Good Morning,

Please find the attached the standard draft eApprovals MOU for the 2018/19 fiscal year. We have updated the salary and benefits to reflect the current grid, and added a clause to specify that the MOU and JV are annual processes (wording has just been added for clarity as some financial units questioned if the charge was a monthly charge). Otherwise, the basic agreement and schedule of services remains the same.

If you choose to maintain the present MOU with the Ministry of Social Development and Poverty Reduction (SDPR), please complete the attached word document and return a signed PDF to the [iCollaborate](#) mailbox.

If you have any concerns or questions, please email us at: [iCollaborate](#).

We look forward to continuing our partnership with you.

Thank you.
