10-25-2016 09:30:00	Cut arm during wood shop class. A grinding/cutting tool kicked back onto his arm	SD08 - Kootenay Lake	L V Rogers Secondary
06-07-2017 11:45:00	Shop Class-Student was cutting chain using a vice. He slipped and cut his left thumb on a sharp edge of chain. Student was taken to hospital where he received 4 stitches and came back to school. Parents were notified by phone.	SD08 - Kootenay Lake	J V Humphries Elementary Secondary
01-30-2018 10:00:00	Hit on top, front, right of head with a flying piece of wood (broke off lathe)	SD08 - Kootenay Lake	J V Humphries Elementary Secondary
01-31-2014 09:25:00	Another student at a table in the centre of the room opened a canister of chlorine. The canister began releasing gas. came over to help, saw the gas, breathe some in. went to get the teacher. The teacher evacuated the room.	SD10 - Arrow Lakes	Nakusp Secondary
01-31-2014 09:25:00	Student was opening a chlorine canister and contents sprayed out into the air and onto his skin. The teacher was notified by another student and everyone was evacuated.	SD10 - Arrow Lakes	Nakusp Secondary
01-31-2014 09:25:00	Another student in the room opened a chlorine canister which released chlorine gas into the room. The teacher was notified and the students were evacuated from the room.	SD10 - Arrow Lakes	Nakusp Secondary
01-31-2014 09:25:00	Another student in the room opened a chlorine canister which released chlorine gas into the room.	SD10 - Arrow Lakes	Nakusp Secondary
01-31-2014 09:25:00	Chlorine cylinder leaked gas into room and I walked up to it to see and I got a breath of chlorine gas.	SD10 - Arrow Lakes	Nakusp Secondary
11-26-2014 13:30:00	admittedly wasn't quite paying attention and as he pushed a piece of wood into the bandsaw it escaped the cut and his right little finger flung forward nicking the blade.	SD10 - Arrow Lakes	Nakusp Secondary

05-11-2015 14:40:00	Student cut his finger with a 1/2" chisel with incorrect use. The student had been shown how to safely and correctly use the chisel by the teacher. Student attended by first aid attendant. Parent contacted, and took student to hospital.	SD10 - Arrow Lakes	Lucerne Elem-Secondary
05-11-2015 14:40:00	Student laceration using 1/2" chisel incorrectly. Student was shown how to use it correctly by teacher. Student attended to by first aid attendant. Parent called, who took student to hospital for stitches.	SD10 - Arrow Lakes	Lucerne Elem-Secondary
11-28-2016 10:45:00	While working in the wood shop on a table, his chisel slipped and he cut his left thumb	SD10 - Arrow Lakes	Nakusp Secondary
10-15-2014 10:00:00	accidental burning in Metal shop	SD20 - Kootenay-Columbia	Stanley Humphries Secondary
10-09-2014 10:30:00	Student was filing metal in Metals class and his hand slipped and he cut his finger on the metal.	SD20 - Kootenay-Columbia	J Lloyd Crowe Secondary
10-09-2014 10:30:00	Student was filing in Metals class and his hand slipped and he cut his finger.	SD20 - Kootenay-Columbia	J Lloyd Crowe Secondary
11-18-2014 12:00:00	Student fainted during shop class.	SD20 - Kootenay-Columbia	J Lloyd Crowe Secondary
04-13-2015 14:30:00	Student was using the table saw in Woodworking class and her wood kicked back and hit her in the stomach.	SD20 - Kootenay-Columbia	J Lloyd Crowe Secondary
05-11-2015 09:15:00	Student's toe was under the pedal of the shearing machine when the pedal was depressed.	SD20 - Kootenay-Columbia	J Lloyd Crowe Secondary
05-13-2015 11:45:00	Student was etching (with acid) in Electronics class. Student pulled on his tag and it flipped up into his eye. He immediately used the eyewash station then reported to the office.	SD20 - Kootenay-Columbia	J Lloyd Crowe Secondary
12-18-2015 10:30:00	spray painting in metalwork class, accidentally got sprayed in the eye	SD20 - Kootenay-Columbia	Stanley Humphries Secondary
02-11-2016 14:15:00	While drilling a piece of wood, material slipped out of hand, rotated on drill bit and hit hand	SD20 - Kootenay-Columbia	Stanley Humphries Secondary
02-11-2016 09:30:00	Student touched lathe chuck to thumb	SD20 - Kootenay-Columbia	Stanley Humphries Secondary
04-22-2016 10:30:00	Student was cutting wood in Woodworking class and the guard broke. The student was struck in the forehead with a flying object.	SD20 - Kootenay-Columbia	J Lloyd Crowe Secondary
04-21-2016 09:40:00	Student was in Woodworking and cut his finger on a chisel.	SD20 - Kootenay-Columbia	J Lloyd Crowe Secondary
11-30-2016 08:45:00	Student was working at the bench and another student reached across to grab a rasp file. While pulling back with the file, Student was accidentally hit in the lip.	SD20 - Kootenay-Columbia	J Lloyd Crowe Secondary
12-06-2016 10:30:00	Was filing metal, hand slipped and was struck. Received a small splinter in l/h. Subsequent numbness in hand at first.	SD20 - Kootenay-Columbia	J Lloyd Crowe Secondary
12-13-2016 11:15:00	Student tripped and fell down the stairs in Metal class (end of class). He did not report this to his teacher because he had only minor dizziness. Dec 14 he reported the incident to the school administration and went to the doctor.	SD20 - Kootenay-Columbia	J Lloyd Crowe Secondary
12-21-2016 09:05:00	Student was using a chisel and it slipped and cut his palm.	SD20 - Kootenay-Columbia	J Lloyd Crowe Secondary
01-11-2017 09:55:00	Student hit top of left hand with a chisel at the base of his pinky finger.	SD20 - Kootenay-Columbia	J Lloyd Crowe Secondary
02-15-2017 09:00:00	Student was working on beltsander. Piece was not held down well enough, slipped, sanded finger tip.	SD20 - Kootenay-Columbia	Stanley Humphries Secondary
05-10-2017 12:30:00	Student was using a hacksaw and he got bumped by another student and cut his left thumb.	SD20 - Kootenay-Columbia	J Lloyd Crowe Secondary
11-03-2017 14:20:00	Student sat on the stool he just built and it broke. He fell and scraped the inside of his arm on a piece of wood.	SD20 - Kootenay-Columbia	J Lloyd Crowe Secondary
11-17-2017 12:00:00	While grinding an empty brass shell casing, the unspent primer cap (metal) flew out and hit Student's left forearm.	SD20 - Kootenay-Columbia	J Lloyd Crowe Secondary
11-23-2017 12:20:00	Student was cleaning the table and cut inside of left ring finger on a protruding nail.	SD20 - Kootenay-Columbia	J Lloyd Crowe Secondary
01-23-2018 09:30:00	Student was cutting wood (in class) with the bandsaw. The wood slipped and the student cut his right middle finger with the saw blade.	SD20 - Kootenay-Columbia	J Lloyd Crowe Secondary
02-13-2018 10:30:00	The chisel slipped and student cut her thumb.	SD20 - Kootenay-Columbia	J Lloyd Crowe Secondary
02-13-2018 12:10:00	Student cut his left index finger on a hacksaw. Small 0.5 cm cut at tip of finger.	SD20 - Kootenay-Columbia	J Lloyd Crowe Secondary
04-06-2018 12:30:00	Chisel was dropped on finger and the cut would not stop bleeding.	SD20 - Kootenay-Columbia	J Lloyd Crowe Secondary
04-30-2018 02:20:00	Student went to lift a vise off of a press but didn't realize it was so heavy and let it go. The vise landed on the top of his right foot.	SD20 - Kootenay-Columbia	J Lloyd Crowe Secondary
05-28-2018 14:00:00	Student was backing up in the welding room to move around a project and cut his arm on a piece of metal that was sticking out of a vise.	SD20 - Kootenay-Columbia	J Lloyd Crowe Secondary
10-30-2018 09:45:00	Student cut left hand middle finger distal tip with an exacto knife.	SD20 - Kootenay-Columbia	J Lloyd Crowe Secondary
11-07-2018 10:30:00	Student was grinding paint off of metal when it slipped and his thumb rubbed on the metal wire grinder end making two cuts on the top of his right thumb.	SD20 - Kootenay-Columbia	J Lloyd Crowe Secondary
01-08-2019 14:30:00	Rash on neck/chest/back in woodshop	SD20 - Kootenay-Columbia	Stanley Humphries Secondary

