

Record Requested: **Number of registrants who filed PST returns in 2019**

Response: **104,741**

Further Detail:

An individual registrant may have filed multiple returns in 2019, depending on their reporting cycle (e.g. monthly, quarterly, or semi-annually). The total number of returns filed in 2019 was 828,479.

Record Requested: **Number of PST registrants who filed their tax returns late in 2019**

Response: **30,465**

Further Detail:

This figure includes all registrants that filed at least one PST return late in 2019, including returns where no penalties or interest was charged.

Based on total returns of 828,479 and total late returns of 93,780, the PST delinquency rate was 11% in 2019.

Record Requested: **Number of PST registrants who earned commission for filing a tax return on time in 2019**

Response: **74,006**

Further Detail: Any registrant that reports and pays on time is entitled to receive a commission of up to \$198. An individual registrant may have filed multiple returns in 2019, depending on their reporting cycle (e.g. monthly, quarterly, or semi-annually) and may claim commission for each return. Filers with more than one PST account may only claim commission for one account.

Record Requested: **Total amount of commission granted to early PST filers in 2019**

Response: **\$60,746,559.00**

Further Detail: Any registrant that reports and pays on time is entitled to receive a commission of up to \$198. An individual registrant may have filed multiple returns in 2019, depending on their reporting cycle (e.g. monthly, quarterly, or semi-annually) and may claim commission for each return.

Record Requested: **Number of PST late filers in 2019 to whom interest or penalty was charged for late filing**

Response: **N/A**

Further Detail: Due to technical barriers, we are not able to provide this figure. Late PST filers to whom interest or penalties were charged cannot be identified separately from the total number of late PST filers.

Record Requested: **Total amount of interest charged to PST late filers in 2019**

Response: **\$2,873,538.42**

Further Detail: The interest total includes cycle interest, manual interest, and transactional interest for late returns filed in 2019.

Record Requested: **Total amount of penalty charged to PST late filers in 2019**

Response: **\$8,265,166.65**

Further Detail: The penalty total includes manual penalties and penalties for late returns in 2019. Audit penalties are not included.
