involves Shruti coming in studio with him, in part to provide
support for the translation of callers questions. They can
meet at the studio, and then head over to the event site.

Hi everyone.

For this calendar entry **HLTH-91416** we have been informed that the minister would like to do this on Tuesday Jan 8. We are still vetting a couple of locations for this but it will be very similar to the event in Nanaimo we did a couple weeks back. We are hoping we can get events and media relations support (FYI digital team). Is this possible and would it be possible for you to join a planning call with us and Fraser Health tomorrow?

Thanks,
