Hello Katherine. Green Caucus is not requesting consultation on this RFL. For the purposes of your RFL template, you could include something along these lines:

Ministry of Health contacted the Confidence and Supply Agreement Secretariat who advised that the Green Caucus is not requesting a consultation on this RFL. The Secretariat will offer a briefing with the Green Caucus prior to introduction of the Bill, via the Minister's office, per usual practice.

Please let us know if you've got any questions Katherine.

Regards,
Donna

Hello Katherine. Thank you for reaching out about this. I will raise this with Green Caucus staff tomorrow to determine their level of interest, and get back to you ASAP. At that point I can suggest language you can include in your RFL template. If a meeting is requested in the near term, we would organize that via the Minister's office, per our usual protocol.

In any case, we would offer the Green Caucus a briefing on the Bill just prior to introduction in the House, which we do with all Bills. This would also be scheduled by us, via the Minister's office.

Can you let me know which legislative session you are aiming for?

Thanks again for looping us in Katherine.
