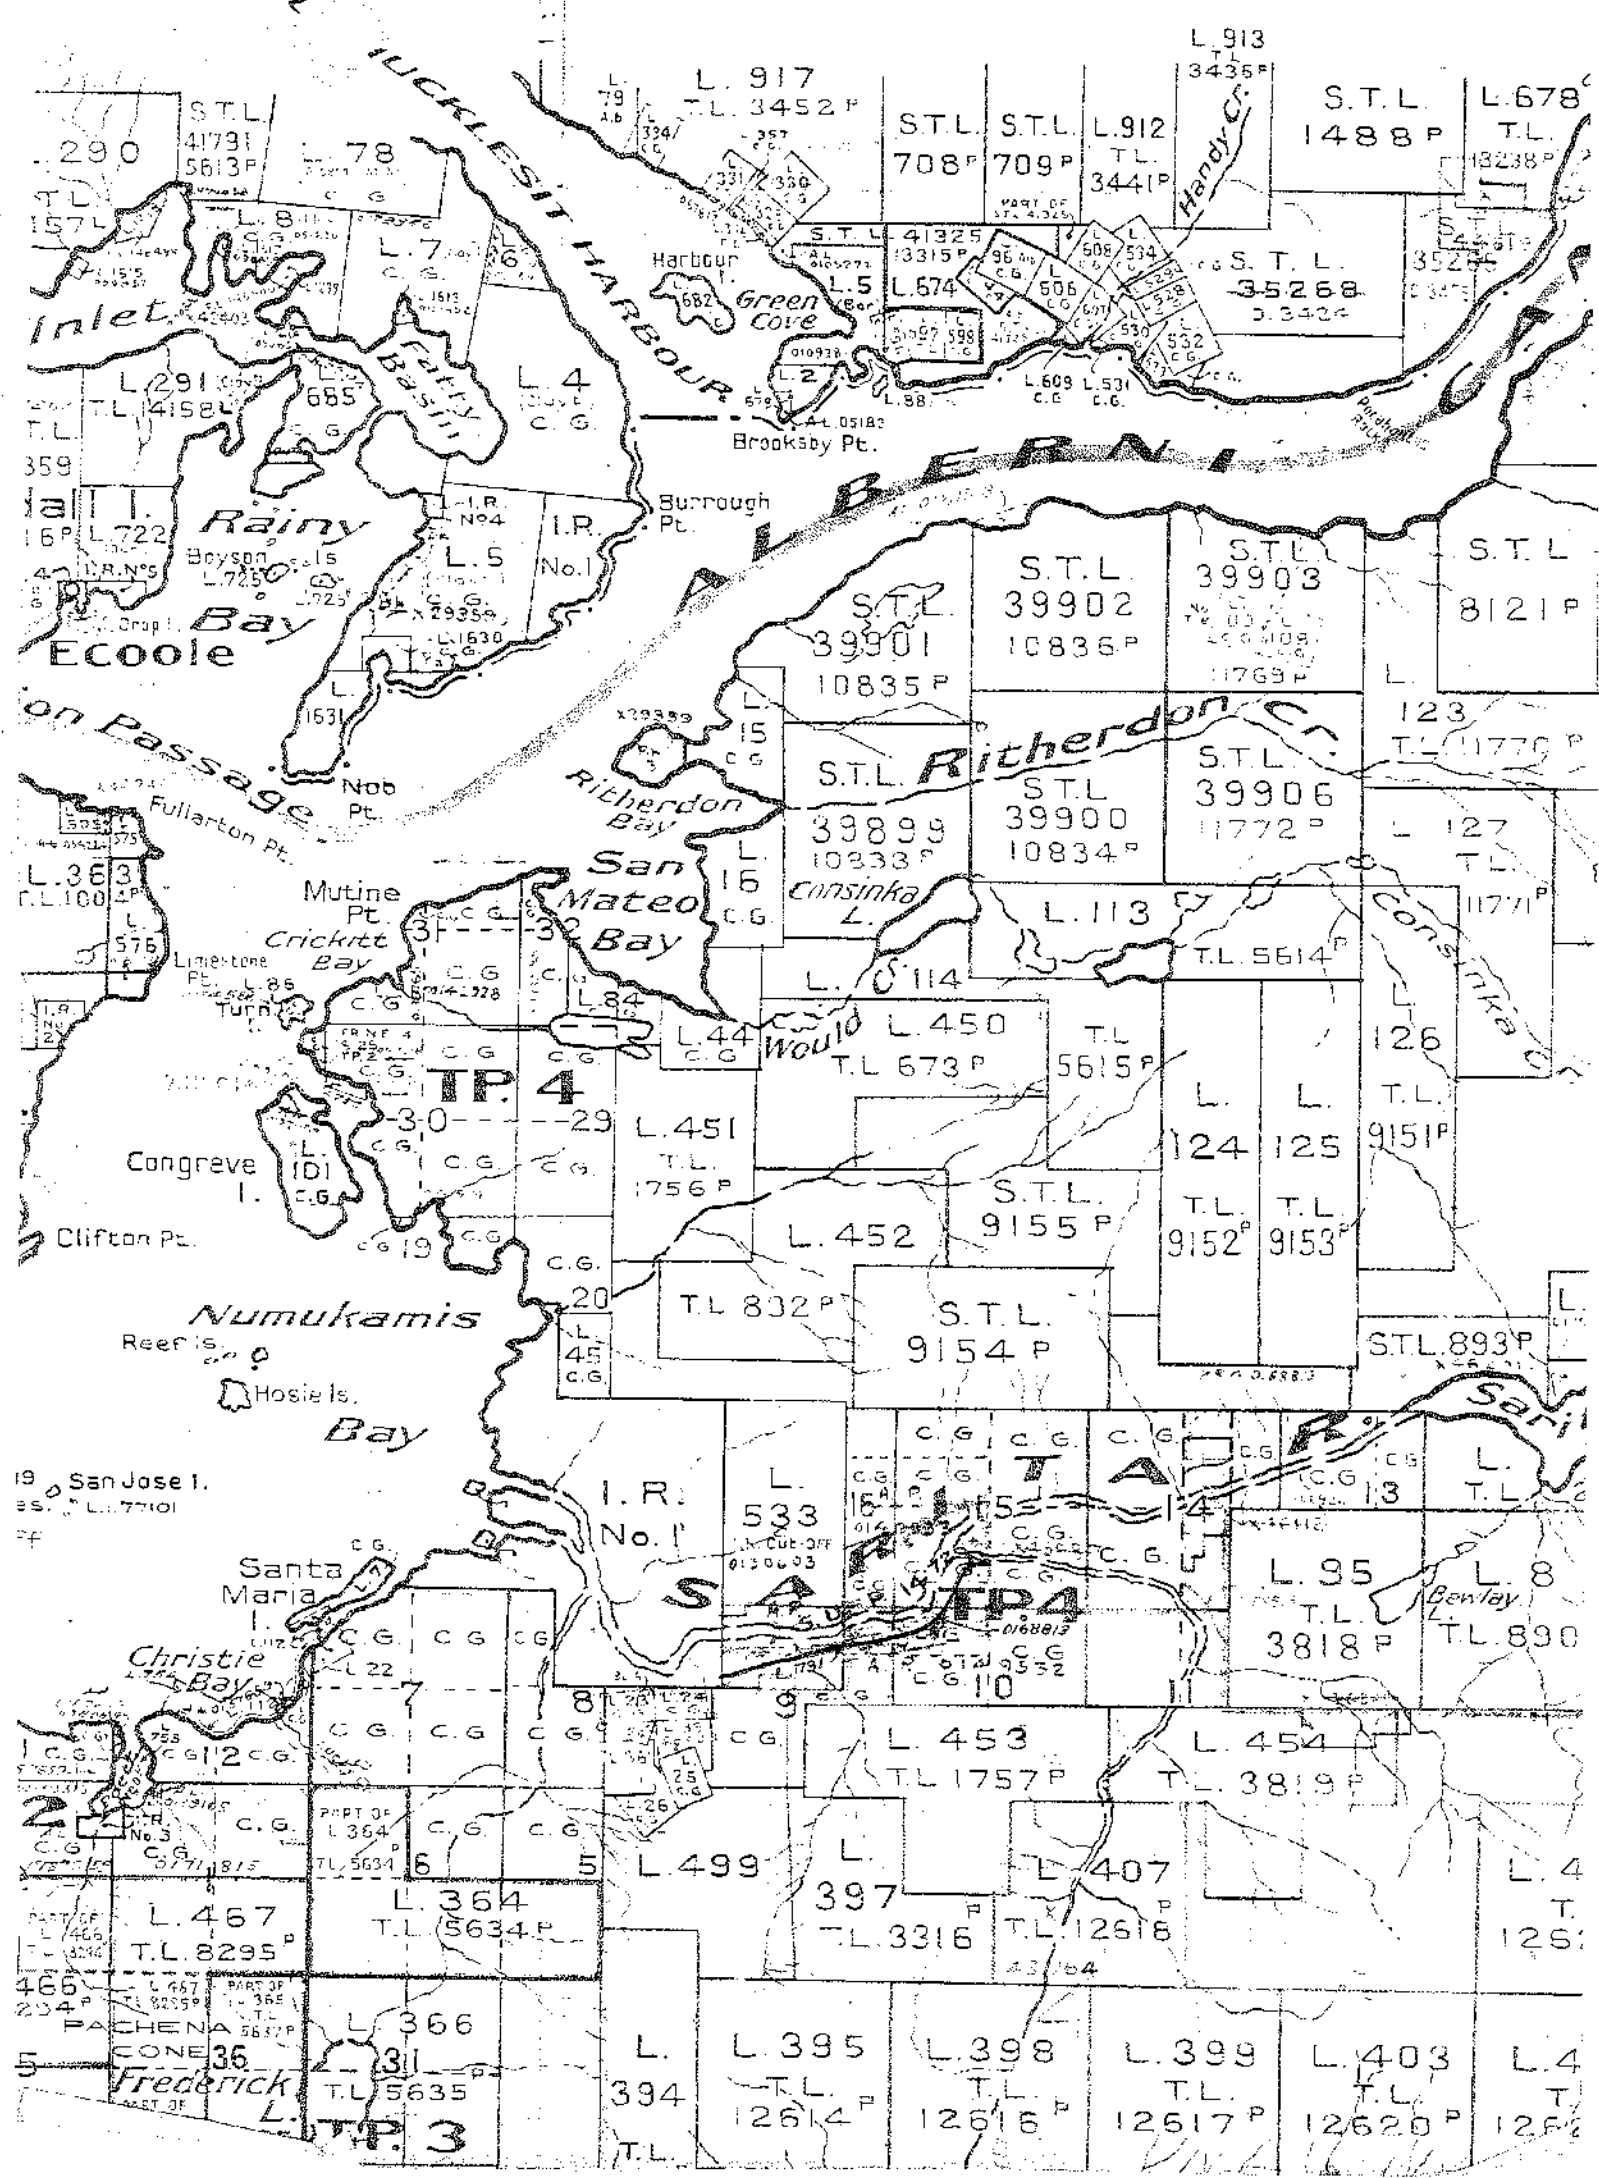

On February 3, 1950 I saw Messrs. Burns and Hopper regarding the letter of January 26, 1950. They suggested I see the Forest Service and I discussed the applications with Mr. Proud and later Mr. St. Clair who gave me a copy of the "Forest Reserve Regulations" covering Special Use Permits.

The discussion was adjourned so I could study the regulations.

After studying these regulations I believe our applications are excluded from the Juan de Fuca Forest under Regulation 3 which states:

3. These regulations shall not affect or prejudice any right, title, or interest acquired prior to the constitution of any Provincial Forest under a lease or licence, application to purchase, pre-emption record or any other form of alienation in respect of any lands within the boundaries of that Forest.

The status of our applications appears to be the same as the application of the Western Forest Industries to purchase 79 acres in the Renfrew District. This is within the area gazetted as the Juan de Fuca Forest. The particulars of the application are:

Your File: 01688 13

Dear Sir:

On August 1st and December 30th, 1947, Bloedel, Stewart & Welch, Ltd. applied to purchase a road right-of-way through Lot 533, S.W. $\frac{1}{2}$ Section 10, S.W. $\frac{1}{4}$ Section 15, and Section 9 Tp. 4 - Barclay District.

This road was constructed during January and February 1948 and on March 13th and May 26th, 1948 we received notice from your office that our application was disallowed as being against the public interest and suggested that we apply for an easement.

On August 9th, 1948 I discussed this application with Mr. Melrose, Mr. Burns and you in Victoria and it was suggested that Bloedel, Stewart & Welch apply for a licence of occupation under Section 72 of the "Land Act". Later I requested to see a sample copy and was told that it would carry a clause that the licence could be cancelled by the Crown at 60 days notice.

I respectfully request that you re-consider our application to purchase this right-of-way for the following reasons:

1. Bloedel, Stewart & Welch is the only private owner of Crown Grant lands and timber licences in the area developed by this road.
2. The road was constructed to salvage looper-killed timber on Crown Grant lands, timber and licences.
3. The road cost approximately \$25,000.00 per mile to construct and the estimated cost of maintenance is \$400.00 per mile per year and taxes \$60.00 per mile per year.

4. The road will be used for hauling logs from 25,000 acres of Crown Grant lands and licences held by Bloedel, Stewart & Welch on the Sarita and Klanawa Rivers. It may be 60 to 80 years before the first crop is cut from these lands and we expect to grow successive crops for our mills at Port Alberni.
5. The road will provide fire protection to Bloedel, Stewart & Welch and Crown land and will allow us to carry on silvicultural work.

In view of the large investment Bloedel, Stewart & Welch has made in manufacturing plant and improvements in this area we require a type of tenure that will give us permanent use of the road for as long as it is used for the above purposes.

A Crown Grant to the right-of-way or a permanent lease without a cancellation clause would be satisfactory.

Yours truly,

Dear Sirs:

With reference to your letter of July 26, 1948,
you are hereby granted an easement under Part 6 of
the "Forest Act" for a logging road right-of-way crossing:
(1) W. $\frac{1}{2}$ of N.E. $\frac{1}{4}$ of Sec. 14, Tp. 4, Barclay District,

This easement is granted to you as long as it
is in use by you for the purpose of conducting active
logging operations and no longer, subject to the
condition that all merchantable timber cut in the
course of road construction and disposed of through
commercial channels shall be subject to current
stumpage rates inclusive of royalty.

This easement is not transferable to other
interests without first securing the written consent
of this Department

Attention "PURCHASES"

I have to refer to our letter of March 13th to Messrs. Bloedel, Stewart and Welch Ltd., regarding their application to purchase the right-of-way through the N.W. $\frac{1}{4}$ of Section 10, S.W. $\frac{1}{4}$ of Section 15, and Section 9, Tp. 4, and through Lot 533, Barclay District.

The application to purchase has now been noted as disallowed on our records and we are enclosing herewith refund cheque for \$7.00 in favour of the applicants.

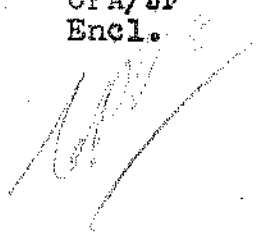

It is suggested that they submit an application for an easement at the earliest possible date covering that same area.

Yours truly,

Superintendent of Lands.

Sirs:

Please refer to File #0168813
Attention "PURCHASES"

I have to acknowledge receipt of your letter of February 12th regarding the application of your Company to purchase the right-of-way through the N.W. 1/4 of Section 10, S.W. 1/4 of Section 15, and Section 9, Township 4, and through Lot 533, Barclay District.

In reply I would advise that it is not considered in the public interest to sell these land for right-of-way purposes and it is suggested that your needs could be met by the granting of an easement over this right-of-way.

Kindly advise the Department direct or through the office of the Government Agent, Alberni, B. C., what provisions would be required in the easement and the question of granting same will then be taken into consideration.

Yours truly,

Superintendent of Lands.

Dear Sir:

Some time ago we filed an application to purchase a road right-of-way from Indian Reserve #1, Barclay District, up the Sarita River to the East $\frac{1}{2}$, Section 15, Tp. 4.

We are pushing construction up the Sarita River to salvage looper-killed timber and have applied for a Timber Sale on the damaged Crown land along the proposed road right-of-way. Could you tell me what is the status of our application to purchase this road right-of-way as our construction will be held up if we do not obtain this road right-of-way in the near future.

As requested in your letter of the 18th ult. I return the clearance of part of Section 9 Township 4, Barclay District. This area was granted as the Fractional N. 1/2 of the North East 1/4 of Section 9 Township 4, Barclay District under Crown Grants dated October 19 1892 and October 15 1908 and therefore I think it might be advisable to retain this designation of the Fractional N. 1/2 rather than calling it the North East 1/4.

ALBERNI, B. C.

Dear Sir:

We wish to apply under Section 72 of the Land Act for permission to construct and operate a truck road across vacant crown land between T.L. 8301^P and T.L. 2822^P and between T.L. 2822^P and T.L. 2804^P - Barclay District.

Plans are enclosed showing the location of the proposed road which is on the South Fork of the Pachena River and the West Fork of the Klanawa River.

If the licence of occupation is granted we will construct the road so the insect-killed timber owned by Bloedel, Stewart & Welch, and the Crown on the West Fork and lower Klanawa River may be salvaged.

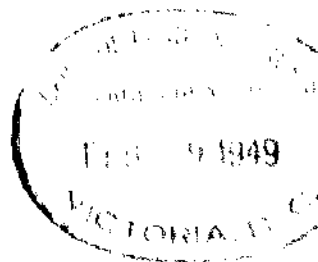

We expect there will be a blowdown along the edges of the insect-killed timber and it may be necessary to log for several years before the timber edge is stabilized.

The road will cost approximately \$25,000.00 per mile and in view of this large investment we request that the licence of occupation be granted for as long as the road is required for the following purposes:

1. For hauling logs from the Bloedel, Stewart & Welch timber licences on the West Fork and lower Klanawa River.
2. For an access road for road construction, fire protection and forestry crews to travel from the townsite at Christie Bay to the Bloedel, Stewart & Welch timber licences on the lower Klanawa River.

Dear Sir,

I am enclosing herewith a letter received from the Bloodal, Stewart and Welch Limited applying for a licence of occupation for a right-of-way in the Barclay District. Also enclosed is a print indicating the area to be covered by the licence.

I believe Mr. Munham, Forestry Engineer for this company, and Mr. Smith, called at your office in respect to this right-of-way and more particularly, to be able to obtain a more permanent arrangement for their roadways rather than leases. It was my understanding that licences of occupation were only a temporary measure and it should be noted that the reason this application is being made is that they expect it to be of a more permanent nature than a lease.

Yours truly,

H. W. Harding,

Letter
Timber and Land Division
Washington and Leodel
37 Post Office St.
Vancouver 1, B.C.

Dear Sir: Please refer to file 11-11-11,
17-11-11 and 17-11-11
dated 11-11-11.

Re: Timber and Land Division

Further to your letter of the 11th inst. with
reference to the proposed license of occupation to be issued
under the provisions of the Act of the 11th inst., in
your territory, crossing from land described as
710 and 733, Carline District, as shown on survey
filed with the Department of Lands and Forests in
Victoria, and the Government of British Columbia
for the purpose of a logging operation, right-of-
way for logging operations in the locality, etc.
which have been duly noted.

In this connection, I would advise that the
license to be issued to the licensee of occupation
required under the Act, and the granting of the
referred to, this right-of-way license for 17.09
it will be necessary to remit the total fee of 1
presenting payment of first year's license at the
10.00 fee and the total fee of 17.09.

I did not point out that the proposed license
to above does not include the right-of-way across
land described as 10, T. 1, S. 1, R. 1, S. 1, R. 1,
Mental file 01/1111, according to our land survey
and I would be accordingly pleased to have advised
whether the survey of the right-of-way is complete
and whether it is the intention to include the
license referred to.

According to the last report of the licensee
under date of July 17th, 1910, the right-of-way
which was listed, the survey of this particular right-of-
way had not been completed.

Yours faithfully,

Attn: Superintendent of Lands

In respect to the matter of the application for
a Licence of Occupation covering the additional logging
road right-of-way required in the Barclay District, I
have to inform you that such right-of-way surveyed
as lots 734 and 735, Barclay District, have been eliminated
from the boundaries of the Juan de Fuca Forest Reserve
pursuant to Order-in-Council No. 2260, approved December 21,
1954.

