Hi Christine,

Yes, to confirm, it says "increase caribou population" as per Tim Renneberg. CSS does go ahead and add e-sig once the edits have been made, so MDD doesn't need to see it again.

I just learned something to.

Thanks

Hi Sandra,

Just want to confirm that the edit that MDD has provided in the attached pdf says increase caribou population? Also is this approved once this edit has been made?

Thank you!
