Thanks,

So this one I hadn't checked on as it came in this past summer.

## APPENDIX B ADVISORY

### GUIDING TERRITORY CERTIFICATE 500955

#### GENERAL

- It is the holder's responsibility to be aware of all applicable laws and the limits of this certificate. For example,
  - Only a licenced guide may exercise the guiding privileges controlled by the holder.
  - This certificate does not authorize the use of land within a provincial park, conservancy or recreation area without a park use permit or the use of private land without the landowner's permission.
- If applicable, the holder is responsible for renewing his or her own certificate. The issuer is not obliged to send a reminder notice.

#### LEGISLATION

Here are some, but not all, relevant excerpts from the *Wildlife Act*:

##### Guiding territory certificate

- 59 (1) A regional manager may issue a guiding territory certificate to a person who, or to a group of persons each of whom,
- (a) [Repealed]
  - (b) in the case of an individual, is 19 years of age or older, and
  - (c) has the qualifications prescribed by regulation, if any.
- (2) The director may specify the form of and conditions contained in a guiding territory certificate.
- (3) Subject to a permit issued under section 70 (1) (b), a guiding territory certificate grants to the holder the exclusive control over guiding privileges in the area described in the certificate for the period stated in the certificate, which may not exceed 25 years.
- (4) The issuance of a guiding territory certificate to more than one person creates a tenancy in common in the rights granted by the certificate.
- (5) If a guiding territory certificate is issued to more than one person, the guiding territory certificate must
- (a) identify a person as the agent of the holders of the certificate and
  - (b) specify the interest held in the certificate by each holder of the certificate.
- (6) A regional manager may rely on information provided in an application or submission made by the agent identified in the guiding territory certificate as if that information were provided or that application or submission were made by all the holders of the certificate.
- (7) A regional manager may, on application by the holder of the guiding territory certificate, issue a new guiding territory certificate for a period not exceeding 25 years if
- (a) [Repealed]
  - (b) more than 3/5 of the period of a guiding territory certificate issued after this subsection comes into force has elapsed.

##### Non-use of guiding territory

- 59.1 (1) On application by the holder of a guiding territory certificate who does not intend to consent to guiding in a year in the guiding territory described in the guiding territory certificate, the regional manager may give permission for the temporary or partial discontinuance of the use of that guiding territory for guiding.
- (2) If, in the opinion of the regional manager, there is no guiding in a year in a guiding territory described in a guiding territory certificate,
- (a) the regional manager may review the operation of the holder of the guiding territory certificate, and
  - (b) after affording the holder an opportunity to be heard, the regional manager may suspend, cancel or refuse to renew the guiding territory certificate.

## Transfers

**62** (1) The following may not be transferred without the authorization of the regional manager:

- (a) the privileges conferred in a guide outfitter licence;
- (b) the privileges conferred in a portion of the guiding area described in a guide outfitter licence.

(2) The following may not be transferred except in accordance with and subject to the regulations:

- (a) the privileges conferred in a guide outfitter certificate;
- (b) the privileges conferred in a portion of the guiding territory held under a guiding territory certificate;
- (c) a guiding territory certificate or an interest in a guiding territory certificate.

(3) For greater certainty, none of the following constitutes a transfer for the purposes of subsection (2):

- (a) the granting of a security interest in a guiding territory certificate or in an interest in a guiding territory certificate by the holder of the certificate or interest;
- (b) the transmission of a privilege, certificate or interest referred to in subsection (2) (a), (b) or (c) to
  - (i) a trustee in bankruptcy of the holder of the privilege, certificate or interest, or
  - (ii) a personal representative of the holder of the privilege, certificate or interest, in the event of the holder's death.

## Certificate or licence is part of estate

**64** (1) An interest in a guiding territory certificate is part of the estate of the holder of that interest and, subject to section 62 (2), the heirs or administrators of a deceased holder may transfer, within 2 years of the holder's death, the holder's interest in the guiding territory certificate to a person who qualifies under section 59 (1).

(1.1) If an interest in a guiding territory certificate is not transferred in accordance with subsection (1) after the death of a holder, the deceased holder's interest in the guiding territory certificate is forfeited to the government.