01-16-2019 11:00:00	Cutting wood with band saw.. hand slipped immediately pulled hand away & turned machine off	SD20 - Kootenay-Columbia	Stanley Humphries Secondary
01-16-2019 11:00:00	Walking & someone knocked a drill off the counter and it landed on her right foot.	SD20 - Kootenay-Columbia	Stanley Humphries Secondary
02-05-2019 13:55:00	Dropped big clamp on foot in Metal class. It fell off of the table.	SD20 - Kootenay-Columbia	Stanley Humphries Secondary
02-04-2019 10:45:00	Student was not being careful with a chisel and cut his left thumb and index finger. Cuts were not deep and approximately 1 cm long each.	SD20 - Kootenay-Columbia	J Lloyd Crowe Secondary
03-11-2019 09:40:00	Chisel slipped and hit left hand cutting 1 cm between ring and little finger.	SD20 - Kootenay-Columbia	J Lloyd Crowe Secondary
06-04-2019 13:20:00	Filing his ring, file slipped and he jabbed himself in the nose (R nostril) on inner side.	SD20 - Kootenay-Columbia	Stanley Humphries Secondary
09-12-2019 13:40:00	In wood class. Cut finger on miter saw blade after machine had been turned off. Notified parent to take s.22 to ER to have finger checked. chunk of skin off	SD20 - Kootenay-Columbia	Stanley Humphries Secondary
09-10-2019 09:40:00	Using a chisel to notch out a piece of wood for making a puzzle piece. Cut top of finger.	SD20 - Kootenay-Columbia	Stanley Humphries Secondary
09-12-2019 13:40:00	In wood class. Cut finger on miter saw blade after machine had been turned off. Notified parent to take s.22 to ER to have finger checked. Chunk of skin off.	SD20 - Kootenay-Columbia	Stanley Humphries Secondary
09-17-2019 09:40:00	Slipped while using a hand chisel and cut vein on left wrist. Parent to take to clinic to get cut checked.	SD20 - Kootenay-Columbia	Stanley Humphries Secondary
09-18-2019 12:30:00	Student was using a chisel and it slipped cutting his left finger.	SD20 - Kootenay-Columbia	J Lloyd Crowe Secondary
10-21-2019 12:00:00	Student was wearing safety glasses and filing with a hand file in Metal class when a small filing popped up into his right eye.	SD20 - Kootenay-Columbia	J Lloyd Crowe Secondary
10-24-2019 13:40:00	Tripped over a student's foot and fell backwards to the floor and hit elbow on concrete floor. Asked s.22 to have mom to take her to hospital to have it checked out.	SD20 - Kootenay-Columbia	Stanley Humphries Secondary
10-31-2019 11:40:00	Right hand into vertical sander.	SD20 - Kootenay-Columbia	J Lloyd Crowe Secondary
11-06-2019 10:55:00	Slipped pulling snowmobile off ramp. Applied ice and advised to seek medical treatment.	SD20 - Kootenay-Columbia	Stanley Humphries Secondary
11-20-2019 09:45:00	In autoshop trying to get an arc to weld onto a vehicle, when they couldn't, s.22 took welder and he arced it, not hearing "cover your eyes" and he felt a couple of sparks hit his eyes.	SD20 - Kootenay-Columbia	Stanley Humphries Secondary
12-11-2019 09:40:00	Horseplay, fell and hit head on shop hoist. Mom picked up, take to ER. May need stitches or glue for cut on head.	SD20 - Kootenay-Columbia	Stanley Humphries Secondary
02-13-2020 10:50:00	Cutting piece of wood, hand slipped and cut finger with the band saw. Advised parent to take to ER for stitches.	SD20 - Kootenay-Columbia	Stanley Humphries Secondary
03-02-2021 00:00:00	Using a chisel, slipped cutting his finger	SD20 - Kootenay-Columbia	Stanley Humphries Secondary
04-06-2021 00:00:00	s.22 was using bandsaw and cut through a piece of wood into his thumb.	SD20 - Kootenay-Columbia	Stanley Humphries Secondary
09-16-2021 00:00:00	Doing demo at glue/clamp area, class was gathered around. I returned a clamp to the overhead rack. Seconds later, it slipped off the rack and struck s.22 on the head. Put ice on his head. Started to feel nauseous. Advised to seek medical attention.	SD20 - Kootenay-Columbia	Stanley Humphries Secondary
03-06-2015 09:40:00	Student was cutting out project shape on bandsaw and cut quicker than anticipated - touched side of index finger to blade.	SD22 - Vernon	Charles Bloom Elementary Secondary
05-06-2015 11:05:00	cutting on bandsaw - was told to keep fingers farther away from blade and given push stick. He cut without stick and caught thumb across blade at end of cut trailing project piece.	SD22 - Vernon	Charles Bloom Elementary Secondary
09-23-2015 14:20:00	SANDING WITH THIE BELT SANDER WOOD SLIPPED AND HER HAND WAS CAUGHT IN THE BELT. ASSESSED ABC'S ASSESSED FINGER, CLEANED, BANGAGED, ICED. DAD GAVE TYLENOL	SD22 - Vernon	SD22 - Vernon
10-15-2015 11:52:00	Sanding a stick sideways on belt sander - got too thin and got sucked in between belt sander and table top. Two finger nails sanded down to skin.	SD22 - Vernon	Charles Bloom Elementary Secondary
02-29-2016 09:50:00	Right hand slipped while pushing on a nail puller/wrecking/crowbar resulting in an approx. 5 cm cut to right inside palm of hand.	SD22 - Vernon	Charles Bloom Elementary Secondary
05-10-2016 12:00:00	Student cutting 75mm thick piece of wood on the bandsaw - touched finger against blade upon exiting and cut near the end of the finger.	SD22 - Vernon	Charles Bloom Elementary Secondary
03-01-2017 10:10:00	Cutting with backsaw in woodwork, slipped and lacerated his thumb Room 138	SD22 - Vernon	Vernon Secondary
10-30-2017 12:57:00	The student was cutting a piece wood a bandsaw. When the wood slipped, the student cut his baby finger on the blade of the bandsaw.	SD22 - Vernon	W L Seaton Secondary
11-15-2017 12:15:00	Liquid spilt around the work bench in the auto shop. s.22 was stepping over the spill but slipped and landed on the floor.	SD22 - Vernon	Vernon Secondary

12-01-2017 14:20:00	☹ ☹ slipped coming down the stairs in the metal shop. He was carrying 2 pieces of angle iron approximately 2' long in his left hand. The angle iron got caught on the handrail and the left side of his head hit the angle iron.	SD22 - Vernon	Charles Bloom Elementary Secondary
12-06-2017 14:05:00	☹ ☹ had finished drilling holes on the table legs and reached around to turn the machine off and caught his left sleeve of of his hoodie which wound up the drill bit. Sleeve wrapped against the wrist as well.	SD22 - Vernon	Charles Bloom Elementary Secondary
12-12-2017 12:35:00	While working on table saw box joint jig, brought hand in contact with blade.	SD22 - Vernon	Kalamalka Secondary
01-19-2018 09:30:00	☹ ☹ was using the bandsaw to cut a piece of wood. Right thumb was pushing on a piece of wood, wood slipped and his thumb was cut by the blade.	SD22 - Vernon	Vernon Secondary
06-14-2018 10:20:00	While working in Tech shop, tripped over welder cord, hit head on bandsaw, small cut/abrasion on head. Clean cut, apply pressure, ice, check over - no other pain. Small cut no need for stitches.	SD22 - Vernon	Vernon Secondary
11-22-2018 14:00:00	☹ ☹ walked past a bandsaw dust extraction pipe and hit her leg on a clamp - a spring pin punctured her leg.	SD22 - Vernon	Kalamalka Secondary
10-03-2019 09:00:00	☹ ☹ hand was caught between his wood and a tool rest and cut his hand.	SD22 - Vernon	Kalamalka Secondary
09-25-2020 09:40:00	Using grinder in metal shop, sparks lit students hoodie on fire. He patted fire out burning his left hand. No burns anywhere else. Ice and ointment was used.	SD22 - Vernon	Charles Bloom Elementary Secondary
10-28-2020 13:00:00	sanded his right hand thumb. tip and part of the nail. belt sander	SD22 - Vernon	W L Seaton Secondary
10-29-2020 14:00:00	got his fingers stuck between the tool rest and his piece of wood. Wood lathe. He was not sure on how it happened.	SD22 - Vernon	W L Seaton Secondary
12-16-2020 13:00:00	using the small bandsaw, student cut into the tip of his thumb. left hand	SD22 - Vernon	W L Seaton Secondary
12-16-2020 21:00:00	☹ ☹ was cutting wood on band saw in class. cut his thumb. first aid at school done. mom took to hospital. student got three stitches	SD22 - Vernon	W L Seaton Secondary
03-09-2021 00:00:00	sanded middle finger on left hand. washed and band aid and he kept on working	SD22 - Vernon	W L Seaton Secondary
10-08-2021 00:00:00	Student was opening a vise with a piece of sheet metal in it. Her hand slipped on the vise handle and her hand impacted the edge of the sheet metal cutting between the pinky and ring finger. Went to local clinic, no doctor so told mom to check with Dr.	SD22 - Vernon	Charles Bloom Elementary Secondary
10-14-2021 00:00:00	student turning bowl on wood lathe - finger on left hand pinched between tool rest and lathe tool as bowl was being turned. Recommend to watch swelling and take to get xray if remains swollen.	SD22 - Vernon	Charles Bloom Elementary Secondary
10-13-2021 00:00:00	The student was working with a small (2") piece of sheet metal. He ran the metal down a file and over the end of his middle finger, cutting the skin over the first knuckle.	SD22 - Vernon	Charles Bloom Elementary Secondary
01-16-2014 12:00:00	Student hit finger with a hammer in metal class.	SD23 - Central Okanagan	Springvalley Middle
01-16-2014 14:30:00	Receive an electrical shock while testing his project. As a precaution he was taken by ambulance to hospital.	SD23 - Central Okanagan	Rutland Senior Secondary
01-16-2014 10:35:00	During break, student cut his thumb on a jagged piece of metal.	SD23 - Central Okanagan	Rutland Senior Secondary
02-18-2014 13:15:00	was working on the band saw and cut her thumb. The pad was cut through the thickness of all skin layers. Cut cleaned and bandaged. Parent called to take for stitches and tetanus shot.	SD23 - Central Okanagan	Dr. Knox Middle School
02-11-2014 09:20:00	Student felt dizzy, last sight then passed out. When FA arrived he was pale and sitting up. When FA arrived he was taking him him to emerg.	SD23 - Central Okanagan	Okanagan Mission Secondary
02-28-2014 02:40:00	Student cut his middle left hand finger in Metalwork	SD23 - Central Okanagan	Kelowna Secondary
05-09-2014 14:37:00	Student was working on the lathe and left index finger was hit by a block of wood.	SD23 - Central Okanagan	Springvalley Middle
05-12-2014 14:00:00	attempted to break a weld on two pieces of metal tubing. Weld broke and tubing hit him in the nose. Attempted to notify parent.	SD23 - Central Okanagan	Mount Boucherie Senior Secondary
05-12-2014 14:00:00	attempted to break a weld on two pieces of metal tubing. Weld broke and tubing hit him in the nose. Attempted to notify parent.	SD23 - Central Okanagan	Mount Boucherie Senior Secondary
05-15-2014 10:00:00	Student cut his right hand thumb using grinder to smooth out table legs in woodshop class.	SD23 - Central Okanagan	Central School Programs
06-03-2014 12:00:00	Student was putting away equipment and turned around accidently walking into a sanding iron. Student left it for about 20 minutes before coming to first aid. Immediately put right forearm in cold water.	SD23 - Central Okanagan	Springvalley Middle

