Good morning Ravi

It would be great if you could attend our joint Unifor, PPWC Wage Caucus being held November 13, 14 in Vancouver at the Coast Coal Harbour Hotel.

The afternoon of the 13th or morning of the 14th would work best for us, however we can be flexible.

We are also requesting John Allan to attend.

Thanks in advance

I recognize the timing may not be ideal given start of session next week. Chris Stagg ADM in the Ministry is also up to speed on all the programs so that might be a good alternative.

It was nice meeting you in person in Quesnel at the Forestry Innovation Centre opening a couple of weeks ago.

As discussed that evening, PS Kahlon would appreciate an opportunity to tour the FP Innovation Centre at UBC.

He has time in his calendar on Oct 16<sup>th</sup> between 10 a.m. and noon. Would it be possible to arrange a tour during this time?

Please let me know if this can be arranged.

Thank you,

**Importance:** High

Hello Ravi,

My name is Katie Shaw and I am reaching out from BC Infrastructure Benefits – the new crown corporation responsible for implementing the Community Benefit Agreement. We have the opportunity to support priority hiring of local, indigenous, women and other under represented and equity groups on select major public infrastructure projects – including Hwy 1 Four Laning Project, Pattullo Bridge replacement project and the Broadway Subway project.

BCIB will be the employer on these projects with accountability for priority hiring, apprenticeship ratios and importantly ensuring a respectful and inclusive workplace.

I was speaking with MLA Ravi Kahlon and noted that it would be terrific if we could find a time to sit down with Ravi, myself and our CEO – Irene Kerr, to discuss our current implementation strategy, the work we are doing to ensure cultural competency training is received by all BCIB employees on these infrastructure projects and other work underway.

I understand this is a very busy week for MLA Kahlon, but if there is a time that could work over the next couple of days that would be terrific. Otherwise, perhaps we can find a time for him to come and meet with Irene at the office HQ in Vancouver soon.

Please feel free to call me 236-688-5495 or email if you require any further information or would like to discuss possible logistics for a meeting.

Thank you for your time and consideration.

Best  
Katie

Thank you Tim,

This looks like a very good agenda, this is exactly what PS Kahlon is looking to get out of his time at FP Innovations, the addition of the NRC is a great bonus as well.

I have attached his Mandate letter for your information as well.

Ravi Parmar our new Ministerial Assistant will be attending with PS Kahlon.

PS Kahlon is happy to be called by his first name. Also, so as not to get confused with the two Ravis, Ravi Parmar can be addressed as RP.

All the best,

Hi Tristan,  
I'm pleased to confirm FPI hosting PS Kahlon on Oct 16th at 10am.

I propose the following tentative agenda for the visit:

- 1) 10am - Arrival/Introductions
- 2) 10:10 - PS Kahlon highlights his role, key challenges to senior leadership/management (VP Neil Huff, myself, 6-7 managers and a UBC professor with whom we work closely)
- 3) 10:20 - Round table discussion, identify opportunities for BC
- 4) 10:45 - Tour of FPI (including wood preservation lab, composites lab, advanced building systems lab and advanced bioproducts lab)
- 5) 11:30 - depart FPI for National Research Council (down the street) to view the demonstration combined heat and power system for off-grid communities.
- 6) 12:00 - conclude

Let me know if this makes sense and fits the interests for PS Kahlon. If you have any insight on themes of particular significance or relevance, please let us know and we will adjust.

There is ample parking in front of our building (2665 East Mall) and we will be awaiting him in the front lobby.

If there is anything else you need to facilitate the meeting, please don't hesitate to ask. My phone number is <sup>s.22</sup>

Best regards, Tim

Hi Tristan,  
Pleasure meeting you as well and appreciate your facilitating the introduction to PS Kahlon.

October 16<sup>th</sup> works well tentatively – I would want to bring in a few experts to the meeting and tour and want to confirm. Please book it and I will come back to you with an agenda and the names of scientists we can include on the tour.

Many thanks for following-up and look forward to the visit.  
Best regards, Tim

Hello Tim,

It was nice meeting you in person in Quesnel at the Forestry Innovation Centre opening a couple of weeks ago.

As discussed that evening, PS Kahlon would appreciate an opportunity to tour the FP Innovation Centre at UBC.

He has time in his calendar on Oct 16<sup>th</sup> between 10 a.m. and noon. Would it be possible to arrange a tour during this time?

Please let me know if this can be arranged.

Thank you,  
Tristan

**Subject:** Meeting Request

Dear Minister Ralston,

As you will recall, PRPA had a very informative meeting with yourself and a group of colleagues last fall to provide an update on port operations and PRPA's development portfolio.

The resulting discussion touched on several associated issues closely aligned with your government's mandate, including:

- Growing and diversifying trade exports in energy, agriculture and forestry
- First Nations participation in economic opportunities
- Municipal and community capacity pressures
- Regional labour force growth and development
- Trade infrastructure needs

In the past twelve months we have seen significant progress on the context of that discussion, including the introduction of new propane export capabilities, continued employment growth, new First Nations partnerships, and new infrastructure investments.

