Liam,

Happy New Year and best for 2023!

I'm using the email stream from last year's budget (for your memory mostly). Last year we weren't invited to a budget lock-up and never received documentation or briefings (hard to know what to be briefed on without documents to read). Then on June 4, one of our members pointed out a significant change that we hadn't known about (online marketplace services tax) – and it caused major expense and operational difficulty for retailers to implement the tax changes between June 4 and July 1.

I'd like to avoid a similar circumstance this year, so I'm emailing to see if (a) there will be a budget lockup, and, (b) whether we can get ourselves reinvited? Thanks. Best,

Greg

Hi Greg,

Given the context of the pandemic, and the importance of ensuring the safety of attendees, we are significantly limiting the number of people in the room for the lockup itself. We are committed to ensuring that stakeholders are able to get briefed on the details of the budget, and so ministers' offices will be setting up additional briefings after the budget is released and in the days that follow to ensure people have access to the information they need.

If you let us know what ministries you would be interested in following up with, we will pass your name on to the relevant ministers' offices to include in those follow-up briefings. Budget day and the lockup requires planning and coordination weeks in advance and without being able to predict where we would be with covid we needed to plan an event that would be safe for attendees, while also providing as much access to the information stakeholders are looking for as possible. We appreciate your understanding given the circumstances, and our goal is to return to a normal pre-pandemic lockup approach in 2023.

Liam,

RCC did not get information this year about the budget, e.g., no invitation to a lock-up or virtual lock-up, and no information about timing of the budget itself.

Is the Government no longer doing budget lockups? Or are industry stakeholders no longer invited? Thanks. Best,

Greg

Good afternoon Liam and Danielle,

Our office has been contacted by the Capilano Student Union regarding budget lockup this year. When there was lockups done, prior to Covid, they were invited, so they are just wondering if that is happening this year and how to go about that.

Thanks Roxanne. I was going to ask for the list of media that we are sending it to but I see Tara has sent it in a separate email. Will review with George.

Do you folks have the draft stakeholder invite list? Am curious to see who is on it.

Cheers,

BC BUDGET 2022 LOCK-UP

On behalf of Minister of Finance Selina Robinson, you are invited to join the 2022 BC Provincial Budget Lock-Up on Tuesday, February 22nd at the Victoria Conference Centre.

This year, Budget Lock-up is in-person only with no remote participation option; however, it will be significantly different to previous years to ensure the safety of all participants. It is critical that you read all of the information below carefully.

To secure your place in the lock-up, you will need to RSVP no later than 5:00 p.m., Friday, February 4th using the [web registration form](#). This date is firm, and the invitation is void after the deadline.

We are closely monitoring the COVID-19 situation in B.C., and we are prepared to adjust the event as needed to ensure the health and safety of participants. More details on safety protocol are below, but please note that this protocol may change.

Due to COVID-19 restrictions, we are significantly reducing the number of invited guests from previous years and limiting capacity to approximately 160 guests and government officials. The convention centre has capacity to hold many times this number during non-pandemic times, which will ensure ample space for safe distancing. Large equipment such as printers, display items and signage will not be permitted.

Members of the media will be stationed in a separate building, the Crystal Gardens, located immediately across the street from the convention centre.

Lock-up day registration opens at approximately 8:00 a.m., and lock-up will end at approximately 2:00 p.m., at which time Minister Robinson will deliver the budget speech in the legislature. Staggered arrival and departure times will be scheduled to reduce lines and crowding and may require staying in the room for 30 to 60 minutes after the lockup ends. You will receive an email with specific times for arrival and departure closer to the day.

COVID-19 Safety Protocol

The safety of participants is our top priority.

Proof of double vaccination is required. You must provide your [BC Vaccine Card](#) and government-issued photo identification, such as your driver's licence or BC Services Card, to enter.

Additional health and safety protocol include:

- Attendees must wear masks at all times, except when eating and drinking.
- No mingling or leaving your assigned seat except to get food or use the washroom.

- Distribution of printed materials is not permitted. Please do not bring a printer or any materials to distribute to any other attendees.
- No large items such as displays or pop-up banners that may obstruct pathways are allowed.
- A mandatory COVID screening questionnaire will be sent to all participants 48 hours prior to lock-up.
- Physical distancing measures will be strictly enforced.
- Attending lock-up is not permitted for anyone who is ill or showing COVID symptoms.
- Refusal to abide by COVID-19 safety measures on site will result in your immediate removal from the event.