03-29-2016 09:15:00	Watching a demo in shop class and fell back and hit his head. Mildly concussed for approx. 30 seconds.	SD36 - Surrey	Frank Hurt Secondary
04-08-2016 03:20:00	While in woodworking, student cut right index finger while scraping glue off project. Cut was 1/2 in. in length and deep enough for stitches. First aid attendant cleaned and wrapped wound and mom was contacted to take student to doctor.	SD36 - Surrey	Sullivan Heights Sec & Bell Arts Centr
04-11-2016 10:05:00	Student was cutting a board on table saw, splitter kick-back device wasn't up, he let go of the piece before it was clear of blade. Piece kicked back, struck him in the stomach area. Student didn't indicate injury initially till 1 hr. later. Parent called.	SD36 - Surrey	Guildford Park Secondary
04-27-2016 14:45:00	During Tech Ed class, student was hit in the forehead with a piece of wood (thrown by another student). Reported to first aid, ice applied. Parent contact attempted without success. Student went home at end of day.	SD36 - Surrey	Enver Creek Secondary
04-29-2016 08:50:00	While in wood shop, student was using a jigsaw on his project, moved and slipped causing his left index fingertip to be cut. Came to medical room where wound was washed, gauze applied, wrapped and taped. Mom called to take to dr.	SD36 - Surrey	Sullivan Heights Sec & Bell Arts Centr
05-09-2016 12:45:00	Was on scaffolding and timber fell on his right calf.	SD36 - Surrey	Frank Hurt Secondary
05-12-2016 13:30:00	Working on band saw, student pushed his left palm hand into the blade breaking skin.	SD36 - Surrey	Earl Marriott Secondary
05-25-2016 12:45:00	Using the band saw and finger slipped and right thumb hit blade.	SD36 - Surrey	Frank Hurt Secondary
05-27-2016 13:30:00	While in wood shop class, two boys were fooling around with a hot glue gun and the glue gun was put on student's right hand causing a burn. Palm of hand is red with blisters forming. Possible 2nd degree burns in some areas. Student to tell mom.	SD36 - Surrey	Sullivan Heights Sec & Bell Arts Centr
06-07-2016 14:20:00	A hand saw scratched the skin on his left hand causing it to bleed	SD36 - Surrey	Kwantlen Park Secondary
06-16-2016 15:15:00	In Woodwork class, student reached under the guard on the table saw to move the wood. Although the machine was turned off, the blade had not stopped and he cut the tip of his left pinkie. First aid administered, parent notified, advised to seek med. attn.	SD36 - Surrey	Enver Creek Secondary
06-21-2016 12:45:00	Student in woodshop. Piece of plywood "got away from him" and grazed his upper chest and hit chin with force. Abrasions to upper chest and 1 1/2 -2" cut on chin, 1/2" deep. Cleaned wound and butterflyed, covered, iced and to see MD. ?Stitches	SD36 - Surrey	Semiahmoo Secondary
05-25-2016 13:30:00	Student was helping a friend with his project in metal shop when a piece of steel fell on his left thumb, cutting it.	SD36 - Surrey	Kwantlen Park Secondary
09-29-2016 12:00:00	Chisled left hand pointer finger in Wood Shop	SD36 - Surrey	Kwantlen Park Secondary
10-04-2016 10:15:00	Student was in woodshop class and his nose began to bleed	SD36 - Surrey	Kwantlen Park Secondary
10-14-2016 10:20:00	Cutting metal with hack saw in metal work class - hand slipped, right pointer finger slipped and got cut on metal causing flesh to fold over and bleed slightly	SD36 - Surrey	Kwantlen Park Secondary
10-18-2016 09:10:00	Student was working on band-saw. She slipped and her pinkie finger, left hand, touched the blade.	SD36 - Surrey	Earl Marriott Secondary
11-14-2016 12:10:00	Opened up the cupboard in the wood shop. A shelf fell on top of student's head.	SD36 - Surrey	Earl Marriott Secondary
11-18-2016 09:30:00	Student was breaking apart a 3D Art project using a putty knife, when he cut himself.	SD36 - Surrey	Earl Marriott Secondary
11-25-2016 10:10:00	Cut thumb with hand saw while cutting a knob on project.	SD36 - Surrey	Earl Marriott Secondary
12-01-2016 10:16:00	Was bumped accidentally near belt sander and reached for balance and belt sander scraped 2 fingers on right hand (middle & ring) causing abrasion & bleeding.	SD36 - Surrey	Kwantlen Park Secondary
12-15-2016 09:15:00	Flying object in metal class struck student's knee and broke skin through pants.	SD36 - Surrey	Kwantlen Park Secondary
12-16-2016 13:00:00	Someone was hitting a steel plate with a hammer and a chip went flying - hitting student's left leg by knee.	SD36 - Surrey	Kwantlen Park Secondary
01-24-2017 11:35:00	Cut above right eye from wood spinning off lathe. Will need stitches.	SD36 - Surrey	Earl Marriott Secondary
02-15-2017 13:05:00	Cut left hand with chisel.	SD36 - Surrey	Earl Marriott Secondary

02-15-2017 13:05:00	Cut left hand with chisel.	SD36 - Surrey	Earl Marriott Secondary
03-01-2017 14:10:00	While cleaning up in the woodshop storage room at end of day, another student, ����, accidentally swung a stick behind themselves and struck ���� causing a laceration above his right eye. First aid administered (clean/bandage); parent notified.	SD36 - Surrey	Enver Creek Secondary
03-09-2017 12:45:00	���� was cutting glass and while separating it, she cut her right thumb.	SD36 - Surrey	Earl Marriott Secondary
04-13-2017 10:30:00	cut hand in shop	SD36 - Surrey	Earl Marriott Secondary
05-02-2017 09:10:00	Student cut 3 fingers on right hand on band saw in Woodwork class.	SD36 - Surrey	Earl Marriott Secondary
05-04-2017 10:10:00	���� was working on his stool in metal work and cut his left hand on the stool.	SD36 - Surrey	Kwantlen Park Secondary
05-03-2017 09:35:00	Burned left fore arm on piece of hot metal while welding in shop class.	SD36 - Surrey	Kwantlen Park Secondary
04-26-2017 12:00:00	In shop class, tripped over machinery and cut the top of her left ankle	SD36 - Surrey	Kwantlen Park Secondary
05-12-2017 12:45:00	Got a sliver in left ring finger in woodwork class.	SD36 - Surrey	Kwantlen Park Secondary
05-16-2017 13:10:00	Was in woodwork class & ended up cutting his left thumb about 1.5" fairly deep. Cleaned cut, lots of bleeding. Bleeding subsided, was about 1" long from nail almost to joint, swollen a little. Student was dizzy & nauseous, butterflied, to clinic.	SD36 - Surrey	Panorama Ridge Secondary
02-02-2017 10:30:00	���� was welding in metal shop and burnt his finger through the glove.	SD36 - Surrey	Kwantlen Park Secondary
06-13-2017 13:10:00	In metal ork using an exacto knife cut his left pointer finger. Knife went into his finger above first knuckle and tip went right through. Slice on top of finger above 1st knuckle & below nail. Little pin head exit on the other side. mother messaged.	SD36 - Surrey	Panorama Ridge Secondary
09-20-2017 09:00:00	In woodshop, P2, cut left pointer finger with a chisel. Deep cut requires stitches.	SD36 - Surrey	Sullivan Heights Sec & Bell Arts Centr
10-02-2017 14:15:00	Opening a vice grip in metal class and the metal slipped and struck ���� arm above his wrist.	SD36 - Surrey	Kwantlen Park Secondary
10-17-2017 09:30:00	Cut left knuckle while using the spindle sander for a project.	SD36 - Surrey	Earl Marriott Secondary
10-13-2017 09:15:00	Student was using the mitre saw in shop class and cut his right palm. 7/10 on the pain scale.	SD36 - Surrey	Princess Margaret Secondary
10-17-2017 13:05:00	Cleansed and bandaged wound. Sent student to medical clinic.	SD36 - Surrey	Lord Tweedsmuir Secondary
12-18-2017 09:30:00	Student was using combination sander when he sanded his finger	SD36 - Surrey	Earl Marriott Secondary
01-18-2018 14:35:00	Student cut top of left index finger in Metalwork.	SD36 - Surrey	Earl Marriott Secondary
01-18-2018 14:35:00	In woodwork and wood fell onto foot	SD36 - Surrey	Kwantlen Park Secondary
03-09-2018 12:55:00	Cut his left index finger while using an Exacto knife	SD36 - Surrey	Fleetwood Park Secondary
02-24-2018 11:05:00	burned right hand when solder dripped onto hand.	SD36 - Surrey	Kwantlen Park Secondary
03-08-2018 09:15:00	While filing in metal shop, file slipped and cut hand on work piece.	SD36 - Surrey	Kwantlen Park Secondary
04-11-2018 11:00:00	In Tech Ed, cutting lumber on table saw, student accidentally reached towards blade cutting finger. First aid administered; parent notified; advised to seek med. attention.	SD36 - Surrey	Enver Creek Secondary
05-01-2018 10:50:00	In woodworking class, student was connecting/saudering wires together. Towards end of class, student started feeling dizzy, head was hurting/headache from the fumes, then he threw up.	SD36 - Surrey	Fleetwood Park Secondary
05-16-2018 13:30:00	Student was using the bandsaw to cut wood. Stock got tuck but student's hand kept advancing.	SD36 - Surrey	Lord Tweedsmuir Secondary
10-01-2018 09:26:00	Student was filing a piece of sheet metal in a vise grip. Student was not paying attention and the file slipped and student cut finger on sheet metal. Parents were called (���� and ���� l.	SD36 - Surrey	North Surrey Secondary
10-02-2018 09:00:00	Metal rod dropped on student's head after welding in shop class.	SD36 - Surrey	Earl Marriott Secondary
10-12-2018 14:30:00	Student was fooling around. Finger was cut on a piece of copper wire in Metal Work - minor - no stitches needed.	SD36 - Surrey	Fleetwood Park Secondary
10-26-2018 11:00:00	Student went into shock and fainted at the sight of blood. Paramedics attended.	SD36 - Surrey	Kwantlen Park Secondary
10-26-2018 11:00:00	Put fingers on hot metal by accident.	SD36 - Surrey	Kwantlen Park Secondary
10-25-2018 13:00:00	Student cut his finger on a saw in woodwork.	SD36 - Surrey	Earl Marriott Secondary
10-30-2018 11:00:00	Student hit finger with hammer in shop class.	SD36 - Surrey	Earl Marriott Secondary
11-16-2018 08:55:00	In Shop class, ���� was drilling and the drill bit broke and his his left index finger. ���� cut his left index finger. First Aid was applied and parents contacted to seek further medical treatment.	SD36 - Surrey	Fleetwood Park Secondary
11-15-2018 11:00:00	Student caught right thumb on bandsaw.	SD36 - Surrey	Earl Marriott Secondary
11-27-2018 12:55:00	using file in metal work class and cut left thumb.	SD36 - Surrey	Kwantlen Park Secondary
11-29-2018 11:40:00	Vice bar fell on right hand between finger and thumb.	SD36 - Surrey	Elgin Park Secondary
12-03-2018 11:31:00	Was pushing down on the wrench with all my weight to loosen a bolt and when it let go suddenly, I jolted down and my mouth hit the other wench. Notified parent to get teeth checked.	SD36 - Surrey	Elgin Park Secondary

