SELECTION PROCESS - Complete Part 2 for new contracts only. Do not complete for renewals or amendments. Select only one box.**Open Process**

- ☐ **Request for Proposal (RFP) (100)** RFP # _____
Suppliers submit proposals on how, and at what price, they would provide a service.
- ☐ **Invitation to Quote (ITQ) (100)** ITQ # _____
For priced based services only - you know exactly what you want done and are looking for the best price.
- ☐ **Other Open Competitive Process (100)**
Identify process used: _____
An open competitive process other than Request for Proposal or Invitation to Quote is used (e.g., Joint Solution Procurement, Invitation to Tender), normally by advertising the opportunity on BC Bid.

Direct Process:

- ☐ **Three Verbal or Written Bids (300)**
Only used for contracts less than \$25,000. A RFP or ITQ is required for contracts valued at \$25,000 or more. Documentation of bids must be kept on the contract file. Note: Obtaining verbal bids is not recommended but if used, the process must be documented in writing and included in the contract file (e.g., communication between ministry and vendors).
- ☐ **Direct Invitation to Selected Vendors (300)**
A competitive solicitation, for contracts \$25,000 or more, that is issued to a limited list of vendors and not advertised on BC Bid. If vendors are on a pre-qualification list, use category 401 below.
Note: A RFP or ITQ is required by ministry policy for contracts valued at \$25,000 or more.

Direct Award:

- ☐ **Public Sector Organization (200)**
The contract is negotiated and directly awarded without competitive process because the contract is with another government organization.
- ☐ **Sole Source (201)**
The contract is negotiated and directly awarded without competitive process because the ministry can **strictly prove** that only one contractor is qualified. A NOI is not required. **Note:** Evidence of how the ministry "proved" sole source must be documented in the contract file.
- ☐ **Sole Source - Notice of Intent (205)**
The contract is negotiated and directly awarded without competitive process (a NOI is not a competitive process) because the ministry believes but **cannot strictly prove** that only one contractor is qualified and a Notice of Intent is posted. A NOI must be posted on BC Bid when a contract for services or construction valued at more than \$50,000, is to be directly awarded on this basis. **Note:** It is **recommended** that a NOI be posted for opportunities valued at \$25,000 or more that are being awarded on this basis.
- ☐ **Security, Order, etc. (203)**
The contract is negotiated and directly awarded without competitive process because a competitive process would interfere with the ministry's ability to maintain security or order or to protect human, animal or plant life or health.

- ☐ **Emergency (202)**
The contract is negotiated and directly awarded without competitive process because an unforeseeable emergency exists and the services could not be obtained in time by means of a competitive process.
- ☐ **Confidentiality (204)**
The contract is negotiated and directly awarded without competitive process where the acquisition is of a confidential or privileged nature and disclosure through an open bidding process could reasonably be expected to compromise government confidentiality, cause economic disruption or be contrary to the public interest.
- ☐ **No Justification (206)**
Where a direct award has been made which is not justified under one of the exceptional conditions specified in the Core Policy and Procedures Manual section 6.3.3 a (1) (i.e., 200 - 204), or a Notice of Intent was required but has not been issued, or it is provided for under another policy.
- ☒ **Direct Award - Under \$25,000 (207)**
A direct award has been made for a contract less than \$25,000 and categories 200, 201, 202, 203 and 204 do not apply.

Pre-qualification:

- ☐ **Selected Vendor From Pre-qualification List (400)**
A contract that is issued to a vendor on a pre-qualification list without undertaking a competitive process. The process must be consistent with the rules publicized when the list was established.
- ☐ **Purchase from a Corporate Supply Arrangement (500)**
A purchase from a pre-established corporate supply arrangement as identified in the Core Policy Manual section 6.3.2 a (1).

- ☐ **Competition Among Vendors on a Pre-qualification List (401)**
A competitive solicitation that is issued to a limited list of vendors selected from a pre-qualification list. The process must be consistent with the rules publicized when the list was established.
Check appropriate box to indicate which competitive process was used:

s.22

AND:

HER MAJESTY THE QUEEN IN RIGHT OF THE PROVINCE OF BRITISH COLUMBIA, as represented by the Premier (the "Province") with the following specified address and fax number:
PO Box 9041, Stn Prov Govt
Victoria, BC V8W 9E1
250-356-7258

The Province wishes to retain the Contractor to provide the services specified in Schedule A and, in consideration for the remuneration set out in Schedule B, the Contractor has agreed to provide those services, on the terms and conditions set out in this Agreement.