All elements of this protocol are mandatory. If you have questions about protocol details or any other safety measures, please contact Sasha Hayden, Event Manager, sasha.hayden@gov.bc.ca.

These protocols may be adjusted closer to the event date. All attendees will be updated with any changes. Please note that the above protocol list may change or grow, and all protocol is mandatory.

Security Protocol

Placeholder names will not be accepted and people who have not been confirmed to attend the lock-up will not be able to enter.

To ensure budget security, you will be asked to sign an electronic confidentiality waiver when you register, confirming you will not leave or communicate with persons outside the lock-up area through any means until the Minister of Finance has begun her speech in the Legislature.

Cell phones and all other electronic transmitting devices will not be permitted in the briefing area and must be checked in at the registration desk. Cell phones can be picked up once the embargo lifts.

Computers are permitted, but wireless transmitting functions must be turned off.

Do not bring printers or any printed materials to distribute.

Additional Information

A light lunch and refreshments will be provided. Vegetarian and gluten-free options are available. Attendees are encouraged to bring a refillable water bottle and snacks.

Accessibility information: the Victoria Conference Centre is accessible for guests using mobility devices. If you have other accessibility requirements, please contact Sasha Hayden, Event Manager, sasha.hayden@gov.bc.ca.

There is pay parking available at the Victoria Conference Centre.

Frequently Asked Questions

WHAT IS A BUDGET LOCK-UP?

Each year in February, B.C.'s government introduces the province's Budget and Fiscal Plan. One of the main components of the day is the budget lock-up.

Beginning in the morning of budget day, members of the media, stakeholders, and government officials gather at a designated venue known as the budget lock-up.

At the lock-up, media and stakeholders have the opportunity to review the budget, examine supporting documents, hear a presentation from the Minister of Finance, and pose questions of clarification to government officials prior to the public release of the budget.

Strict confidentiality rules are in effect during the lock-up, and the use of cell phones or other transmitting devices is prohibited.

Following the lock-up presentation, the Minister of Finance delivers the budget speech in the Legislature. The lock-up ends after the Minister has begun the budget speech in the Legislature. Due to this timing, those present for the budget lock-up are not able to attend the budget speech.

WHAT WILL I RECEIVE AT THE LOCK-UP?

You will be given paper copies of budget materials, and a USB with a digital copy of the documents.

HOW CAN I ASK QUESTIONS OF GOVERNMENT OFFICIALS DURING THE LOCK-UP?

Senior government officials will be on hand to answer your questions after the Minister's budget presentation. Officials will be stationed around the room and organized by subject area. Attendees can line up in a physically-distanced manner to ask questions. Responses from ministry officials are for background information only and are not for attribution.

WHAT CAN I EXPECT IN TERMS OF STAKEHOLDER AND MEDIA INTERACTIONS?

Stakeholders and members of the media will be located in separate buildings to reduce crowding and allow for physical distancing.

When you register, you will have the option to consent to be available to be interviewed by media at the lock-up. A list of consenting organizations will be provided to media, and media may request to interview you in a scrum in the afternoon. You will be contacted in advance if you have been requested. **Please note:** your consent does not guarantee media will request you for an interview.

Interviews will be by video link between the two buildings through broadcast stations set up to accommodate stakeholders speaking to and being recorded by media. It is not possible to customize these broadcast stations and display signs and props of any kind are not permitted.

Hello,

YWCA Metro Vancouver would like to be considered to attend the BC Budget Lock Up this year. Our CEO, Erin Seeley, was pleased to present to the Select Standing Committee on Finance during consultations over the summer and we would very much appreciate the opportunity to participate at Lock Up.

Can you please let me know whether there is a process this year for consideration? We have attended in the past, and were disappointed not to have the opportunity in 2022.

Hi Sarah,

We have identified a small number of WLRS specific organizations for Budget lock-up. This is because many of our files overlap with the other dirt ministries and we are confident that those MOs will provide you with a more fulsome list of their stakeholders.

For example: Investment in permitting will be focused on industry – forestry, mining, PNG, tourism....so other MOs should have those players on their lists.

The 3 we have identified are:

1. Fraser Basin Council – David Marshall– CEO:NR
2. Organizing for Change – Lisa Matthaues:NR
3. POLIS – Oliver Brandes – co-director:NR

Please let me know if you need anything further from me.

Thanks!

Good afternoon,

I'm writing to kindly request information about the provincial budget lock-up this year on budget day.

