Subject: Meeting request

Importance: High

Dear Ministers Conroy and Kahlon,

We understand discussions with respect to how the Province will respond to the Old Growth Technical Advisory Panel's recommendations are underway and that a decision may be imminent.

In light of the significant implications any decision could have on jobs, communities, revenues to government and the health of the broader forest industry, we would like to meet with you to discuss the path forward.

We continue to believe a positive path forward that supports healthy forests, climate solutions, good jobs and strong communities is possible. We also believe an inclusive and balanced dialogue, collaboration and partnership will be key to achieving all the outcomes we collectively care about as British Columbians.

Please let us know if you have any availability to discuss in the coming days. My colleague Alexa Young, copied here, can work with your offices to help coordinate a meeting.

Sincerely,

Susan Yurkovich

Hi Lisa,
Any chance we can do Zoom? I will have Brian and Susan with me at least.
It's a better format than conference calls.

Hi Lisa,

With respect, both the USW and Industry (COFI) asked for the meeting to express our issues to the Minister. We believe it would be a far greater use of the time allotted for both of our groups to meet with Minister Conroy together.

Can you accommodate that request please?

Thank-you.
