Hello MLA Weaver;

As per our phone call regarding art below the high tide mark, an Order In Council may be required to allow for a permanent or semi-permanent structure in tidal waters. If this is the case, then the Ministry of Forest, Lands, Natural Resource Operations and Rural Development would be responsible for the land in question. A letter with your request should be sent to the Honourable Doug Donaldson, Minister of Forest, Lands, Natural Resource Operations and Rural Development.

Thanks,
Kenn