In the past, the Greater Vancouver Board of Trade has sent two staff members to the lock-up (including our CEO), and we would like to request two spots this year as well.

Any information/confirmation your office could provide for us would be extremely helpful as we plan logistics for that day.

Many thanks,

Hi Liam,

Hope things are well, be great to catch up soon!

I'm writing to request invites to the Budget Lock Up for FleishmanHillard HighRoad. I'm not sure the capacity of the lock up and previously we have had two invites, which would be great. If possible, we'd love to bring our new Public Affairs intern, who is keen and super interested in the work this government is doing, which would mean getting three passes. I recognize that might not be possible but I'm making the request, in case it is.

Let me know if there's anything you need from me about this.

Thanks!

Hi everyone,

I am so excited to share that this is the final compiled list with input from all MOs and email addresses. Please let me know if there are any changes and if not or once the changes are complete, if you'd like me to send it off to GCPE or anyone else in the PO for approval?

Only flag I should mention is David Bieber asked for three invites for Health Sciences, he got two but the third one is for himself. He is invited in his other capacity as an associate at Council Public Affairs. Please let me know if you would like me to change that.

Thank you,

Sarah Bailey

Morning!

Annie is going to connect with me to discuss what to do with the waitlist. Do you want to be a part of that meeting, and if so, would you like any others to be included? We have a short waitlist, which I've attached here. So far, we have 138 confirmed, 12 under a different name which Simka is checking up on.

Subject: FOR REVIEW: messaging (registered, not invited or approved)

Hello all,

As a reminder, I am seeking approval for messaging to people who have registered but aren't on the list and aren't attending in lieu of someone else from their organization. The PO has also seen the list of these registrants and provided feedback.

Please advise if you have any edits, otherwise I will begin sending at 12 pm.

"Good afternoon,

We received your registration for the 2023 Budget Lock-up however your name was not included in the invitation list. Invitations are transferrable within an organization, but registrants cannot invite others without approval. As noted in the original invite, due to the significant number of requests we are unable to offer additional tickets at this time. It is unlikely we will have additional spaces, but if you would like to request an additional ticket, please submit that person's name and title using the web registration form and they will be added to the waiting list.

Thank you for your understanding and compliance."

Hello all,

Please see below:

- Attached is the invite tracking as of today at 530 pm
- Attached is the webform export document which is essentially the information downloaded from the RSVP form and includes details such as dietary restrictions and requests for additional tickets.
- See below for my questions.
 - Matt Pitcairn, Vice President, BC Road Builders & Heavy Construction Association
 - Registered but BC Road Builders doesn't have an extra ticket. Please advise if he can stay on the registration list or has to be moved to the waitlist.
 - Carmen Oretega, Vancouver Fraser Port Authority
 - Registered but Vancouver Fraser Port Authority is not on the invitee list. Please advise.

Thank you to everyone for your patience while I update the forms and information.

Good evening,

Please see below for an explanation on attached:

- Invitation tracking as of 0217
 - Those who were approved to attend, from the waitlist, were sent invitations on Thursday, with a deadline of today at 7 pm to register.
 - I removed all declines as it's irrelevant and updated the spreadsheet to show total number of "yes" responses as opposed to showing which invites were transferred etc
- Draft language for declining a waitlist request
 - See attached for the draft language to be used for those on the waitlist who weren't approved to attend.

