Hi Folks,

PJH will be doing a conversation with Fraser Health stakeholders regarding covid-19. This will include faith leaders, as well as media stakeholders and others. We were hoping to get an invite with zoom link ASAP. Naveen, Shruti and I will take care of distribution. Would also like help with zoom moderation on day but can discuss further tomorrow.

Please let me know what questions you have but as soon as we can get this it would be greatly appreciated.

Hi Joleen,

Wanted to get in touch about tomorrow. Naveen is going to moderate the meeting tomorrow. If you could assist by logging on in advance and letting us know who has joined ect as Naveen will be briefing PJH before hand.

I have created an account for PJH in our office so we will not need to log in with GCPE one FYI.

Thanks so much, let us know if you have any other questions. I will send agenda and participants later today when its more final.

Cheers,

Jarrett

“Thank you for attending this morning’s zoom conversation with Premier John Horgan, Minister Adrian Dix, and Dr. Victoria Lee. It was great to see the cooperation amongst all of you on the need to reduce the spread of COVID-19. I appreciated seeing examples where we can re-imagine traditional celebrations as well as normalizing cautious behaviour to say ‘no’ to invites.

All four radio stations are doing exemplary work to draw attention to reducing the spread of COVID-19. Here is a link to [REDFM’s](#) challenge and Rumneek’s [thoughtful article](#). Thank you, Mo for sharing the initiatives from the Gurdwaras. Please share any additional links with me so I can share it with this group.

Additionally, [here are some guidelines and shareable social media content](#) (In English and Punjabi) from Fraser Health on how to safely celebrate Diwali. I hope you will consider sharing it with your networks.

With the rise of COVID-19 cases this fall, I’m glad to have your support in sharing the message to stay safe. Please reach out to me or Shruti at any time.

Best wishes,
