Minister - Tanya Beja is following up on the riot story. She says it's similar to last week - her desk wants another piece. I told her you were flying today but may be avail after 3:30 - left it that I would confirm your flight times and availability. She'd be willing to send a camera to the airport before 4pm. Do you want to do this?

thx, sh

It looks like Brian Coxford from Global just called me (I am on a plane, taxiing to runway).

Could you call him and ask what he is looking for? Just tell him I'll be bale to call him by about 3:30pm.

Thanks!

Barry
