Thanks, if you or Don happen to see any photos of the Minister and the Premier at the crane, or the Minister and Nicolas Simons at the crane, she's looking to share that one ASAP.

Hey Meghan,

Here is a cut of the video we shot at Tugwell: <https://spaces.hightail.com/receive/28ymmg8gtr>

I thought it would be nice to release this clip first thing tomorrow, so we have some Day of the Honey Bee content ready to go, and we could then post the event video later on.

I thought we could also integrate this into the larger Buy BC campaign so that it would last longer than the HB Day tomorrow. That is why the end has the Buy BC logo integrated.

Let me know if this works for you!

Thanks,

Stephen Hargreaves

Hey Stephen, just double-triple checking that the anti-SLAPP video will come to us first for approval before it is posted anywhere, right?
