Hi Alison,

Hope you are doing well. I just wanted to follow up and send you the exit interview questions prior to your last day.

I understand you must be extremely busy as you wrap up, but I was wondering if you would be free to chat with Michelle Rowsell via phone for an exit interview. If not, I have attached the questions below. If you get a chance, please email me and Michelle your responses.

I appreciate your time.

Thanks Alison!

1. *Why are you leaving your position with Government Communications and Public Engagement?*
2. *Where is your next job?*
3. *Are there any problems in your work environment that you would like to share with us? Alternatively, what are some things we should be sure to continue?*
 - a. *Job specific*
 - b. *People based*
 - c. *Work environment*
4. *How have the factors above contributed to your decision to leave Government Communications and Public Engagement?*
5. *Did you feel that the organization supported your professional development goals? Please provide details.*

6. In your opinion, what are the top three most positive aspects about working with this organization?
7. If you could change or improve anything in Government Communications and Public Engagement, what would it be?
8. Would you be interested in returning to GCPE?

Cheers,

Janelle
