SCHOLZ, MARTIN E

s.22

The licensee confirms by his/her signature on this licence to comply with the following terms and conditions:

- that he/she is a citizen of Canada or a person with the status of permanent resident of Canada;
- that he/she has successfully completed the Trapper Education Program;
- if applicable, that he/she has obtained, and will carry at all times, written permission to trap on privately owned land from the land owner; and
- if applicable, that he/she has obtained, and will carry at all times, written permission to trap on another person's registered trapline from all of the registered holder's of that trapline.
- Proponent is required to provide an annual synopsis of species trapped. Information collected should be shared with the Treaty 8-BC Wildlife Board - see Appendix A
- The removal of beaver dens should not occur in the fall/winter since it is cruel and inhumane.
- The applicant is encouraged to avoid removing beaver dens and/ or beavers during the period of beaver gestation (April-June) and when Kits are present.
- Questions regarding a private property trapping licence and the issuance of such licence should be directed to The Ministry of Forests, Lands & Natural Resource Operations.

The licensee must comply with all applicable federal, provincial, municipal and regional district legislation and by-laws.

It is the responsibility of the licence holder to inform him/herself of all relevant laws.

Failure to comply with any term of this licence is an offence under the Wildlife Act, and may result in prosecution and/or denial of future licence requests.

The licensee agrees by his/her signature on this licence to comply with the terms and conditions of this licence.

The locations listed below do not include any privately owned land for which the licensee does not have the land owner's written permission to trap.

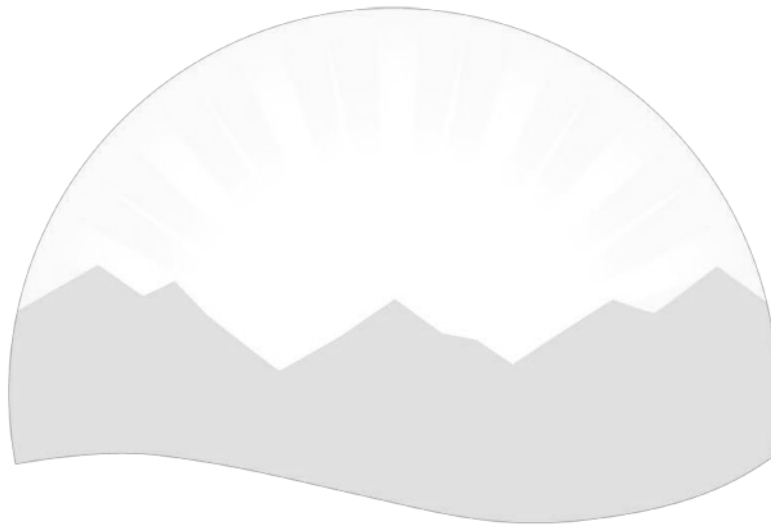

The licensee is authorized to trap furbearing animals in accordance with the Wildlife Act and the regulations there under during the open season and at the following locations:

British Columbia – Assistant to Registered Trapline # TR0721T005

If the holder of this licence has fines under the Wildlife Act or Firearm Act that were not paid within the time required by law, this licence is void (Wildlife Act s. 85)

NAME/ADDRESS

GITSHEFF, KROSTIN

s.22

The licensee confirms by his/her signature on this licence to comply with the following terms and conditions:

- that he/she is a citizen of Canada or a person with the status of permanent resident of Canada;
- that he/she has successfully completed the Trapper Education Program;
- if applicable, that he/she has obtained, and will carry at all times, written permission to trap on privately owned land from the land owner; and
- if applicable, that he/she has obtained, and will carry at all times, written permission to trap on another person's registered trapline from all of the registered holders of that trapline.
- Proponent is required to provide an annual synopsis of species trapped. Information collected should be shared with the Treaty 8-BC Wildlife Board - see Appendix A
- The removal of beaver dens should not occur in the fall/winter since it is cruel and inhumane.
- The applicant should avoid removing beaver dens and/ or beavers during the period of beaver gestation (April-June) and when Kits are present.
- Questions regarding a private property trapping licence and the issuance of such licence should be directed to The Ministry of Forests, Lands & Natural Resource Operations.