12-06-2018 09:20:00	Student was cutting wax with an exacto knife. He put too much pressure on the knife and it slipped cutting his left wrist, and right index finger. Cleaned cut and bandaged, parent took him for stitches.	SD36 - Surrey	Elgin Park Secondary
11-29-2018 08:35:00	Was working on metal work project when it fell and crushed middle left finger. Principal took student to hospital to meet parent after being seen by first aid.	SD36 - Surrey	Kwantlen Park Secondary
12-10-2018 10:45:00	In working on the jointer machine the student was pushing his wood through when it got stuck. The boy reached in (around the safety guard) and the cutting blade of the jointer cut his finger.	SD36 - Surrey	Fleetwood Park Secondary
12-11-2018 09:30:00	Student passed out at the welding table and hit his head on it on the way down. Advised mom to take him to clinic to be checked out.	SD36 - Surrey	Kwantlen Park Secondary
12-11-2018 08:45:00	Student was hit in the finger by the hand grinder in the metal shop	SD36 - Surrey	Kwantlen Park Secondary
11-26-2018 12:30:00	Cutting with a handsaw in woodwork shop, cut right index finger.	SD36 - Surrey	Earl Marriott Secondary
01-08-2019 09:45:00	Student cut his hand in the wood shop. Very minor. The sight of blood caused him to faint. Teacher caught him as he went down. He gained consciousness quickly but remained woozy. Step mother advised to take student to doctor.	SD36 - Surrey	Fleetwood Park Secondary
01-31-2019 09:40:00	Cut left ring finger with grinding disk during metal work class.	SD36 - Surrey	Kwantlen Park Secondary
02-07-2019 14:40:00	Student was working on his whittling project when his knife cut through the project and he cut his fingertips. Reported to first aid; pressure bandage applied and advised to seek medical treatment.	SD36 - Surrey	Enver Creek Secondary
02-20-2019 11:05:00	Student was drilling a hole in metalwork project. Project was centred-punched and held in vise with soft jaws. Drill bit slipped off and cut finger. Reported to first aid; advised to seek medical attention.	SD36 - Surrey	Enver Creek Secondary
02-26-2019 17:15:00	Student called us to tell us that student had injured her hand with a carving tool. He had applied some gauze and placed pressure and called us in the office where student went down to the wood shop and examined student. She felt fine to walk down to the	SD36 - Surrey	Queen Elizabeth Adult Education Centre
03-12-2019 08:52:00	Using an electric sanding machine, student hit left index finger	SD36 - Surrey	Fleetwood Park Secondary
04-11-2019 09:00:00	Student touched heated aluminum metal with right hand, thumb, pointer and index finger.	SD36 - Surrey	Earl Marriott Secondary
04-23-2019 09:40:00	Student tripped and fell into a standing bar, gouged his forearm.	SD36 - Surrey	Earl Marriott Secondary
04-24-2019 09:10:00	Student was working with the band saw in Tech Ed. She slipped and cut her left ring finger on the saw blade. First aid administered, parent notified, advised to seek medical attention as needed, student went home for the rest of the day.	SD36 - Surrey	Enver Creek Secondary
05-15-2019 10:45:00	Student was sitting at a workbench looking at his phone while 3 boys were assembling a stool. One student decided to test the nail gun and shot a nail into a test piece of wood. The nail deflected up, hitting student just above and below his left eye.	SD36 - Surrey	Salish Secondary
05-31-2019 08:55:00	Student was in auto/power tech class not paying attention (on phone). Another student placed hot glue onto a piece of paper and placed the hot glue on to the front of student's right leg (horse playing). First aid given. Parents called.	SD36 - Surrey	North Surrey Secondary
06-14-2019 09:20:00	Student broke fire extinguisher glass with elbow and elbow was cut.	SD36 - Surrey	Earl Marriott Secondary
09-13-2019 01:00:00	Put hand accidentally in hot glue, burned hand slightly, blisters present.	SD36 - Surrey	Earl Marriott Secondary
09-25-2019 14:15:00	Student cut right hand with chisel in wood work class.	SD36 - Surrey	Kwantlen Park Secondary
09-20-2019 12:45:00	Student was working with handheld metal shears in Metalwork class. His hands slipped and he sustained a cut on his hand. First aid administered (cleaned wound); advised to seek medical attention.	SD36 - Surrey	Enver Creek Secondary
10-15-2019 10:30:00	Accidentally struck his hand against the band saw table top. Youth care worker to pick up mom with student and drop them both at the hospital for further checking.	SD36 - Surrey	Kwantlen Park Secondary
11-14-2019 14:15:00	Student squished left middle finger while coiling wire for chainmail project. Pinched middle finger in vice in Metalwork class.	SD36 - Surrey	Earl Marriott Secondary
11-19-2019 09:00:00	Students were hammer-finishing in metalwork; somehow the anvil slipped off the wood block and hit student's knee and landed on her foot. First aid administered (ice/poc), parent notified, advised to seek med. attn. (x-rays)	SD36 - Surrey	Enver Creek Secondary
11-19-2019 09:25:00	In metalwork class, student was putting his belongings away and cut the side of his hand on a project that was already on the shelf. First aid administered, parent notified, advised to seek med. attn. Student returned to school next day - had 6 stitches.	SD36 - Surrey	Enver Creek Secondary

11-27-2019 10:25:00	Student bent over to pick up his bin off the floor, misjudged where the table was and hit his left cheek on the edge of the table. Small bump treated with ice.	SD36 - Surrey	North Surrey Secondary
12-03-2019 15:00:00	In Woodwork class student cut 4th finger knuckle	SD36 - Surrey	Fleetwood Park Secondary
12-16-2019 13:45:00	Pinched on lathe. Was throwing a bowl onto the lathe and was caught between plate and lathe.	SD36 - Surrey	Earl Marriott Secondary
01-16-2020 12:30:00	♂ was setting up the drill press when it was accidentally turned on due to miscommunication. Check key hit his thumb.	SD36 - Surrey	Earl Marriott Secondary
09-17-2020 14:10:00	student cut middle finger of left hand on bandsaw	SD36 - Surrey	Lord Tweedsmuir Secondary
09-30-2020 10:45:00	Student was using wire wheel in the shops, lost grip and hand hit the wheel. Cut finger.	SD36 - Surrey	Earl Marriott Secondary
10-19-2020 10:30:00	In woodworking class, student injured his left index finger	SD36 - Surrey	Fleetwood Park Secondary
10-22-2020 11:08:00	In Engineering class, student cut right side of thumb	SD36 - Surrey	Fleetwood Park Secondary
10-26-2020 12:45:00	Student's left index (pointer) finger got hit by a hammer while flattening a wire in metal shop. Medium cut on finger and a little swelling.	SD36 - Surrey	Kwantlen Park Secondary
11-30-2020 08:20:00	In woodshop class, tripped and fell landing on his right heel of palm, possible fracture of wrist. Confirmed he has a minor fracture by his doctor.	SD36 - Surrey	Sullivan Heights Sec & Bell Arts Centr
12-08-2020 09:20:00	While in Metalwork class, ♀ was using a sharp tool which slipped and made a small incision in his left palm. First aid administered (cleaned & dressed wound); student returned to class.	SD36 - Surrey	Enver Creek Secondary
01-08-2021 09:00:00	Student was working on the bandsaw and pushed a piece of wood too close and cut his middle finger on right hand. Called mom to pick up and take to hospital for stitches after applying bandage.	SD36 - Surrey	Kwantlen Park Secondary
02-11-2021 00:00:00	Student was working in the wood shop on the mitre saw. Teacher was beside him helping him guide the wood and when it reached the end the wood pinched and kicked back causing the student to jam his hand forward into the blade of the saw.	SD36 - Surrey	Semiahmoo Secondary
03-01-2021 13:45:00	Student was grinding metal and accidentally touched the hot part of the metal with his left thumb.	SD36 - Surrey	Kwantlen Park Secondary
04-15-2021 00:00:00	♂ hand slipped while using chisel and she cut her left index finger. 1st aid attended and parent contacted. Mother and brother picked up student to take ♀ for medical treatment.	SD36 - Surrey	Guildford Park Secondary
05-27-2021 00:00:00	During automotive visual demo, students legs seemed to buckle and she fell to her left hitting a vehicle bumper with her body before failing to the concrete, possibly hitting her head.	SD36 - Surrey	Queen Elizabeth Secondary
06-08-2021 00:00:00	Student lost grip on object on sander and finger slipped into sander belt and got stuck. Student lost all of finger nail.	SD36 - Surrey	Earl Marriott Secondary
06-09-2021 00:00:00	Sawing with a vice and hand slipped. One inch by one inch cut on left hand.	SD36 - Surrey	Earl Marriott Secondary
09-17-2021 10:15:00	Student fainted hitting his chin on a machine in the woodwork shop as he fell.	SD36 - Surrey	Kwantlen Park Secondary
09-24-2021 00:00:00	Student banged his knee on a metal work cabinet.	SD36 - Surrey	Kwantlen Park Secondary
10-13-2021 00:00:00	Cutting a piece of wood on table saw when kickback occurred. Piece of wood shot back hitting ♀ in the stomach/pelvic region.	SD36 - Surrey	Earl Marriott Secondary
10-14-2021 10:20:00	Student was working in the metal shop feeling dizzy and nauseous. Said he hadn't eaten breakfast.	SD36 - Surrey	Kwantlen Park Secondary
05-20-2014 14:25:00	Student advised another student to activate press not realizing his hand was in a dangerous position. Automotive shop.	SD37 - Delta	North Delta Secondary
01-22-2015 10:35:00	Student was cutting metal with the shear machine, catching his right index finger under cutter. Deep laceration at nailbed (Not full avulsion); possible fracture.	SD37 - Delta	North Delta Secondary
02-19-2015 10:15:00	Student pushed left thumb under jointer cutting thumb pad (avulsion 1 cm x 1cm + .5 cm cut through 3 layers). Woodwork Classroom	SD37 - Delta	North Delta Secondary
12-11-2014 11:00:00	Student removed nozzle from spray can and paint sprayed out and onto his face/eye.	SD37 - Delta	South Delta Secondary
10-18-2016 14:30:00	caught her 3rd and 4th fingers in jointer in woodworking classroom removing tips 1/2" into nails. Full Neuro/motor distal	SD37 - Delta	North Delta Secondary
11-14-2016 10:30:00	Wood class, reached over & hit bad instead of turning off machine. Hit L ring and middle finger. Skin flap off ring finger exposing skin, bleeding. Smaller cut on middle finger, bleeding. ABC. Gauze, antiseptic. Parent taking to hospital.	SD37 - Delta	Sands Secondary
03-28-2017 13:55:00	Std was feeling warm, collapsed in shop class. She hit her head on wood lathe handle as she fell. 80 bpm @ 2 pm, 100 bpm @ 2:05 pm, 60 bpm @ 2:10 pm. Ice on eye @ 2pm. Take off layers to cool	SD37 - Delta	Sands Secondary

