K5 - Penticton Fire Zone Preparedness Worksheet				FROM:	Aug-11	TO:	Aug-14
Current Prep Level :				5	Anticipated 72 Hrs :		5

Prep Plan Comments, Amendments & Rationale:	Crews on alert 12:00- 20:00. Double dispatching to all incidents. Lightning occurred last night and potential for more over next few days. Additional equipment on sby due to potential fire behaviour and to maintain availability. Second RO to assist with crews/chainsaw