The Department will, therefore, be prepared
to recommend to the Lieutenant-Governor in Council the
issuance of a Licence of Occupation covering the said lots
at an annual rental of \$42.00, based on an area of 6.001
at \$7.00 per acre.

It is the intention to have the proposed Licence
of Occupation run concurrently with the present Licence
held by the Company under Order-in-Council No. 4,
approved May 14, 1952.

Upon receipt of the total sum of \$42.00, representing first year's rental and fees for
preparation of the necessary Order-in-Council, I will be
proceeded with.

Yours truly,

Superintendent of Lands.

Dear Sir:

Reference is made to your letter of June 5th, 1963, relative to Lot 736, Barclay District.

Please be advised that the above lot was applied for by your Company in 1956 for a logging road right-of-way. At that time it was noted that the lot was within the boundaries of then Forest Management Licence No. 21 which was held in your Company's name and it was considered that an easement would not be required.

Our file was noted in this regard but unfortunately the clerk in charge at that time did not advise your Company accordingly.

Any inconvenience caused by this oversight is sincerely regretted.

Dear Sir:

Re: Lot 736, Barclay District

The purpose of this letter is to inquire as to the present status of the above described lot which was originally surveyed as a R/W lot, to be held under a licence of occupation, which as far as we are able to determine was never granted.

Recently Lots 731 to 735, Barclay, covering licences of occupation held by this company, were cancelled at our request. While our records show that a licence of occupation, covering Lot 736, was never granted, we would like to have this confirmed.

Awaiting your reply, we remain,

Dear Sir:

Reference is made to your letter of April 11, 1963, advising that your Company has no further interest in the Licence to Occupy approved March 12, 1955, issued in the name of MacMillan & Bloedel (Alberni) Limited, for logging truck road right-of-way covering:

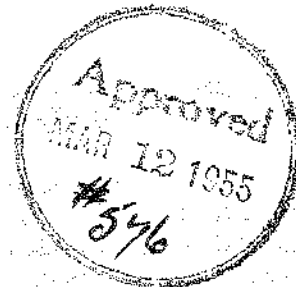

"Lot 734 (55.41 acres) and Lot 735 (17.88 acres)
Barclay District, totalling 73.29 acres as shown
on survey plans filed in the Department of Lands
and Forests, Victoria, and numbered 5 Tube 445
and 6 Tube 446, respectively."

In the circumstances, the said Licence to Occupy
has been duly recorded as cancelled on the records of this Department.

Yours truly,

RCW: jk

E. W. BASSETT,
Deputy Minister.

Report:

THAT an application has been received from MacMillan and Bloedel (Alberni) Limited, Port Alberni, British Columbia, for a licence to occupy as an extension to its existing logging truck road right of way, certain lands situated in Barclay District, namely:

Re: Licences of Occupation - Lots 731,
732, 733, 734, 735, Barclay District

We wish to advise that we no longer wish to retain the
Licences of Occupation covering the above described lots. These parcels
are within our Tree Farm Licence and as such there is no advantage to
having them under a Licence of Occupation.

Would you therefore advise us upon cancellation of these
licences so that we may inform our divisions regarding a stop payment
of the rentals which I believe are due in May.

Yours very truly,

Please refer to Right-of-Way surveyed as
Lots 731, 732 and 733, Barclay District and covered by
Licence of Occupation granted by Order-in-Council No. 1084,
approved May 14, 1952 and also Right-of-Way surveyed as
Lots 734 and 735, Barclay District, covered by Licence of
Occupation granted by Order-in-Council No. 576, approved
March 12, 1955.

As you know, Forest Management Licence No.
21 is appurtenant to the operations of MacMillan and Bloedel
(Alberni) Limited and that the above Rights-of-Way are lo-
cated in the Forest Management Licence area.

I am given to understand by the Forest Ser-
vice that the rights which your Company holds by Licence
of Occupation are in reality part of the Forest Management
Plan and feel that you are entitled to make such use or
improvements in the appurtenant licence.

Under the circumstances it is not considered
necessary that the rights held by Licence of Occupation be
continued, as things of this nature can be included in the
working plan of the Management Licence, which on approval
of the Forest Service, constitutes any necessary consents.

Re: R/W. in Barclay District.

Dear Sir:

The above noted plan was received here today in a wrinkled condition in a twisted up mailing tube.

Possibly you will consider that at this time of year particularly, due to the heavy mails, that it would be advisable to wrap these plans around a stick rather than put them in one of those thin spiral tubes.

It seems a great pity that a survey of this nature which has consumed a lot of your time and ours should end up as a wrinkled tracing.

Yours truly,

The plan of the above survey has been returned to your office with corrections according to your letter of November 17th. The error of closure according to your first note seems to be closer to 1 foot and this has been adjusted according to the dimensions in green on the check print.

I can find no error near the east boundary of Lot 406. My calculations are shown on the check print.

Attention: Mr. Gordon Mc Rae B. C. L. S.

Dear Sir:

Re: Survey of Mc Millan and Bloedel right-
of-way in Barclay District.

Your plan of the above survey has been examined and the following comments noted.

In Lot 406 a traverse calculated along the north boundary of the right-of-way and returning on the north boundary of Lot 406 miscloses by 66.92 latitude and 68.01 departure.

Near the east boundary of Lot 406 the distances given on the right-of-way boundaries are not correct when compared with the deflection angles.

The width of the right-of-way is to be shown at frequent intervals.

The post of Lot 734 used to derive the azimuth for this survey should be shown.

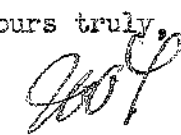

The boundaries of Lot 734 are to be shown for a short distance on this plan.

As one lot number is to be allocated to the right-of-way, the red outline is to follow only its exterior boundaries and is to be removed from the lot boundaries crossing the right-of-way.

One paper print showing these comments and the linen tracing are being returned under separate registered cover.

The number allocated to the right-of-way on this plan is Lot 736, Barclay District.

Yours truly,

G.S. ANDREWS,
Surveyor General &
Director of Surveys & Mapping.

REMARKS:-

Lot 406 a traverse calculated along the north boundary of the right of way and returning on the north boundary of Lot 406 measures by 66.92 latitude and 68.01 departure.

Near the east boundary of Lot 406 the distances given on the right of way boundaries are not correct when compared with the deflection angles.

The width of the right of way is to be shown at frequent intervals.

The post of Lot 734 used to define the alignment for this survey should be shown.

Checked by M. Ridley Reviewed by

The boundaries of Lot 734 are to be shown as a short distance on this plan.

As one lot number is to be added to the right of way the red section is to follow on into section boundary and is to be removed from the lot boundary crossing the right of way.

Dear Sir:

Re: Right-of-way in Lots 405, 406, 473, and 474 Barclay District.

Reference to your letter of the 30th September with plan enclosed.

Your proposal to set the east boundary of Lot 473, 5280 feet east of the S.W. corner of Lot 473, thence north to an intersection with the right-of-way, will be satisfactory.

Enclosed herewith is your check print.

Dear Sir:

Enclosed please find a check print of a plan of Right-of-Way in Lots 405, 406, 473 and 474, Barclay District. We were unable to locate the East Boundary of Lot 473. Various old blazes were found in the area but nothing we could positively identify as being the original boundary. In order to calculate an intersection at the East Boundary of Lot 473 could I use a bearing of East from the S.W. corner of Lot 473 a distance of 5,280 feet; thence North along the East Boundary of Lot 473 to an intersection with the Right-of-Way.

Please return check print.

Yours truly,

Re: Mac Millan and Bloedel right-of-way in Barclay District to
extend Lot 734 - near Sarita River.

Dear Sir:

I note you have been asked to make the necessary survey of this right-of-way.

In general, the survey should conform to the right-of-way instructions of Crown Lands.

I am enclosing a print of the road as it has been surveyed so far by Mr. H.J. Gregory. You will note that it was posted on one side only so that your survey should conform to this method.

As far as ties to lots are concerned, I am enclosing copies of the notes and plans of the lines which were run and an attached print with the run lines put on in red colour.

Where the corners have been set, they should be tied to if they can be found. In all, I believe you will only have about five corners to locate and the indications are, from the print I am enclosing of the right-of-way surveyed so far, that considerable evidence of the survey is still in existence.

Returns should be one linen tracing.

A District Lot number will be allocated to the area being surveyed, by this office, after completion of the work.

Yours truly,

G.S. ANDERSON,
Surveyor General &
Director of Surveys & Mapping.

VICTORIA, B. C.

Sir:

RE: Survey of Logging Road Right-
of-Way near Sarita River, B.C.

We have been asked to carry out the survey of a logging road Right-of-Way through Lots 405, 406, 472, 473 and Crown Lands up to the Westerly boundary of Timber Limit 12395P. Apparently the Timber Limits covering Lots 405, 406, 472 and 473 have expired. How does this affect the Right-of-Way survey?

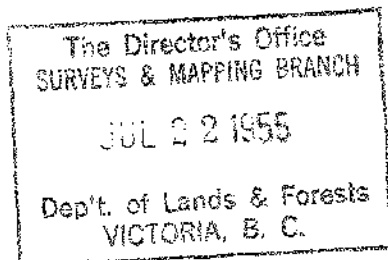

May we have instructions to carry out the survey.

Yours truly,

Dear Sir: Please refer to File 0177421
Attention "Leases."

With reference to your letter of January 7th last enclosed herewith is copy of Order in Council No. 576, approved March 12th, 1955, granted under the provisions of Section 71 of the "Land Act" for a licence to occupy in the name of your company, as an extension to its existing logging truck road right of way, certain land situated in Barclay District, designated Lot 734 (55.41 acres) and Lot 735 (17.88 acres), Barclay District, totalling 73.29 acres, as shown on survey plans filed in the Department of Lands and Forests, Victoria, and numbered 5 Tube M45 and 6 Tube M46, respectively.

The said licence is granted for the purpose of a logging truck road right of way and for the purpose of a right-of-way to facilitate logging operations of the licensee on its lands, timber licences and timber leases in Barclay District, and adjacent Districts, and said licence is to run concurrently with the existing licence to occupy granted in favour of your company under authority of Order in Council No. 1084, approved May 14, 1952, which expires May 13, 1973.

The rental on the said licence is \$42.00 per annum subject to adjustment at the discretion of the Minister of Lands and Forests.

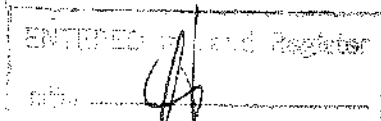

Also enclosed is General Receipt No. 29854N in the sum of \$47.00, representing first year's rental to March 12th, 1956 and Statutory licence fee.

Yours truly

report:

THAT an application has been received from MacMillan and Bloedel (Alberni) Limited, Port Alberni, British Columbia, for a licence to occupy as an extension to its existing logging truck road right of way, certain lands situated in Barclay District, namely:

Lot 734 (55.41 acres) and Lot 735 (17.88 acres) Barclay District, totalling 73.29 acres as shown on survey plans filed in the Department of Lands and Forests, Victoria, and numbered 5 Tube 445 and 6 Tube 446, respectively.

AND TO RECOMMEND that under authority of Section 71 of the "Land Act", being Chapter 175, Revised Statutes of British Columbia 1948, there be granted the said MacMillan and Bloedel (Alberni) Limited, its successors and assigns, hereinafter referred to as the licensee, a licence to occupy the above described lands for the purpose of a logging truck road right of way and for the purpose of a right of way to facilitate logging operations of the licensee on its lands, timber licences and timber leases in Barclay District, and adjacent Districts, said licence to run concurrently with the existing licence to occupy granted in favour of the applicant company under authority of Order-in-Council #1084 approved May 14th, 1952, expiring May 13th, 1973, and subject to the following terms and conditions:

- (a) That the licensee shall pay to the Crown a rental of \$42.00 per annum, for the use and occupation of the said lands and premises, payment of rental to commence on date of approval of this Minute and subsequent payments to be made on the anniversary of said date, subject to adjustment of the amount of annual rental at the discretion of the Minister of Lands and Forests.
- (b) That the licensee shall pay all taxes, rates, duties and assessments whatsoever, whether municipal, parliamentary or otherwise now charged or hereafter to be charged upon the said demised premises, or any part thereof, or upon the rent thereof, or any part thereof, or upon the said licensee, its successors or assigns in respect thereof.
- (c) That the licensee shall not use the said lands and premises for any other purpose than aforesaid except with the written consent of the Minister of Lands and Forests.

Dear Sir:

Re: LICENCE OF OCCUPATION -
Lots 734 & 735, Barclay District

Thank you for your letter of the 6th instant, in which you advise that the issuance of the Licence of Occupation covering the above Lots is being recommended by your Department.

We note that a new Licence of Occupation covering these Lots is to be issued. This is satisfactory to us on the basis that the terms and conditions are the same as those covering the Licence of Occupation which we now hold for Lots 731, 732 and 733, Barclay District.

As requested, we enclose herewith our cheque in the amount of \$47.00, covering the first year's rental of \$42.00 and the Licence Fee of \$5.00.

Yours very truly,

Attention: Frank E. Bush

Dear Sirs:

Your letter of November 22nd, was handed to this office by Mr. Morris yesterday, in view of the fact that lots 734 and 735, Barclay District, have recently been released from the James de la Beche Forest Reserve.

It is noted that sufficient monies are on hand in the Land Search and that license of Occupation will be issued your company shortly, covering lots 734 and 735, Barclay District. Your letter is therefore, being treated for an application for timber sale and Timber Mark 2400, has been issued covering lots 734 and 735, Barclay District. Timber Mark Certificate has been forwarded to the District Forester, Vancouver, who will immediately forward same to you within the next few days. Trusting this will assist your company in the construction of the road in this area.

Yours truly,

Chief Clerk

Re: APPLICATION FOR RIGHT-OF-WAY TIMBER
Licence of Occupation - Barclay District.

Dear Sir:

We hold a twenty-one year Licence of Occupation (dated May 14, 1952) covering certain of the main roads of our Franklin River and Sarita Divisions which traverse Crown lands. The areas included in the Licence of Occupation are described by Lots 731, 732 and 733, Barclay District.

We propose to construct in the near future additional main roads over Crown lands to connect up with our main road system, and have applied to the Superintendent of Lands to have the Licence of Occupation amended to include the area of these new roads. Our application has been approved, subject to survey.

Lots 734 & 735, Barclay Dist.

A part of the required survey has already been completed and the plans covering the work done have now been submitted to the Surveys Branch for approval.

~~It is our understanding that the surveyed area will not be added to the Licence of Occupation until the anniversary date (May 14).~~ In order that we may be able to proceed with our road construction work, we are writing to you to obtain your permission to remove the timber within the surveyed area and to have a mark allocated to it.

Dear Sir: Please refer to our Files #0177421

Attn: Superintendent of Lands.

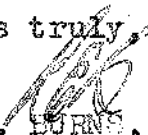

In respect to the matter of the application for a Licence of Occupation covering the additional logging road right-of-way required in the Barclay District, I have to inform you that such right-of-way, now surveyed as Lots 734 and 735, Barclay District, has been eliminated from the boundaries of the Juan de Fuca Forest Reserve pursuant to Order-in-Council No.2880, approved December 21, 1954.

The Department will, therefore, now be prepared to recommend to the Lieutenant-Governor in Council the issuance of a Licence of Occupation covering the said lots at an annual rental of \$42.00, based on a mileage of 6.001 at \$7.00 per mile.

It is the intention to have the proposed Licence of Occupation run concurrently with the present licence held by the Company under Order-in-Council No.1084, approved May 14, 1952.

Upon receipt of the total sum of \$47.00 therefore, representing first year's rental and Licence fee of \$5.00, preparation of the necessary Order-in-Council will be proceeded with.

Yours truly,

R. E. BURNS,
Superintendent of Lands.

reports:

THAT under authority contained in Subsection 1, Section 30, Chapter 128, Revised Statutes of British Columbia, 1948 the Juan de Fuca Forest Reserve was established by Order in Council Number 1195 approved May 27th, 1949.

THAT on February 14th, 1949, application was made by Bloedel, Stewart and Welch Limited for a Licence of Occupation under Section 72 of the Land Act for the purpose of constructing a truck road covering two areas, now surveyed as Lots 734 and 735, Barclay District, containing 55.41 and 17.88 acres respectively.

THAT on March 9th, 1949, the applicants were informed that they would have to submit plans signed by a British Columbia Land Surveyor before the desired Licence of Occupation could be dealt with.

THAT owing to the difficulty in establishing the boundaries of timber licences in this area, the said plans have only recently been completed by MacMillan and Bloedel Limited, successors to Bloedel, Stewart and Welch Limited.

AND TO RECOMMEND THAT under authority of Subsection 3, Section 30, Chapter 128, Revised Statutes of British Columbia, 1948 that the said Lots 734 and 735, Barclay District, be eliminated from the Juan de Fuca Forest Reserve, in order that the Licence of Occupation may be issued under the provisions of the Land Act.

Dear Sir:

Re: Survey of Right-of-Way through Crown Land
in the Barclay District.

We are in receipt of your letter of the 1st inst. regarding our plans of the above mentioned Right-of-Way and numbered by you as Plan 5 T 445 and Plan 6 T 445. We have made the alterations which you have itemized and are now submitting the plans to you under separate cover.

The old Bearing Trees which were found and the new ones made are now shown on the plans. Where the old trees were found to be in poor shape we have made three new ones to take their place wherever possible. We discovered a few clerical errors which we have now corrected such as S---W instead of S---E etc.

With regard to the East boundary of Lot 373 (Plan 5 T 445) we wish to mention that we have now fixed this line from a calculation of the diagonal between the North-East of Lot 373 and the South-East of Lot 396 and by similar triangles getting sides proportional to the original. Our reason for fixing this boundary in the first instance as a production of the 3930.17 boundary of Lot 396 was to prevent the possibility of three changes of direction in this Northerly line in the event that a tie were ever made to the South-East corner of Lot 373. However the present fixing of this boundary according to your suggestion gives a much more Southerly bearing.

Some distances do not agree very well with the original survey but we consider this possible in the knowledge that many of those lines were never run.

Yours very truly,

R. J. Gregory

Dear Sir:

re: Survey of Right-of-Way through Crown Land in the
Barclay District

Subsequent to inspection of the two plans submitted by you on the 10th ultimo, the following comments are made by our examiners:

Plan 5 T 445

1. Symbols W.P. and O.P. used on the plan are not shown in the legend.
2. The reference meridian of your azimuth is not stated.
3. It is not clear which of the B.T.'s are old original ones and which are new ones made by you. For instance, B.T.'s on the west and south boundaries of Lot 399 do not check with originals. B.T. at south-east Lot 404, 10" Hemlock, S.50°W.7.L. was S.60°W.7.L.
4. On the first mile of right-of-way the letters I.P. do not appear beside the circle denoting the setting of iron pins.
5. We cannot see the justification for fixing the east boundary of Lot 373 as a production of the 3930.17' boundary of Lot 396, which line was never run on the ground. If the south-east of 373 was not located, and it appears that for this purpose it would be hard to justify a long tie such as that, then the south-west of 396 could have been fixed by putting a right angle in there. Alternatively, the diagonal between the north-east of 373 and the south-east of 396 could have been calculated and a "similar triangle" in proportion to the lengths of the original sides of that triangle could have been used to fix the south-west corner of 396. Either way would appear to follow more closely the intent of Section 6 of the Official Surveys Act and would produce a more reasonable bearing for the east boundary of 373.

Oct. 1st, 1934.

Plan 6 T 445

1. The west boundary of Lot 163 differs by 44 feet from original distance, but it is not shown if the corners are original ones or not. This also applies to the north-east and south-east of Lot 460 - no explanation on plan as to how established and the distance differs by 37 feet.
2. The reference meridian of your azimuth is not stated.
3. The perpendicular width of the right-of-way should be shown at intervals throughout the plan.

Your plans are being returned, under separate registered cover, for amendment.

Yours truly,

G.S. ANDREWS
Surveyor General
and Director of Surveys and Mapping

Dear Sir:

re: Rights-of-Way required for Logging Road
Easement in Barclay District

I submit herewith two plans covering certain portions of the above mentioned Right-of-Way. I understand that an application for an easement over this Right-of-Way in favour of Messrs. MacMillan and Bloedel has been approved subject to survey. The said Right-of-Way is through Crown lands covered by certain timber licences.

Yours truly,

R.J. Gregory, B.C.L.S.

