Don, thanks for your email.

My apologies for being unable to join the last meeting with you. I was back in the office last week and Doug and Amy debriefed me on the meeting.

In advance of our next conversation, I want to provide some context on what we are hoping to discuss.

Anything that you are able to provide in writing, ahead of the meeting, would be appreciated and

further assist our discussions. I will have my office set up a time for us to meet next week to further discuss these matters. Currently, it is myself, staff from my ministry and Doug Foster working on this matter and as we move further along, we will add members to our team as appropriate. In the meantime, I would appreciate it if you could let your colleagues know that my office is the central point of any outreach and contact for the Province as we continue doing further work.

We will also be continuing to keep my minister and the Premier's office briefed on progress.

Hi Amy

Thanks for following up with me on this. Unfortunately, I heard through a public announcement from Canada Soccer that Canada will play both Honduras and El Salvador at BMO Field in Toronto this September as part of the Concacaf Final Round of FIFA World Cup Qatar 2022 Qualifiers.
