You likely know most of this, nevertheless it is an interesting point by point rebuttal of Alex Morton.

Hi! Justine is potentially interested in doing an update on fish farms for her Monday column. She would write it tomorrow. I promised to send her background information, but she's also looking to "foreshadow" what's next. I also did let her know that Minister Donaldson wasn't available.

Is there anything you want to foreshadow at this point? **s.13** (if  
not, her back-up story is old growth on Vancouver Island.)

Cheers,

**Vivian Thomas**
