Hey Karl -

Was lovely seeing you in Victoria some weeks back. I hope things are going smoothly for you as summer arrives.

I wanted to follow up on our conversations about doing some work together, and see if we could move that process forward. I'm currently booking work post June 30 and would love to include you/GCPE on that roster.

Would you be up for a chat sometime next week? My calendar is wide open.

Talk soon!

-MR
