Wednesday Aug 13

051 Callout → Intertec Fire  
@ Whitetail Cabins, Propane  
tank exploded → Cabin engulfed

0540 On Site → 56 24  
on site, Sprinklers  
on structure (cabin)

- crew setting up  
pump/hose at Lake  
to work adjacent  
timber/grass fire

- RCMP Leaving site  
- Scene is safe

- Spoke w/ Bill Dubois,  
owner → everyone  
made it out of cabins

- propane tank exploded  
causing cabin to be  
engulfed → fully consumed

0656 IFR to Fire Centre

0715 Water to fire, working  
timber around perimeter

- Cooling down edges  
of structure where  
safe to do so.

0845 - Adjacent timber/grass  
fire extinguished

- Leaving kind owner's  
in charge, fire in  
"PATROL"

0900 - Returning to Invermore  
- Ray Shults

## INITIAL WILDFIRE CAUSE ASSESSMENT FORM

This form to be completed **by the RWCO** within 24 hours if practicable depending on resource capacity of fire discovery as per Ministry Policy 9.6 and Standard Operating Procedure.

**REQUIREMENTS FOR FORM COMPLETION:** If there is no Fire Origin and Cause recommended, then this form **MUST** have the rationale completed, signed off and filed electronically in the **Incident drive file folder**. If there is a Fire Origin and Cause recommended, then this form **MAY** be used as supporting documentation (e.g. to person carrying out the FOC **AND** electronically filed in the **Incident drive file folder**).

INCIDENT NUMBER AND GENERAL LOCATION: N20452

Wildfire Origin and Cause Report Required?	YES <input type="checkbox"/>	NO <input checked="" type="checkbox"/>
--	------------------------------	--

Incident Commander Name	R Canty	Click here to enter a date.
Contact information		Form Completed Time: August 26, 1400

**INITIAL INCIDENT INFORMATION: (Tick all boxes that apply and provide details in Remarks):**

Crown land?	<input type="checkbox"/>	<b>Remarks:</b> Private Cabin had propane gas leak and exploded. one Ro and Crew responded to assess potential spread to forest fuels. Limited at time of arrival and stayed to monitor.

# INITIAL WILDFIRE CAUSE ASSESSMENT FORM

**Draft Origin and Cause  
decision tree for reverse side of assessment  
form FS 1405**

Sharon MacDonald, Ian Douglas (March 5, 2014)

## Major fire:

- significant size, public concern,
- Major Wild land urban interface fires;
- High Costs;
- High damages to Crown Land;
- High damages or costs involving insurance on private land,
- Arson suspected criminal activity

## Required:

Type 1 Origin and Cause Investigator

## Moderate Fire (majority of fires in BC)

- potential for and against the crown
- suspected contraventions,
- cost recovery opportunities, such as fires initiating on private lands, crown land (leaseholder or occupier)

## Required:

Type 1 or 2 Origin and Cause Investigator depending on complexity see SPOFM

## Minor Fires:

- Non Arson,
  - Minor damages,
  - minor costs,
  - no person identified
  - Accidental and minor costs FI 110
- Trained or type 2 trained staff on site can complete data gathering and place on fire file