Dear Sir,

Re: LICENCE OF OCCUPATION - LOTS 731, 732 & 733
BARCLAY DISTRICT
APPLICATION FOR EXTENSION

With reference to your letter of May 10/54 and further to our letter to you of May 6/54, we wish to advise that we have a crew working on the survey of these additional right-of-way areas which we wish included in the Licence of Occupation.

Since this work has started, we have found that conditions in the field are such that it is very difficult to make satisfactory progress, and we would appreciate it if you would give us a further extension of time of nine months, in which to complete the survey. This nine months extension would bring the final date for completion of the survey to May 14/55 which is the anniversary date of the Licence of Occupation.

Dear Sir:

Re: LICENCE OF OCCUPATION - Lots 731, 732 & 733,
Barclay District
APPLICATION FOR EXTENSION

In reply to your letter of the 15th ult., we wish to advise that because of the severe winter our road location work has been slowed down considerably, and because of this and also because of the weather, we have not been able to get a Surveyor started.

We now feel that we can proceed with the necessary survey at a very early date, and we anticipate that it will be completed within three months. Accordingly, we would appreciate it if you would extend the date required for the completion of the survey for another three months beyond the anniversary date of the Licence of Occupation, which is May 14th.

Attn: Superintendent of Lands.

With reference to your letter of the 19th ult., and your visit in the Department in connection with the application for a Licence of Occupation covering the additional logging road right-of-way in the Barclay District, which lies within the boundaries of the San Juan de Fuca Forest, I have to inform you that this matter has been taken up with the Forest Service, who have advised that in view of the fact that negotiations for a Licence of Occupation for this right-of-way were commenced prior to the existence of the said forest, it will be recommended to the Lieutenant Governor in Council that the additional land required for the right-of-way be deleted from the forest, upon survey of the same being completed and duly approved, in order that this branch of the Department may proceed in the matter of the Granting of a Licence of Occupation covering such additional right-of-way.

Such Licence of Occupation, if granted, would contain similar provisions as embodied in that granted under authority of Order-in-Council No. 1084, approved May 14, 1952, and the rental on same will be on a similar basis.

Yours truly,

R. E. BURNS,

Attention: Mr. R.E. Burns

Dear Mr. Burns:

As discussed with you November 18th, we are enclosing herewith a Key Plan showing:

Roads we have constructed on our holdings : In Solid Black Line

Roads we have constructed on Lots 731, 732 &
733, under Licence of Occupation, approved
by Minute #1084, dated May 14, 1952 : In Solid Red Line

Two additional portions of the same road system: In Broken Red Line

You will note that the Southern portion applied for is much the same as that portion referred to in our application of February 4, 1949, in your letter of March 14, 1952, and in our answer of March 24, 1952. The only difference is that on further investigation we found it more practical to tie this portion of the road to the Klanawa Road on the West rather than to the Sarita Road on the North.

The Northern portion (approx. 1½ miles) connects our Sarita Valley Road with roads on our holdings on the Coleman Creek drainage which we are changing over from railroad to truck road. Our road construction program calls for work on this portion to start as soon as possible.

We apply to have both above portions included in our Licence of Occupation at the next renewal of same (May 14th next), which will enable us to have the required survey completed and plans deposited in the Department on or before that date.

Yours very truly,

MACMILLAN & BLOEDEL LIMITED

In the light of the fact that negotiations for this license of occupation was started prior to getting of the first it is recommended that the additional areas mentioned in this application be deleted from the first when survey completed for inclusion in license of occupation.

Attention "Leases"

Dear Mr. Burns:

We wish to thank you for your letter of March 14th, stating that you are prepared to submit to the Lieutenant Governor-in-Council the required Minute recommending the granting of the Licence on Lots 731, 732 and 733, Barclay District.

We enclose herewith our cheque for \$117.63 as first year's rental and statutory lease fee, and will be pleased to receive the Licence when issued.

With respect to the right-of-way crossing Crown land described as Sec. 10, Tp. 4, Lots 453, 407, etc. (Departmental file 0177421) we plan to have the transit survey completed by early summer so as to have the survey plans submitted to the Department and the Government Agent by the fall of 1952.

The location has all been established by compass survey on the ground, but you will understand the delay required to complete a transit survey and preparation of acceptable survey plans.

On this particular portion of the right-of-way applied for we wish to get a Licence of Occupation on the same basis as that now being issued, and will do all in our power to expedite the submission of the survey plans.

Yours very truly,

Attention: Mr. J. L. Shaw

Further to your letter of the 11th ultimo relative to the proposed license of occupation to be granted under the provisions of Section 71 of the Land Act, in favour of your Company, crossing Crown lands described as lots 731, 732 and 733, Esquimalt District, as shown on survey plans filed with the Department of Lands and Forests in the City of Victoria, and the Government Agent in the City of Alberni, for the purpose of a logging truck road right-of-way to facilitate logging operations in the locality, contents of which have been duly noted.

In this connection, I would advise that we are prepared to submit to the Lieutenant-Governor-in-Council the required minute recommending the granting of the license referred to, which right-of-way extends for 16.29 miles and it will be necessary to remit the total sum of \$117.63, representing payment of first year's rental at the rate of \$7.00 per mile and Statutory license fee.

I might point out that the proposed license referred to above does not include the right-of-way crossing Crown land described as Sec. 10, Twp. 14, Lots 153, 157, etc. (Departmental File 0177421), according to our Legal Survey Division, and I would be accordingly pleased to have advice as to whether the survey of the said right-of-way has been completed and whether it is the intention to include the same in the license referred to.

According to the last information in this connection under date of July 17th, 1950, from Macdonald, Stewart and Talbot Limited, the survey of this particular portion of the right-of-way had not been completed.

Yours truly,

Superintendent of Lands

MINUTE ORDER-IN-COUNCIL

WHEN an application has been received from Alcanco, Steel and Alloy Limited, Port Alberni, B.C. for a licence to occupy for the purpose of a logging track road right-of-way, certain lands situated in Barclay District as hereinafter described:

(Description)

THE DO HEREBY ORDER under authority of section 71 of the "Land Act", being Chapter 179, Revised Statutes of British Columbia, 1946, there be granted to Alcanco, Steel and Alloy Limited, its successors and assigns, a licence to occupy the above described lands for the purpose of a logging track road right-of-way, for a period not exceeding 21 years, subject to the following terms and conditions:

- (a) That the licensee shall pay to the Crown a rental of \$ per annum, for the use and occupation of the said lands and premises, payment of rental to commence on date of approval of this Minute and subsequent payments to be made on the anniversary of said date, subject to adjustment of the amount of annual rental at the discretion of the Minister of Lands and Forests.
- (b) That the licensee shall pay all taxes, rates, duties and assessments whatsoever, whether municipal, provincial or otherwise now charged or hereafter to be charged upon the said described premises, or any part thereof, or upon the said licensee, its successors or assigns in respect thereof.
- (c) That the licensee shall not use the said lands and premises for any other purposes than those said except with the written consent of the Minister of Lands and Forests.
- (d) That the licensee shall not assign or transfer the licence, or any part thereof, except with the written consent of the Minister of Lands and Forests.
- (e) That this licence may be terminated by the Minister of Lands and Forests without notice when in his opinion the above described lands are no longer used by the licensee for the purpose specified.

- (f) That no trees shall be cut, removed or destroyed from the said lands except on approval of the Minister of Lands and Forests being first obtained.
- (g) That it shall be lawful for the Minister of Lands and Forests, or any person thereunto authorized by him at all reasonable times during the continuance of these presents to enter upon the said lands for any purpose.
- (h) That upon breach of any of the terms and conditions of licence, the Minister of Lands and Forests shall cancel the licence by notice in writing addressed to the licensee at its registered office, or chief place of business in the Province, under registered cover, or by a like notice posted up in a conspicuous place on the area covered by the licence.
- (i) That in the event of this area being required by the Government for purposes in the public interest, the Minister of Lands and Forests may, after three months' notice given to the licensee by registered mail, cancel this licence and resume the said lands without compensation.

Further to your letter of the 27th ultimo with reference to certain provisos to be inserted in the licences of occupation proposed to be granted Messrs. Floebel, Stewart and Welch Limited for logging truck road rights of way, it is noted that the Company takes exception to the provisos relating to cancellation of the licence after three months notice given by the lessor.

This proviso is not a particular one to be especially inserted in the licence of occupation to be granted the said company as it has been inserted in licences of occupation for some considerable time. It was thought, however, that before preparation of the necessary orders-in-Council that the Company should be aware of the two provisos particularly mentioned.

It is pointed out in this regard that this proviso will not be brought into operation without good and sufficient cause, but we are not in a position to delete the same as requested.

Further to your letter of the 17th ultimo to the Deputy Minister of Lands, and my reply of the 8th instant regarding applications for licences of occupation covering your company's logging truck road rights-of-way over certain areas in Hardey District, I have to inform you that the Minute of Council to be prepared in this connection will recommend the use of the land in question, for the above mentioned purpose, for a period not exceeding 21 years. Annual rental will be at the rate of \$7.50 per acre in addition to which taxes are payable. A statutory fee of \$5.00 is charged for each licence of occupation issued.

Special provisions to be contained in the licences to be issued are as follows:

"This licence may be terminated by the Minister of Lands and Forests without notice when in his opinion the above described lands are no longer used by the licensee for the purpose specified.

That in the event of this area being required by the Government for purposes in the public interest, the Minister of Lands and Forests may, after three months' notice given to the licensee by registered mail, cancel this licence and resume the said lands without compensation."

Dear Sir,

I am enclosing herewith letter received from the Bloedel, Stewart and Welch Limited, Port Alberni, applying for a licence of occupation for a right-of-way through Crown lands in the Barclay District. This is a similar application to that forwarded on the 7th instant, our file A. P. 544. Also enclosed are prints showing the area required.

Yours truly,

H. W. Harding,

Mr. H. W. Harding
Commissioner of Lands
ALBERNI, B. C.

We wish to apply under Section 72 of the Land Act for permission to construct and operate a truck road across the following Crown lands in Barclay District:

Section 10 - Tp. 4, Lot 453, 407, 398, 401, 402, 399, 403, 405, 473, 474, 391 and Vacant Crown land North of Lot 391.

Plans are enclosed showing the location of the proposed road from Section 10 to Lot 399 and a small scale map shows the approximate location from Lot 399 to where the road enters T.L. 2821^P and T.L. 12395^P which are timber licences held by Bloedel, Stewart & Welch, Ltd.

If the licence of occupation is granted for this road, we will start construction so the insect-killed timber held by Bloedel, Stewart & Welch on the Middle Fork of the Klanawa River may be salvaged and we have applied to purchase the insect-killed Crown timber along this road in Lot 407 and 398.

We expect there will be blowdown along the edges of the insect-killed timber and it may be necessary to log for several years before the timber edge is stabilized.

The road will cost approximately \$25,000.00 per mile and in view of this large investment we request that the licence of occupation be granted for as long as the road is required for the following purposes:

1. For hauling logs from the B.S. & W. timber licences on the South Fork of Sarita River and the Middle Fork of the Klanawa River.
2. As an access road for road construction, fire protection, and forestry crews to travel from the townsite at Christie Bay to the Bloedel, Stewart & Welch timber licences on the South Fork of the Sarita and the Middle Fork of the Klanawa Rivers.

Yours truly,

Dear Mr. Welsh:

Attached is a map showing outlined in red the boundaries of Lot 533, Barclay District. This parcel, with the exception of the forest road, has been conveyed to Canada for the Ohiat Indian Band as part of an Indian reserve cut-off settlement.

The Ministry of Environment has advised this ministry that Lot 533, Barclay District, may be within a guide outfitter licence held by you. In view of this, I am writing to notify you of the disposition of the parcel described as it will no longer be considered as vacant Crown land within the boundaries of your guiding area.

It is noted that the area involved is a very small portion, if any, of your operating area. This being the case, it would appear that your operations will not be adversely affected.

I wish you much success with your guiding activities in the coming year.

Yours sincerely,

Re: Quatsino Band Indian Reserve Cut-offs

Lots 571 and 572, Rupert District, as shown on the attached prints, are Indian reserve cut-off lands and are to be returned to the Band through Canada by way of a transfer of administration and control under the Land Act. The transfer is pursuant to an agreement with the Band that was approved by a recent referendum.

I believe both Lots 571 and 572, Rupert District are within the Quatsino Provincial Forest Reserve. In order that we may proceed with transfer of the land to Canada, will you please arrange to have the lots removed from the forest reserve and advise me when this has been done.

ORDER OF THE LIEUTENANT GOVERNOR IN COUNCIL

Order in Council No. 1885, Approved and Ordered DEC. 21. 1989

I hereby certify that the following is a true copy of a Minute of the Honourable the Executive Council of the Province of British Columbia approved by His Honour the Lieutenant-Governor.

Lieutenant Governor

Deputy Order-in-Council Custodian

Executive Council Chambers, Victoria 20 DEC. 1989

On the recommendation of the undersigned, the Lieutenant Governor, by and with the advice and consent of the Executive Council, orders that:

1. The administration, control and benefit of the lands described in Schedule A of this order is, subject to sections 2 and 3 of this order, transferred in perpetuity to Her Majesty the Queen in Right of Canada, in trust for the use and benefit of the Ohiaht Indian Band, subject to the right of Canada to deal with the land in accordance with applicable Federal legislation, from time to time in force with respect to lands reserved for Indians.
2. The transfer is subject to the following terms, reservations and restrictions:
 - a) The Province or any person acting for it, subject to paragraph 2(c) shall have the right to resume any part of the land which it may be deemed necessary to resume for making roads, canals, bridges, towing paths or other works of public utility or convenience, but not exceeding 1/20th part of the whole of the lands and no resumption shall be made of any land on which a building has been erected, or which may be in use as a garden or otherwise for the more convenient occupation of a building;
 - b) any person authorized by the Province, subject to paragraph 2(c), shall have the right to take and occupy water privileges and to have and enjoy rights of carrying water over, through or under any part of the lands, as may be reasonably required for mining or agricultural purposes in the vicinity of the lands, paying a reasonable compensation to Canada in trust for the use and benefit of the Band;
 - c) the federal Minister for the time being responsible for Indian Affairs shall be advised of any work contemplated under the preceding paragraphs and shall be furnished with plans showing the location of the work and a reasonable time shall be allowed for consideration of the plans and for any necessary adjustments or arrangements in connection with the proposed work;

BACKGROUND SUMMARY AND REASON FOR PROPOSED ORDER (BE SPECIFIC) In 1975 the Province agreed to return unalienated Indian Reserve cut-off lands to the Bands that lost the lands. Cut-off lands were lands that were removed from Indian Reserve status pursuant to the Royal Commission on Indian Affairs report of 1916. Although the Bands involved were promised no cut-offs would occur without Band consent lands were taken without such consent. This order is submitted in furtherance to an agreement dated May 30, 1989 between the Province, Canada and the Ohiaht Indian Band whereby it was agreed that the cut-off lands comprising a parcel of 234.811 ha (580.22 acres) would be returned to the Band. This transfer of administration and control to Canada in trust for the Ohiaht Indian Band excludes a forest road of 3.149 ha (7.78 acres). In addition to the land the Band has received cash compensation of approximately \$3,850,000 for timber removed from the area and for retained stumpage plus interest.

NUMUKAMIS I.R. NO.1
OHIAHT BAND CUT-OFF
LAND CLAIM SETTLEMENT AGREEMENT

I understand you have now been provided with a fully executed original of the Ohiaht Agreement by our legal Council.

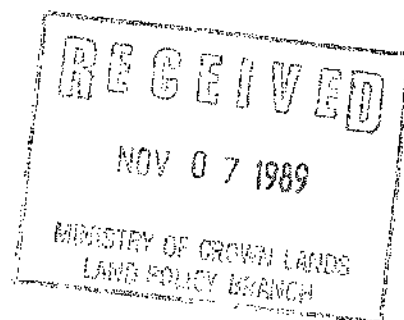

I am enclosing for your information a copy of the Order-in-Council authorizing the Minister of Indian Affairs and Northern Development to execute it.

Now that the agreement has been executed, would you please arrange to have the provincial order in council transferring the lands to Canada prepared so that Canada may proceed with its order in council to set the lands aside as a reserve for the use and benefit of the Ohiaht Band.

WHEREAS section 3 of the British Columbia Indian Cut off Lands Settlement Act, chapter 2 of the Statutes of Canada, 1984, authorizes a band or the council of a band to enter into an agreement with Her Majesty in right of Canada and Her Majesty in right of the Province of British Columbia for the purpose of resolving and extinguishing claims in respect of cut-off lands;

AND WHEREAS section 6 of the British Columbia Indian Cut-off Lands Settlement Act provides that where an agreement described in subsection 3(1) of the said Act is executed on or after the day the said Act comes into force, the Governor in Council may, by order, approve the agreement and declare it to have effect as of the date of the execution.

THEREFORE, HER EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL, on the recommendation of the Minister of Indian Affairs and Northern Development, pursuant to section 6 of the British Columbia Indian Cut-off Lands Settlement Act, is pleased hereby:

- (a) to approve the entry by the Minister of Indian Affairs and Northern Development, on behalf of Her Majesty in right of Canada, into an Agreement in respect of cut-off lands claimed by the Ohiaht Band of Indians, substantially in accordance with the agreement set out in Annex "A" hereto, which agreement has been signed by the Chief and Council of the Ohiaht Band of Indians on May 30, 1989, on behalf of the said band, and by the Minister of State responsible for Native Affairs on June 6, 1989 on behalf of Her Majesty in right of the Province of British Columbia; and
- (b) to declare the said agreement to have effect as of the date it is executed by the Minister of Indian Affairs and Northern Development.

(hereinafter called "The Band")

ANNEX A TO DOCUMENT OF APPROVAL
UPON A REFERENDUM (SCHEDULE B)

SETTLEMENT AGREEMENT

THIS AGREEMENT made the 16th day of October 1989

BETWEEN:

HER MAJESTY THE QUEEN IN RIGHT OF CANADA

represented herein by the Minister of
Indian Affairs and Northern Development
(hereinafter called "Canada")
OF THE FIRST PART

AND:

HER MAJESTY THE QUEEN IN RIGHT OF
THE PROVINCE OF BRITISH COLUMBIA

represented herein by the Minister of State
for Nechako and Northeast
Responsible for Native Affairs,
(hereinafter called "the Province")
OF THE SECOND PART

AND:

THE OHIAHT INDIAN BAND

represented herein by the Chief and
Council of The Band
(hereinafter called "The Band")

- A. WHEREAS following the confederation of the Province with Canada in 1871 and prior to the year 1916, certain lands had been allotted to the Band as Indian Reserves;
- B. AND WHEREAS after Confederation, differences arose between Canada and the Province as to the allotment and management of Indian Reserves. Therefore, in order to settle these differences Canada and the Province entered into the McKenna-McBride Agreement dated September 24, 1912, which Agreement provided for the establishment of a Royal Commission to make recommendations respecting the adjustment of the acreage of Indian Reserves in British Columbia by the addition of lands to the then existing Reserves, the creation of new Reserves, and the reduction of the acreage of existing Reserves with the consent of the Indians, to such size as the Commissioners thought reasonably sufficient for the purposes of such Indians;
- C. AND WHEREAS the Commission's Report was approved and confirmed by the Province by the Indian Affairs Settlement Act, S.B.C. 1919 c.32 and by Canada by the British Columbia Indian Lands Settlement Act, S.C. 1920, c.51, which enabled the Governor in Council to order the reduction or cutting off of lands from Indian Reserves in British Columbia without prior consent of the Indians;
- D. AND WHEREAS at all times between 1871 and July 29, 1938, when the Province by Order-in-Council 1036 of 1938 conveyed certain lands to Canada for the use and benefit of the Indians of the Province of British Columbia as Indian Reserves, the Province held title to the lands allotted to the Band as Reserves, including those lands which were cut-off from the Reserves of the Band pursuant to the recommendations of the Royal Commission established by the McKenna-McBride Agreement of September 24, 1912;
- E. AND WHEREAS it has been agreed between Canada, the Province and the Band, as represented by the Chief and Councillors thereof, to effect a full and final settlement of their differences respecting the cutting off of lands from the Reserves of the Band by entering into this Agreement to provide, inter alia, for the transfer of certain cut-off lands from the Province to Canada for the use and benefit of the Band and for the payment of compensation by the Province to Canada in trust for the use and benefit of the band as compensation for any

damages caused to the cut-off lands and as compensation for any cut-off lands to be retained by the Province.

