Subject: stakeholders

Hi Cayley,

Thoughts regarding stakeholders for contacting possible NEB announcement:

We note that PCC has now confirmed in media that BC will be seeking intervenor status so a heads up for next week would consist of providing info specific to first nations that might be announced – the info regarding intervenor status is public now.

s.13, s.16

Recognizing the sensitivities around this issue, lead time of no more than 30 minutes is recommended.
