Dear Mr. Kahlon,

**Re: Appointment as Parliamentary Secretary of the Ministry of Forests, Lands, Natural Resource Operations and Rural Development**

On behalf of Geoscience BC's Board of Directors and staff, it is my sincere pleasure to offer our congratulations on your recent appointment as Parliamentary Secretary of the Ministry of Forests, Lands, Natural Resource Operations and Rural Development.

Geoscience BC has been delivering high-quality, innovative and credible earth science relating to minerals, energy (oil & gas; geothermal) and water since 2005. To date we have completed 185 projects using a collaboration model with natural resource sectors, communities, Indigenous groups, academia, and all levels of government that is proven to bring new investment to the Province of British Columbia.

I recall meeting you and Mr. John Horgan at Geoscience BC's 10-year anniversary reception in 2015. You may remember from that reception that some of our applied research includes working with the Ministry of Forests, Lands, Natural Resources Operations and Rural Development. I have enclosed a copy of Geoscience BC's *Strategic Plan 2018-2022* and 2018 annual report to provide you with an overview of our recent and current earth science research.

If you have any questions or if you would like to meet, please feel free to call me at 604-662-4147 or email [dirom@geosciencebc.com](mailto:dirom@geosciencebc.com).

Hello Sandra,

We received notice today that Parliamentary Secretary Kahlon would be joining the FLNRO team and leaving the TAC team. As a part of this change we will have to transfer his government cell from our Telus account to yours, I think I can do that if you can provide your account number?

As well, I believe we will have to do an IDIR transfer in/out but that may have to wait for Lisa to get back,

Thanks!

Marina

s.22 , but in case you do: we are getting new resources for the ministry. The premier appointed Ravi Kahlon (Delta North) as parliamentary secretary for forests on Friday. Ravi is finishing up some work on an anti-racism initiative he began as the PS for multiculturalism, but will be transitioning to his role over the coming weeks.

Exciting for us! Was wondering why we didn't have a PS. Maybe because we are such a small ministry

He should have 2 separate phones/ emails etc

I would think that would be protocol as he will need to have his parliamentary secretary (Gov) phone separate from his mla phone.

Maybe check with Tim as they should be separate as gov phones emails etc are subject to foi. He will need a gov email as well etc...

Tim – attached is a media scan summary related to the interior forest sector. We kept it focused on media clips featuring columnists and critics (highlighted in yellow in the document) such as Vaughn Palmer, Keith Baldrey, Andrew Wilkinson, John Rustad and a few other MLAs. It includes a short introduction at the top that highlights the key issues and some steps that the government has taken recently. I've also resent our com plan and the KMs that were updated today for PJH media avail so you have everything in one email. Cheers - d

Tim – as discussed attached for Ravi is the com plan we produced for the mill closures/interior forest sector transition. It was sent to the PO July 22. We're working on the website portal which will take a few weeks to soft launch. I've also attached the KM/QA doc on the closures. Happy to chat further. Cheers - D
