As indicated above, you are required to maintain those section(s) of Forest Service road as required by the district manager in accordance with current legislation.

Upon termination of this Permit, title to all improvements that are located on the FSR will vest in the Crown without compensation to the Permittee, unless otherwise permitted by prior written consent of the District Manager.

As the designated maintainer, the permittee must give the District Manager at least 30 days' notice before building a bridge or installing a major culvert or fish stream culvert. The District Manager may specify conditions regarding those proposed works.

The Ministry of Forests, Lands and Natural Resource Operations will continue to carry out its own inspections of Forest Service bridges and major culverts. If responsible for maintenance, please note that you are required to comply with any applicable requirements in the Act and regulations around maintenance, including inspections and with respect to bridges

Yours sincerely,

(Manager's name), District Manager

Dear Sir or Madam:

Enclosed is Road Use Permit W 710 Holdings Ltd. authorising use of those Forest Service Roads listed on the Schedule A.

Where indicated as such on the Schedule A, you are required to maintain those section(s) of Forest Service road as required by the district manager in accordance with current legislation.

The Ministry of Forests will continue to carry out 2 or 3-year inspections of Forest Service bridges and major culverts. If responsible for maintenance, please note that you may be required to carry out the necessary repair or replacement of bridges and major culverts. The maintenance work shall be consistent with Ministry of Forests regulations.

If you are not responsible for maintenance work, you are obliged to reach agreement with the user indicated on the Schedule A that is responsible as to your reasonable share of the maintenance costs for individual roads. This Road Use Permit remains in effect until all obligations are complete and a request is made for deletion of the permit by the licensee.

Yours truly,

Shane Berg, RPF
District Manager

(the "Permittee")

1.00 GRANT OF RIGHTS AND TERM

- 1.01 Subject to all Ministry of Forests and Range legislation and regulations in force at the time of the work, and as amended from time to time, the District Manager grants to the Permittee the non-exclusive right, during the term of this Permit, to use the road or road section(s) listed on the Schedule "A" or shown on attached map.
- 1.02 The term of this Permit shall begin on the effective date shown above, and shall terminate when the District Manager is satisfied the Permittee's use of the Forest Service Road (FSR) is finished, and that there are no outstanding obligations with respect to the permit.
- 1.03 The Schedule(s) forms an integral part of the Road Use Permit.

2.00 CONDITIONS OF USE

- 2.01 As provided for in regulation, the Permittee is hereby required to carry out all maintenance activities for those roads identified as such on the Schedule "A" or attached map.
- 2.02 The permittee referred to in paragraph 2.01 as being required to maintain a road shall give the District Manager at least 30 days notice before building a bridge or installing a major culvert or fish stream culvert. The District Manager may specify conditions regarding those proposed works.
- 2.03 Upon termination of this Permit, title to all improvements that are located on the FSR will vest in the Crown without compensation to the Permittee, unless otherwise permitted by prior written consent of the District Manager.

- 2.04 Notwithstanding the vehicle size authorized for use in Schedule "A", the Permittee may use a vehicle on an FSR under this permit that exceeds the allowable dimensions without exceeding the GVW described in the Schedule "A". When such oversize vehicle is used, the Permittee must arrange for a pilot car with appropriate roof-mounted warning sign or two flashing amber lights, to precede the oversize vehicle at a distance of not less than 100 metres nor more than 500 metres.
- 2.05 Where there are posted signs indicating a two-way radio system for use on the road, the permittee shall use the posted frequency in the prescribed manner while using the road.

3.00 MISCELLANEOUS

- 3.01 This Permit shall enure to the benefit of, and be binding on, the parties and their respective heirs, executors, successors and permitted assigns.
- 3.02 By accepting delivery of this Permit, the Permittee agrees to be bound by its provisions and to perform all obligations that are to be performed by the Permittee under this Permit.
- 3.03 The terms and conditions imposed herein on the Permittee apply to the employees, agents and contractors of the Permittee. The Permittee shall be responsible for the actions of his employees, agents, and contractors.