- F. AND WHEREAS the Band Council has, by Band Council Resolution dated the 2 day of May 1987, a copy of which is attached hereto as Schedule A, approved this Agreement and has requested that a referendum be held for the purpose of obtaining from the Band the approval to enter into this Agreement, adopting for the conduct of the referendum the guidelines for a referendum annexed hereto as Appendix 1;
- G. AND WHEREAS Canada and the Province and the Band Council desire to ascertain from the Band members on such referendum whether the Band consents to and approves of this Agreement and authorizes the execution by the Chief and at least two (2) Councillors of the Band for and on behalf of the Band and authorizes the payment of monies to the band pursuant to this agreement.
- H. AND WHEREAS this Agreement pertains only to lands cut off from the Reserves of the Band pursuant to Section 2(a) of the McKenna-McBride Agreement. and it has no bearing on any other claim the Band may have to any other lands, howsoever arising.

NOW THIS AGREEMENT WITNESSETH that, in consideration of the premises, the parties hereto covenant and agree together and each with the other as follows:

1.0 TRANSFER OF CONTROL AND ADMINISTRATION BY PROVINCE TO CANADA

1.1 The Province shall transfer to Canada for the use and benefit of the Band within thirty (30) days of being advised that the Governor in Council has approved this agreement and without any cost to Canada, the administration and control of those certain lands and premises described in Schedule C hereto, to hold the said lands as a reserve for the use and benefit of the Band under the provisions of the Indian Act R.S.C. 1985 c.I-6 and amendments thereto, subject only to:

- (i) the exception of a forest road right-of-way comprising 3.149 hectares, as shown on Plan of Right-of-Way through Lot 533, Barclay District, Plan No. 3444, May 9, 1978, and
- (ii) the same rights, reservations, restrictions, terms and conditions as are contained in British Columbia Order-in-Council 1036 of 1938, which, for

greater certainty, are set out in the form of Instrument of Transfer attached as Schedule D to this Agreement, and which Instrument of Transfer will be used to effect the transfer by the Province to Canada of the lands described in Schedule C to this Agreement.

- 1.2 Paragraph 1.1 (ii) is intended to bring the rights of the parties with respect to the lands in Schedule C into conformity with those rights which are held in respect of reserves in British Columbia generally, and not to reserve to the Province any part of the lands described in Schedule C other than the right-of-way referred to in paragraph 1.1 (i).
- 1.3 The Province represents and warrants that there are no easements, rights of way, charges or encumbrances affecting the lands described in Schedule "C" other than those referred to in Section 1.1(i), and further that the Province has authorized no encroachments thereon.
- 2.0 CANADA TO ACCEPT LANDS AS RESERVE
- 2.1 That upon transfer by the Province to Canada of the lands described in Schedule C hereto, Canada will set apart the same for the use and benefit of the Band under the provisions of the Indian Act, R.S.C., 1985 c.I-6 and amendments thereto, subject only to:
- (i) the exception of a forest road right-of-way comprising 3.149 hectares, as shown on Plan of Right-of-Way through Lot 533, Barclay District, Plan No. 3444, May 9, 1978, and
 - (ii) the same rights, reservations, restrictions, terms and conditions as are contained in British Columbia Order-in-Council 1036 of 1938.
- 2.2 The Band has inspected the lands described in Schedule C and acknowledges that the said lands are those which they wish to have set apart and reinstated as a reserve.
- 2.3 That in the event that the lands described in Schedule C hereto have not been surveyed by the date of signing of this Agreement, the Band agrees to accept the lands as Reserve subject to survey.
- 2.4 In the event that there are encumbrances or encroachments not referred to in this Agreement at the time of the transfer of the lands described in Schedule

"C", the Band shall not, provided that Canada has not purported to authorize such encroachments or encumbrances, make any claim against Canada in respect thereof.

3.0 COMPENSATION

3.1 Subject to 3.3, the Province shall pay to Canada in trust for the use and benefit of the Band, in the manner provided for in 3.2, the sum of Three Million Eight Hundred and Fifty Four Thousand Nine Hundred and Ninety Three Dollars (\$3,854,993.00) as herein provided as a negotiated settlement with respect to the cutting-off of land from the Band's Reserves and the said sum is being paid by the Province as compensation without any admission of liability on the part of the Province to either Canada or the Band.

3.2 The Province shall, upon execution of this Agreement by the Province, pay over to the Band's legal counsel the sum of Three Million Eight Hundred and Fifty Four Thousand Nine Hundred and Ninety Three Dollars (\$3,854,993.00), on the terms and conditions set out in Schedule "E" to this Agreement.

3.3 That the Band hereby directs Canada to, upon receipt by Canada, of the said sum of Three Million Eight Hundred and Fifty Four Thousand Nine Hundred and Ninety Three Dollars (\$3,854,993.00) plus any interest accumulated in trust, deposit the said sum into the revenue account maintained for the use and benefit of the Band by the Department of Indian Affairs and Northern Development, and Canada agrees that it will so deposit the said monies.

4.0 INDEMNITY

4.1 The Band hereby indemnifies Canada and saves Canada harmless from any claims of whatsoever nature or kind brought by any person against Canada, its Servants or Agents arising in consequence of Canada entering into this Agreement.

4.2 If as a result of the deposit of the monies referred to in section 3 to the revenue account of the Band, Canada is held liable to the Band, or any other person, as a result of legal action taken by the Band, its successors or any persons, the Band acknowledges Canada may resort to Section 4 sub-section 2 of the Indian Act, R.S.C. 1985 c.I-6 with respect to Section 89 of the Indian Act for the purpose of recovering from the Band any judgement against Canada.

4.3 For the purposes of sub-section 4.1 and 4.2, "person" means a person who has or has had a claim to an interest in the Cut-off Lands or the compensation to the Band for which provision is made in this Agreement, where such claim is based upon an interest that is or was held by such person as a member of the Band or as a descendant of a member of the Band or persons eligible to be members of the Band

5.0 RELEASE

5.1 The releases provided for in this section will take effect:

(a) in the case of 5.2, upon:

(i) the payment of the monies referred to in sub-section 3.1 to the Band's legal counsel as provided for in sub-section 3.2, and

(ii) the delivery by the Province to Canada of a Provincial Order in Council transferring the lands described in Schedule "C",

(b) in the case of 5.3, upon the acceptance of the lands described in Schedule "C" by Canada as a Reserve for the use and benefit of the Band.

5.2 In consideration of this Agreement and in particular in consideration of the payment by the Province to Canada of the sum of Three Million Eight Hundred and Fifty Four Thousand and Nine Hundred and Ninety Three Dollars (\$3,854,993.00) and the transfer by the Province to Canada of the lands described in Schedule C hereto in trust for the use and benefit of the Band, Canada and the Band do hereby forever release, remise and discharge Her Majesty the Queen in Right of the Province of British Columbia of and from all manner of actions, causes of actions, suits, claims and demands whatsoever, which Canada or the Band ever had, now have, or which they hereafter shall, can or may have against Her Majesty the Queen in Right of the Province of British Columbia, for or by reason of any act, deed or thing, done or omitted to be done by Her Majesty the Queen in Right of the Province of British Columbia, Her Ministers, Servants or Agents, arising from or in any way connected with the taking of the cut-off lands from the Numukamis Indian Reserve No. 1.

- 5.3 (a) In consideration of the obligations assumed by Canada under this Agreement, the Band does hereby forever release, remise and discharge Her Majesty the Queen in Right of Canada of and from all manner of actions, causes of actions, suits, claims and demands whatsoever which, the Band ever had, now has, or which it hereafter shall, can, or may have against Her Majesty the Queen in Right of Canada, for or by reason of any act, deed or thing, done or omitted to be done by Her Majesty the Queen in Right of Canada, Her Ministers, Servants or Agents arising from or in any way connected with the taking of the cut-off lands from the Numukamis Indian Reserve No. 1.
- (b) Subject to paragraph 5.3(a) herein and from the date on which the lands in Schedule C are set apart and reinstated as reserves pursuant to this agreement, the Band shall enjoy whatever right, title or interest in the said lands as it shall obtain by the setting apart and reinstating of such lands.

5.4 SAVE AND EXCEPT for the rights, reservations, restrictions, terms and conditions in favour of the Province contained in the instrument of transfer from the Province to Canada of the lands described in Schedule C to this Agreement, the Province hereby releases any and all claims to any right, title or interest whatsoever which the Province ever had, now has or hereafter can, shall or may have to the lands formerly cut-off from the Reserves of the Band and the Province does hereby forever release, remise and discharge Her Majesty the Queen in Right of Canada of and from all manner of actions, causes of actions, suits, claims and demands whatsoever, which the Province ever had, now has, or which it hereafter shall, can or may have against Her Majesty the Queen in Right of Canada, for or by reason of any act, deed or thing, done, or omitted to be done by Her Majesty the Queen in Right of Canada, Her Ministers, Servants or Agents, arising from or in any way connected with the taking of the cut-off lands from the Numukamis Indian Reserve No. 1.

6. APPLICATION OF THIS AGREEMENT

This agreement applies only to that portion of Numukamis Indian Reserve No. 1 that was cut-off from the reserves of the Ohiaht Band under the Royal

Commission Report pursuant to Section 2(a) of the McKenna McBride Agreement of September 24, 1912.

7.0 APPROVAL OF AGREEMENT

7.1 BY THE BAND

7.1.1 The consent to, approval and authorization of this Agreement shall be by way of referendum of the majority of eligible voters, as provided for in Appendix 1 hereto and the paragraphs hereunder, the consent to, approval and authorization of the Agreement shall be deemed to have at the same time authorized the Chief and at least two (2) Councillors of the Band to execute this Agreement on behalf of the Band.

7.1.2 The said referendum shall be held as soon as reasonably possible after the initialling of this Agreement in principle by the representatives of the parties hereto, adopting for the conduct of the referendum (and for a second referendum if it is held) the guidelines for a referendum annexed hereto as Appendix 1 and the draft forms of Notice, Band Vote and Ballot are annexed hereto as Appendix 2.

(a) Subject to the provisions herein this Agreement shall be consented to and approved by the Band if a majority of the eligible voters, living on or off the reserves of the Band vote on the referendum and a majority of the eligible voters vote YES on the ballot.

(b) If the said majority of the eligible voters vote NO on the ballot then the Agreement shall be null and void as if it never had been made.

7.1.3 If a majority of eligible voters fail to vote at the first referendum then a second referendum may be held within a period of three months following the date of the first referendum, upon the Band Council filing with the Department of Indian Affairs and Northern Development within forty-five (45) days of the date of the first referendum, a Band Council Resolution requesting a second referendum. Should the Band not request that a second referendum be held within the said period, then this Agreement shall be null and void as if it had never been made.

7.1.4 A simple majority (fifty percent plus one) of the eligible voters who actually participate in the vote on a second referendum shall determine whether or not the Agreement is approved or rejected.

- 7.1.5 If the voting on the first or second referendum results in the approval of the Agreement by the Band, the approval shall be evidenced by the consent and approval of the Chief and at least two (2) Councillors of the Band, in the form of instrument known as "DOCUMENT OF APPROVAL BY WAY OF A REFERENDUM", attached as Schedule B to this Agreement.
- 7.1.6 If a second referendum is held and it results in the rejection of the Agreement, or it results in a tie vote, then in either of these cases this Agreement shall be null and void.
- 7.1.7 Notwithstanding the foregoing if fifty percent or more of all eligible voters of the Band ordinarily reside off-reserve, then upon the request of the Band by means of a Band Council Resolution as soon as possible after the returning officer has established the relative proportions between eligible voters on and off-reserve, one referendum only need be held. Approval or rejection of the Agreement upon such referendum may be determined by a simple majority (fifty percent plus one) of the eligible voters actually voting. Approval shall be evidenced in the same manner as in paragraph 7.1.5 of this section. Rejection or a tie vote shall have the same consequences as in paragraph 7.1.6 hereof.
- 7.2 BY CANADA
- 7.2.1 The Agreement may be signed by the Minister of Indian Affairs and Northern Development on behalf of Canada after the Governor in Council has approved this agreement and authorized the Minister to enter into this Agreement.
- 7.3 BY THE PROVINCE
- 7.3.1 The Agreement may be signed by the Minister of State for Nechako and Northeast responsible for Native Affairs on behalf of the Province of British Columbia after having been informed that the Band consented to and authorized the Council to enter into this agreement on behalf of the Band.

8.0 SPECIAL LEGISLATION:

8.1 The Parliament of Canada has enacted the British Columbia Indian Cut-off Lands Settlement Act, S.C. 1984 c.2 which, inter alia, authorizes the band to enter into this Agreement and provides that the Governor in Council may by order approve this Agreement and declare it to have effect as of the date of its execution.

8.2 The Legislative Assembly of the Province of British Columbia has enacted the Indian Cut-off Lands Disputes Act S.B.C. 1982 C.50 which authorizes the Province to enter into this Agreement.

9. NAME OF RESERVE:

The name to be given to the lands being transferred to Canada as reserve for the Band will be Numukamis Indian Reserve No. 1 unless, by resolution of Band Council passed within sixty (60) days of the execution of this Agreement on behalf of the Band, Canada is requested to confirm the reserve by some other name.

10. FURTHER ASSURANCES:

The parties hereto covenant each with the other to do such things and execute such further documents and take all further necessary measures to carry out and implement the terms, intent and meaning of this Agreement; and the Band hereby authorizes, empowers and directs its present Band Council and succeeding Band Councils to act for and on behalf of the Band in executing such further documents and taking such further necessary measures to carry out and implement the terms, intent and meaning of this Agreement.

SCHEDULE B

DOCUMENT OF APPROVAL BY WAY OF A REFERENDUM

WHEREAS:

1. Following the McKenna-McBride Royal Commission Report of 1916, a portion of the Ohiaht Indian Band's Numukamis Indian Reserve No. 1 was cut-off from the Band's Reserve without the consent or approval of the Band.
2. The said cut-off lands are being returned to Her Majesty the Queen in Right of Canada by the Province of British Columbia for the use and benefit of the Band.
3. Representatives of the Band and Her Majesty the Queen in Right of the Canada and Her Majesty the Queen in Right of the Province of British Columbia have negotiated that certain Agreement hereto attached as Annex A (herein referred to as the "Settlement Agreement") which would settle the disputes relating to the Reserve of the Band having been cut-off from the Band's Reserves as aforesaid.
4. The rights, duties and obligations created by the Settlement Agreement are conditional upon Canada receiving from the Band (as set forth in paragraph 6 of the Settlement Agreement) the approval of the Band to the terms and conditions contained in the Settlement Agreement.

NOW THEREFORE KNOW ALL PEOPLE BY THESE PRESENTS that we, the undersigned Chief and Councillors of the Ohiaht Indian Band, acting for and acting on behalf of our said Band, in accordance with the consent and approval of the Band upon a referendum, as provided for in the Settlement Agreement and guidelines appended thereto, held on the 27 day of *May*, 1987, do hereby certify:

- (i) That the Band on the said referendum consented to and approved of the terms and conditions contained in the Settlement Agreement, and approved the execution thereof for and on behalf of the Band upon the signatures of the Chief and at least two (2) Councillors of the Band.
- (ii) That the Band on the said referendum approved the acceptance of payment of the monies by the Province as set out in the Settlement Agreement and the transfer by the province to Canada of the lands described in

Schedule C to be set apart as a reserve, for the use and benefit of the Band as set out in the Settlement Agreement, in full and final satisfaction of all claims and demands by the Band against Canada and the Province of British Columbia in respect of the lands cut-off from the Band's Reserves following the McKenna-McBride Royal Commission Report of 1916.

- (iii) That the Band on the said referendum approved and ratified this document of approval and authorized its execution by the signature of the Band Chief and at least two (2) Councillors of the Band, and authorized that it be appended as Schedule B to the Settlement Agreement when so executed, along with the Schedules marked A, C, and D attached to and forming part of the Settlement Agreement.

AND WE, the undersigned Chief and Councillors of the Ohiaht Indian Band, do on behalf of Our People and for Ourselves hereby ratify and confirm whatever Her Majesty the Queen in Right of Canada may do or cause to be done or omit to be done in regard to the lands cut-off from the Band's Numukamis Indian Reserve No. 1 as aforesaid, subject only to the terms and conditions contained in the Settlement Agreement.

IN WITNESS WHEREOF we have hereunto set our hands and seals this 30 day of May in the Year of Our Lord, One Thousand, Nine Hundred and Eighty Nine.

FOR THE USE AND BENEFIT OF THE OHIAHT
BAND OF INDIANS

All that portion of the Numukamis Indian Reserve No. 1, Plan B.C. 34 described as Lot 533, Barclay District, lying and being within the Province of British Columbia, and containing approximately 588 acres, (237.96 hectares) excepting therefrom the forest road right-of-way comprising 7.78 acres, (3.149 hectares), as shown on Plan No. 3444 R/W dated May 9, 1978.

SCHEDULE D

APPROVED AND ORDERED

Lieutenant Governor

EXECUTIVE COUNCIL CHAMBERS, Victoria

On the recommendation of the undersigned, the Lieutenant Governor, by and with the advice and consent of the Executive Council, orders that:

1. The administration, control and benefit of the lands described in Schedule A of this order is, subject to sections 2 and 3 of this order, transferred in perpetuity to Her Majesty the Queen in Right of Canada, in trust for the use and benefit of the Ohiaht Indian Band, subject to the right of Canada to deal with the land in accordance with applicable Federal legislation, from time to time in force with respect to lands reserved for Indians.
2. The transfer is subject to the following terms, reservations and restrictions:
 - (a) The Province or any person acting for it, subject to paragraph 2(c) shall have the right to resume any part of the land which it may be deemed necessary to resume for making roads, canals, bridges, towing paths or other works of public utility or convenience, but not exceeding 1/20th part of the whole of the lands and no resumption shall be made of any land on which a building has been erected, or which may be in use as a garden or otherwise for the more convenient occupation of a building;
 - (b) any person authorized by the Province, subject to paragraph 2(c), shall have the right to take and occupy water privileges and to have and enjoy rights of carrying water over, through or under any part of the lands, as may be reasonably required for mining or agricultural purposes in the vicinity of the lands, paying a reasonable compensation to Canada in trust for the use and benefit of the Band;

(c) the federal Minister for the time being responsible for Indian Affairs shall be advised of any work contemplated under the preceding paragraphs and shall be furnished with plans showing the location of the work and a reasonable time shall be allowed for consideration of the plans and for any necessary adjustments or arrangements in connection with the proposed work;

(d) any person authorized by the Province shall have the right to take from any part of the lands any gravel, sand, stone, lime, timber or other material which may be required in the construction, maintenance or repair of any road, ferry, bridge or other public works, paying to Canada in trust for the use and benefit of the Band a reasonable compensation for any material taken for use outside the boundaries of the lands;

(e) all travelled streets, roads, trails and other highways existing over or through the lands at the date this order comes into effect are excepted and reserved from this transfer;

3. This order shall come into effect on the date that the Governor in Council of Canada, by order, accepts this transfer on the terms and subject to the reservations and restrictions set out in this order.

Re: Ohiacht Indian Band Cut off Claim:
Provincial Compensation Monies

We enclose our cheque in the sum of \$ _____, which sum is to be held by you on the following terms and conditions:

1. You will hold the monies in an interest bearing account pending execution by Canada of that agreement setting out the terms of the settlement of the Ohiaht Indian Band Cutoff Claim between the said Band, the Province, and Canada (the "Agreement").
2. In the event that your firm ceases while holding the funds to be legal counsel for the Band, you will forthwith notify the Province, and will comply with any direction the Province and the Band may jointly give to transfer the principal sum, together with accumulated interest to the solicitors then representing the Band. Should no such joint direction be given, you will continue to hold the said monies, and to disburse them, on the terms set out in this letter.

You will be at liberty to pay the said monies to Canada for the use and benefit of the Band in accordance with the terms of the Agreement upon receipt by you of a copy of the said Agreement bearing the signature of the Federal Minister of Indian Affairs or his authorized representative.

