Hi John,

I'm wondering if you would be interested in joining the Government Industry Panel at Roundup moderated by Vaughn Palmer. We currently have Minister Mungall and John Rustad on the panel and it would be great to have a 3rd voice. Vaughn is going to give a 20 minute keynote on competitiveness and then moderate a 20-30 minute long panel discussion. We had originally invited Minister Donaldson, but given the panel he opted not to take part. Our industry interacts with FLNRO almost as much as we interact with EMPR, so we really would like to have someone from the Ministry on the panel. I also believe that some of our biggest opportunities to improve competitiveness rest in FLNRO, so being present as part of the panel would add greatly to the conversation.

The session is Monday afternoon between 3 pm and 4 pm. If you're interested, and able to take part, I'll send through more details.

Thank you for considering,

Hi,

Firstly, Happy New Year and ^{s.22}

Vaisakhi is approaching and we were wondering whether the province wished to do an event to celebrate it, similar to the one we did last year?

Our motto this year would be 'I see no Stranger' and on themes concerning a faith-based approach on dealing with hatred and things that divide us. Our speeches and art displays would be focused on this.

The rest of the program would be similar to what we did before (short speeches, musical performance, turban tying). We also wanted to know whether a flag could be raised too on the ceremonial pole - this could either be a traditional Sikh flag or the official one for Sikh Heritage Month BC, which is the non-profit that manages the events across the province.

The desire is to have this occur on the week beginning April 6th.

Cheers,

Jindi Singh
