Hi Krista,

The applicant has responded with further questions on this. I'm not sure exactly what is meant by the first question since we have already advised we cannot access her emails as they have been saved/sorted where needed so I will confirm that to them but can you provide insight on the other two questions that I can communicate back to the applicant?

**(1) Is it possible to sort all of her emails by date?**

**(2) Is it possible to perform a keyword search?**

**(3) Can they provide a list of topics/folders that the emails are sorted into?**

Thank you!

Hi Justin,

The applicant has responded to my email (which contained the approved message below) to inquire what the correct

procedure would be to get Stephanie's emails despite the fact that they are no longer contained within Outlook. From my understanding, they would need to narrow by a topic and then all of those emails saved to that topic for that time frame would need to be reviewed to see if they were sent by Stephanie and would likely attract a fee as this would be quite time consuming. Can you confirm if that's accurate or if GCPE identifies a different method it would be possible to do this?

Thank you,

Hi Krista,

As I have not been able to connect by telephone, would GCPE be comfortable with me sending this via email to the applicant:

"As we have not been able to connect by phone, I am writing to follow up on your email to Sasha Joyce of March 14, 2019. While records may exist that are responsive to this request, because Stephanie Sherlock no longer works with GCPE, her emails would have been saved and filed by subject matter and then removed from Outlook. As a result, there are no records in Ms. Sherlock's Sent email folder and a no records responsive will be forthcoming. It does not seem that the records have been deleted but rather they have been filed where appropriate and/or required. I had hoped to discuss this by phone to be able to provide a better explanation so please do not hesitate to call me with any questions."

Thank you!

Hello

Please find attached a formal request made under the *Freedom of Information and Protection of Privacy Act* (FOIPPA). Your analyst for the attached request will be Lauren Lemieux

**Please send the records to [FOI.Health.Education@gov.bc.ca](mailto:FOI.Health.Education@gov.bc.ca) by March 8, 2019.**

**Request Due Date: April 3, 2019**

You should be aware that FOIPPA obligates us to assist the applicant and to respond without delay, openly, accurately, and completely. In the event that the ministry must defend the adequacy of its search to the Information and Privacy Commissioner at Inquiry, those involved in searching for records may be required to sign affidavits to prove that they have conducted an adequate search for relevant records.

Please do not hesitate to contact your analyst to discuss:

- whether the records may be routinely releasable;

- whether the information is being prepared for public release or is already publicly available;
- whether staff would be available to discuss the request with the applicant, if the applicant is agreeable;
- ways in which an applicant may want to narrow/focus their request to reduce potential fees; and/or
- any other questions or concerns relating to this request.

Thank you,

Please do not hesitate to contact your analyst to discuss:

- whether the records may be routinely releasable;
- whether the information is being prepared for public release or is already publicly available;
- whether staff would be available to discuss the request with the applicant, if the applicant is agreeable;
- ways in which an applicant may want to narrow/focus their request to reduce potential fees; and/or
- any other questions or concerns relating to this request.