Yours truly,

Appendix "1"

INDIAN CUT-OFF LAND CLAIM REFERENDUM GUIDELINES

Interpretation:

1. In these guidelines:

"Agreement" means the Cut-off Land Claim Settlement Agreement to which these guidelines are appended;

"Assistant Deputy Minister" means the Assistant Deputy Minister, Lands, Revenues and Trusts of the Department of Indian Affairs and Northern Development;

"Deputy Returning Officer" ("Deputy Electoral Officer") means a person appointed by the Band and the Returning Officer for the purposes of carrying out the instructions of the Returning Officer in the conduct of the referendum;

"Eligible Voter" ("Elector") means a person who:

- 1) is registered on the Band list;
- 2) is 18 years of age or older;
- 3) lives on or off the reserves of the Band;
- 4) is not declared mentally incompetent or not (at the discretion of the Returning Officer) declared unable to properly cast a vote;

"Minister" means the Minister of Indian Affairs and Northern Development;

"Notice" has the same meaning as in the Settlement Agreement;

"Referendum" means a vote conducted to determine if the eligible voters agree to accept or reject the cut off land claim agreement;

"Returning Officer" ("Electoral Officer") means a person who is appointed by the Department of Indian Affairs and Northern Development. The Returning Officer is responsible for supervising and coordinating the carrying out of the referendum in the manner described in these guidelines.

Holding of Referendum

2. (1) The Minister may at the request of the Council of a Band, by Band Council Resolution, order a referendum to be held.

- (2) An information meeting to explain the content of the agreement shall take place prior to the referendum being held and shall be open to the general Band membership.
3. If a referendum is held, and if the Band either accepts or rejects the agreement, the acceptance or the rejection of the agreement by the Band will be determined by the provisions in the Settlement Agreement which for convenience are outlined as follows:

(1) FIRST REFERENDUM

(a) A majority of the eligible voters of the Band must vote in a referendum. Otherwise the results of the first referendum shall be considered insufficient to determine the acceptance or rejection of the Agreement and a second referendum may be requested by Band Council Resolution.

(b) The first referendum therefore, requires that at least a majority of all eligible voters (fifty per cent plus one) of the Band vote in a referendum:

(i) If a majority of those voting vote yes on the ballot the agreement is approved by the Band

(ii) If a majority of those voting vote no, on the ballot the agreement is rejected by the Band.

(2) SECOND REFERENDUM

(a) If a majority of eligible voters do not participate in the vote at the first referendum then, a second referendum may be held within a period of three months following the date of the first referendum, upon the Band Council filing with the Department of Indian Affairs and Northern Development within 45 days of the date of the first referendum, a Band Council Resolution requesting a second referendum. Should the Band not request that a second referendum be held, then the Agreement shall be null and void as if it had never been made.

(b) Should a Second Referendum be held, the results will be determined by a simple majority of the people who participate in the vote. The results will be based on fifty per cent plus one of those persons who actually vote for or against the agreement.

- (c) If a Second Referendum is held, resulting in the rejection of the Agreement, or resulting in a tie vote neither rejecting nor approving the Agreement, then the Agreement shall be null and void (cancelled) as if it had never been made.
- (3) If fifty percent or more of all eligible voters of the Band ordinarily live off-reserve, then it is possible to hold only one referendum. The Band would have to request this by means of a Band Council Resolution as soon as possible after the Returning Officer has verified that 50% or more of all eligible voters live off reserve, but at least 15 days prior to the referendum day. NOTE: Every effort will be made by the Band to advise all eligible voters of the referendum. Approval or rejection of the Agreement upon these conditions may be determined by a simple majority (fifty percent plus one) of the eligible voters actually participating in the vote. A tie vote will mean rejection.
4. If the voting on the first or second referendum results in the acceptance of the Agreement by the Band, the Chief and at least one (1) Councillor of the Band will be required to fill out Schedule "B" of the agreement. This schedule states that the Band has agreed to accept the cut off claim agreement.

VOTING PROCEDURE

5. Voting on the referendum shall be by secret ballot.
6. (1) The Returning Officer shall post a notice at least 30 days prior to the date of the voting. This notice will include a copy of the agreement, and will be posted in such places as felt to be reasonably required by the Returning Officer.
- (2) The Returning Officer, in cooperation with Chief and Band Council, may send a letter to the last known address of the off reserve members advising them of the terms and conditions of the agreement as well as the date, time of the referendum and place(s) of the polling booth. The letter should also tell the off reserve members of the types of majority vote required to determine the result of the vote. Depending on the preference of the Band, the letter may be signed by either the Chief of the Band or the Returning Officer.

- (3) The Returning Officer may place an advertisement in newspapers in order to inform people that a referendum will be held.
 - (4) If Band members wish to read a copy of the Agreement a copy will be available for reading from the Deputy Returning Officer. A copy will also be left with the Chief or a Councillor to be kept on hand in the Band office for review by the Band membership.
 - (5) The notice of the referendum referred to in paragraph 6 (1) hereof shall contain the following information:
 - (a) the date on which the voting shall take place;
 - (b) the question on which the voters are asked to vote;
 - (c) the hours of the day the voters may vote; and,
 - (d) the location of the polling booth(s).
7. (1) The Returning Officer, in cooperation with the Chief or members of the Band Council, shall:
- (a) prepare a list containing in alphabetical order the names of the voters entitled to vote on the referendum. The Returning Officer may designate the location of the polling booth(s) where the voters shall be entitled to vote if more than one polling booth is required;
 - (b) review the voters list prior to it being posted;
 - (c) post a copy of the list of voters in such places as he or she considers necessary, and in any other location the Band Council may want a notice posted, at least 15 days prior to the day of voting;
 - (d) prepare sufficient ballot papers which state the question on which the voters are asked to vote;
 - (e) obtain a sufficient number of ballot boxes; and
 - (f) ensure that the Deputy Returning Officer receives the ballot papers and a sufficient number of lead pencils for marking the ballot papers before the poll is opened.
- (2) Any voter may apply to the Returning Officer to have the list revised, if they think that:
- (a) the name of an eligible voter has been left off the list;

- (b) the name of a person not qualified to vote is included on the list; or
 - (c) the name of a voter is incorrectly written.
- (3) Where the Returning Officer is satisfied that revision is necessary to the list of voters, he or she shall make the revision up to and including the referendum day and such revision shall be final.
8. The Returning Officer or the Deputy Returning Officer shall provide a compartment at each polling place where the voter can mark his or her ballot paper free from observation.
9. The Returning Officer or the Deputy Returning Officer shall, immediately before the opening of the poll, open the ballot box and ask persons who may be present to witness that the box is empty and shall then lock and properly seal the box and place it in view for the reception of the ballots.
10. (1) Subject to paragraph 10 (2), the polls shall be kept open from 9 o'clock in the forenoon until 6 o'clock in the afternoon of the day set for the voting on the referendum.
- (2) If the Returning Officer thinks that it would be inconvenient to the voters to have the poll either opened at 9 o'clock or closed at 6 o'clock, he may, in consultation with the Chief or members of the Band Council, order that the poll be kept open for a longer period of time not exceeding 4 hours longer than posted.
11. Provision for an advance poll will be at the discretion of the Returning Officer.
12. Provision for polls in off reserve locations can be undertaken at the discretion of the Returning Officer.
13. (1) The Returning Officer or the Deputy Returning Officer after ensuring that a person presenting himself for the purpose of voting is entitled to vote, shall provide such person with a ballot paper on the back of which the officer has affixed his or her initials.
- (2) The Returning Officer or the Deputy Returning Officer shall place on the list of voters a mark opposite the name of every voter receiving a ballot paper.

14. (1) The Returning Officer or the Deputy Returning Officer shall explain the method of voting to a voter when requested to do so by such voter.
- (2) If requested by a voter who is
 - a) not able to read, or
 - b) incapacitated by blindness or other physical cause, the Returning Officer or the Deputy Returning Officer shall assist that voter by marking his or her ballot paper in the manner directed by the voter and shall place such ballot paper in the ballot box.
- (3) The Returning Officer or the Deputy Returning Officer shall make an entry in the list of voters opposite the name of the voter that the ballot paper was marked by him at the request of the voter and the reasons therefore.
15. Except as provided in paragraph 14(2), every voter receiving a ballot paper shall:
 - (1) proceed immediately to the compartment provided for marking the ballot paper;
 - (2) mark his/her ballot by placing an (X) or check mark (V) in either the box marked "YES" or "NO";
 - (3) fold the ballot paper so as to conceal their mark on the face of the paper; and
 - (4) immediately give it to the Returning Officer or the Deputy Returning Officer for deposit in the ballot box.
16. (1) A voter who receives a soiled or improperly printed ballot paper, or who accidentally spoils his ballot paper when marking it, shall, upon returning the ballot paper to the Returning Officer or the Deputy Returning Officer, be entitled to another ballot paper.
- (2) A voter who has received a ballot paper and who
 - (a) leaves the compartment for marking ballot papers without delivering the ballot to the Returning Officer or the Deputy Returning Officer in the manner provided, or who
 - (b) refuses to vote

will be forfeiting his or her right to vote on the referendum and the Returning Officer or the Deputy Returning Officer shall make an entry on the list of voters opposite the name of the voter stating that the voter did not return the ballot paper or refused to vote.

17. The Returning Officer or the Deputy Returning Officer shall allow only one voter in the compartment for marking ballot papers at any one time.
18. A voter who is inside the polling place at the time set for closing the poll shall be entitled to vote before the poll is closed.
19. No person shall interfere or attempt to interfere with a voter when marking his or her ballot paper. No person shall obtain or attempt to obtain at the polling place information as to how a voter is about to vote or has voted.
20. The Returning Officer or the Deputy Returning Officer, with the assistance of Chief and Band Council, shall maintain peace and good order during the voting.
21. Whenever the Returning Officer or the Deputy Returning Officer does not understand the language spoken by a voter, he or she shall appoint and swear in an interpreter who shall be the means of communication between the Returning Officer and the voter with reference to all matters required to enable such voter to vote.
22. (1) Immediately after closing the poll the Returning Officer in the presence of the Deputy Returning Officer and any members of the Council of the Band that may be present shall:
 - (a) examine the ballot papers;
 - (b) reject all ballot papers:
 - i) that have not been supplied by him or by the Deputy Returning Officer, and which do not bear their initials;
 - ii) that have not been marked within the yes or no boxes on the ballot; or
 - iii) upon which anything appears by which a voter can be identified.

- (c) count the votes given in favour of and against the question submitted in the referendum; and,
 - (d) prepare a statement in writing of the number of votes so given and of the number of ballot papers rejected.
- (2) The statement referred to in paragraph 2(1) shall be:
 - (a) signed by the Returning Officer and by the Chief or a member of the Council of the Band; and
 - (b) filed with the Department of Indian Affairs and Northern Development.
- 23. When the results of the voting at all polls are known to the Returning Officer, he shall:
 - (a) immediately prepare a statement in triplicate signed by the Returning Officer and by the Chief or a member of the Council of the Band indicating:
 - i) the number of voters who were entitled to vote,
 - ii) the number of voters who voted,
 - iii) the number of votes cast in favour of and against the question submitted in the referendum, and
 - iv) the number of rejected ballots; and
 - (b) deliver a copy of the statement to:
 - i) Canada,
 - ii) the Province of British Columbia and
 - iii) the Chief of the Band.
- 24. The Returning Officer shall deposit the ballot papers used in the voting in a sealed envelope and deliver it to the Assistant Deputy Minister, by whom it shall be retained for 60 days after which time, unless directed otherwise by the Assistant Deputy Minister, the ballots shall be destroyed in the presence of two witnesses
- 25. Should the majority required in the first referendum not be obtained and where a second referendum is requested by way of Band Council Resolution, the guidelines for the conduct of the second vote shall be the same as provided herein except that the result of the second referendum will be

determined by a majority (fifty percent plus 1) of those persons actually voting as provided for in paragraph 3 (2) b) herein.

APPEALS

26. (1) Where a referendum is held according to these guidelines, any voter who voted on the referendum and has reasonable grounds for believing that:
- (a) there was a violation of these guidelines that may have affected the results of the referendum, or
 - (b) there was corrupt practice in connection with the referendum,
- (2) May within 7 days from the date of the referendum, file an appeal with the Assistant Deputy Minister. Any appeal referred to in paragraph 26 (1) must be forwarded by registered mail to the Assistant Deputy Minister and contain:
- (a) a notice of appeal, and
 - (b) a statutory declaration containing the grounds of appeal and particulars thereof.
- (3) Where an appeal is filed pursuant to paragraph 26, the Assistant Deputy Minister shall within 21 days from the receipt thereof forward a copy of the appeal by registered mail to the Returning Officer.
- (4) The Returning Officer shall within 10 days from the receipt of the appeal forward to the Assistant Deputy Minister by registered mail a statutory declaration containing an answer to the particulars stated in the appeal.
- (5) The Assistant Deputy Minister shall forward the material filed pursuant to this section to the Minister.
27. (1) The Minister may, if the material filed pursuant to paragraph 23 is not sufficient to decide the validity of the grounds of appeal, conduct such further investigation as he or she deems necessary.
- (2) Subject to paragraph 27 (3) hereof, the Minister may dispose of an appeal by allowing it and calling another referendum.

(3) Where the Minister is of the opinion that the grounds of appeal

(a) are not established, or

(b) do not affect the results of the referendum

the Minister shall dismiss the appeal.

APPENDIX 2

Re: Quatsino Band Indian Reserve Cut-offs

Lots 571 and 572, Rupert District, as shown on the attached prints, are Indian reserve cut-off lands and are to be returned to the Band through Canada by way of a transfer of administration and control under the Land Act. The transfer is pursuant to an agreement with the Band that was approved by a recent referendum.

I believe both Lots 571 and 572, Rupert District are within the Quatsino Provincial Forest Reserve. In order that we may proceed with transfer of the land to Canada, will you please arrange to have the lots removed from the forest reserve and advise me when this has been done.

FOR RELEASE
June 27, 1989

PROVINCE SETTLES CUT-OFF LAND CLAIMS DISPUTE
WITH QUATSINO INDIAN BAND

VICTORIA -- Minister of Native Affairs Jack Weisgerber today announced that the Province will transfer 103 acres of reserve land and provide \$270,934 in compensation payments to the Quatsino Indian Band in settlement of the band's cut-off land claim.

Under the terms of the settlement, reached on June 24, the provincial government will transfer the former Telaise Indian Reserve No. 1 and Tsowenachs Indian Reserve No. 2 to the Quatsino Band of northwest Vancouver Island. In addition, the Province will provide a cash settlement to the band to compensate for timber harvested from the Telaise Indian Reserve.

An overwhelming majority of Quatsino Band members who turned out to vote on the settlement in a referendum on Saturday agreed to accept the province's offer.

The land and cash payment will compensate the Quatsino Indian Band for reserve land which was arbitrarily cut off by the federal and provincial governments 70 years ago without the band's consent.

A total of 22 bands in British Columbia were affected by similar cut-offs following a 1916 Royal Commission. With this agreement, the province will have turned over more than 18,000 acres of land and paid out over \$7.3 million in cash to 14 of the 22 Indian bands as settlement for lands taken at that time. Compensation payments contributed by the federal government amount to approximately \$24 million.

File

Weisgerber pointed out that the Quatsino agreement is the second cut-off land claims dispute settled this year. On June 12 the Province transferred 588 acres of reserve land and provided \$3.8 million cash as compensation to the Ohiaht Indian Band.

"The British Columbia government is committed to working with the remaining bands affected to resolve this lingering injustice," said Weisgerber.

SUBJECT: INDIAN RESERVE CUT-OFFS

You might be interested in knowing that the Ohiaht Indian Band (Bamfield) voted on May 27 to accept their cut-off settlement offer. The vote was decisive in that 144 voted yes and 8 voted no out of the total voters of 152.

The Quatsino Band is voting on their offer on June 27. I think that will be a yes as well.

Dear Mr. Slade:

I have been asked to reply to your letter of March 9, 1989 to Mr. Eric Denhoff, Assistant Deputy Minister, Ministry of Native Affairs relative to the Ohiaht Indian Band Cut-off.

As requested attached is a copy of Plan 3444 R/W which is the survey plan for the forest road right-of-way through Lot 533, Barclay District. The area of the right-of-way is 3.149 ha. Also attached is a map showing the route of the original road through Lot 533, Barclay District, which was constructed circa 1947, in blue and the new route which was surveyed in 1978 (Plan 3444 R/W) in red. The new route was established for the purpose of bypassing Numakamis I.R. #1.

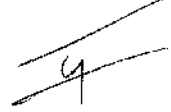

The forest road is not gazetted as such but was left within the Juan de Fuca Forest Reserve when the cut-off was removed from the forest by Order-in-Council No. 2005/78 (copy attached) and was also retained within T.F.L. No. 21 when the cut-off was withdrawn from the T.F.L. Copies of the withdrawal instruments are attached.

As you are aware the road through the cut-off is not only a forest road but is also part of the main public access route to Bamfield from Port Alberni. In view of this maintenance of the road is partly paid for by the Ministry of Transportation and Highways.

Re: Indian Reserve Cut-off Lands

Attached are maps showing coloured in red, Indian Reserve Cut-offs of the Ohiaht Band (lot 533 Barclay District) and the Quatsino Band (Telaise No. 1 and T-sow-e-nachs No. 2).

Active negotiations towards settling a claim by the Bands for return of the cut-offs to Indian reserve status are taking place. In the meantime, will you please advise if there are any registered traplines or licensed guide areas in conflict with the cut-offs shown on the attached maps. If there are, please supply details.

Thank you.

Re: Ohiaht Cut-off

At our meeting of April 19, 1988 I promised to confirm the ownership of certain lands in the vicinity of San Mateo Bay in connection with a possible land swap involving settlement of the Ohiaht cut-off claim. I now have that information for you.

District Lot 45, the NE 1/4 of Sec. 19, Tp. 4 and the NW 1/4 of Sec. 20, Tp. 4, exclusive of the Indian Reserve, all in Barclay District are owned by MacMillan Bloedel Ltd.

The NW 1/4 of Sec. 19, Tp. 4, Barclay District is reverted Crown land.

Attached are copies of the title search information received through the Victoria Land Title office automated system.

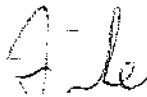

Please let me know if I can be of any further assistance.

Re: Numukamis Indian Reserve No 1 Cut-Off

As requested on September 24, 1987, attached is one copy of each of the following reports on the above named cut-off.

1. Appraisal of Lot 533 Barclay District Sarita River (Land Value) by D.R. Coell & Associates Inc. - October 31, 1984.
2. Forestry Assessment of Numukamis I.R. 1 cut-off (Lot 533) by T.M. Thomson & Associates Ltd. - October, 1984.

I have the original reports if you need them.

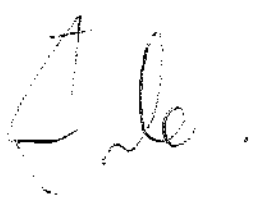

Please advise if I can be of any further assistance.

Mr. Walter Leasing

MacMillan Bloedel Ltd.

Dear Mr. Leasing:

Reference is made to our telephone conversations of October 27 and 28, 1983 with regard to the Ohiaht Band of Indians and Lot 533, Barclay District (Numukamis Indian Reserve No. 1 cut-off).