04-04-2017 08:45:00	Woodworking, piece of wood fell on the back of his head. Did not tell anyone until 12:30, when headache began. 6/10 pain, localized back head/headache. Headache started in academy. ABC. Concussion response tool. Pupils responsive. Parent pick up. Rest.	SD37 - Delta	Sands Secondary
05-31-2017 14:20:00	Hitting chisel with wooden hammer in electronics class, chisel slipped, hit finger, cut. ANC checked. Cleaned wound with antibiotic rinse, rinsed with saline, applied pressure, bandaid.	SD37 - Delta	Sands Secondary
06-02-2017 12:50:00	Accidentally pressed pedal on sewing machine. Needle went through R thumb, through posterior to anterior (missed nail, appears to only be soft tissue) ABC checked. Needle still in thumb. Cover, seek medical attention. Mom pick up.	SD37 - Delta	Sands Secondary
11-06-2017 13:00:00	Wood class, dust in glasses, put glasses on, sawdust in eyes. Cannot see any particles upon examination. Std still feels it after flush. Parent pick up.	SD37 - Delta	Sands Secondary
11-21-2017 09:00:00	In Electronics class, hit soldering iron with R middle finger, 2nd degree burn, blister intact. Rinsed under cold water 15 minutes. Blister intact. No bandage applied. Std told to return if blister breaks.	SD37 - Delta	Sands Secondary
11-29-2017 13:55:00	Student became light headed, had to be helped to the ground, followed incident with other student. Had not eaten breakfast. BPM strong. Ice to elbow, follow up next day.	SD37 - Delta	Sands Secondary
12-12-2017 09:30:00	Accidentally touched disc sander while it was spinning. Left thumb. Clean and bandage wound.	SD37 - Delta	Sands Secondary
01-08-2018 13:20:00	In woodshop, felt particle in eye, likely sawdust. Std wiped eye with clean finger. Checked for visible particle or scratch. None found. Std returned to class without any reported discomfort.	SD37 - Delta	Sands Secondary
01-19-2018 10:15:00	Sm cut pointer finger. Student accidentally touched scroll saw blade while it was moving. Cleaned and bandaged.	SD37 - Delta	Sands Secondary
10-16-2018 12:30:00	Wood class, reached behind guard of planner, amputated tip of middle and ring fingers on L hand. Keep clean and secured with sterile non-stick pad for paramedics. Called ambulance.	SD37 - Delta	Sands Secondary
11-19-2018 14:05:00	In metal shop, using file, slipped cut R thumb just below finger nail on sheet metal. Cleaned and dressed, called parent, advised clinic/EMG for possible stitch to close. Parent pick up.	SD37 - Delta	Sands Secondary
01-09-2019 13:00:00	Other student hit patient above the L eye with a piece of wood.	SD37 - Delta	Seaquam Secondary
02-14-2019 09:25:00	Burnt finger on hot glue gun during Engineering class	SD37 - Delta	Seaquam Secondary
02-22-2019 09:40:00	Cut middle finger with rotary cutter in textiles.	SD37 - Delta	Sands Secondary
06-05-2019 09:10:00	Hit back of head on ground. Has a bump and swelling.	SD37 - Delta	Seaquam Secondary
09-26-2019 08:46:00	student severely cut 4 fingers on his left hand while operating a jointer in the woodshop, student was attended to by schools first aid attendants while awaiting paramedics, student was then transported by ambulance to hospital	SD37 - Delta	North Delta Secondary
10-01-2019 11:00:00	Blade slipped while cutting cardboard in engineering room. Laceration left index finger nail.	SD37 - Delta	Seaquam Secondary
09-11-2019 11:15:00	Tech shop - fainted, felt over heated. Checked for any bumps on head/body, none found. Suggested hydration. Spoke to Mom.	SD37 - Delta	Seaquam Secondary
10-03-2019 12:00:00	Finger crushed by 2 pieces of metal. Middle and ring fingers on left hand. Constant sharp pain.	SD37 - Delta	Seaquam Secondary
11-15-2019 10:40:00	Burn on right hand and thumb in metal shop.	SD37 - Delta	Seaquam Secondary
11-26-2019 09:20:00	A student was spray painting in Auto Shop without permission and without proper ventilation, which caused student to feel sick and later throw up.	SD37 - Delta	North Delta Secondary
11-27-2019 11:35:00	Dropped clamp on foot, bleeding alot	SD37 - Delta	South Delta Secondary
12-20-2019 14:35:00	Burned finger on a hot rod in Metal Shop	SD37 - Delta	Seaquam Secondary
01-20-2020 11:05:00	Cut R index finger with rotary cutter.	SD37 - Delta	Seaquam Secondary
02-05-2020 13:00:00	Got shaving of metal in both eyes. Washed eyes out for 20 minutes.	SD37 - Delta	Seaquam Secondary
10-30-2020 10:00:00	Power Tech class, sanding blocks, sawdust in left eye. Wasn't wearing safety goggles. Flushed eye well with water. Still felt like something under eye lid, couldn't see any object.	SD37 - Delta	Seaquam Secondary

Redness, no new bruising or swelling. Called mom & recommended take to med clinic.	SD61 - Greater Victoria	Lansdowne Middle School
06-02-2017 11:00:00	♂ cut her finger in the jig saw in woodshop. Shallow laceration above first knuckle on right ring finger. Cut was irrigated and cleaned. Very shallow cut. Applied pressure until bleeding stopped. Band-Aid applied and ♂ returned to class	SD61 - Greater Victoria	Gordon Head Middle School
06-09-2017 09:25:00	Using an Acetylene Torch in Tech Ed room to scorch wood. Tool slipped and burned L hand near base of thumb	SD61 - Greater Victoria	Central Middle School
10-03-2017 10:45:00	♂ was using a chisel during woodworking class. He had his finger in front of the blade and sliced his index finger. Stiches were required.	SD61 - Greater Victoria	Oak Bay Secondary
10-27-2017 12:30:00	Student grazed her left wrist with a grinder in Shop class.	SD61 - Greater Victoria	Spectrum Community
11-10-2017 12:45:00	Student accidentally grabbed a hot metal handle in shop class.	SD61 - Greater Victoria	Spectrum Community
11-20-2017 14:00:00	Student was cleaning up in Shop class and backed into the lathe machine and jerked his arm away causing a laceration.	SD61 - Greater Victoria	Spectrum Community
12-08-2017 09:55:00	♂ was working in the wood shop using a sander. She injured her fingers on both hands.	SD61 - Greater Victoria	Monterey Middle School
12-15-2017 12:12:00	♂ was in the wood shop for Ind. Ed. using the band saw. His right thumb slipped and made a 2-3 cm cut. The cut was quite deep.	SD61 - Greater Victoria	Monterey Middle School
01-23-2018 09:45:00	Student was cleaning up in the Wood Working Shop and grabbed a hot soldering iron.	SD61 - Greater Victoria	Spectrum Community
03-01-2018 14:15:00	Student injured his left hand when a strip came off of a belt sander in Shop class.	SD61 - Greater Victoria	Spectrum Community
03-06-2018 11:20:00	The tip of a student's right index finger came in contact with a belt sander in Shop class.	SD61 - Greater Victoria	Spectrum Community
03-05-2018 10:35:00	Student felt sharp pain in his side after lifting a flat tire. Was advised to sit down. Called first aid attendant to classroom. Called home to mom and aunt. Aunt came and picked the student up and brought him to a clinic.	SD61 - Greater Victoria	Victoria High School
03-07-2018 13:15:00	Student caught her finger in a slowly revolving disk sander. Approx. 1/8 of her right index fingertip ripped off. Finger was bandaged as a result.	SD61 - Greater Victoria	Victoria High School

03-14-2018 10:55:00	♂ was using the mitre saw to cut a piece of wood in the wood shop class. He cut the top of his right hand above his index finger.	SD61 - Greater Victoria	Monterey Middle School
03-14-2018 10:00:00	Student experienced intense pain under her abdomen on the left side. Dizzy feeling as well.	SD61 - Greater Victoria	Spectrum Community
04-25-2018 09:25:00	Student was welding and a hot piece of metal went under the safety glasses causing a small burn to the lower right eyelid.	SD61 - Greater Victoria	Spectrum Community
05-11-2018 12:10:00	Student cut his knuckle while opening a glass jar which shattered in Wood Shop.	SD61 - Greater Victoria	Spectrum Community
05-15-2018 11:15:00	Possibly a speck of dust or rust fell into student's left eye in Metal Shop.	SD61 - Greater Victoria	Spectrum Community
05-29-2018 09:40:00	A piece of sheet metal slipped off the jack and landed on the student's left foot. He rated his pain 6 out of 10. Ice was applied and a call was placed to the student's home. Father arrived and said he would take student to the clinic for an x-ray.	SD61 - Greater Victoria	Victoria High School
06-19-2018 14:00:00	Student suffered 1.5 mm long and approximately .5 mm deep laceration to the inside of his left palm. Student reacted to the sight of blood and started to show signs of shock. Ambulance was called to treat the shock.	SD61 - Greater Victoria	Spectrum Community
06-19-2018 14:00:00	Student suffered a 1.5 inch long and 5mm deep laceration to the inside (proximal) of the left palm. Student showed signs of going into shock so the ambulance was called.	SD61 - Greater Victoria	Spectrum Community
10-10-2018 14:20:00	tip of middle finger squished	SD61 - Greater Victoria	Mount Douglas Secondary
10-26-2018 02:15:00	♂ was using the belt sander in wood shop and sanded the nail on the middle finger (left hand) almost completely down exposing the skin underneath the nail.	SD61 - Greater Victoria	Monterey Middle School
11-08-2018 09:25:00	Cut on thumb - feeling very faint. Called home - juice - cold pack.	SD61 - Greater Victoria	Victoria High School
11-15-2018 13:35:00	While using scroll saw in the woodshop, ♂ hand slipped and he cut his thumb	SD61 - Greater Victoria	Glanford Middle School
12-20-2018 08:45:00	Pinch, cone on tire balancer, right inner ring finger. Clean, band aid, sent back to class	SD61 - Greater Victoria	Victoria High School
01-08-2019 09:30:00	♂ was sharpening a tool which slipped & sliced his left index finger	SD61 - Greater Victoria	Lambrick Park Secondary
05-03-2019 11:50:00	Student turned into the car lift in Auto Shop and chipped his front right tooth.	SD61 - Greater Victoria	Spectrum Community
05-08-2019 13:25:00	Student tripped over some wood and landed on right middle knuckle.	SD61 - Greater Victoria	Spectrum Community
10-02-2019 13:00:00	Metal Art - sliced a piece of skin on thumb. Does not appear to be anything in the wound. Feeling a little light headed. Pressure applied to stop bleeding, wrapped to continue. Called Dad to decide to go home. Going home.	SD61 - Greater Victoria	Victoria High School
10-18-2019 11:45:00	Student was in an altercation with another student when on brandished a box cutter. ♂ went to grab it and cut his right hand in the process.	SD61 - Greater Victoria	Spectrum Community
11-01-2019 13:10:00	Plasma cutter burned right through the welding glove which had a hole in it.	SD61 - Greater Victoria	Spectrum Community
11-05-2019 09:35:00	Cut finger on bandsaw. 1.5 cm laceration to right index and middle finger at middle joint. Sent to Clinic for possible stitches.	SD61 - Greater Victoria	Esquimalt High School
01-16-2020 14:40:00	Working on a machine in Metal Art. Leaning over the machine her hair was caught and pulled out. Three inches of hair removed from top of head. Open and raw. Little bleeding. Called home - parent will clean and take to the doctor.	SD61 - Greater Victoria	Victoria High School
02-04-2020 12:40:00	Student tripped in Shop class, landing on her knee.	SD61 - Greater Victoria	Spectrum Community
10-15-2020 12:50:00	Metal Shop/loosening bolt w/wrench. Wrench slipped and hit him on forehead over right eyebrow. Slight headache no dizziness. Might need stitch. Cleaned w/water. Secured steri strip. Mom called. Might need a stitch.	SD61 - Greater Victoria	Reynolds Secondary
11-10-2020 10:15:00	Student slipped and cut his right thumb while holding a metal pipe in metal shop.	SD61 - Greater Victoria	Spectrum Community
11-23-2020 10:00:00	Sliver in his thumb	SD61 - Greater Victoria	Esquimalt High School
12-17-2020 09:45:00	Brushed hand against a wire pad in metal shop.	SD61 - Greater Victoria	Spectrum Community
03-12-2021 00:00:00	Ring Finger on left hand. Torn by rotating gears. Washed & used an antiseptic wipe - applied band-aid	SD61 - Greater Victoria	Victoria High School
05-19-2021 00:00:00	Cut middle finger of left hand while cutting hair wash hand, apply pressure, band-aid finger	SD61 - Greater Victoria	Victoria High School