As a result, the Province and the Contractor agree as follows:

1 DEFINITIONS

General

1.1 In this Agreement, unless the context otherwise requires:

- (a) "Business Day" means a day, other than a Saturday or Sunday, on which Provincial government offices are open for normal business in British Columbia;
- (b) "Incorporated Material" means any material in existence prior to the start of the Term or developed independently of this Agreement, and that is incorporated or embedded in the Produced Material by the Contractor or a Subcontractor;
- (c) "Material" means the Produced Material and the Received Material;
- (d) "Produced Material" means records, software and other material, whether complete or not, that, as a result of this Agreement, are produced or provided by the Contractor or a Subcontractor and includes the Incorporated Material;
- (e) "Received Material" means records, software and other material, whether complete or not, that, as a result of this Agreement, are received by the Contractor or a Subcontractor from the Province or any other person;
- (f) "Services" means the services described in Part 2 of Schedule A;
- (g) "Subcontractor" means a person described in paragraph (a) or (b) of section 13.4; and
- (h) "Term" means the term of the Agreement described in Part 1 of Schedule A subject to that term ending earlier in accordance with this Agreement.

Meaning of "record"

1.2 The definition of "record" in the *Interpretation Act* is incorporated into this Agreement and "records" will bear a corresponding meaning.

2 SERVICES

Provision of services

2.1 The Contractor must provide the Services in accordance with this Agreement.

Term

- 2.2 Regardless of the date of execution or delivery of this Agreement, the Contractor must provide the Services during the Term.

Supply of various items

- 2.3 Unless the parties otherwise agree in writing, the Contractor must supply and pay for all labour, materials, equipment, tools, facilities, approvals and licenses necessary or advisable to perform the Contractor's obligations under this Agreement, including the license under section 6.4.

Standard of care

- 2.4 Unless otherwise specified in this Agreement, the Contractor must perform the Services to a standard of care, skill and diligence maintained by persons providing, on a commercial basis, services similar to the Services.

Standards in relation to persons performing Services

- 2.5 The Contractor must ensure that all persons employed or retained to perform the Services are qualified and competent to perform them and are properly trained, instructed and supervised.

Instructions by Province

- 2.6 The Province may from time to time give the Contractor reasonable instructions (in writing or otherwise) as to the performance of the Services. The Contractor must comply with those instructions but, unless otherwise specified in this Agreement, the Contractor may determine the manner in which the instructions are carried out.

Confirmation of non-written instructions

- 2.7 If the Province provides an instruction under section 2.6 other than in writing, the Contractor may request that the instruction be confirmed by the Province in writing, which request the Province must comply with as soon as it is reasonably practicable to do so.

Effectiveness of non-written instructions

- 2.8 Requesting written confirmation of an instruction under section 2.7 does not relieve the Contractor from complying with the instruction at the time the instruction was given.

Applicable laws

- 2.9 In the performance of the Contractor's obligations under this Agreement, the Contractor must comply with all applicable laws.

3 PAYMENT

Fees and expenses

- 3.1 If the Contractor complies with this Agreement, then the Province must pay to the Contractor at the times and on the conditions set out in Schedule B:
- (a) the fees described in that Schedule;
 - (b) the expenses, if any, described in that Schedule if they are supported, where applicable, by proper receipts and, in the Province's opinion, are necessarily incurred by the Contractor in providing the Services; and
 - (c) any applicable taxes payable by the Province under law or agreement with the relevant taxation authorities on the fees and expenses described in paragraphs (a) and (b).

The Province is not obliged to pay to the Contractor more than the "Maximum Amount" specified in Schedule B on account of fees and expenses.

Statements of accounts

- 3.2 In order to obtain payment of any fees and expenses under this Agreement, the Contractor must submit to the Province a written statement of account in a form satisfactory to the Province upon completion of the Services or at other times described in Schedule B.

Withholding of amounts

- 3.3 Without limiting section 9.1, the Province may withhold from any payment due to the Contractor an amount sufficient to indemnify, in whole or in part, the Province and its employees and agents against any liens or other third-party claims that have arisen or could arise in connection with the provision of the Services. An amount withheld under this section must be promptly paid by the Province to the Contractor upon the basis for withholding the amount having been fully resolved to the satisfaction of the Province.

Appropriation

- 3.4 The Province's obligation to pay money to the Contractor is subject to the *Financial Administration Act*, which makes that obligation subject to an appropriation being available in the fiscal year of the Province during which payment becomes due.

Currency

- 3.5 Unless otherwise specified in this Agreement, all references to money are to Canadian dollars.

Non-resident income tax

- 3.6 If the Contractor is not a resident in Canada, the Contractor acknowledges that the Province may be required by law to withhold income tax from the fees described in Schedule B and then to remit that tax to the Receiver General of Canada on the Contractor's behalf.

Prohibition against committing money

- 3.7 Without limiting section 13.10(a), the Contractor must not in relation to performing the Contractor's obligations under this Agreement commit or purport to commit the Province to pay any money except as may be expressly provided for in this Agreement.

Refunds of taxes

- 3.8 The Contractor must:
- (a) apply for, and use reasonable efforts to obtain, any available refund, credit, rebate or remission of federal, provincial or other tax or duty imposed on the Contractor as a result of this Agreement that the Province has paid or reimbursed to the Contractor or agreed to pay or reimburse to the Contractor under this Agreement; and
 - (b) immediately on receiving, or being credited with, any amount applied for under paragraph (a), remit that amount to the Province.