(2) An angling guide licence, including any angler day quota attached to it, is part of the estate of the angling guide and, subject to the regulations, the heirs or administrators of a deceased angling guide may transfer, within 2 years after the angling guide's death, the privileges conferred by the angling guide licence and any angler day quota attached to it.

(3) If an annual fee for a guide outfitter licence or an angling guide licence becomes due in the interval between the death of the licence holder and the date of a transfer under this section, no annual fee is payable.

(4) If privileges conferred by a guide outfitter's certificate or an angling guide licence are not transferred in accordance with this section, the heirs or administrators must surrender the guide outfitter's certificate or the angling guide licence, as the case may be, to the regional manager.

## No proprietary rights in wildlife

**67** A guiding territory certificate or angling guide's licence does not

- (b) restrict the rights of a resident to hunt or fish.

Here are some, but not all, relevant excerpts from the Guiding Territory Certificate Regulation, made under **Wildlife Act**:

## Transfer of certificate or interest

**3** A person who holds a guiding territory certificate or an interest in a guiding territory certificate must not transfer any of the following without the authorization of a regional manager:

## Control of corporation

**5** (1) A person, or a group of persons not dealing with each other at arm's length, has control of a corporation that holds an interest in a guiding territory certificate if the person or group holds shares in the corporation that, if exercised and considered in the aggregate, carry sufficient voting rights

- (a) to elect 50% or more of the effective directors of the corporation, or
- (b) to otherwise effectively control the operations and direction of the corporation.

(2) Subsection (1) applies whether the shares are held directly by the person or group or for the benefit of the person or group.

(3) Subsection (1) does not apply to shares held by way of security only.

### **Change to control of corporation**

- 6 (1) For the purposes of this regulation, there is a change to the control of a corporation that holds an interest in a guiding territory certificate if any of the following circumstances apply:
- (a) the certificate holder amalgamates with another corporation;
  - (b) through one or more transactions, control of the certificate holder changes or is acquired or disposed of;
  - (c) through one or more transactions, control of a corporation having control of the certificate holder changes or is acquired or disposed of.
- (2) For greater certainty, none of the circumstances described in section 62 (3) of the Act constitutes a change to the control of a corporation that holds an interest in a guiding territory certificate for the purposes of subsection (1).

### **Must notify if change to control of corporation**

- 7 (1) Within 30 days after a change to the control of a corporation that holds an interest in a guiding territory certificate, the corporation must do both of the following:
- (a) send to a regional manager a written notice setting out the details of the change;
  - (b) pay a reviewing fee of \$500.
- (2) A regional manager who receives a notice under subsection (1) may
- (a) request further information from the corporation, and
  - (b) include in the request the date by which that corporation must provide the information.
- (3) A corporation that receives a request under subsection (2) must comply with the request.

### **Actions of regional manager if notice of change to control**

- 8 (1) If a regional manager receives a notice under section 7 [*must notify if change to control of corporation*], the regional may
- (a) give to the corporation written notice that hearing is required to determine whether that regional manager should take an action referred to in section 64.1 (1)(d)(iii) (A) or (B) of the Act, or
  - (b) take no further action.
- (2) A regional manager may give a notice referred to in subsection (1) (a) no later than 120 days after receiving notice under section 7.
- (3) Despite subsection (2), a regional manager may give notice under that subsection after the 120 day period has expired if, before expiry of the period,
- (a) the director approves, in writing, an extension, and
  - (b) written notice of the extension and the reasons for it are given to the corporation.

### **Actions of regional manager if belief of change to control**

- 9 (1) If a regional manager has reason to believe that there may have been a change to the control of a corporation that holds interest in a guiding territory certificate, the regional manager may give to the corporation
- (a) written notice of the reasons for the regional manager's belief, and
  - (b) a request for further information, and include in the request the date by which that corporation must provide the information.
- (2) A corporation that receives a notice under subsection (1)(a) must comply with a request made under subsection (1)(b).
- (3) Section 8 [*actions of regional manager if notice of change to control*] applies as follows:
- (a) if the regional manager is satisfied that the corporation has complied with subsection (2) of this section, as if the information provided by the corporation under that subsection was a notice given under section 7 [*must notify if change to control of corporation*];
  - (b) if any other case, as if the notice given to the corporation by the regional manager under subsection (1)(a) of this section was the notice given by the corporation under section 7.

