

Active Trapping Licences by year

Year	2015-16	2016 -17	2017 - 18	2018 - 19	2019 -
Totals	1219	1871	1868	1794	1313

NOTE: 2015 is included as the licences are active until June 30th 2016.

NOTE: 2019-20 is included but I do not believe is part of the request as it does not start until July 1, 2019 and at this time only shows multi year licences

NOTE: This includes all trapping licences for the following Registered Traplines, Private Traplines and Assistant Trapping Licences as there was no distinction made on the request. If a licence was active in a year it is included.