4 REPRESENTATIONS AND WARRANTIES

- 4.1 As at the date this Agreement is executed and delivered by, or on behalf of, the parties, the Contractor represents and warrants to the Province as follows:
- (a) except to the extent the Contractor has previously disclosed otherwise in writing to the Province,

- (i) all information, statements, documents and reports furnished or submitted by the Contractor to the Province in connection with this Agreement (including as part of any competitive process resulting in this Agreement being entered into) are in all material respects true and correct,
 - (ii) the Contractor has sufficient trained staff, facilities, materials, appropriate equipment and approved subcontractual or other agreements in place and available to enable the Contractor to fully perform the Services and to grant any licenses under this Agreement, and
 - (iii) the Contractor holds all permits, licenses, approvals and statutory authorities issued by any government or government agency that are necessary for the performance of the Contractor's obligations under this Agreement; and
- (b) if the Contractor is not an individual,
- (i) the Contractor has the power and capacity to enter into this Agreement and to observe, perform and comply with the terms of this Agreement and all necessary corporate or other proceedings have been taken and done to authorize the execution and delivery of this Agreement by, or on behalf of, the Contractor, and
 - (ii) this Agreement has been legally and properly executed by, or on behalf of, the Contractor and is legally binding upon and enforceable against the Contractor in accordance with its terms except as enforcement may be limited by bankruptcy, insolvency or other laws affecting the rights of creditors generally and except that equitable remedies may be granted only in the discretion of a court of competent jurisdiction.

5 PRIVACY, SECURITY AND CONFIDENTIALITY

- (a) as required to perform the Contractor's obligations under this Agreement or to comply with applicable laws;

- (a) Received Material that the Contractor receives from the Province; and

Upon the Province's request, the Contractor must deliver to the Province documents satisfactory to the Province that irrevocably waive in the Province's favour any moral rights which the Contractor (or employees of the Contractor) or a Subcontractor (or employees of a Subcontractor) may have in the Produced Material and that confirm the vesting in the Province of the copyright in the Produced Material, other than any Incorporated Material.

Rights in relation to Incorporated Material

- 6.4 Upon any Incorporated Material being embedded or incorporated in the Produced Material and to the extent that it remains so embedded or incorporated, the Contractor grants to the Province:
- (a) a non-exclusive, perpetual, irrevocable, royalty-free, worldwide license to exercise, in respect of that Incorporated Material, the rights set out in the *Copyright Act* (Canada), including the right to use, reproduce, modify, publish and distribute that Incorporated Material; and
 - (b) the right to sublicense or assign to third-parties any or all of the rights granted to the Province under section 6.4(a).

7 RECORDS AND REPORTS

Work reporting

- 7.1 Upon the Province's request, the Contractor must fully inform the Province of all work done by the Contractor or a Subcontractor in connection with providing the Services.

Time and expense records

- 7.2 If Schedule B provides for the Contractor to be paid fees at a daily or hourly rate or for the Contractor to be paid or reimbursed for expenses, the Contractor must maintain time records and books of account, invoices, receipts and vouchers of expenses in support of those payments, in form and content satisfactory to the Province. Unless otherwise specified in this Agreement, the Contractor must retain such documents for a period of not less than seven years after this Agreement ends.

Approved car rental agencies and the maximum rates for each community are listed at <http://www2.gov.bc.ca/gov/content/governments/services-for-government/hc-bid-resources/goods-and-services-catalogue/daily-vehicle-rentals>. Other agencies are to be used only when these agencies cannot supply vehicles or when renting a vehicle outside BC. Contractors should ask for the government rate. Receipts/copies of receipts are required. PAI (personal accident insurance) will not be reimbursed. CDW/LDW (collision/loss damage waiver) will be reimbursed only when renting from a company not on the approved list for the specific community or when renting outside BC.

5. Accommodations:

a) *Hotel/motel* (Receipt/copy of receipt and proof of payment required).

Approved hotels and the maximum rates that may be claimed for rooms and supplementary items (e.g., parking) are listed in the Accommodation Guide. Rates may vary between summer, winter and shoulder seasons.

Only the single government rate will be reimbursed. The "number in party" identified on the receipt must show only one person.

Process for Selecting Accommodation:

- Select the most cost-effective hotel from the accommodation guide that meets your business requirements.
- Ensure the expectations of the ministry expense authority are clarified (through the contract manager) regarding the price of accommodation before travel takes place.
- Ensure the rates charged by the hotel for the room and supplementary charges are at or below the rates quoted in the accommodation guide.

Claims for business expenses must be accompanied by an approved Business Expense Approval form (which should be completed by the ministry, not the contractor).

Contractors must submit invoices no more than once a month.

Interest

Interest is automatically paid effective 61 days after the date the invoice or services are received (whichever is later) at the government mailing address shown on the contract. Interest under \$5.00 will not be paid. Interest is paid at provincial government rates.

Service contractors may complete an application form for "EFT" (Electronic Funds Transfer) so that cheques are automatically deposited to their bank account.
