She would like to interview Ravi in his office for TV (I'm not sure this is something we normally allow media outlets). If we don't provide interviews in-office, can we recommend another location?

Please let me know if you require any messaging about the mill closures. Also, if your office works, let me know where it is located?

Hi Ravi,
Hope you are well and enjoying your BC tour in the beautiful weather. TAG annual elections are on Thursday, September 5th at 6:30(ish) in the George Mackie Library. You are my first choice to conduct the elections as most of the group members are from North Delta. I know you are busy and might be in Victoria during that week but I am still hoping that you can make it work. Please let me know if it is possible for you to attend and conduct the elections.
Thanks and have a great day

Dear Ravi,

I hope you are having a wonderful summer. I want to thank you again for your help and commitment to making our May Youth Policy module so full. The experience of going to the BC Legislature and meeting with elected officials was enriching and very meaningful for the participants.

We want to invite you to the wrap up event of the LEVEL Youth Policy Program on **Friday September 20th, 2019** (please find details attached). At this event the participants will share their final policy projects. It will be really meaningful for them and all of us if you can come listen to their policy projects and be a witness to their learning journey as you have been an instrumental part of it.

You will receive a full program and link to RSVP at the end of August.

We look forward to hearing from you.

Ravi, I'm not sure how Mayor Thiessen, from Vanderhoof, found out about your trip to Fort St. James and Mackenzie but he was disappointed to hear that you weren't able to stop and visit with him during this trip. I told Mayor Thiessen that you would be travelling back up this way within a couple of the weeks and then maybe at that time you could set aside some time to meet with the Vanderhoof Mayor and Council (might be an opportunity to visit the sturgeon conservation centre as well). I can help with scheduling the meeting if need be.

Here is the media call schedule for PSRK. Not sure of any calls he may have made yesterday but have brought today's calls to the top of the list. Call notes in red.

I'm still waiting for CHNL's preferred call time. I will pass it on as soon as I get it.

Clearwater

- Jaime Polmateer (editor) – Clearwater Times (Black Press); 250 674-3343

Would like a call from PS Kahlon sometime between noon-1 p.m. on Friday, Aug. 23.

- Cole Wagner (editor) – Merritt Herald; 250 378-4241, c: 604 880-9203
newsroom@merrittherald.com
Would like a call from PS Kahlon. Would prefer for the call to be sometime between 3:15-4:30 p.m. after PSRK's meetings but will also take a call before the meetings between noon-1 p.m. on Friday, Aug. 23 if that is the only availability.
- Michael Reeve – CKMQ Merritt (Q101); 250 508-7321

Would like a call from PS Kahlon. Would prefer for the call to be sometime between 3:15-4:30 p.m. after PSRK's meetings but will also take a call before the meetings between noon-1 p.m. on Friday, Aug. 23 if that is the only availability. Kamloops

Definitely want to talk to PS Kahlon. Talked to producer Curt Appleby. He is checking into preferred timing on Friday, Aug. 23

between noon-1 p.m. for a pre-tape for this afternoon's Brett Mineer Show.

N.B.: Curt was very transparent in saying that, while they would focus the discussion on forestry, they wouldn't be doing their due diligence as a news outlet if they didn't at least touch on ride-sharing.

Hi.. PSRK is looking for an update on Contractor Sustainability review. Is there a current briefing note in the system that we can provide as interim before a briefing can be set up?

Thanks,

Hi PS Kahlon,
I've been working on this but I don't think I can get your photo to him until tomorrow morning at earliest as I don't have one on file

Hi Tim,
I heard back from the editor at the Clearwater Time. He says their internet went down during lunch hour and that their phones are connected to the net. He apologized and says that they're up now. He would like a call after 3 p.m. if PSRK has time for it.

Hi Tim,

Here is the media call schedule for PSRK. Not sure of any calls he may have made yesterday but have brought today's calls to the top of the list. Call notes in red.

I'm still waiting for CHNL's preferred call time. I will pass it on as soon as I get it.

Clearwater

- Jaime Polmateer (editor) – Clearwater Times (Black Press); 250

674-3343

Jaime.polmateer@clearwatertimes.com

Would like a call from PS Kahlon sometime between noon-1 p.m. on Friday, Aug. 23.

Merritt

- Cole Wagner (editor) – Merritt Herald; 250 378-4241, c: 604 880-9203

newsroom@merrittherald.com

Would like a call from PS Kahlon. Would prefer for the call to be sometime between 3:15-4:30 p.m. after PSRK's meetings but will also take a call before the meetings between noon-1 p.m. on Friday, Aug. 23 if that is the only availability.

- Michael Reeve – CKMQ Merritt (Q101); 250 508-7321

Would like a call from PS Kahlon. Would prefer for the call to be sometime between 3:15-4:30 p.m. after PSRK's meetings but will also take a call before the meetings between noon-1 p.m. on Friday, Aug. 23 if that is the only availability. Also, suggested that he would appreciate if PSRK could come into the studio to do the interview, if at all possible – 2196 Quichena Ave. (right downtown on the main drag).

Kamloops

- Brett Mineer – CHNL (NL 610 Kamloops); 250 374-1610

bmineer@stingray.ca

Definitely want to talk to PS Kahlon. Talked to producer Curt Appleby. He is checking into preferred timing on Friday, Aug. 23 between noon-1 p.m. for a pre-tape for this afternoon's Brett Mineer Show.

N.B.: Curt was very transparent in saying that, while they would focus the discussion on forestry, they wouldn't be doing their due diligence as a news outlet if they didn't at least touch on ride-sharing.

100 Mile House

- Millar Hill (acting editor) – 100 Mile Free Press (Black Press); 250 395-2219

millar.hill@100milefreepress.net

Honourable Doug Donaldson,

We are contacting you in regards to formally requesting an appointment to meet with you. I was in contact with Tristan Jones last week who suggested we do so.

eco-Options Energy Cooperative's initiative, 'Renewable Diesel from Trees', has seen recent major developments. In the process of taking next steps, it is essential that we meet with you sooner rather than later.

We have attached two informational pieces for your review:

1. Formal Letter of Request to Meet
2. Confidential One-Page Action Plan for Canada's Climate Change Challenge.

This important Action Plan piece was prepared for our local Surrey/White Rock MP, Gordon Hogg, and through him, shared with the PM's office in Ottawa.

Sincerely,

Kristina Bell | BA Environment & Sustainability | Community Engagement Coordinator
