Virginia A Purcell and Robert D Purcell	s.22

LAND WHERE THE WATER IS USED

31.7 AC OF WEST 1/2 OF SUBLOT 16 DL 361 KD PLAN X40

PURPOSES

We have the following purposes for your licence on record:

Purpose	Quantity	Irrigated Area
01A - Domestic	2.27305 m3/day	0 ha
03B - Irrigation	97814.964 m3/year	12.829 ha

TYPE OF AMENDMENT

If you select Yes for one of the following options then you will not be able to select any other options.

Abandonment

This option allows you to request the abandonment of all or part of a water licence. There is no fee to abandon all or part of the licence.

Do you want to abandon your water rights? No

Transfer of Appurtenancy

This option is used to request a transfer of all or part of the rights and obligations under a water licence to a different parcel of land. This application is valid only while the licensee continues to own the property described in the water licence. Application fees for a Transfer of Appurtenancy Amendment are payable upon receipt of new water rights. The recipient(s) of the new water licence(s) will be billed for the application fees and any outstanding rentals when the licence(s) are issued.

Do you want to transfer the licence to another property with a different legal land description? No

Apportionment

This option is used to request the division of the rights and obligations of a water licence between multiple parcels of land when the land to which the licence was issued for has been subdivided or is now separately owned. The land before and after the division must be the same and the licence is not being transferred to a different parcel of land. Application fees for an Apportionment Amendment are payable upon receipts of new water rights. The recipient(s) of the new water licences will be billed for the application fees and any outstanding rentals when licence(s) are issued.

Do you want to Apportion (divide) the water licence rights among 2 or more parcels of land? No

You can apply for one or more of the following options but not in combination with any of the three options above.

☒ Change of Purpose

This option is used to request a change to the purposes currently authorized by your water licence. Applications fees are payable upon submission of the application.

Please describe what you would like to change and why: We would like to apply to allocate a small portion of our existing irrigation water volumes for the purpose of stock watering.

CHANGE OF PURPOSE

This application allows you to request a change to the purposes previously approved for your water licence.

PURPOSES

We have the following purposes for your licence on record:

Purpose	Quantity	Irrigated Area
01A - Domestic	2.27305 m3/day	0 ha
03B - Irrigation	97814.964 m3/year	12.829 ha

CHANGED PURPOSES

You can select one or more purposes for your water licence.

Please note that the total quantity of water must not exceed you existing licensed quantity. If you require additional water you must apply for a new water licence for the additional quantity.

NEW PURPOSES

Purpose	Quantity	Use of Water	Comments	Fee
Stockwatering	2 m3/day - Stock: 10 (Bison, Horse, Mule)	Year Round		\$150.00

Please describe why you want to make changes to the purposes:

We have horses to water year round. We will be providing the water applied for using existing works (hydrant, waterer) in a pasture location on the west side of our property.