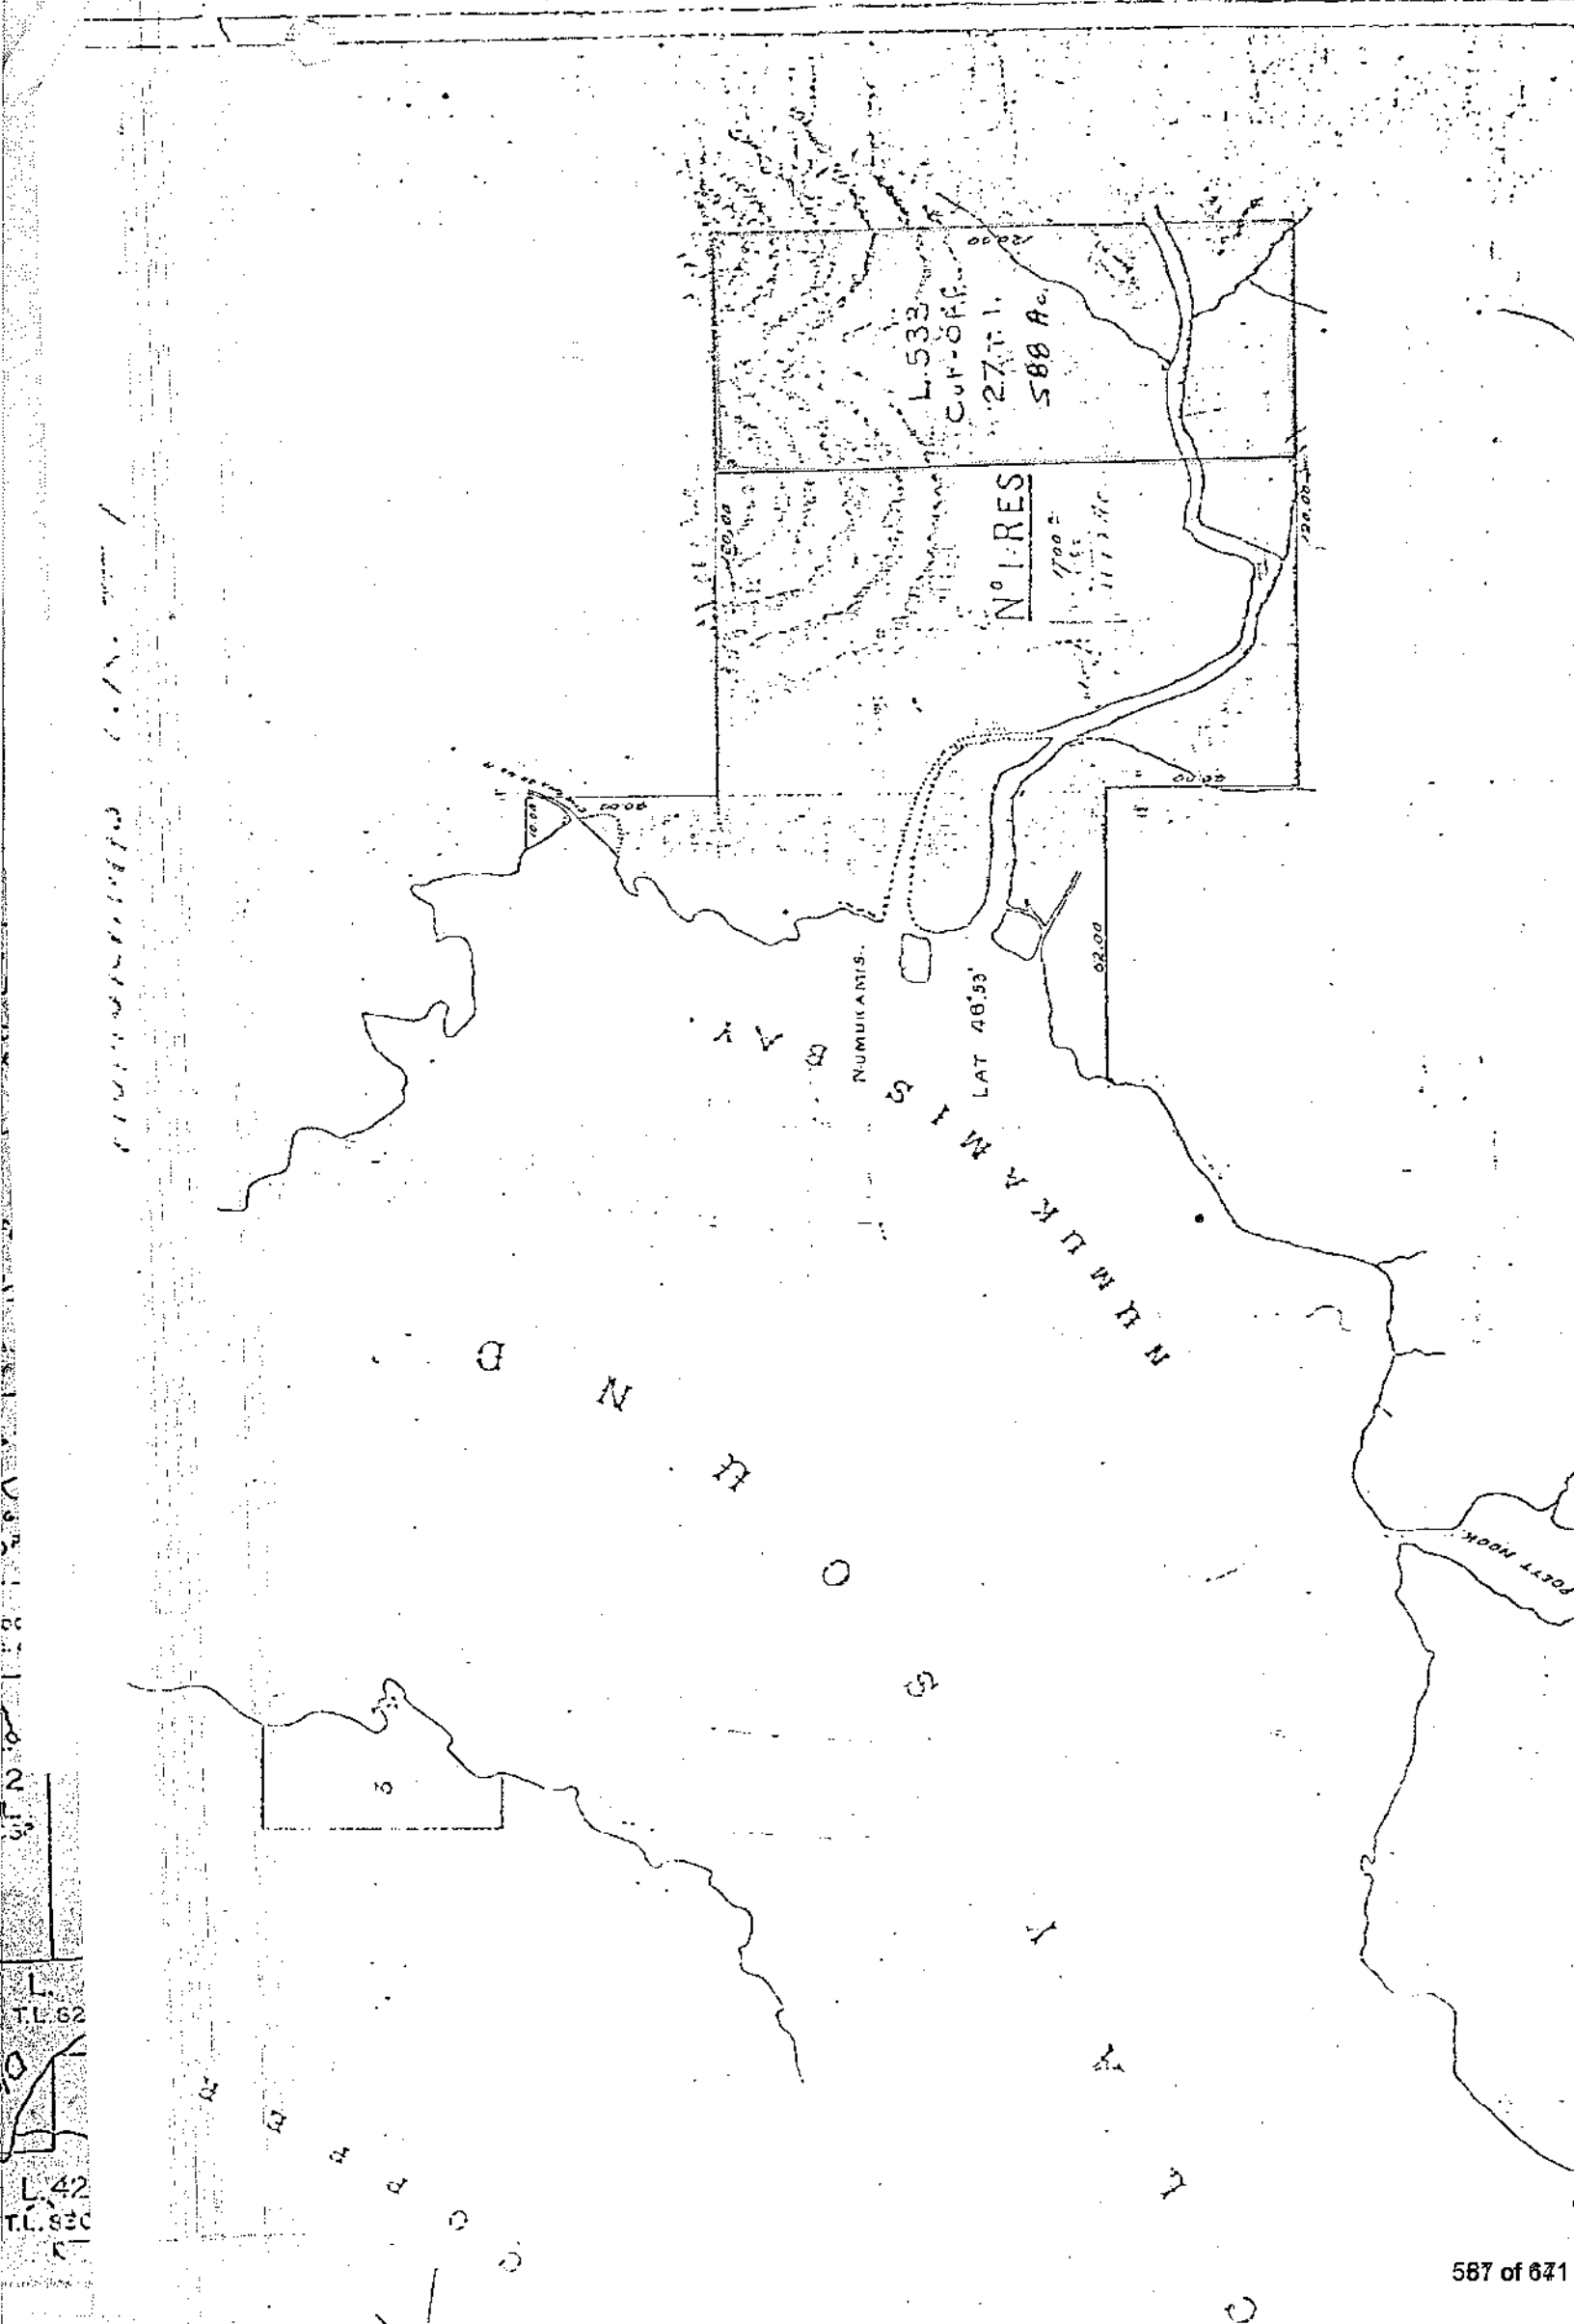

As requested I enclose a map showing the location of Lot 533, Barclay District as well as a print from the official plan of the lot. These maps are marked "A" and "B".

As explained during our conversations the Province has offered to return Lot 533, Barclay District to Canada for use by the Ohiaht Band of Indians and also pay the Band monies in recognition of revenues received by the Province from the land. Lot 533, Barclay District has been logged and the Band has, therefore, expressed a desire to obtain timbered land rather than a monetary settlement. The Band was advised that this would be considered and was asked to select a piece of timbered Crown land that would be acceptable to them. The Bands' forester suggested the N $\frac{1}{2}$ and SE $\frac{1}{4}$ of Section 16, Township 1, Barclay District. This area is North of Pachena Bay and is outlined in red on the attached map "C". Upon investigation it was determined that this parcel was committed to MacMillan Bloedel Ltd. as part of an exchange for company lands in Pacific Rim National Park. The Band was advised accordingly and invited to make an alternative selection for review. It appears that there is no unencumbered Crown land in the locality that is of interest to the Band. Lands which are acceptable to them for exchange purposes are either controlled or owned by MacMillan Bloedel.

RE: Gazetting of Roads In Indian Cut-Off Lands

Further to your memo of March 5, 1979 it is our intention to proceed with gazetting of the Gerry Lookout Road in the near future.

However, as regards the Sarita Mainline road, we would prefer that this be considered as part of the Crown land portion (schedule B) of T.F.L. 21. When Lot 533 Barclay Land District is returned to the Indian Band, we request it be made save and except that portion of T.F.L. 21 outlined in red on plan 3444 R/W, deposited in the Victoria L.R.O.

I am requested by the B. C. Forest Service to issue instructions to you for the required survey, to be conducted to conform to the Metric Right of Way Survey Instructions.

The right of way across Crown land is shown outlined in red on the enclosed sketch, and to be designated as Right of Way of Forest Road Through Lot 533, Barclay District in the title of your plan.

Note the required width is 30 metres.

Do not show Lot 731 crossing Lot 533 on your survey returns. This lot was never in the Land Registry Office and can be amended in our office.

Plan of Lot 731, Barclay District is enclosed. This lot will be amended in this office by deleting the portion crossing Lot 533, Barclay District. Plan, field notes and official plan for I.R.No. 1 "Numukaenis" and Lot 533 I.R. Re: Legal Survey of Right-of-way through Indian Reserve
 Cut Off Lands in Lot 533 adjacent to Numukamis
 Indian Reserve No. 1, vicinity of Sarita

Further to past discussion on the subject matter. Treasury Board approval has been received in the amount of \$4500 to have a legal survey done of this right-of-way. Since the land is under the jurisdiction of the Ministry of the Environment (Land Management Branch), and also because you had indicated earlier that you wished to be involved in survey instructions, etc., I can advise that Mr. R.N. Acres of Acres and Pollock Land Surveyors, 4921 Argyle Street, Alberni, B.C. V9Y 1V6, has undertaken to do this work for us on a priority basis.

It would be appreciated if you would send out a letter of authorization with the necessary survey instructions, with a copy to this office and Mr. Borthwick.

Mr. Acres requested any recent survey information in the area along with field notes, etc.; attached is a map indicating that portion of the road the survey should contain.

It would be appreciated if you could give this matter your immediate attention as I understand there is some urgency in returning these Cut Off lands.

REQUEST: Treasury Board approval to order legal survey of right-of-way through Lot 533, Indian Cutoff lands adjacent to Numukamis I.R. No. 1, vicinity of Bamfield.

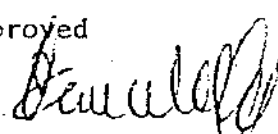

JUSTIFICATION: It is anticipated there will be a final settlement of the Cutoff problem fairly soon. Lot 533 is one of the lots involved. The subject road (Sarita Mainline) is not only used as a private logging road by MacMillan Bloedel Limited but is used extensively by the public for access to and from Bamfield. The Ministry of Highways contributes \$75,000.00 annually to MacMillan Bloedel towards the cost of road maintenance and therefore have a vital interest in this road being kept open. So that MacMillan Bloedel will not be deprived of the benefits of off-highway haul, this road should be administered by the Forest Service under the Forest Act. When the lands are returned to the Indian Band the title should read "save and except the registered right-of-way plan". The road will be established as a forest road by gazetting action.

1. I would refer you to your letter of June 28, 1977 to Mr. R.G. Harvey, Deputy Minister of Highways, regarding this matter.
2. Mr. Dennison, Chief Engineer, Ministry of Highways, has written further to me and a copy of his letter is enclosed.
3. I have had an opportunity to discuss the problem with Mr. Robert Exell, Co-ordinator, Indian Programs and in view of the fact that the road provides the public with access to Bamfield as well as serving the needs of MacMillan Bloedel Limited and since the Ministry of Highways makes an annual contribution to maintenance it is considered that it should be retained by the Crown and withheld from any transfer of the Cut-off Lot 533 to the Indian Band.
4. In order that this may be achieved the existing Sarita Mainline road and the new by-pass lying within the boundaries of Lot 533 should be legally surveyed as soon as possible.
5. In all probability the Indian Band will claim compensation from the Crown for the lands to be retained. Such being the case the Crown will insist that this cost of compensation be borne by MacMillan Bloedel Limited who should be so advised.

YOUR FILE

We believe you are familiar with the proposal by MacMillan Bloedel Limited to have the right-of-way for the relocated section of the Sarita Mainline through Lot 533 excluded from lands which may be returned to the Band as cut-off lands. In this regard, I am attaching, for your information, copies of correspondence over the past six months from our Ministry, Mr. McCrimmon of MacMillan Bloedel Limited and the Forest Service.

At the suggestion of Mr. McCrimmon we are providing this information to you now to ensure that the matter is not overlooked when negotiations are underway with the Band for the return of cut-off lands through Lot 533. We contribute \$75,000 annually to MacMillan Bloedel Limited towards the cost of road maintenance because of the extensive public usage of the road by the people from Bamfield. We are also contributing substantially towards the upgrading of sections of this road including the relocated section through Lot 533. Our Ministry, therefore, has a vital interest in ensuring that right-of-way for the section of the Alberni-Bamfield Road through Lot 533 is secured when negotiations are taking place with the Band for the return of cut-off lands.

Further to your memorandum of June 9, 1977.

The question of the Forest Service acquiring the right-of-way through Lot 533 has been discussed with Mr. D. Borthwick of the Lands Branch. In the third paragraph of your memo it infers that Mr. Borthwick recommends early action (i.e., immediately) in taking these lands. Mr. Borthwick, however, states it was some time ago and that times have changed since he made this recommendation, and at that same time he also suggested that MacMillan Bloedel try and locate the right-of-way entirely outside Lot 533, which they failed to do (no doubt due to adverse topography).

Nevertheless, we are told that Cabinet policy with regard to cut off lands "is hands off" and there is to be no disposition of such lands until they have been returned to the respective Indian Bands. One of the conditions on the return of these lands will be the 1/20th resumption proviso.

Once these lands have been returned to the Indians the Ministry requiring land can then negotiate with them in the usual manner and work out an equitable agreement. Perhaps the lands will be returned subject to existing roads as indicated in Instrument 52 in the matter of T.F.L. 21 when a seven acre parcel was deleted from the T.F.L. and given to the Indians under the Memorandum of Understanding dated June 24, 1975.

Also, I do not think it would be prudent for MacMillan Bloedel to try and negotiate their own agreement with the Indian Band concerned. The Forest Service has had considerable trouble with private agreements when establishing forest roads; no doubt in this case it would be a yearly rental agreement of sorts and the Indian Band would possibly have a claim for loss of income on establishment of the road.

.. 2

Mr. R.G. Harvey

June 28, 1977

In conclusion, our Ministry is not prepared to negotiate for the right-of-way at this time, due to existing Cabinet policy pertaining to these cut off lands.

Subject: Alberni-Bamfield -
MacMillan-Bloedel Road.

Our Ministry pays an annual grant of \$40,000 to assist in the maintenance of the above noted logging road which is owned by MacMillan Bloedel to compensate for additional maintenance requirements due to use by the public travelling to Bamfield and other parts of Pacific Rim Park.

Several years ago, MacMillan Bloedel planned and completed a diversion of this road to by-pass the Sarita Indian Reserve at a cost of \$300,000. Our Ministry contributed \$75,000 as our share of the cost to construct the road to a width which would accommodate multiple use traffic.

D. F. McCrimmon, Manager of Properties Division of MacMillan Bloedel, advises that portion of the by-pass section does, in part, travel through lands including Lot 533 which were known to be "cut-off" Indian Lands. He states that Mr. Borthwick of the Lands Branch has recommended that early action be taken by the B. C. Forest Service or our Ministry to effect a taking of this part of the right-of-way for the road through Lot 533 so that it would not be dealt off if the lot in question should be returned to the Indian Band as part of the Land Claims Settlement.

In a previous discussion with our Regional Officers in Burnaby, it was suggested to Mr. McCrimmon that the acquisition of a right-of-way through Lot 533 could best be accomplished by the B. C. Forest Service under the provisions of their Act dealing with Forest Development Roads. You will note, however, from the attached copies of correspondence that the District Forester, Vancouver, did not feel that the Forest Service should intrude on current negotiations with the Indian Band over "cut-off" lands in order to secure the right-of-way for the Bamfield Road through Lot 533.

Our Ministry takes the position, however, that the Alberni-Bamfield Road is a private logging road and even though we contribute to the cost of maintenance by an annual financial

grant because of extensive public usage, it would be illegal for MacMillan Bloedel to operate with unlicensed and oversized logging trucks on that section of the road through Lot 533 if we were to establish and gazette a right-of-way for it as a public road.

Mr. McCrimmon, in a meeting with our Chief Highway Engineer and Assistant Deputy Minister yesterday, expressed some concern about the importance of securing the right-of-way for that part of the road through Lot 533 so that it is not dealt off as part of the Land Claims Settlement and, as Mr. Borthwick has already indicated, we should not delay in taking action in this regard. We concur with Mr. McCrimmon that the new right-of-way through Lot 533 should be secured so that when negotiations on Indian settlements are underway, the lands that are being offered in return to the Indian Band exclude this right-of-way. We feel, however, that this right-of-way should be established under the provisions of the Forest Act as they apply to Forest Development Roads as this portion of the road through Lot 533 would then be considered a Forest Road and would, in no way, affect MacMillan Bloedel's right to haul with unlicensed and oversized logging trucks.