In addition, with the significant issues being faced by BC's forest industries, we believe that the timing of a discussion regarding Prince Rupert's role in modernizing and improving the competitiveness of export supply chains is also optimal.

We would like to ask if your office will take the lead to reconvene a similar group on our behalf, with a suggestion of November 12 or 18 as potential target dates. Our MLA, Jennifer Rice, has also agreed to assist with this task.

Optimally, we would suggest the following participants in addition to yourself and MLA Rice:

- Minister Claire Trevena
- Minister Carole James
- Minister Doug Donaldson
- Minister Michelle Mungall
- Minister Scott Fraser
- MLA Ravi Kahlon, Parliamentary Secretary for Forests

Recognizing that it will be difficult to find common availability for all, substituting relevant policy staff or Ministry officials for unavailable Ministers would be an acceptable way to bring this meeting together in a timely manner.

PRPA would have Frans Tjallingi (Board Chair), Shaun Stevenson (President & CEO), and myself in attendance.

Please have your office contact me at your earliest convenience to discuss further.

Sincerely,

Ken Veldman

Good morning Rahul,

PS Kahlon will be visiting FP Innovations next Wednesday, October 16, from 10:00 a.m to noon. I realize this is short notice, but as your facility is so close to FPI we were wondering if PS Kahlon could visit your facility the same day? He needs to leave your

area of the city no later than 2 p.m. so we were wondering if you are available at 12:30.

Please let me know if we might be able to work something out.

Thank you,

Hi Ravi and Tristan,

Please have MDD and PSRK call in using our teleconference line and moderator code:

**Dial in: 1-877-353-9184**  
**Codes.15**

After dialing in, a message may play advising the meeting is in 'mute mode'. We will be running the meeting in a presenter mode to reduce background noise. Only speakers using the moderator code will be heard.

To unmute their phone, please dial \*6.

Another message comes on stating 'you are no longer muted.'

At their scheduled time, John Allan, Rick Manwaring or Mike Hykaway will ask if they are on the line. An added check for connection and ability to hear the meeting. Does this sound ok?

As an aside, a slide with photo and title of each will be shown in a different webinar link so participants are not looking at a blank screen. I have used the ones attached. If you prefer different versions please advise.

If any problems, please email me at [Melanie.Iwanow@gov.bc.ca](mailto:Melanie.Iwanow@gov.bc.ca) or text 250-208-0053.

Thank you for arranging for MDD and PSRK to be part of this meeting.,

Hi Andrea,

Ravi will be travelling to FP Innovations starting at 10:00 a.m. for a tour so will be available 9:50 – 10:00. Teleconference is preferable as he will be on the road.

MDD is available from 10:30 – 10:45

Andrea to connect Tristan with facilitator re: video call for MDD.

Speaking points:

MDD

- Top of mind issues
- Looking forward
- Recognition across Ministry, not only forests
- Time for a couple of questions

PSRK

- Intro about himself
- What his Mandate/Role is
- How his first couple of months have unfolded
- What his priorities are for the next few months
- Thank you to staff who helped on very short notice to plan and staff his last few tours through the interior
- Probably no time for questions

Let me know if I've left anything out.

Thanks,  
Tristan

Dear Parliamentary Secretary Kahlon:

Please accept our invitation to join the Honourable Minister Bruce Ralston at the 2019 BCEDA Minister's Dinner, scheduled to be held at the Sheraton Vancouver Airport Hotel in Richmond on Sunday, November 3<sup>rd</sup> from 5:30pm to 9:30pm. The interactive format that will be followed at this dinner will see the Minister(s) and Key Staff take turns at each table as each course of the meal arrives. This will allow for extensive dialogue with BCEDA Members on opportunities throughout BC and in the identification of partnerships.

Our primary interest in doing these types of events is to support the efforts of the government and to ensure that BCEDA and local communities are working together with you on building a strong economy throughout BC. We are encouraged by the steps that we see being taken and look forward to working with you and your team on other initiatives in the months and years ahead to support and encourage partnerships between all levels of government, including local, Indigenous and provincial.

We are working closely with Minister Ralston's team at the Ministry of Jobs, Trade and Technology to invite Cabinet Ministers that have been requested by BC's Economic Development professionals. We are excited to confirm the following Cabinet Ministers will be in attendance - Hon. Bruce Ralston, Hon. Claire Trevena, Hon. Melanie Mark, Hon. Selina Robinson as well as the Parliamentary Secretary of Technology.

We have sought out input from Indigenous communities and local governments to identify key topics that they would like to discuss. BCEDA Members have indicated that they would like to see your ministry represented by yourself or a Senior Official to discuss ideas surrounding the Rural Dividend Program continuation, supporting innovative changes with the downturn in the forest industry and rural economic development.

The BCEDA is comprised of over 450 members representing most local governments, Indigenous communities, economic development corporations, First Nations, private consultants, and representatives from the Province of BC and the Government of Canada. The Association is focused on increasing awareness of the importance of local economic development and supporting initiatives that strengthen and diversify local economies through the retention of existing businesses or the attraction of new industry.

The Association looks forward to the confirmation of your availability to attend this annual event.

Yours Sincerely,

Dale Wheeldon  
President and CEO