The licensee must comply with all applicable federal, provincial, municipal and regional district legislation and by-laws.

It is the responsibility of the licence holder to inform him/herself of all relevant laws.

Failure to comply with any term of this licence is an offence under the Wildlife Act, and may result in prosecution and/or denial of future licence requests.

The licensee agrees by his/her signature on this licence to comply with the terms and conditions of this licence.

The locations listed below do not include any privately owned land for which the licensee does not have the land owner's written permission to trap.

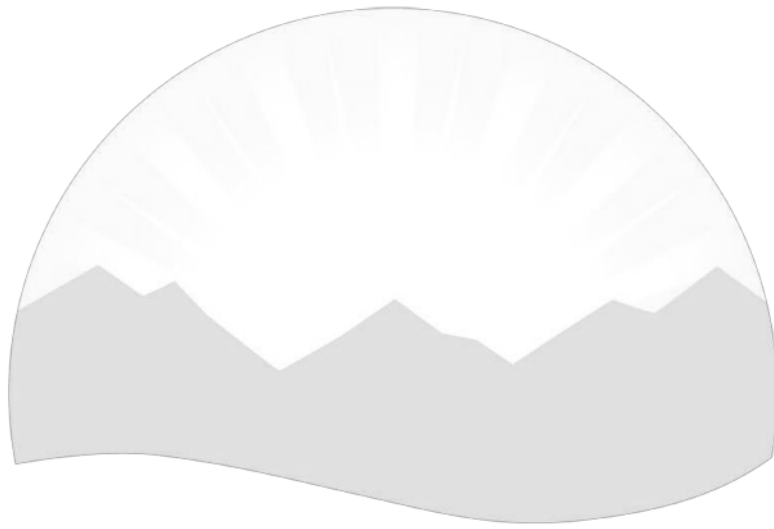

The licensee is authorized to trap furbearing animals in accordance with the Wildlife Act and the regulations there under during the open season and at the following locations:

British Columbia – Assistant to Registered Trapline # TR0721T005

If the holder of this licence has fines under the Wildlife Act or Firearm Act that were not paid within the time required by law, this licence is void (Wildlife Act s. 85)

LICENCE: \$160.00

HCTF: \$40.00

NAME/ADDRESS

REYNEN, Tracey

s.22

The licensee confirms by his/her signature on this licence to comply with the following terms and conditions:

- that he/she is a citizen of Canada or a person with the status of permanent resident of Canada;
- that he/she has successfully completed the Trapper Education Program;
- if applicable, that he/she has obtained, and will carry at all times, written permission to trap on privately owned land from the land owner; and
- if applicable, that he/she has obtained, and will carry at all times, written permission to trap on another person's registered trapline from all of the registered holders of that trapline.
- Proponent is required to provide an annual synopsis of species trapped. Information collected should be shared with the Treaty 8-BC Wildlife Board - see Appendix A
- The removal of beaver dens should not occur in the fall/winter since it is cruel and inhumane.
- The applicant should avoid removing beaver dens and/ or beavers during the period of beaver gestation (April-June) and when Kits are present.
- Questions regarding a private property trapping licence and the issuance of such licence should be directed to The Ministry of Forests, Lands & Natural Resource Operations.

The licensee must comply with all applicable federal, provincial, municipal and regional district legislation and by-laws.

It is the responsibility of the licence holder to inform him/herself of all relevant laws.

Failure to comply with any term of this licence is an offence under the Wildlife Act, and may result in prosecution and/or denial of future licence requests.

The licensee agrees by his/her signature on this licence to comply with the terms and conditions of this licence.

The locations listed below do not include any privately owned land for which the licensee does not have the land owner's written permission to trap.

The licensee is authorized to trap furbearing animals in accordance with the Wildlife Act and the regulations there under during the open season and at the following locations:

British Columbia – Registered Trapline # TR0721T008

If the holder of this licence has fines under the Wildlife Act or Firearm Act that were not paid within the time required by law, this licence is void (Wildlife Act s. 85)
