Hi Heidi

Can you check with the whips office to see if I am a designated person for a vote if it's called?

In the fall I was designated for the Douglas fir room if a vote was called and they said we were designated again so thought I'd better check!!

Is off tonight and moved to next week.

Shall I try and get you out of Caucus meeting tonight?

Next week there isn't a Caucus meeting as it's the Whipped CA Social.

If not, I will order you dinner for 6 pm...

So with the new schedule and 3rd House added, you now have duty time from 11 to noon followed by a lunch meeting w/the expert panel from noon to 1 pm.

With all that said, it's the annual book day and I know how much you love this day! Can you put out a request for duty time coverage so you can at least attend the beginning of the book day?

You're call...

Heidi

Hi Minister,

I hope you are enjoying the tour. We received a letter from s.22 (attached), a fifth grade student s.22. Her classmates were each assigned an MLA to research and she got you. She has a few questions and I have drafted a response. Please let me know if I have sign off.

Thanks,
Brady

Hi Jim.

Sorry we had to rush off for the flight back to Victoria. Hoping the presentation was received well?

It felt good to deliver and I believe it covered all the needed pieces.

Feel free to pass along any feedback you might want to pass along.

Thanks to you and the team for organizing it Carole
