Hi s.22

thank you so much for sharing your research and report with me - I am privileged to have access to it and learn so much.

It was interesting to see how you applied different theoretical positions to what the data might reveal.

It reinforces that the NDP policy of equity mandate was necessary and successful and that we have more work to do.

Best wishes and wishing you great success,

Mitzi

Hi s.22

Just a note to wish you all the best with your work on June 6th. As you know Women Deliver is happening in Vancouver that week so I will be required to be there and unable to join you.

I look forward to hearing how it goes and would be happy to have a discussion in advance if you think there is anything I could help with.

Best wishes,

Good afternoon MLA Dean,

The BC Legislative Internship Program will be hosting an interparliamentary visit from the Ontario Legislature Internship Programme (OLIP) on Monday, June 3. The OLIP is administered by the Canadian Political Science Association. During this ten month programme, the Interns each split their time between two private members at Queen's Park – one in Government and one in Opposition. They also embark on comparative study tours to Legislatures in other provinces and territories (Quebec, the Northwest Territories and BC this year).

The OLIP Interns have expressed a particular desire to learn about your mandate as Parliamentary Secretary for Gender Equity – a key area of research and policy interest for several of the Interns. We are wondering if you might consider meeting briefly with the students at the Parliament Buildings on Monday, June 3. We have some flexibility in our agenda at this point, but I would suggest either 9:00 am or 3:45 pm as potential meeting times. We will be using the Hemlock Room for meetings that day. The Interns will also be meeting with a Clerk, the Chief Electoral Officer and other Members.

More information about the OLIP can be found [here](#). A Backgrounder about the 2018-2019 OLIP Cohort is attached to this email.

Thank you for considering our invitation.

Best regards,

Jennifer Ives-Fournet
