STATEMENT
Statement by Premier Christy Clark

VICTORIA - Premier Christy Clark has issued the following statement:

"In recent days, we have made every effort to reach a governing agreement, while standing firm on our core beliefs. It's vitally important that British Columbians see the specific details of the agreement announced today by the BC NDP and Green Party leaders, which could have far-reaching consequences for our province's future.

"As the incumbent government, and the party with the most seats in the legislature, we have a responsibility to carefully consider our next steps. I will consult on those steps with the newly elected BC Liberal caucus, and have more to say tomorrow."
