Hi Rob,

The Premier will be going media in Victoria with the press gallery tomorrow.

I'll be including aquaculture-related lines. If there's anything else to include, could you please pass an materials on by 1PM?

Thanks very much. Hope you had a good long weekend.

Hi Kristy,

The Premier is doing a senior's housing announcement in Nanaimo on Monday July 9<sup>th</sup>, followed by a roundtable Q&A similar to the one he did in Maple Ridge in early May.

I got a request from Cabinet Priorities (cc'd) to update the briefing note that you folks had worked on for the Maple Ridge event. Would someone on your team be able to take a look at it and make sure it's up to date?

I've already updated it with some recent announcements (in track changes), but was hoping someone from your team could take a look at the Q&A section especially. The primary care question could probably be tweaked, but I believe the hope is to keep it similarly high level.

The deadline is noon tomorrow (unless Rosa corrects me!).

Thanks,

My advice:

We want to ensure that our post-secondary system works for people.

We are taking every opportunity to ensure we have the right leadership in place in our universities, including UBC, to support students, staff and faculty.

The new board appointments at UBC represent the diversity of people in our province and are merit based.

The expertise, experience and knowledge that Alison Brewin and Bill Sundhu bring to the Board of Governors at UBC will support the work of the board and the university.

Message:

The Nanaimo ICU is one of the older ICUs in the province and is in need of updating to improve facilities for patients and staff.

This need was identified many years ago in 2013.

This is an important project and we're looking forward to working with Island Health and the Nanaimo Hospital Foundation as we work through the process of moving it forward.

There are a number of these long overdue hospital projects in B.C.

Our new government is taking action to repair, restore and replace aging hospitals across the province to improve people's access to care.

If you've got any other draft materials for Thursday, could you flip them my way? A draft NR would just help with context.

Hi Sarah,

You are a brilliant comms person, I'm wondering if you can help me with something.

I need help with reviewing/editing the Minister's speaking notes for the upcoming tripartite agreement signing happening this Thursday. I've attached the speaking notes which I just received from the comms shop about half an hour ago. Minister was hoping to see them today but I sent her a note saying she would see them tomorrow.

I've done a first look at it and added a few comments and a couple of changes but I was hoping you could take a look in the morning (Tuesday) and maybe we could have a chat after my morning comms call—say around 9:45/10? I can explain more on the call.

Thank you in advance!

Cheers,  
Anna

Hi Rodney,

Working on a issues scan with materials needed by end of day today (flexible on when that is).

Do you have anything to include?

Premier will be in **Vancouver** on Sunday doing media at an event in the Chinatown area, and scrumming Monday in **Victoria** with the gallery.

Thanks!

Thanks,  
Sarah

Hi Tania,

Working on a issues scan for the Premier. He will be in **Vancouver** on Sunday doing media at an event in the Chinatown area, and scrumming Monday in **Victoria** with the gallery.

Do you have any topics that I should think about including? I'd need any materials by end of day today (flexible on when that is).

Thanks!
