Subject: Caller - s.22

Hi Lia and Ian, is this under us or would it be a FIN question?

s.22

s.22 put an offer in on a house s.22 and followed all the proper procedures. s.22 is upset because this offer was not accepted and the owner chose to sell to a buyer who made a cash offer with no conditions. Two days later the successful buyer listed the property again for an asking price \$100,000 above the original. The buyer had his realtor contact all the interested parties to try and reassign the title for the increased asking price.

s.22 wants to know if this is legal and what measures are in place to prevent things like this from happening.

Thank you!
