Hi Kristy,

Hope your week is going well.

Following up on our tentative plan to meet this week – please feel free to send me a calendar invite if that's still of interest/work this week.

Any time after Wednesday at 2:30 works nicely for me. Happy to come your way.

Hi Rodney,

Hope you're enjoying a bit of a change of pace without session this week.

I'm taking the time to meet with a few CDs to chat about how I can best fit into the work you're doing/get a sense of how I can be most helpful.

If you think that would be useful, please feel free to send me a calendar invitation. Any time after Wednesday at 2:30 works well for me.

Hi Paul,

Hope this finds you well.

I'm taking the time to meet with a few CDs this week to chat about how I can best fit into the work you're doing/get a sense of how I can be most helpful. If you think that would be useful, please feel free to send me a calendar invitation.

Any time after Wednesday at 2:30 works well for me – though I understand you might have a bit more than usual on your plate lately with folks transitioning. If this is a conversation better held for another week, please just let me know. Happy to meet on a Friday or another break week.

Cheers,

Hi all,

Thanks for the quick invite Lisa.

I'm noting that your prep is at the same time as another one that I will need to attend tomorrow. Is there any possibility of re-jigging the time? I'm entirely free from 9:30-11:30.

Appreciate that may not be possible. So otherwise – barring any emerging issues – I'll work on attending a prep session later in the week.

Would also appreciate an invite to the rest of the QP prep on Tues-Thurs when it's possible, so I can see how the rest of the schedule works out. Can also discuss a long term solution later this week.

Hi Lisa,

Apologies that I missed your Lync message.

I think my preference would be 9:15-9:30 on Tuesdays and Thursdays, but can also do my best to make 9-9:30 work as well. I see that's how it is in the calendar now, so if that's set in stone that's fine.

I just likely will only be there for the 9:15-9:30 portion either way.

I do however urgently need one of those **blue printer fobs** to release print jobs. Who should I contact about that? If at all possible I really need one today.
