Subject: Gaming Grant news release review/approval

Hello all,
I have included a draft news release for your review/approval.
Please let me know if you have any changes you would like made.

KELOWNA – 14 organizations in Kelowna have received a combined \$355,500 under the B.C. government's community gaming grant program.

The recipients:

- ✍ Kelowna City Concert Band Society: \$8,000
- ✍ Kelowna Springboard Diving Club: \$8,000
- ✍ Kelowna Volleyball Club: \$16,800
- ✍ Kelowna International Choir Society: \$7,000
- ✍ The Okanagan Festival Singers: \$10,000
- ✍ Kelowna Community Music School Society: \$38,000
- ✍ Arts Council of the Central Okanagan: \$27,600
- ✍ Central Okanagan Heritage Society: \$18,000
- ✍ Kelowna Youth Soccer Association: \$40,000
- ✍ Kelowna Ringette Association: \$30,000
- ✍ Kelowna Art Gallery Association: \$60,000
- ✍ West Kelowna Minor Hockey Association: \$72,600
- ✍ The Society of the Friends of the Early Music Studio: \$2,000
- ✍ Westside Ringette Association: \$17,500

"For many in our community these groups offer very valuable support and help with developing local talent. This help will allow them to expand their services and offer programs to even more people living in the community," said Kelowna-Mission MLA Steve Thomson.

"This \$355,500 is going to be put to great use in our community," said Kelowna-Lake Country MLA Norm Letnick. "Organizations like these have always been a great place for residents to work together and make our community a more vibrant and connected place."

"These organizations do an excellent job of keeping our community active and they also promote local sport and culture," said Westside-Kelowna MLA Premier Christy Clark. "I'm pleased to announce they will get the help they need to continue their great work with these grants."

These grants are awarded under the Sport and Arts and Culture category of the community gaming grant program, which allows non-profit organizations to apply for provincial gaming revenues from the Ministry of Community, Sport and Cultural Development. Gaming grants are also awarded in the categories of Public Safety, Human and Social Services, Parent Advisory Councils and District Parent Advisory Councils, and Environment.

Every year, the provincial government approves \$135 million in gaming grants that benefit more than 5,000 local non-profit organizations that serve communities throughout British Columbia.

Organizations interested in applying for community gaming grants can find information and applications at gaming.gov.bc.ca/grants/.
