Dear Michael Doutaz:

**Re: Proposed dock divestiture by the Department of Fisheries and Oceans,
Small Craft Harbours (DFO-SCH) over the Horton Bay dock facility (LWBC
file 0227020)**

Thank you for your letter dated March 11, 2002 regarding the Horton Bay divestiture site and the issues in respect of the access easement and potential infringements on the riparian rights of the upland owner, Arbutus Bay Estates Ltd.

I agree that these issues have caused considerable delay in the divestiture of the facility. For this reason, it is imperative that these issues be resolved. I understand that

Our office is aware that both the DFO-SCH and the Capital Regional District would like the divestiture to occur as soon as possible, with no further delays. s.14,s.16