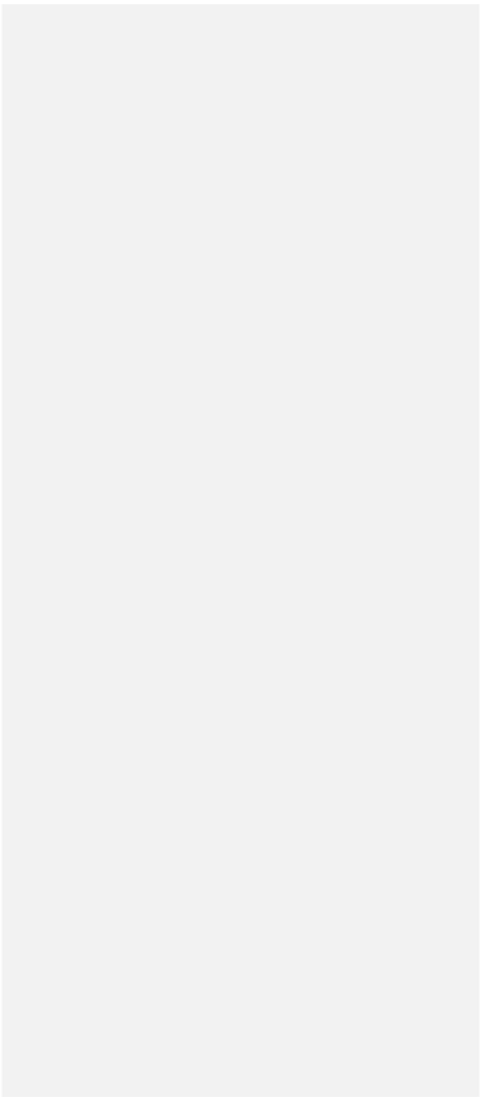

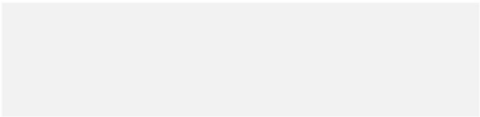

The goal is to have final numbers on Wednesday next week. This will allow us to accurately plan for food & beverage with the venue, quantities for name tags etc.

Hi Jen,

I haven't received any info on budget lock up and a call for our staff attendance. I don't recall the process last year but who does this usually come from? GCPE?

Thanks so much!

Hi Heather,

I do not, I can get his name added to the contacts though for the specific topic you mention does he have a cell # ?

Also – are you preparing a Info note on that specifically for the budget day information going to the DM ? maybe note his contact information there ?

Happy to chat if desired, I'm not 100% on the process for budget day items outside of my financial focus and would be delighted to learn.

Hi Rachel,

Last year Shalegh worked with the PBO ED's to update/confirm the list of ministry and FIN experts who will be invited for attendance at lock-up, for ADM review and approval. This year it will require a fair bit of editing, with new ministries/staff/executive. Would you be able to start working on the same for B2023?

Let me know if you have any questions.

Thank you,
Anne-Mette

You could share this with them which is our proposed list of ministry stakeholders for in person and who would be on-call only; each ministry includes budget topics.

We were going to review/revise once we know which stakeholders were invited/attending.

Are we able to share anything with the MO to assist them in determining what stakeholders to invite?

Hi Jennifer,

Do you have the most recent copy of the Budget or a comprehensive list detailing what will be included? I'm finalizing the stakeholder list and would like to cross reference it to see if we are missing key stakeholders or need to remove some.

Thank you,

Subject: Budget Lockup: Minister/TBS Requirements

Hi both – thanks for walking through the conference centre with me last week. It helped remind me of a few things we need to make clear before budget day. Below are the meetings with s.12 throughout the day. I'm hoping you can help me with some additional info below so Events organises the room in the way we need for the day. My questions for you are highlighted below. I've also attached a rough draft of the itinerary to jog your memories:

- **9am** s.12
s.12 In previous years, it was in the Langford Room. (Smaller of two required meetings)
 - Can you confirm how many people are usually in this briefing? s.12 – or are there other participants? Do we still want this in-person or was this one of the virtual options.
- **11:20-11:35am** s.12
s.12 are in attendance – we will need space for approx. xx people). – Do you know how many people will need to attend?
- **11:35-11:50am** s.12 This is the second half of the above meeting. Just flagging that I haven't forgotten about this one, but I'll figure out an estimate of # of people in attendance.
- Is a private space required for anything I am missing?

Happy to book in a quick call if it's easier.

Thanks!

Hello,

I think that is a great idea! Since this is my first time handling more of the budget stuff (As I already have some items drafted – Resource list and potential volunteer lists) 😊

Thanks,

Hello,

Christine Lee came by last week with the attached logistics document for B2023, requesting confirmation of both lead responsibility and deadline for all the rows highlights in bright yellow. Most of these are actions that I do not have much of a touchpoint on, so hoping perhaps we can sit down and live edit it together? I will try to find some time 😊

Thanks,
Anne-Mette

Hi Anne-Mette,

Here is the most up-to-date list.

I am compiling all input from various areas and the information is being updated as we progress so could you please highlight any information that you change so I will know those cell need to be updated?

Please note that some cells still say 2022 and I am waiting from folks for the new date.

Thank you so much for coordinating this!

Christine Lee

Hi Christine,

Would you be able to forward me the budget logistics list that we talked about earlier this week, electronically? I will coordinate with Rachel and Amanda to try to nail down the items that you highlighted.

Thanks,
