

Schedules of those manning the River Forecast Centre from October 20, 2021 to November 9, 2021. I would like the records in the same format as they were produced on page 6 of FNR-2022-20557.

	regular hours		Overtime, Shift Work and Standby (OSS)

Note: most RFC employees are members of Professional Employees Association and work unscheduled overtime hours beyond the regular schedule (under the PEA Overtime, Shift-differential and Standby (OSS) provisions), as was the case for the period leading up to and during the atmospheric river event.
