

Made good progress
weather calmed
lots of smaller
planes grounded

Next weather / lightning / wind
tomorrow

No major flare-ups

S.17

No ss growth or fire

Rain leads to public perception
change
When can we go home?

3000 ppl on the ground
everywhere except Yukon +
Nunavut

960 out of province residents

700 person camp in Yukon
logistical problem / supply

closed 7/1 porter
using park to house
all crews

Aug 1 released
Cache Creek recovery
successful

Recovery unit within
Emergency Mgmt unit

35,000 registered

neglected concerns about
capacity

- Same access to services as
all across the cover
- Number of elders with health
issues
getting meds
- Plus accommodating livestock
- Facilitate better communication
- Facilitate better financial
regulation to fund
people by reimbursed
- Hire for more security
- Homeless people coming in
- Extra costs

refrigeration truck
Don't want to have this
as jurisdictional football

led to a service backlogs

people are burning out
