Hi Rob, the schedule is pretty full tomorrow but we have a number of awareness and proclamation things going first thing so I would like to group together. 7:30am is the best slot over here, does that work for you? Please ensure this is into the editors as soon as possible and no later than 3pm today as they are loaded up once again and very busy.

Thanks,
Robyn

Hi Scott, can you set up Kim Copeland with a TNO account when you have a moment? She will need access. Please also set her up on the same distribution lists that our team is on as well when you can.

Many thanks,
Robyn