09-23-2021 00:00:00	Using grinding station in metal shop. Sparks from wheel ignited a spark on 6 77 left side (shirt) Teacher patted out with hands. 6 77 touched shirt with bare fingers and burnt his Left pointer finger. Ran under cold water (10 mins+) Applied cool cloth	SD61 - Greater Victoria	Reynolds Secondary
10-12-2021 11:00:00	In Autoshop pinch skin and skin came off.	SD61 - Greater Victoria	Esquimalt High School
10-11-2014 13:05:00	During Woodwork, had a "tape" around head which slid down to his neck. A friend then pulled on it which scratched 3/4 circumference of his neck.	SD62 - Sooke	Dunsmuir Middle School
01-05-2015 09:10:00	Caught right ring finger on belt sander in woodwork - shaved off corner.	SD62 - Sooke	Dunsmuir Middle School
04-30-2015 15:05:00	Student took off her boots before clean up was complete & then picked up some 2x4 material to put away, which dropped on her foot resulting in prof. medical attn; teacher was informed of this nearly two weeks later (May 13, 2015) by student's mother	SD62 - Sooke	Edward Milne Community School
06-04-2015 13:30:00	Student carving a piece of cedar, knife slipped causing him to cut his thumb.	SD62 - Sooke	Dunsmuir Middle School
02-16-2016 13:30:00	Cutting wood on bandsaw, cut finger slightly. She did not ask permission.	SD62 - Sooke	Journey Middle School
10-03-2016 15:00:00	Student was cleaning up & pushed over an oak block that landed on her foot. There was a scrape and bruising on outside edge of foot.	SD62 - Sooke	Dunsmuir Middle School
11-03-2017 11:50:00	6 77 was near the wood lathes when he brushed up against the lathe knife. The blade was sharp enough that it cut 6 77 across his arm (lower right arm).	SD62 - Sooke	Dunsmuir Middle School
01-21-2019 12:15:00	Student was using Pedestal Grinder to grind pipe. He put his finger too close and it got caught between the footrest and the wheel.	SD62 - Sooke	Edward Milne Community School
05-27-2019 13:35:00	Using an angle grinder with a zip blade, during the metal cutting procedure a spark from the stock being out, jumped the safety glasses.	SD62 - Sooke	Edward Milne Community School
03-02-2020 11:00:00	6 77 cut his left middle finger in the woodshop with a band saw. In the Medical Room the cut was washed, applied pressure, and when examined a 3mm cut could be seen on the finger tip. The finger was bandaged and 6 77 called home. Was given extra gauze.	SD62 - Sooke	Spencer Middle
01-05-2021 14:15:00	Student hit his left thumb close to the knuckle joint with a hammer. Student feels he broke it as he has in the past. Pain level 7.5/10. Capillary refill good. Ice/elevated. Advised to see medical attention. Student did get x-ray and hand was splinted	SD62 - Sooke	Royal Bay Secondary
11-19-2015 00:00:00	6 77 slices his index finger on his left hand on a buff of metal in the auto shop resulting in a 1.5 inch laceration.	SD63 - Saanich	Stelly's Secondary School
05-05-2017 00:00:00	Student was cleaning in shop & tripped on a broom another student was cleaning with.	SD63 - Saanich	Bayside Middle School
03-12-2018 00:00:00	During a 'tex' class student cut his right hand using skilsaw. Significant cut but covered and elevated.	SD63 - Saanich	Claremont Secondary School
03-31-2021 13:30:00	-while using the lathe in the Woodshop student's hair was caught in mechanism pulling out loonie sized clump of hair -student's head was pulled forward and hit on lathe causing a cut on right eyebrow, requiring 2 stitches	SD63 - Saanich	North Saanich Middle School
06-22-2021 10:50:00	Was playing ping pong in the tech ed room. The ball fell off the table he went to pick it up and hit his head on the metal pillar under the stairs.	SD63 - Saanich	Royal Oak Middle School
06-10-2014 10:58:00	Student hit his head on the engine part from a lawn mower. Student was horsing around using the engine part as a yo-yo.	SD67 - Okanagan Skaha	Penticton Secondary
06-05-2014 12:40:00	Student was welding and a small piece of welding wire landed on his glove and left a small wound on his finger.	SD67 - Okanagan Skaha	Penticton Secondary
03-03-2015 12:00:00	Student received a slight cut to fingernail of one finger while using bandsaw. (Piece of wood broke during cutting, causing hand to slip forwards.)	SD67 - Okanagan Skaha	KVR Middle School
10-28-2015 11:00:00	Student was using a scroll saw in the tech ed. room and had his hand improperly positioned. Student slipped while cutting, causing his finger to become in contact with the blade.	SD67 - Okanagan Skaha	KVR Middle School

02-27-2019 01:40:00	Drilled into finger with hand drill. Drill bit broke and broken piece punctured Right Thumb	SD69 - Qualicum	Ecole Secondaire Ballenas Secondary
03-05-2019 10:00:00	Student was using an exacto knife to strip away casing off of an electrical wire on Try a Trade Day. Laceration to left thumb.	SD69 - Qualicum	Kwalikum Secondary
04-04-2019 12:20:00	student was using a disc sander in woodshop with material pointing wrong way causing 3 fingers on left hand to lose some skin. It was a very minor incident.	SD69 - Qualicum	Kwalikum Secondary
05-14-2019 09:30:00	Using tire swapper, placed hand in "the bite" as wheel was turning and pinched skin on left thumb. Sent to Oceanside Clinic. Treated and released.	SD69 - Qualicum	Kwalikum Secondary
09-19-2019 13:30:00	Engine fell off stand from height of 8' 12" landing on student right hand. First aid given, parent called. Student picked up and taken to Oceanside Clinic	SD69 - Qualicum	Kwalikum Secondary
09-20-2019 13:00:00	Student was filing wood without safety glasses. the file slipped and struck his right eye. Eye exam arranged at Focal Point Optometry	SD69 - Qualicum	Kwalikum Secondary
09-05-2019 10:30:00	While watching a Worksafe video, student fainted, falling backwards off the stool and hitting his head on table. Taken to Oceanside Clinic. Treated and released	SD69 - Qualicum	Kwalikum Secondary
10-11-2019 11:05:00	student was chiselling wood during woodworking class. Chisel slipped and impacted left hand. Small but deep laceration left hand between thumb and pointer finger. Parent picked up. Brought to Oceanside Health Centre. Treated and released	SD69 - Qualicum	Kwalikum Secondary
10-29-2019 10:05:00	Cleaning rusty nail with sand paper and was poked in the left thumb with the end of the nail. Tetanus shot recommended.	SD69 - Qualicum	Kwalikum Secondary

12-10-2019 14:30:00	Student was changing speed on drill press and got his right hand caught in pulley when another student turned it on. Hospitalized, treated and released.	SD69 - Qualicum	Kwalikum Secondary
03-11-2021 00:00:00	While playing air hockey at break, student acquired a sliver under her thumb nail. Teacher couldn't remove with success. Once student was home, she went to urgent care to get her nail frozen and sliver removed.	SD69 - Qualicum	Ecole Secondaire Ballenas Secondary
01-07-2014 14:00:00	Student sliced the posterior region of his left middle finger, first phalange, caused by contact with another student holding a wood lathe chisel.	SD70 - Pacific Rim	Tsuma-as Elementary
01-10-2014 14:00:00	Student drilling a 3x4 piece of wood. Did not use clamp as directed. Wood spun on drill bit fell onto table and hit student on the right eye.	SD70 - Pacific Rim	Tsuma-as Elementary
02-14-2014 10:45:00	Student fed a piece of wood into the router the wrong way (against the indicated arrow and contrary to training). The wood was pulled into the blade including his thumb. Parent was called and he was taken to hospital.	SD70 - Pacific Rim	E J Dunn Elementary
03-24-2014 11:30:00	Student was carving during Wood Work class...using carving chisel...chisel slipped and cut left palm	SD70 - Pacific Rim	Ucluelet Secondary
11-04-2014 14:10:00	Student was sanding using the belt sander. Suffered an abrasion to left 1st phalange.	SD70 - Pacific Rim	Tsuma-as Elementary
11-06-2014 14:30:00	Student was using the belt sander. Abrasions of fingers. Right 1,2,3 phalanges. 2nd phalanges has an open wound.	SD70 - Pacific Rim	Tsuma-as Elementary
05-07-2015 12:00:00	Student was using the belt/disc sander and metal piece pinched between belt and pulled finger against belt.	SD70 - Pacific Rim	Alberni District Secondary
06-15-2015 13:10:00	Another student had hot glue on a pen and reached over and put it on student's right hand (top side).	SD70 - Pacific Rim	Alberni District Secondary
10-06-2015 14:00:00	Student was cutting a piece of wood with the mitre saw and the mitre saw kicked back and hit her in the shoulder/chest area. The wood she was cutting also kicked back and hit her in the shoulder/chest area.	SD70 - Pacific Rim	Alberni District Secondary
11-25-2015 11:40:00	While positioning hoist arms under vehicle, student's legs were twisted in an awkward position. This occurred at the NIC Tebo Campus.	SD70 - Pacific Rim	Alberni District Secondary
01-16-2016 10:00:00	Student was working on a car and pinched and cut his hand (left hand, middle knuckle)	SD70 - Pacific Rim	Alberni District Secondary
02-25-2016 09:45:00	Student was moving oil (from oil change) and dropped container. Oil splashed up over student and some oil got in his right eye. Student was advised to go to the eye clinic and get his eye washed out.	SD70 - Pacific Rim	Alberni District Secondary
05-03-2016 09:00:00	Student cut finger on bandsaw. Came into the office and received First Aid from R. Hall. It was cleaned out and a bandaid placed on finger. Cut was deep.	SD70 - Pacific Rim	Alberni District Secondary
04-20-2016 09:30:00	Student was helping to move some sheet metal. His hand slipped and he cut the palm on his right hand.	SD70 - Pacific Rim	Alberni District Secondary
05-09-2016 10:30:00	He was working with a belt sander and sanded the fingers on the back of his left hand (3) One was to the ligament. Notified parent that he should be taken to see the doctor.	SD70 - Pacific Rim	Alberni District Secondary
05-18-2016 11:05:00	Student was using a soft disc hand held grinder. The disc caught on metal and came apart striking student in the stomach.	SD70 - Pacific Rim	Alberni District Secondary
10-18-2016 09:05:00	Student was soldering metal together, started to move with pliers to the sink to cool it down. Dropped the project and tried to pick it up with her fingers. She burnt her fingers.	SD70 - Pacific Rim	Alberni District Secondary
11-04-2016 08:40:00	Student was sanding on a disc sander - the First finger nail was pulled off while he was sanding.	SD70 - Pacific Rim	Alberni District Secondary
12-07-2016 14:15:00	Student banged head while walking under electrical panel. Called home and both cells, left msg that he had cut his head. Let them know that it wasn't bleeding anymore, but that they should watch him tonight.	SD70 - Pacific Rim	Alberni District Secondary
12-15-2016 10:10:00	Student caught finger in disc sander. Student called mom and mom came in to bring him to the hospital/doctor.	SD70 - Pacific Rim	Alberni District Secondary
04-24-2017 13:05:00	Student was helping move lengths of metal from autoshop parking lot to metal shop - complained of sore back afterwards. Student phoned mom who picked him up and brought him to the chiropractor.	SD70 - Pacific Rim	Alberni District Secondary
04-24-2017 13:05:00	Student was helping move lengths from auto shop parking lot to metal shop. He hurt his back. Mom came and picked him up and brought him to the chiropractor.	SD70 - Pacific Rim	Alberni District Secondary
05-16-2017 13:25:00	Student was throwing up a ring of chain and catching it. Another boy decided to stab at the ring with a moving drill. The drill missed the ring and stabbed student in the hand. Wound was cleaned out and dressed in classroom.	SD70 - Pacific Rim	Alberni District Secondary