We would request that you give serious consideration to this matter and reconsider the decision made by your District Forester, Vancouver, in his letter of February 1, 1977, to Mr. McCrimmon.

Dear Sir:

We refer to your letter of September 13, 1976 concerning the possibility that the section of the Sarita Mainline through Lot 533 adjoining I.R. No. 1 may be conveyed back to the local Indian Band along with Lot 533 itself.

In regard to your suggestion to survey and register a plan of the above section of road effective against the whole of Lot 533 being deeded back to the Band, we must advise that the Forest Service is not prepared to intrude on current negotiations with the Indian Band over cut-off lands in order to secure that portion of the Sarita Mainline through Lot 533 from reversion to Band ownership.

Attention: Mr. R. Ellis

Dear Sir:

You will recall the meeting in the Burnaby office where we discussed the problem arising from the fact that the new road section by-passing Sarita Reserve does in part travel through Lot 533, which were known to be "cut-off" Indian lands. Mr. Borthwick of the Lands Department had recommended that early action be taken by your Department or the B.C. Forest Service to effect a taking of this part of the right-of-way so that it would not be dealt off if said lot should be returned to the Indian Band as part of the land claims settlement. The meeting considered that the B.C. Forest Service, with their provisions for Forest Development Roads, offered the simplest avenue to achieve the acquisition. We therefore furnished the District Forester, Vancouver, with the particulars and are now in receipt of reply as per the enclosed copy indicating their disinterest (in spite of the letter of October 1, 1975, also attached, which we received from their Prince Rupert office and which we were informed applied in all Districts).

This delay has lost us time which Mr. Borthwick has warned was short. Would it be possible for this matter to be considered by your Department with the object of at least getting the matter fully on record. This action could then be expected to cause whomsoever may negotiate on Native settlements to exclude the new right-of-way through Lot 533 from the lands which they may offer to return to the Indian Band.

Lands Committee.

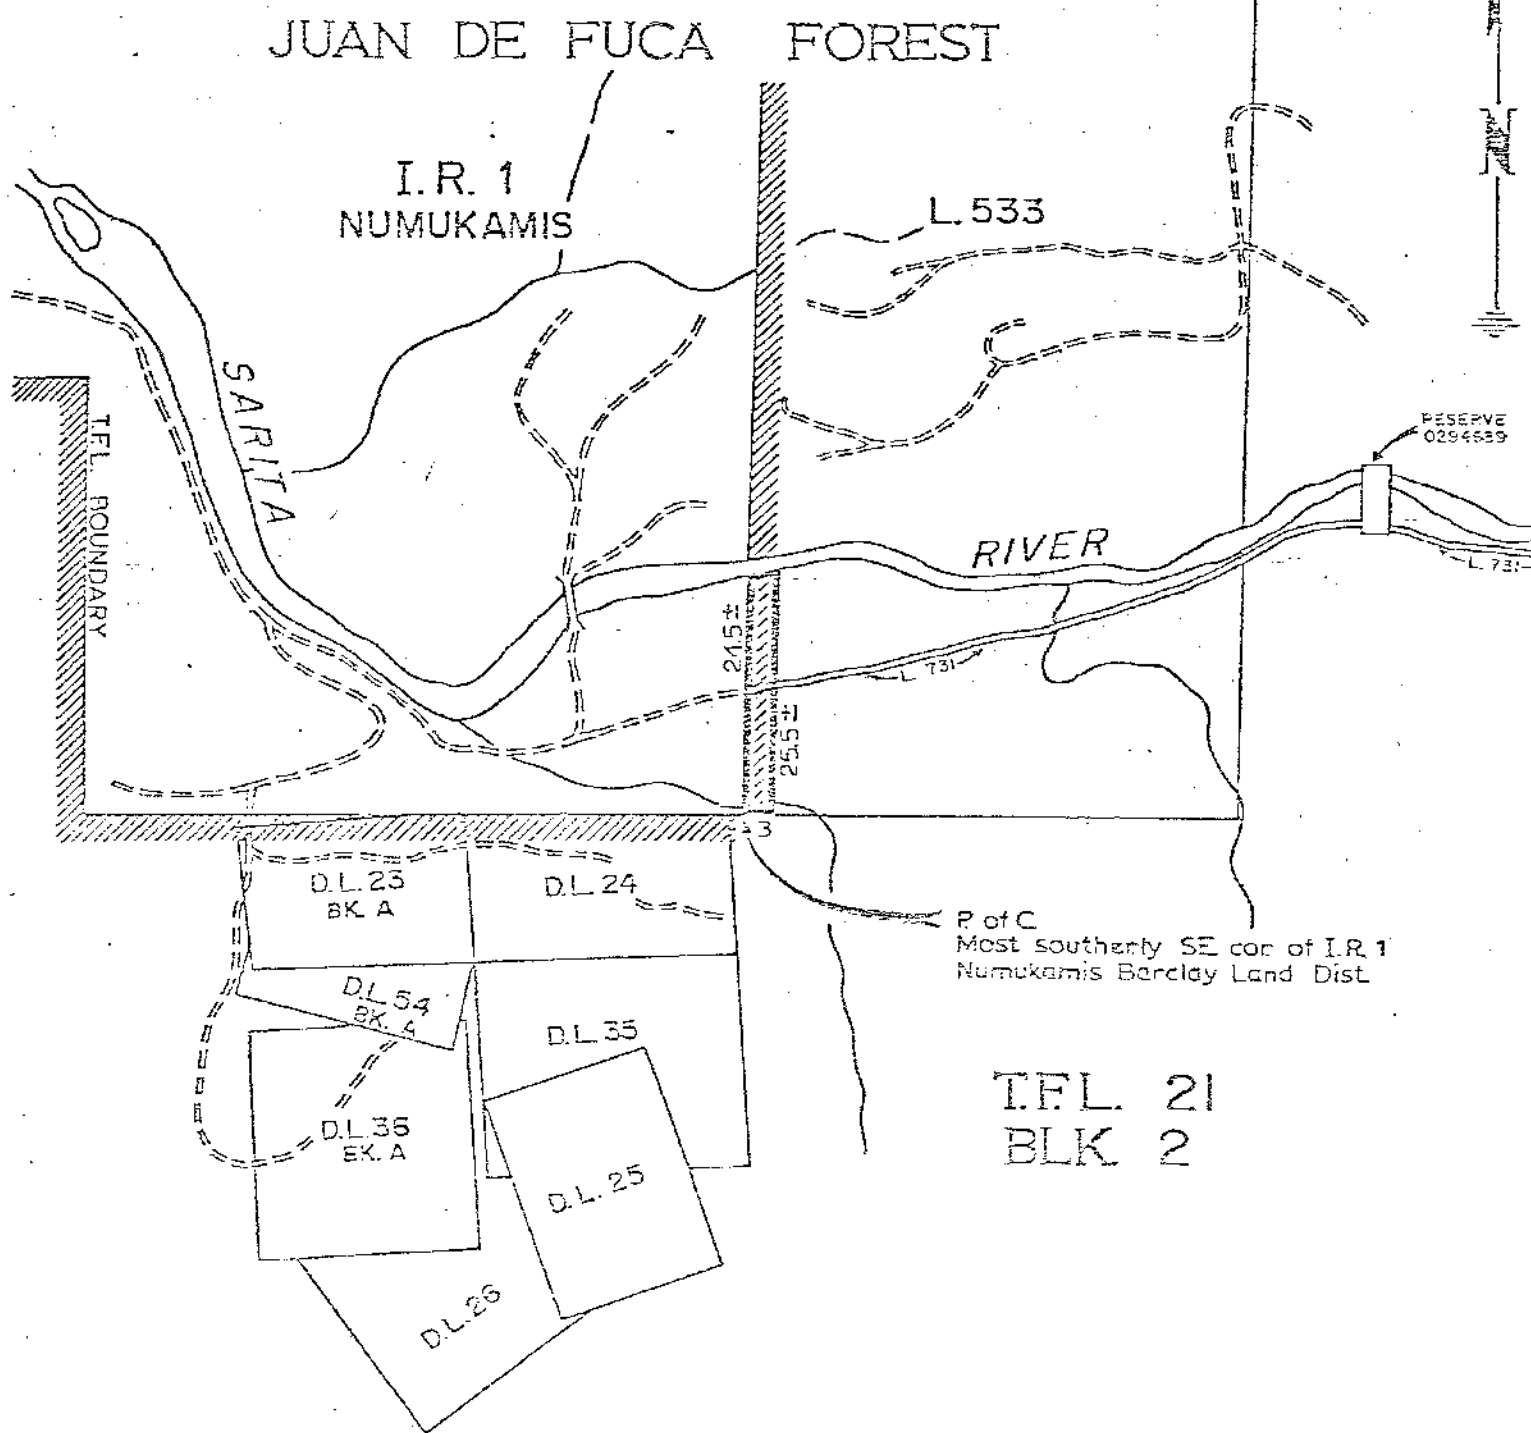

1. IT IS AGREED that as a symbolic gesture of good faith, the Government of British Columbia will return One Hundred Acres (100 acres) of the Cut-Off Lands that are unalienated (vacant) Crown Lands, by the 1st September, 1975. The decision as to which Bands will receive the land will be made by the Government of British Columbia.
2. IT IS AGREED that a Cut-Off Lands Committee will be constituted of three people, with one representative selected by the Government of British Columbia, one representative selected by the Indian people, and with both representatives selecting the third member. This Committee would recommend to the two parties to this Agreement more specific terms of reference for the Cut-Off Lands Committee. Thereafter the Committee will report to the Government of British Columbia its recommendations on or before the 31st December, 1976, and the Government will reach resolution of the Committee recommendations on or before the 24th June, 1977. In its inquiries, the Committee will receive submissions from the twenty-three (23) individual Bands with respect to cut-off lands associated with each Band.
3. IT IS AGREED that in the interim discussions will proceed in an orderly fashion and that the public and the operation of government will not be inconvenienced by demonstrations, blockades, or any other such actions.

Reference is made to MacMillan Bloedel's letter of September 13, 1976 and your memo of November 3, 1976 regarding their road across I.R. cut off Lot 553 Nootka.

We can advise that it is not the intention of the Forest Service to initiate any action to have this part of the R/W declared a Forest Road.

Briefly, this land was cut off from Muskamis I.R. No. 1 as a result of the 1912 McKenna-McBride Royal Commission without the consent of the Indians. Present negotiations include that where possible all cut-off lands in the Province be returned in toto so that the Indians are in the same position as they were in 1912. The hang up in the negotiations appears to be that where cut off lands have been sold, other compensation has to be agreed upon. The Forest Service has had no permission to intrude on this delicate situation during current negotiations.

Since the Ministry of Highways is financing part of the road construction, it would appear that that Ministry should be the agency to protect public access through this area despite the loss of benefits to MacMillan Bloedel under the industrial road use.

Attention: Mr. W. G. Bishop
District Forester

Dear Sir:

Further to our conversation re right-of-way problem on the logging road through Tree Farm Licence 21 affording access to Bamfield.

This is an industrial road over which we permit public travel under an agreement with the Highways Department. It originates in the City of Port Alberni and traverses other private lands under R/W easements and agreements and through MacMillan Bloedel fee lands, licences and Crown lands within TFL, and through I.R. No. 1, Sarita. A part of the Crown land surveyed as Lot 533 and adjoining I.R. No. 1 is in fact Indian cut-off lands from which B.C.F.S. and Indian Affairs shared stumpage collected. Last year a survey was made to convey part of this lot back to the Band, the document was revised to delete the part presently occupied by roadway, but we understand this action was not completed, although a TFL delation occurred.

Because of the recurrent difficulties with R/W through Reserves MacMillan Bloedel developed a route for revision of road which would eliminate that part passing through the Indian Reserve. However, the new road (now constructed) passes through Lot 533 and this could not be avoided except at an additional cost of \$275,000. Since it is anticipated that Lot 533 will be conveyed back to the Band as part of Indian Land Claims settlement it is necessary that a Government department surveys and registers a R/W through this lot before such action develops. Seemingly an understanding exists that no alienations will be made from such disputed lands, other than R/W taken in public interest, while the claims issue is under negotiation.

.....2

September 13, 1976.

The Highways Department are paying us in the current fiscal year approximately \$75,000 as their share of the cost of re-routing (being the extra cost incurred in constructing additional width to satisfy their requirements). Our discussions with them re the future of Bamfield access indicate a desire to retain the present status with their paying a share of annual maintenance and/or other costs that may be mutually agreed on for upgrading the whole length of road and bridges as the need arises. It is not desired to subordinate its industrial usage and therefore present indications are that it would eventually be proposed to become a Forest Access Road. In the meantime, a solution to this present problem has to be found and it appears the preferred solution would be that the B.C.F.S. survey and register a plan for this part of the R/W which would be effective against the whole of Lot 533 being deeded back to the Band. The surveyed section of the road as shown on attached plan would be classed as a Forest Access Road now rather than it being taken by Highways Department and creating a more inflexible future situation.

We would appreciate the opportunity of discussing this with your officers at earliest possible date at which time it may be desirable to include representation from Highways Department.

Re Alberni-Bamfield

MacMillan Bloedel Limited

Further to recent telephone conversations with yourself, and with Mr. Kim Williams, we attach two copies of a letter dated April 7, 1975 from MacMillan Bloedel.

The proposal is to by-pass the Sarita Indian Reserve. You will note from the final paragraph the Company still has to apply to your Department.

The Company advises it will cost \$150,000 for a 16-foot wide logging road. The Company is prepared to build a 24-foot wide road for an (approximately) additional 50%. This would amount to \$75,000 over a two-year project.

The Department will endeavour to earmark funds for this, if you will confirm we can transfer funds to your Department for application to this by-pass. This is to avoid its becoming a public road.

I assume the information should be kept confidential, at least until your Department has received an official application.

VICTORIA, B. C.

Attention: Mr. H. T. Miard
Deputy Minister

Dear Sir:

Further to our recent discussion, we now enclose some plans to illustrate the problem with respect to our Alberni-Klanawa Road over which we have a public use agreement with your Department. Our recreation guide map provides an overall view including the outline of the Pacific Rim National Park, the advent of which will materially increase the amount of public traffic. Three copies of the route plan which will eliminate the road sections through the Sarita Reserve are enclosed.

As we have advised, the problem lies with the existence of the present road through Indian Reserve No. 1 near the mouth of the Sarita River. We have, under an agreement with the Indian Affairs Department, the right to cut the timber on I.R. No. 1 and this was completed three years ago. For the past 30 years we have also held a right-of-way agreement for the logging road for logging purposes, the annual rentals for this R/W increased materially after the first 20 year term and have subsequently risen further. With the changes in our logging pattern and the areas from which timber comes and the ways by which we can route it to the water, there are periods of time when the road through the Reserve handles no logs and is merely used for access. Furthermore, the agreement is for logging purposes and an issue has been raised over the fact that we are permitting public access use. In light of the conditions as they exist with the various Indian Bands it is evident that the only satisfactory solution is to abandon this part of the road and replace it with an alternate route. The amount of mainline to be abandoned totals 2.08 miles and it would be replaced by the road identified in red on the attached plans, being some 121 stations in length. Although

312247

...2

April 7th, 1975.

The by-pass contains some adverse sections not normally desired on a logging road, the grades are well within your public road specifications. The presently estimated costs of constructing this by-pass as a logging road approximate \$150,000. In order to widen it to accommodate multiple use traffic would cost approximately 50% additional if the job is done at the time of original construction, if it were to be done at a later date the extra costs would more than double besides creating problems with use during such construction time.

We propose that your Department should participate in the cost of constructing this by-pass.

In the past two years we have effected a considerable improvement over the whole of our road system leading towards Bamfield, the route has been widened and straightened to improve visibility and standards. This work has been done at our own expense and the annual grant paid by the Department by no means even compensates us for the maintenance and snow removal costs. In view of the present traffic levels and the prospective increase in traffic we feel that the whole matter of road access to Bamfield should be reviewed. In this connection you are possibly aware that the City of Port Alberni and ourselves jointly own and maintain the section between the City and China Creek. Between China Creek and the access to China Creek Park we understand a survey is currently being conducted in order to legalize the Park entry.

We would appreciate hearing from you as soon as the officers in your Department have reviewed this situation and trust that a meeting on the matter can be arranged at an early date.

We intend to commence construction of a section of this road this year, to do this we will have to go through the due processes of logging plan submission, environmental review, etc., unless these are initiated now the hope of accomplishing anything is lost. We would therefore appreciate this matter being given some priority.

Yours very truly,

MAY 14 1952

LIEUTENANT-GOVERNOR

report:

That an application has been received from MacMillan & Bloedel (Alberni) Ltd., Alberni, B.C. for a license to occupy certain lands situated in the District, namely:

Those certain parcels or tracts of land and premises situate, lying and being in the Alberni Assessment District, Province of British Columbia, and more particularly known and described as Lots 731, 732 and 733, Barclay District, as shown on survey plans filed with the Department of Lands and Forests in the City of Victoria and with the Government Agent in the City of Alberni;

That MacMillan & Bloedel (Alberni) Limited has applied for a license to occupy the above lands for the purpose of a logging truck road right-of-way to facilitate logging operations on its lands, timber licenses and leases in Barclay and adjacent District;

AND TO BE CONSIDERED THAT under authority of Section 71 of the "Land Act", Chapter 175, Revised Statutes of British Columbia, 1943, there be granted the MacMillan & Bloedel (Alberni) Limited, its successors and assigns, hereinafter referred to as the licensee, a license to occupy the above-described lands for the purpose of a logging truck road right-of-way and for the purpose of a right-of-way for logging operations of the licensee on its lands, timber licenses and leases in Barclay and adjacent Districts, for a period of twenty-one years from the date of approval of this Minute and subject to the following terms and conditions:

1. That the licensee shall pay to the Crown a rental of \$112.63 per annum, for the use and occupation of the said lands and premises, payment of rental to be made on date of approval of this Minute and subsequent payments to be made on the anniversary of said date, subject to adjustment of the amount of rental at the discretion of the Minister of Lands and Forests.

2. That the licensee shall pay all taxes, rates, duties and assessments whatsoever, whether municipal, parliamentary or otherwise now charged or hereafter to be charged upon the said licensed premises, or any part thereof, or upon the rent thereon, or any part thereof, or upon the said licensee, its successors or assigns in respect thereof.

3. That the licensee shall not use the said lands and premises for any other purpose than the above except with the written consent of the Minister of Lands and Forests.

4. That the licensee shall not assign or transfer the license, or any part thereof, without the written consent of the Minister of Lands and Forests.

5. That the license may be terminated by the Minister of Lands and Forests when in his opinion the above-described lands are no longer used by the licensee for any purpose.

specified, provided that notice of the intention to terminate, shall be
to the licensee not less than three months prior to the date of termination.

That no trees shall be cut, removed or destroyed from the said lands except
on approval of the Minister of Lands and Forests being first obtained.

That it shall be lawful for the Minister of Lands and Forests or any servant
or employee of the Crown authorized by him at all reasonable times during
the continuance of these presents to enter upon the said lands in the perform-
ance of their duties.

That upon breach of any of the terms and conditions of the license, the
Minister of Lands and Forests may cancel the license by notice in writing
addressed to the Company at its registered office, or chief place of business
in the Province, under registered cover, or by a like notice posted upon in
a conspicuous place on the area covered by the license.

In the event that the said lands are required by the Government of the
Province of British Columbia for any purpose in the public interest or for
the purpose of joining and connecting them with other lands to complete and
open up public road rights-of-way, then the Minister of Lands and Forests
may on written notice given to the licensee by registered mail cancel this
license or so much of it as pertains to the lands required for other purposes
on the said public road and may reassume the lands so required and any com-
pensation to the licensee for improvements made or placed by the licensee
on the said lands so required shall be determined in accordance with the
provisions of the Public Works Act, Chapter 279, Revised Statutes of British
Columbia, 1948, relating to arbitration proceedings thereunder in the event
that no agreement can be reached as to the amount of compensation. No
compensation shall be allowed or paid for roads and trails constructed with
the consent of the Minister which may intersect or cross the above described
lands.

