Hi Krista

I'll need to get into it tonight when I have access to my laptop again tonight.

Apologies for the confusion.

I noted harms via pdf notes. Not sure why it's not showing.

Thanks

Please provide 2 identical copy of the records with 1 version identifying the harms.

The records are due to IAO today.

Many thanks,

Ideally, three hours is good, if we want to do practice q and a with feedback.

But I can work with two if that's all we can get!

In terms of dates:

Thanks!

Hi Marie,

As you may know from talking to Marg, there is interest in offering the August workshops a second time in late September.

Many of our Directors s.22 – I'm thinking we go ahead with the August sessions as planned, which will result in one person from every shop getting the training (either a Manager or Director); then offer them again in the last week of September and capture a second person in every shop. If a Director comes to the August sessions, they send their Manager to the September ones, and vice versa.

We'll end up with all of our leaders having done the workshops, with the ability to support each other and their teams better.

You on board for doing the second set? What would that look like in terms of scheduling? I don't want to drag it into October since the session starts Oct. 1, so if your availability is only during the week of Sept. 24, maybe we can do one session on Monday or Tuesday, and the second on Thursday or Friday. Another alternative would be to cram it all into a single workshop (maybe 3 hours?). That would be more efficient, but probably somewhat less effective.

Thoughts?

CDs could even participate in the creation of some of these modules.

But I think all these questions raises an even bigger question:

Does it make sense to do this kind of session as an ongoing offer? Not sure what to call it but it's more than onboarding, right?

It's creative pro D for anyone who writes or does com planning. And as new insights emerge, you can bring people back together.

CDs could do their own sessions with their team or they can send people to a session with Danielle's team.

2. News Release/Statements and Speeches, 2-3 hours between August 20-24 (Training to be accompanied by NR/STM Guide as well as a Speech Guide)

I'd be happy to revisit these.

But I'd really like to do it in a combined way. Six separate ones with only small groups is a bit too much to wrangle.

Could we try and group them?

s.22 the week of Sept 24. And have a few MO sessions online already - plus the balance of the CDs for the styleguide sessions.

Could we perhaps find a couple options then? I realize the house sits the following week. Perhaps a series of Friday sessions could work?

Happy to connect about this again next week. Let me know what works for you

My only teeny tiny thing:

The sample speech talks about it being an honour twice in the first para.

Maybe if we are trying to get them to get the concept of using the voice of the speaker in the writing , that's not the best thing to have in the sample.

Hi Marie,

I'm not sure if it's an appropriate time to reach out or not, but in case it is, I've been asked by Agriculture's Minister's Office about organizing some media training for Minister Popham as we head into a new session. Is that something you might have some availability for in September?

Thanks,
Meghan

Hi Marie,

I'm back to work tomorrow. Tuesday afternoon sounds great. I have a meeting from 4-5, but apart from that I'm free.

You can come to our office space and we can chat/plan there.

See you soon!

Hey Danielle.

I got some context on the corporate plans from Cara and Mike today.

When you are back next week, do you want to get together Tuesday afternoon to plan our session on Wednesday?

Thanks!

Hi Trish,
s.22

I have time available Tuesday all day or Wednesday morning.

May also be able to make Thursday work. Mid-morning on.

Could any of that work for the minister?

Thanks

Marie

Hi Marie – wanted to connect with you on your availability to do media training with Minister Lisa Beare in September. She is unable to make the first week, the second week is – as you know – UBCM so we are looking at late morning (after 10:30) on Sept. 17. Would you be available? We are looking at a couple of hours and it would be you, Sarah and myself along with MLB and her MA.

Trish
