It's Massett Wind Farm Project. They have an Investigative Licence and last paid rent in Jan 2014 (I coincidentally just looked at this last week) as I was enquiring with our HG office about a couple others.

Are you aware of an application for investigative licence by Broadwing Renewables on Haida Gwaii. Note this is a rush request for deputy! Thanks,

Rudi

Tim – some clarity about the reason for the IUL in Sandra's email 1:13pm and the details of the IUP in her 12:24 and 12:06pm email. Do you need to see a map?

I hope this helps.