Provided that the terms and conditions of the licence of occupation have already
been fully complied with, the licensee shall have the right of renewal of
the licence of occupation upon such terms and conditions as the Minister of
Lands and Forests may deem advisable.

MEMORANDUM TO THE HONOURABLE THE MINISTER

In accordance with the present policy regarding Indian Cut Off lands the attached instrument removes a seven acre parcel from Tree Farm Licence No. 21 to be conveyed to the Indian Band of I.R. #1 Sumukamis.

Since the Tree Farm Licence main line passes through the seven acre parcel to Banfield we have not included this road in the area to be conveyed.

A new bypass road is planned by the Tree Farm Licence Licensee and has been approved on Cutting Permit No. 1 of the Tree Farm Licence.

In the event consideration is given at a later date to convey the remainder of the Cut Off lands within Lot 533, provision should be made for the Tree Farm Licence and public access to Banfield.

On June 24th of this year, representatives of the Cut-Off Lands Committee of the Union of B.C. Indian Chiefs and your Provincial Government, reached an agreement regarding the Cut-Off Lands question. As part of that agreement, the Government would return one hundred acres of these Cut-Off Lands, as a symbolic gesture of good faith. Previous Governments had sold some of these Cut-Off Lands and regretfully there is no vacant Crown Land available from the Cut-Offs of four Bands. Eighteen Bands will have Cut-Off Lands returned to them, and yours is one of those Bands. The attached map shows in heavy black outline the area returned to your Band.

A question was raised at a meeting between your Government and the above-mentioned Cut-Off Lands Committee on September 3rd, 1975, that some of the Bands did not want the land which is being returned to become an Indian Reserve, and thus come under the control of the Federal Government. Your Provincial Government respects this desire, and is willing to work with you to find some means whereby the land may be legally and properly returned to you without becoming an Indian Reserve if that is your wish. One alternative is for your Band to request, pursuant to Section 4 of the "Indian Act", that the Federal Government exempt the particular parcel of land that is being returned to you from the provisions of the "Indian Act", (specifically Section 36 of the said Act). In the meantime, even though the land is being returned to your Band, it has been suggested that we delay conducting a legal survey of the land outlined on the attached map until your specific wishes have been made known.

I trust that this commitment made to you is accepted as an expression of our good faith, and I am looking forward to hearing from you about this matter.

The June 24th meeting also agreed to set up a joint Indian-Government Committee to examine the entire Cut-Off Lands question, and that Committee is currently being formed with Chief Adam Eneas of the Penticton Band as the Indian people's nominee and Mr. John Squire, former M.L.A., for Alberni, as the Government's nominee. The two nominees will decide on a Chairman.

Yours sincerely,

Dear Mr. Young:

As you are aware, a joint committee representing both Government and the Indian people is negotiating a settlement of the Indian Reserve "Cut-off" question.

The "cut-off" from Numukamis Indian Reserve No. 1, which is surveyed as Lot 533 Alberni District, is located in T.F.L. 21, Block 2, in the name of MacMillan Bloedel Industries. There is a commitment to return 7 acres of this "cut-off" to the Indian people, and it will therefore be necessary to remove the area outlined in red from T.F.L. 21.

It would be appreciated if you would prepare the necessary documentation to effect the amendment as soon as possible.

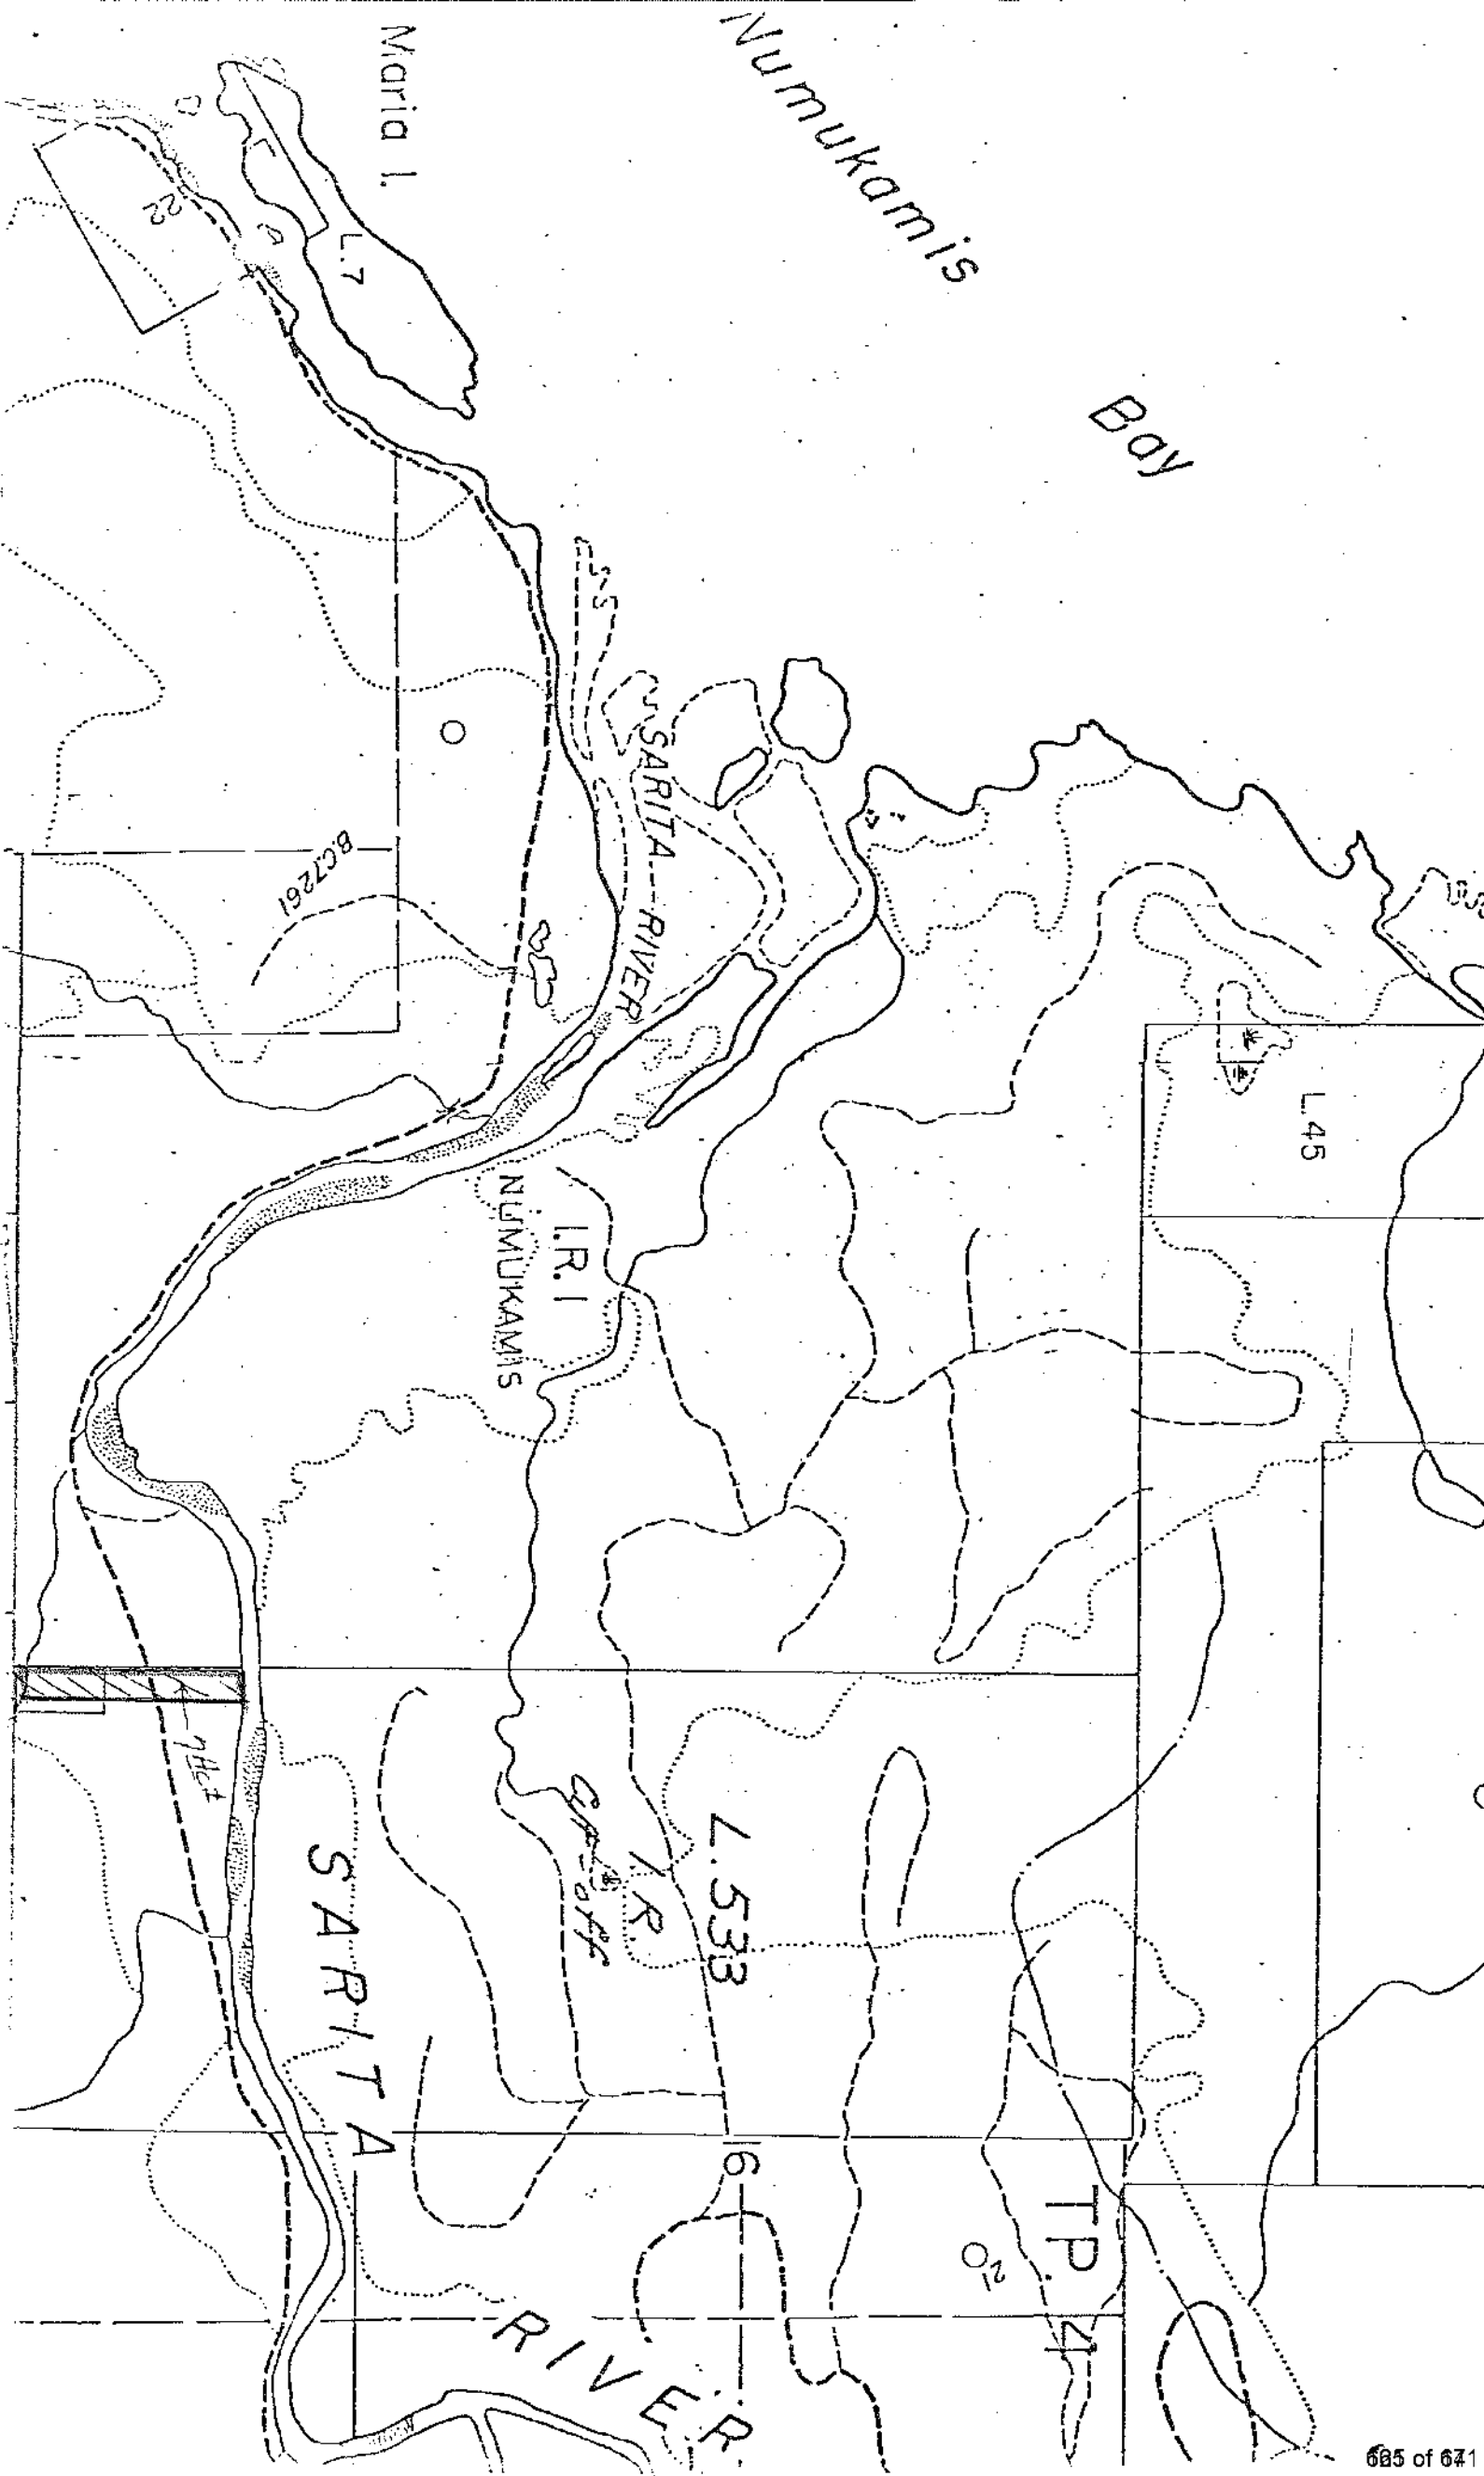

Yours truly

PRESS RELEASE

TIME FOR 3:00 p.m. - Wednesday
RELEASE September 3, 1975

ISSUED BY
MINISTER
OF HUMAN RESOURCES
DATE
September 3, 1975

SUBJECT: STATEMENT OF THE HONOURABLE NORMAN LEVI,
MINISTER OF HUMAN RESOURCES, FOLLOWING
THE MEETING WITH THE UNION OF B.C.
INDIAN CHIEFS CUT-OFF LANDS COMMITTEE.

The Honourable Norman Levi, Minister of Human Resources, provided the Indian people today with the details of the land which is being returned to Indian Bands which had reserve land removed, or cut-off, from them in the 1920's.

This cut-off land was the subject of a Memorandum of Understanding reached with the Native people on June 24, 1975. The Memorandum provided that a joint Indian-Government Committee would be established to examine the entire subject and, as a symbolic gesture of good faith, the Government would return 100 acres of cut-off land.

"In selecting the land," said Mr. Levi, "we wanted to be fair and provide some land to each of the 22 Bands who lost it, but because of dispositions and sales of that land in the past there were only 18 of the Bands able to have land returned to them. In trying to make this symbolic gesture equitable we went over the 100 acre commitment and the actual amount is 115.94 acres."

Mr. Levi also announced that the Government appointee to the Joint Committee was Mr. S. J. Squire. Mr. Squire is currently a member of the Board of Review under the Workers' Compensation Act and he will be taking a leave of absence from that work to give his full time to the cut-off lands committee.

Mr. Squire was an M.L.A. for Alberni from 1953 until 1966, and during that time championed the cause of the Native people in the Legislature.

"I am pleased," said Mr. Levi, "to have Mr. Squire accept this position for I am sure, with his experience and concern for the Native people, that he will be able to assist in bringing justice to this long-standing grievance. He and Mr. Adam Eneas, the appointee of the Indian people, are both well qualified for the task which lies ahead of them."

Mr. Levi said also that there is a Federal Government responsibility and that he would be approaching The Honourable Judd Buchanan, Minister of Indian Affairs and Northern Development, about that responsibility in a few days.

MEMORANDUM OF UNDERSTANDING

BETWEEN:

The Government of the Province of British Columbia

- and -

The Union of British Columbia Indian Chiefs, Cut-Off
Lands Committee.

1. IT IS AGREED that as a symbolic gesture of good faith, the Government of British Columbia will return One Hundred Acres (100 acres) of the Cut-Off Lands that are unalienated (vacant) Crown Lands, by the 1st September, 1975. The decision as to which Bands will receive the land will be made by the Government of British Columbia.
2. IT IS AGREED that a Cut-Off Lands Committee will be constituted of three people, with one representative selected by the Government of British Columbia, one representative selected by the Indian people, and with both representatives selecting the third member. This Committee would recommend to the two parties to this Agreement more specific terms of reference for the Cut-Off Lands Committee. Thereafter the Committee will report to the Government of British Columbia its recommendations on or before the 31st December, 1976, and the Government will reach resolution of the Committee recommendations on or before the 24th June, 1977. In its inquiries, the Committee will receive submissions from the twenty-three (23) individual Bands with respect to cut-off lands associated with each Band.
3. IT IS AGREED that in the interim discussions will proceed in an orderly fashion and that the public and the operation of government will not be inconvenienced by demonstrations, blockades, or any other such actions.

4. All negotiations on the Cut-Off Lands question are to be between the Government of British Columbia and the Indian representatives. The Federal Government will become involved through discussions directly with the Government of the Province of British Columbia.

Dear Sir:

Your letter dated October 12, 1971 addressed to the Deputy Minister of Lands has been referred to the writer for attention and reply in regards to your request for detailed information with respect to Indian Reserve Cut-Off Lands.

We have now completed Cut-off Lands Penticton I.R. No. 1, Willaclough I.R. No. 6, Point Veitch I.R. No. 7, Shoowahatlans I.R. No. 4, Finlayson Island I.R. No. 19 and Numakamis I.R. No. 1 which are enclosed.

The remaining reserves are in various stages of completion and will be forwarded to you as they are finalized.

We have attempted to meet all your requests, except for copies of documents and alienations by Timber Sales. It is not our policy to issue documents except to Lessees and owners of properties sold and Timber sales are processed and maintained by the Forest Service.

Under the alienation heading of portions denoted as private, it is pointed out that the names as owners at the time the Crown Grant was issued does not necessarily hold true to date. Once a portion of land has been sold we have no further interest in it and do not make any further register entries unless it reverts back to Crown Provincial. To acquire the name of a present owner, contact the Land Registry Office for Registered owner and Provincial Assessor for assessed owner.

Payments to your department for amounts owing will be made by our Finance Department once varification of our statements of revenue are completed.

Yours truly,

MAIL ROOM
VICTORIA, B. C.

Dear Mr. Borthwick:

When we met last Friday I told you of my department's interest in securing accurate up-to-date information concerning the disposition of all Indian reserve lands cut off by the McKenna-McBride Royal Commission in the years 1912 to 1916. You kindly agreed to have your records searched and to provide this information.

1) We require a map or plan of each cut-off area showing all alienation by Crown Grant, Easement, Right of Way, Lease, Timber Sale or any other disposition whatsoever. We should like to be provided with the date and authority of each alienation with a copy of the document of entitlement. Also
2) a statement with respect to each individual cut-off parcel accounting for all revenue to-date deriving from sales, leases etc.

As you suggested, we have attached a list of priorities. We realize that this search and compilation of facts is a task which will necessarily take some time to complete. May we ask therefore that, as each band's property is completed, you arrange to have it forwarded to this office rather than wait for conclusion of the whole project.

Your kind cooperation in undertaking this task is greatly appreciated.

Yours sincerely,

J. V. Boys,
Senior Liaison Officer.
