Hi Monica,

It was always part of the plan for the BC Emergency Benefit for Workers to follow the federal benefits.

Minister James has said publicly that it will begin in early May.

Keep you posted.

Hello,

Wondering if there are details about when the \$1,000 B.C. Emergency Benefit for Workers will be available? It was announced almost a month ago, and people still can't apply (and we've been getting increasing calls about when people can apply). Any details about the roll-out and timeline would be appreciated. Hoping for an answer by the end of the day.

Thanks,
