Hi Shelley,

As discussed, Dave would like to ask Athana if she is willing to speak to the work that TBS does in our video clip for the Premier's Award nomination. The "preferred" dates that we had planned to ask for, in priority order, are May 23, 25, and 30. If she is willing to participate, could you please confirm if any of those dates would work for her?

Hello,

Just wanted to follow up on the filming for Athana's interview on Thursday. Here is a draft of the questions, which will likely be re-worded slightly by the video production team. Her perspective is very high level, as you can ascertain from the questions:

- Why are 5 balanced budgets important to government?
- What do you count on Treasury Board Staff for?
- What was driving the focus/need to balance?

Thanks!
Anne-Mette

FYI – I have locked down the May 25th time slot, from 1-4pm. I have asked that we film Athana's interview first, so that her timing is the most predictable. I was imagining that her interview will be in a formal business setting on-site here, to juxtapose the gym venue. So we will meet here, and then move onto the gym.

Shalegh, can you hold this time in Dave's calendar?

Please see other questions (and comments) below in red.... Should we get together quickly to discuss?

Subject: Premier's Awards - Regional Video Production

Good afternoon Anne-Mette.

Thanks so much for sending us your Video Production Form. We have had an initial review of the information that you sent and I have a couple of questions so that we can better confirm your arrangements.

- Based on the availability dates that were outlined, we would be pleased to offer **May 25th from 1:00pm to 4:00pm** or **May 30th from 9:00am to 12:00pm** for your consideration. **Can you please confirm if either of these dates work by Thursday, May 4th?**

Part A – Interviews

- All of the interviews are listed at the Ministry of Finance. Is this correct, or would we do some (Gord and David) at the gym? Do you want everyone's to be here, or just Athana's?
- Would Athana's interview be on the same day as the majority of the filming or would it need to be scheduled in for a separate time? (confirmed Athana's schedule is good with our time)

Part B – B-roll

- Love the gym idea! Will you be able to coordinate the scheduled time with the gym? (confirmed yes)
- How many people will be participating at the gym? How do you want to do this? Do you want to send out a note requesting for participation? Do you want me to?
- Do you have any additional footage that you would like us to take? Anything?

Part C – Voice Over

- How would you like to do the voice over. Do you want us to tell a narrative/story? Yes?
- Is this something you are able to write for us? Should we get TBEX together? Or should we use the narrative you already suggested? I know Jon had a few suggestions...

The video filming is about 3 hours give or take.

Let me know if you have any questions or require clarification. This is just the start of getting the details, and will be a very fluid process of working together to create a great video for Leah! Confirming your date and time by Thursday is much appreciated.

I look forward to working with you on this.

Cheers,

Alysia