### **Hearing respecting change to control**

- 10 (1) If a hearing is required under section 8 [*actions of regional manager if change to control*], the regional manager must include in the notice referred to in section 8 (1)(a) all of the following:
- (a) the manner and form of the hearing;
  - (b) the date by which, and the manner in which, the corporation must respond to the notice.
- (2) The regional manager is authorized to take any action referred to in section 64.1 (1)(d)(iii) (A) or (B) of the Act.
- (a) after a hearing, or

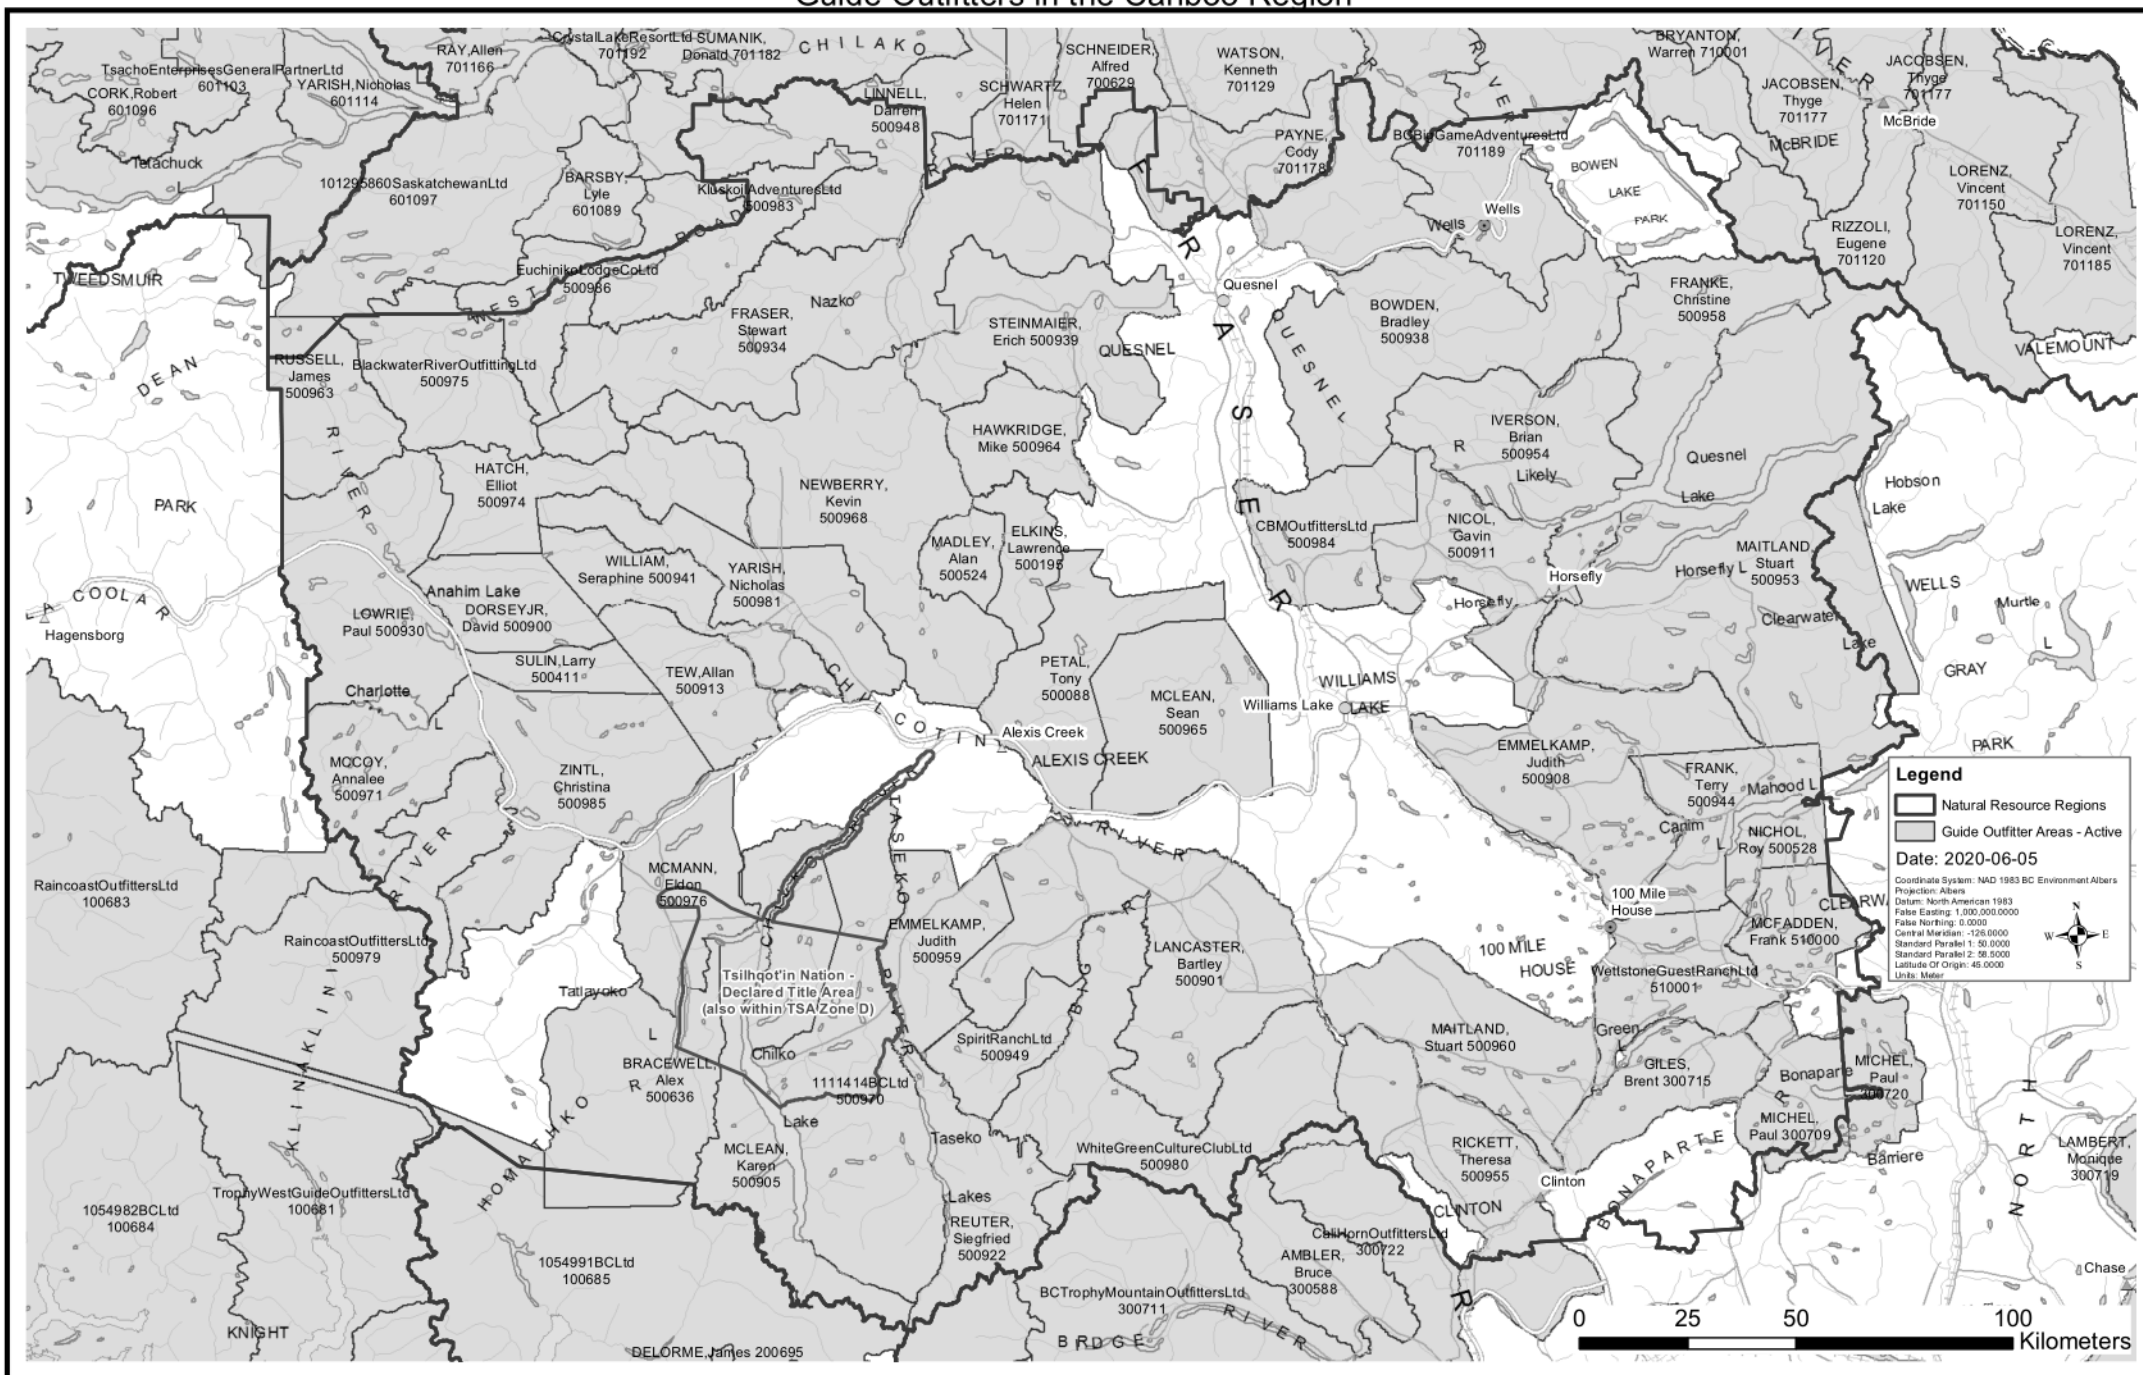

(b) after the date referred to in subsection (1)(b) of the section has passed, if the corporation fails to respond to the notice.

**Offence**

- 11** A person who contravenes section 7 (1) *[must notify if change to control of corporation]* commits an offence for the purposes of section 84 (1)(b)(ii) of the Act.

Not sure what the next step is with that?

Thanks

This transfer is complete now . As I had mentioned earlier that the process guide now says I should contact Range to make sure tenures are in good standings ( if any) .  
