Good morning,

Please see the attached Report of Requests in CFR which are past their CFR Due Date.

Total count for this week: **118 requests**

The Flex Team sends this report each Monday as a reminder of requests that have been in the records gathering stage for an extended period of time. Some requests are over their CFR due date, while others are past their legislated due date.

We encourage you to open this report, filter for your ministry/program area, and send any questions, updates, or records to the listed contact – if you should have any.

Instructions:

1. Click the down arrow beside “Office of Primary Interest” to sort by Ministry/Program Area.
2. Click the check box beside “Select All” to deselect all options
3. Scroll down to your program area and check the box beside your choice, or 'search' in the drop down by your Ministry's three letter code (ie MHA = Mental Health & Addictions)
4. Click “Ok”

Details of Requests Included in this Report:

- Requests in CFR over 30 days and Requests in CFR past their legislated due date
- Requests in CFR assigned only to the Flex Team, not IAO processing teams
- The report will only be sent to program areas with requests in the list, rather than to all program areas

If you believe that a file should not be on this list, please send a separate email with the file number in the subject line to IAOFlexTeam@gov.bc.ca. Please do not reply to this email.

Let me know if you have any questions or concerns. Your feedback is always welcome.

Message Body:

Good Morning All,

Please see the attached Report of Requests in CFR which are past their CFR Due Date.

The Flex Team sends this report each Monday as a reminder of requests that have been in the records gathering stage for an extended period of time. Some requests are over their CFR due date, while others are past their legislated due date.

We encourage you to open this report, filter for your ministry/program area, and send any questions, updates, or records to the listed contact – if you should have any.

Instructions:

1. Click the down arrow beside “Office of Primary Interest” to sort by Ministry/Program Area.
2. Click the check box beside “Select All” to deselect all options
3. Scroll down to your program area and check the box beside your choice, or 'search' in the drop down by your Ministry's three letter code (ie MHA = Mental Health & Addictions)
4. Click “Ok”

Details of Requests Included in this Report:

- Requests in CFR over 30 days and Requests in CFR past their legislated due date
- Requests in CFR assigned only to the Flex Team, not IAO processing teams

If you believe that a file should not be on this list, please send a separate email with the file number in the subject line to IAOFlexTeam@gov.bc.ca. Please do not reply to this email.

Let me know if you have any questions or concerns. Your feedback is always welcome.

Good morning,

Please see the attached Report of Requests in CFR which are past their CFR Due Date.

The Flex Team sends this report each Monday as a reminder of requests that have been in the records gathering stage for an extended period of time. Some requests are over their CFR due date, while others are past their legislated due date.

We encourage you to open this report, filter for your ministry/program area, and send any questions, updates, or records to the listed contact – if you should have any.

Instructions:

1. Click the down arrow beside “Office of Primary Interest” to sort by Ministry/Program Area.
2. Click the check box beside “Select All” to deselect all options
3. Scroll down to your program area and check the box beside your choice, or 'search' in the drop down by your Ministry's three letter code (ie MHA = Mental Health & Addictions)
4. Click “Ok”

Details of Requests Included in this Report:

- Requests in CFR over 30 days and Requests in CFR past their legislated due date
- Requests in CFR assigned only to the Flex Team, not IAO processing teams

If you believe that a file should not be on this list, please send a separate email with the file number in the subject line to IAOFlexTeam@gov.bc.ca. Please do not reply to this email.

Let me know if you have any questions or concerns. Your feedback is always welcome.
