Evening

Received request from tbs who would like to reschedule our time with the Minister to Tuesday morning instead of tomorrow morning. We are still processing edits to the deck and the main document. We will provide copies of both tomorrow morning afternoon.

I think this is the very first mtg at 9 am if memory serves me correctly.

I will call Heidi in morning

Hi Minister James, (Heidi)

Hope all is well with you. I'll bet you're all happy with the by election results last week, more stability, hearty congratulations.

As in the past, I was wondering if it would be possible for me to be a guest of yours at the upcoming budget and if my colleague Ken Carrusca, VP, Cement Association, could be invited to attend the budget lock up?

It would be great to be there to support the government on this important day and afterwards be able to use social media to promote the government's agenda. I have attended all three of your financial updates/budgets and it's a tradition I like to continue.

Could you please let me know so I can make arrangements to be in Victoria on budget day.

Thanks for considering this and I hope to see you soon.

Best regards,

Hi Rob

Further to Heather's email last night, attached please find the rush TB minor item that TBS is hoping Minister can review by very early next week. A few minutes just before the TB major mtg Monday afternoon has been held with staff in case the Minister has questions or wishes to speak to staff.

As always, please let me know if you have any questions.

Thanks much,

Jen