05-29-2017 09:10:00	Student was loosening vise and caught a sharp edge putting a small cut on the end of his finger. He panicked, vomited and almost fainted. We sent a first aid attendant down to the classroom who cleaned and bandaged the wound.	SD70 - Pacific Rim	Alberni District Secondary
05-05-2017 12:45:00	Student was sanding a knife project and did not have it properly supported. It slipped and cut her finger. It was washed and covered. She was advised to monitor it and seek medical attention if needed.	SD70 - Pacific Rim	Alberni District Secondary
06-20-2017 12:15:00	Student was sitting on a stool in the woodshop. He fainted and fell off the stool then stood up. Did not appear to be injured. The teacher phoned his home and let them know what happened.	SD70 - Pacific Rim	Alberni District Secondary
06-22-2017 09:58:00	Student was in the metalwork shop and another student was horsing around and touched her back with a hot object. She received a burn on her back. Cold cloth and 2nd skin put on. She called mom and mom called office. I said to seek medical help if need	SD70 - Pacific Rim	Alberni District Secondary
09-21-2017 10:00:00	Student sanded his fingers in woodwork. We cleaned it up in the office but he refused to put a bandaid on it. Called mom to let him know about his fingers and asked him to check it out when he got home and take to emerg if needed.	SD70 - Pacific Rim	Alberni District Secondary
10-26-2017 13:35:00	The student was working in the metal shop and sliced his finger on a piece of metal. Student treated and contacted dad to let him know what happened. Dad will be checking on wound when student gets home and take him for stitches if needed.	SD70 - Pacific Rim	Alberni District Secondary
11-28-2017 14:00:00	Student was talking with a group of students. Another student picked up a piece of doorskin. A block of wood was on top of it. The block fell on the students head. Called mom and let her know what happened and to seek medical attention if needed.	SD70 - Pacific Rim	Alberni District Secondary
02-08-2018 09:00:00	Student was sawing with a jewelry saw too aggressively and the blade broke lodging into his right thumb. Called mom to let her know that he would need some medical attention. She met our First Aid Attendant in Emergency. Student came by later all stitched up	SD70 - Pacific Rim	Alberni District Secondary
06-01-2018 10:30:00	Student did not realize that chuck key on chain was wrapped around chuck. Turned on drill press and was struck by flinging key.	SD70 - Pacific Rim	Alberni District Secondary
09-11-2018 01:00:00	Student attempted to adjust wood while mitre saw was running	SD70 - Pacific Rim	Alberni District Secondary
09-19-2018 09:30:00	Student bumped his head (Back left side) on car hoisted up on a hoist during applied skills 8 class in the automotive shop.	SD70 - Pacific Rim	Alberni District Secondary
11-13-2018 09:30:00	Student was using a soft faced high speed sander, holding project with left hand. The disc caught the sharp edge, broke, and flew apart striking hand.	SD70 - Pacific Rim	Alberni District Secondary
11-20-2018 11:20:00	Student was cut with a scroll saw on the left hand, middle finger.	SD70 - Pacific Rim	Alberni District Secondary
11-22-2018 09:30:00	Student was making a lap joint on a table saw with dodo blades. He pulled backward through the blades and lost control, cutting the left index finger.	SD70 - Pacific Rim	Alberni District Secondary
02-28-2019 09:20:00	Student fainted in wood shop class due to pre-existing medical condition. Fell to floor and struck right side of head.	SD70 - Pacific Rim	Alberni District Secondary
03-07-2019 11:10:00	Student hurt his right pointer finger in woodwork by touching it to the stander slightly	SD70 - Pacific Rim	Alberni District Secondary
04-04-2019 09:50:00	Student cut a piece of 3/8" steel round stock with a cut-off saw, then picked the piece up while it was still hot from the cut	SD70 - Pacific Rim	Alberni District Secondary
05-27-2019 09:00:00	Right ring finger was injured in shop class. A chuck key was left in the drill press and the student started the drill press. His fingers were wrapped in attached chain.	SD70 - Pacific Rim	Alberni District Secondary
09-10-2019 09:00:00	Student left key in drill chuck and turned drill on. Key shot out from drill press from tension on the chain. It hit the students hand, scraping and bruising his fingers.	SD70 - Pacific Rim	Alberni District Secondary
10-31-2019 01:15:00	Student was filing sheet metal and her hand slipped and was cut on a sharp corner of metal.	SD70 - Pacific Rim	Alberni District Secondary
10-30-2019 02:45:00	Student was cutting metal with a jewelry saw blade. The blade broke and jammed in the students left pointer finger.	SD70 - Pacific Rim	Alberni District Secondary
10-22-2019 02:20:00	Student cut left hand middle finger while using the band saw during woodwork class	SD70 - Pacific Rim	Alberni District Secondary
12-03-2019 09:15:00	Student was using a Mitre saw. The wood caught in the blade, striking the students hand. Avulsed wound.	SD70 - Pacific Rim	Alberni District Secondary
12-18-2019 09:00:00	Student heated a piece of metal, went to turn it over and burned finger through a hole in the glove.	SD70 - Pacific Rim	Alberni District Secondary
11-05-2020 02:45:00	Student was descending down stairs from storage room, cut his right inner forearm deeply on sharp Sheetmetal sticking out above profile of railing.	SD70 - Pacific Rim	Alberni District Secondary

03-31-2021 00:00:00	Student finishing a cut on a scroll saw, wood pinched blade and began to bounce causing a small compression tear to right index finger being pinched between wood and table.	SD70 - Pacific Rim	Alberni District Secondary
10-13-2021 00:00:00	Student bent down to pick up dropped item, stood up quickly and grazed safety glasses on end of bench vice. Bruised/ abrasion left around students eye from impact of safety glasses on bench vice.	SD70 - Pacific Rim	Alberni District Secondary
02-20-2014 14:30:00	Student dropped a 10 lb. vice on his foot, which broke the skin and blood pooling under the nail.	SD71 - Comox Valley	Georges P Vanier Secondary
02-28-2014 15:00:00	While making a cut on the table saw, student's left thumb slipped and hit the blade.	SD71 - Comox Valley	Georges P Vanier Secondary
03-06-2014 09:30:00	♂ was brazing in metalwork class and was burned with the flame of the oxyacetylene torch.	SD71 - Comox Valley	Cumberland Secondary
03-06-2014 10:50:00	was working with a band saw and his thumb got in the way of the blade.	SD71 - Comox Valley	Highland Secondary
04-29-2014 09:30:00	pinched his finger when sliding a mold for concrete and required 4 stitches.	SD71 - Comox Valley	Sandwick Alternate
10-02-2014 13:30:00	finished welding, removed his glove and put his hand on the table near his welding area. He burned the skin off the palm of his hand (the burn was 2" x 1" long).	SD71 - Comox Valley	Sandwick Alternate
10-10-2014 14:00:00	was cleaning a knife in foods class and cut his right index finger.	SD71 - Comox Valley	Mark R. Isfeld Senior Secondary
10-10-2014 09:35:00	was cross cutting on a table saw and it kicked back, hitting his right hand.	SD71 - Comox Valley	Georges P Vanier Secondary
10-14-2014 10:30:00	was working with metal roofing material and cut his finger on the edge. It was a clean cut.	SD71 - Comox Valley	Sandwick Alternate
10-15-2014 13:45:00	says she was sewing in sewing class and accidentally put her thumb into the path of the needle on the machine.	SD71 - Comox Valley	Mark R. Isfeld Senior Secondary
10-16-2014 09:25:00	was handed a torque wrench in auto shop and walked into the end of it. He bumped the right side of his forehead about his eye.	SD71 - Comox Valley	Highland Secondary
11-14-2014 13:30:00	was participating in a wood carving class, using a #10 carving gouge. She slipped, pushing the chisel into the wood and lacerated her thumb on her left hand.	SD71 - Comox Valley	Cumberland Secondary
11-19-2014 11:45:00	says she was hammering her metal project and accidentally banged her left thumb with the hammer.	SD71 - Comox Valley	Mark R. Isfeld Senior Secondary
04-15-2015 13:30:00	pinched his left thumb in a jackhammer in auto mechanics class.	SD71 - Comox Valley	Highland Secondary
05-06-2015 10:05:00	Student was in ACE-IT class and was pulling nails with a hammer when the hammer slipped and he lacerated his left little finger.	SD71 - Comox Valley	Mark R. Isfeld Senior Secondary
05-19-2015 14:00:00	♂ was washing concrete with muriatic acid diluted in water and got some in his eye.	SD71 - Comox Valley	Sandwick Alternate
05-21-2015 15:30:00	Student stood up from the ground and struck the top of his head on the table that the band saw sits on and cut his scalp.	SD71 - Comox Valley	Mark R. Isfeld Senior Secondary
06-05-2015 10:00:00	♂ ♀ was working with a chisel, which slipped and sliced her finger	SD71 - Comox Valley	Mark R. Isfeld Senior Secondary
06-24-2015 12:30:00	Student cut his finger on a sharp metal can.	SD71 - Comox Valley	Sandwick Alternate
10-29-2015 11:00:00	Student's left hand finger went into drum sander causing cut on three fingers.	SD71 - Comox Valley	Cumberland Elementary
10-26-2015 10:10:00	♂ ♀ pulled a starter cord and hit his elbow on a piece of metal that was sticking out. 1" x 1" gash with fatty tissue sticking out (stitches required).	SD71 - Comox Valley	Georges P Vanier Secondary
01-11-2016 13:15:00	Flushing brakes on car and a stream of brake fluid hit him in the eye. Right eye red and blurry. Flushed for 15 minutes. No glasses were worn.	SD71 - Comox Valley	Georges P Vanier Secondary
10-30-2015 13:20:00	Pulling table apart when wooden leg struck face on right eyebrow. Bruising present.	SD71 - Comox Valley	Mark R. Isfeld Senior Secondary
01-28-2016 09:45:00	Student was using scroll saw incorrectly and left index finger was pushed into the blade; he advised first aid attendant he knew he was doing it wrong but used it anyway	SD71 - Comox Valley	Georges P Vanier Secondary
06-09-2016 11:50:00	♂ ♀ was standing at sanding wheels and without warning was on the floor in full seizure.	SD71 - Comox Valley	Georges P Vanier Secondary
01-21-2014 10:30:00	While in shop class, student tried to catch a razor scraper that was thrown to him by another student. Dad was notified and student was taken to hospital for stitches.	SD72 - Campbell River	Carihi Secondary
03-26-2015 14:20:00	A flake of metal blew up under students face shield while using a dremel. Student did not inform teacher as he thought debris was out and he was not discomforted.	SD72 - Campbell River	Carihi Secondary
06-05-2015 09:55:00	Cleaning up construction area at end of class and stepped on a screw. It went through the sole of his right shoe and into his foot, just below the pad of foot, left side under big toe. Mom picked him up, taken to doctor for tetanus shot.	SD72 - Campbell River	Carihi Secondary
10-08-2015 22:00:00	Using band saw, cut left thumb tip.	SD72 - Campbell River	Southgate Middle School
01-26-2016 12:00:00	Student fainted in shop class. Hit head when falling on floor. Called mom right away to pick up. Grandma picked up and took to emerg. Diagnosis: Small depression fracture in outer layer of skull, will heal on it's own. Concussed.	SD72 - Campbell River	Southgate Middle School

