Mr. Sultan and Ms. Clarke

I read the Globe and Mail article regarding Mr. Dyble's report and I must say I am very impressed that your party did not force him to let you all off the hook. I am also impressed that you quickly acted to repay the taxpayers the \$70 000 your staff was stealing from us. There was however the matter of Mr. Yap's involvement, which stands in stark contrast to his many public denials.

I assume that the dishonest Mr. Yap will be resigning from government. Not only did he take part in the offensive Ethinc outreach plan but he repeatedly lied to the public about his involvement? Either he was outright lying which brings his character and integrity into serious question and suggests he is unfit for government, or he "genuinely forgot" that he was fully aware of the "Outreach plan", had been party to the coverup by using private email addresses and had been congratulating staff on their efforts which brings his competence into question. This also leads me to believe he is unfit for public office. I would hope that you and your party expect a much higher standard of ethics and honesty from your MLAs.

I look forward to reading his resignation letter and contrite (if insincere) apology this coming week.