So this one I hadn't checked on as it came in this past summer.

Hi Margaret,

It is in good standing and is set to expire on September 18 – (I think she was issued a 42 month tenure, so that the renewal would align with the GTC renewal)

Hi Margaret,

This one is in 100 Mile's District so I've included Diane as she's the Range Officer there. I could not find any range tenure under Rickett, but if it's under another name Diane will hopefully know. If not maybe they don't have a range agreement?

Diane, Checking on the standing of the Range Tenures associated with guide territory.

Wow, that is really strange. I have to defer to the Systems Revenue folks to have a look into where the money went and get it back so we can complete the transaction.

CSNR Revenue Systems Lynne/Chris I had put \$2025 on Jan 14, 2021, in the prepaid account for this GOL (Dong Biao Cheng) so that we could rs.22 for the Upcoming Licence year. It sounds as if it was all done correctly. FCBC selected pay now and went into the payment method did the pre payment account etc. Then they had an error page pop up and when they went back in it showed a receipt # but payment pending. Then I went into to check it out I selected the Pay Now to see if the money was available in the drop down and it wasn't I then selected Go back to the payment originator without making this payment.....and it then came back a NEW and the money is gone from the prepaid account balance (Jan 14, 2021 is when the money was put in the Pre-Payment Account?

Hi Heather and Dan,

s.22 has inquired about this status of s.2 licence application, which was made back in January. Due to the current COORS report history, this licence approval goes directly to the director for approval. Heather – you and I had spoke awhile back that you wanted to let Jen know about additional concerns you had with issuing a licence to s.22 Do you have that ready to go? If not I would need it soon. Please let me know if you'd like to discuss.

Thank you,