05-17-2016 01:40:00	Student was in the woodwork room when he was poked in the eye by another student. History, ABC's, Modified head to toe, eye irritation.	SD72 - Campbell River	Southgate Middle School
12-07-2018 11:00:00	Student was about to use a drill when he started it the drill spun over across his left hand between his thumb causing a laceration. Put pressure on it, cleaned it and wrapped it. Told to keep clean & dry.	SD72 - Campbell River	Ecole Phoenix Middle
02-08-2019 11:00:00	Student was in wood work shop when stationary bike pedals struck student on (L) lower leg while spinning around. History, ABCs, MOD, head to toe, good circulation, good R.O.M. 4 cm laceration to (L) lower leg anterior. Called parents to take to hospital.	SD72 - Campbell River	Ecole Phoenix Middle
04-25-2019 15:30:00	student was operating electric hand drill. Teacher observed drill was set to reverse-instructed student to switch. 5 min later, student operated it in reverse with heavy pressure-half of 1/8 bit sheared and punctured left thumb.	SD72 - Campbell River	Carihi Secondary
10-24-2019 11:40:00	Woodshop, pinched left ring finger tip 1/2cm bruise on finger tip, subcutaneous bleeding Bandaged, but was too painful so he called his dad for pick up Good mobility in finger, joints all good	SD72 - Campbell River	Ecole Phoenix Middle
02-20-2020 11:17:00	While working in the mechanical shop, student's hand slipped off a part and hit another bracket cutting his middle finger on the right hand at the 2nd knuckle	SD72 - Campbell River	Carihi Secondary
02-20-2020 11:15:00	Student fell off bench, left shin bruised, small scrape. Scrape cleaned & bandaged. Shin - purple raised bruise - ice. Good mobility, can weight bare, no pain in leg or foot. Ice and return to class	SD72 - Campbell River	Ecole Phoenix Middle
02-20-2020 11:15:00	Student fell off bench, left shin bruised & small scrape. Scrape - cleaned, bandaged. Shin - purple raised bruise - ice. Good mobility, can weight bare, no pain in leg or foot. Ice & return to class	SD72 - Campbell River	Ecole Phoenix Middle
04-13-2021 00:00:00	Hit left index finger with hammer - mother took to hospital (broken) and student returned to school.	SD72 - Campbell River	Carihi Secondary
02-12-2014 01:40:00	itchy rash (hives) on chest and arms after moving (maple) wood at lunch.  Treatment: removed shirt, new shirt given, washed & rinsed all affected areas (student washed himself)  Called parent, monitored until after school, sister picked up	SD73 - Kamloops/Thompson	Brocklehurst Middle School
02-11-2014 14:25:00	While demolishing paint booth structure a chain reaction of release of tension in the frame sprung a cut piece of angle iron loose and as part of the structure collapsed a cut piece stuck in the face and neck area.	SD73 - Kamloops/Thompson	Clearwater Secondary School
02-25-2014 09:20:00	reached into 'danger area' while machine was running to remove jammed wood while taking wood shop class.	SD73 - Kamloops/Thompson	Barriere Secondary
04-28-2014 09:30:00	in woodshop, hit left pointer finger with chisel, 2 cm laceration. cleansed, applied non-adherent gauze, stopped bleed. Left message with mom. took to ER for stitches.	SD73 - Kamloops/Thompson	Brocklehurst Middle School
04-15-2015 09:30:00	Chisel slipped between his fingers and sliced into his hand in shop class.	SD73 - Kamloops/Thompson	Barriere Secondary
05-27-2015 09:15:00	While disc sanding a piece of wood approximately 3/4x1x12, the piece of wood caught on the left side of the disc flipping it clear of the table and because of the forward pressure on the piece student's index finger caught between the disc and the table	SD73 - Kamloops/Thompson	Clearwater Secondary School
10-28-2015 11:35:00	Student attempted to cut a board to length on bandsaw. Saw appears to be set up correctly. No push stick was used by the student. Project slipped and right index finger contacted blade.	SD73 - Kamloops/Thompson	Barriere Secondary
10-27-2015 14:35:00	Student was making adjustments on drill press table and knocked the machinists vice on to his left foot, injuring his big toe	SD73 - Kamloops/Thompson	Clearwater Secondary School
02-25-2016 11:30:00	The student was in woodworking class. He was working with a chisel when it slipped and cut his finger. There was a laceration approx. 2 cm on his right hand index finger.	SD73 - Kamloops/Thompson	South Kamloops Secondary
04-05-2016 12:00:00	Student was in woodworking class using a saw. The piece of wood "kicked back" from the saw, hitting the student's abdomen and cutting his left hand thumb. Student was given first aid and went back to class.	SD73 - Kamloops/Thompson	Sa-hali Secondary
04-22-2016 09:30:00	Student was in woodworking class. Another student threw sawdust in his face. Some sawdust got into his left eye. The student immediately went to the eye wash station and rinsed out his eye for 15 minutes. His eye was checked for debris and was clear.	SD73 - Kamloops/Thompson	South Kamloops Secondary

06-07-2016 09:20:00	Student in shop class was cut by a piece of metal on the right forearm. There was a laceration approx. 4 cm in length. The laceration was bandaged up and parent came to take student for further medical assistance.	SD73 - Kamloops/Thompson	South Kamloops Secondary
09-14-2016 12:00:00	Student was using a hacksaw and he caught his ring finger on his left hand and cut open a knuckle.	SD73 - Kamloops/Thompson	Clearwater Secondary School
09-28-2016 12:00:00	While clamping a piece of wood in a vice another student was helping and slid it shut quicker and harder than expected pinching her middle finger between the jaw of the vice and the wood being clamped.	SD73 - Kamloops/Thompson	Clearwater Secondary School
11-03-2016 02:00:00	Student was working at band saw in the wood shop and hand was pulled into the blade when wood caught. Right hand middle finger missing at distal joint and right ring finger missing at nail bed.	SD73 - Kamloops/Thompson	South Kamloops Secondary
11-16-2016 09:30:00	Cut to right index finger with chisel.	SD73 - Kamloops/Thompson	South Kamloops Secondary
11-23-2016 09:40:00	Student was attempting to move some wood and dropped a piece on his right hand. Slight pain and swelling of middle finger at the knuckle joint on right hand.	SD73 - Kamloops/Thompson	South Kamloops Secondary
10-11-2016 00:00:00	Student changing u-joint on driveshaft, retainer clip sprung from 1st student and contacted the eye of a second student.	SD73 - Kamloops/Thompson	Nor Kam Secondary
11-25-2016 00:00:00	Student was pointing at a coolant leak on a running car. I just started telling her to not put her finger close to the engine and she got it caught in the drive belt.	SD73 - Kamloops/Thompson	Nor Kam Secondary
11-29-2016 13:25:00	Left thumb got pinched in the lathe. Thumbnail has redness and bruising underneath it and a laceration across part of the nail. Wound cleansed and covered with a bandaid. Parent called and informed.	SD73 - Kamloops/Thompson	Valleyview Secondary
03-15-2017 11:50:00	Student was moving small plywood strips in shop class. He moved one, turned around and the next piece fell over, striking him on the top of his head.	SD73 - Kamloops/Thompson	Barriere Secondary
04-18-2017 00:00:00	Student reached close to a moving blade on the table saw. Index finger made contact with moving blade.	SD73 - Kamloops/Thompson	Nor Kam Secondary
05-01-2017 14:00:00	working on metal lathe and caught outside of right thumb.	SD73 - Kamloops/Thompson	South Kamloops Secondary
06-15-2017 00:00:00	Student cut two fingers while using band saw in wood shop	SD73 - Kamloops/Thompson	Nor Kam Secondary
03-26-2018 09:20:00	Student was struck with a flying drill bit in the lip. Student was engaged in horseplay with a drill and metal disk from his project. The disc was flung off the drill bit and hit student.	SD73 - Kamloops/Thompson	Barriere Secondary
05-26-2018 14:45:00	Altercation between two students. Student reports being thrown to the ground and hitting the back of her head on the floor in the Auto Shop. She also claims a large metal garbage can was dumped on her head.	SD73 - Kamloops/Thompson	South Kamloops Secondary
11-29-2018 14:15:00	Trying to hit metal scratch awl and missed. Scratch awl hit other students hand and impaled right hand.	SD73 - Kamloops/Thompson	Nor Kam Secondary
12-13-2018 12:30:00	Student stood up after welding and bumped a go-kart that was supported on stands. The kart fell and struck student nose. The stands that are supporting the kart have been shortened.	SD73 - Kamloops/Thompson	Clearwater Secondary School
04-02-2019 14:00:00	Student walked past student holding a cutting torch. Student turned and burnt student upper right arm.	SD73 - Kamloops/Thompson	Clearwater Secondary School
11-21-2019 10:55:00	Moving sheet metal and stack fell to ground. Student jumped back when stack started falling. Falling stack contacted right leg and slid down bending leg backwards.	SD73 - Kamloops/Thompson	Nor Kam Secondary
11-06-2020 13:00:00	Student explained to his teacher that a machine part weighing about 6 lbs. fell onto his head when he was getting a tool from the floor and bumped the table causing the part to fall.	SD73 - Kamloops/Thompson	Nor Kam Secondary
11-06-2020 13:00:00	Student reported to teacher that a machine part weighing about 6 lbs fell onto his head. He was getting a tool from the floor and bumped the table causing the part to fall	SD73 - Kamloops/Thompson	Nor Kam Secondary
11-30-2020 09:30:00	Student was grinding a project and sparks hit his t-shirt. The t-shirt caught on fire. The student pulled it over his head and stomped out the flames.	SD73 - Kamloops/Thompson	Brocklehurst Middle School
01-12-2021 10:30:00	Student was using knife to strip electrical wire, knife slipped and cut finger	SD73 - Kamloops/Thompson	Nor Kam Secondary
01-15-2021 13:35:00	While performing a colour on student hair, another student, student, got a drop of colour in student right eye	SD73 - Kamloops/Thompson	Nor Kam Secondary
06-16-2021 08:50:00	Student was using a hand saw in metal shop and the saw slipped cutting her left hand index finger. Half inch laceration on index finger which may require sutures. Advised to seek medical advice.	SD73 - Kamloops/Thompson	South Kamloops Secondary
03-05-2014 14:45:00	Student cut the top of his right middle finger while sharpening a knife blade. Cut was 1 cm in length and not deep.	SD74 - Gold Trail	Lillooet Secondary
05-06-2015 14:30:00	Student cut his right index finger (back of knuckle) after touching a spinning wood bowl on the lathe. Cut was 2 cm long.	SD74 - Gold Trail	Lillooet Secondary

02-15-2016 11:35:00	Student was sharpening a knife with a file and the file slipped, resulting in him cutting his right index finger on the knife blade.	SD74 - Gold Trail	Lillooet Secondary
