Hi Robb and JJ.

MoH Comms has taken a first-run at drafting the May 24 NR, and accompanying backgrounders.

It hasn't gone thru their MO yet.

Of course we don't want the MO and your folks working simultaneously on revising it.

So what is your preferred next step pls – this first draft to the MO for their review/edits this weekend (MO has indicated they are unlikely to be able to turn attention to it until post-next-Tues), or this first draft to JJ at this point?

Appreciate your thoughts...

Hey JJ.

I hear you've been assigned to this for the May 24 PO announcement/event. We are all very pleased. ☺

Cara suggested it would be a good idea to send to you, so you can start to get your head around this.

Pls note, this is an early MoH draft and Robb has suggested s.13

s.13

I'm trying to set up a 'chat' mtg with Robb/Kristy/Carlene for this aft, I'll include you too if you'd like?

Thx muchly, JJ (and pls note, this MoH doc is their 'early draft' from last week on trying to shape this, so much may have/may in future change)

PPS I've given Karl and Events a heads-up about this also.

Subject: Speech Reminder

A reminder again pls, when finalizing spkg note – pls ensure the term “Check Against Delivery” goes on the title page of speeches.

As I am reviewing FOI responses for approvals, I note a number of speeches don't include this. Including it highlights to readers/requesters there might be a difference between the written spkg notes they are reviewing, and the speech that was actually delivered.

While of course it isn't binding in way, the phrase is a flag that just because those words are on paper, they may be significantly different than what came out of the speaker's mouth.

Thx.
